NOTICE TO THE STUDENTS

In an endeavour to embrace the fundamental principles of NEP 2020 by identifying and fostering unique capabilities and leadership skills in the students, the college is adopting a new procedure to discover student leaders who can uphold the ethos of the institution and further strengthen cultural value systems, whilst fulfilling their social responsibility to the community at large. This process of selecting a group of emerging student leaders will be termed the "Advitiya Netrutva" initiative and it replaces the Student Council system of the institution.

These student leaders will demonstrate strength of character and possess central leadership qualities such as Self-discipline, Humility, Integrity, Self-awareness, Gratitude, Accountability, Transparency, Empathy, Passion, and Courage. The process of selecting these student leaders will be as follows:

- Students will fill-in a self nomination form depending on the criteria for applying to the "Advitiya Netrutva" initiative.
- These nominations will be scrutinized and a department-wise merit list of candidates will be prepared on specific evaluation criteria.
- The top candidates in each department will together form the student body under the "Advitiya Netrutva" initiative.
- This student body will then elect the following office bearers from amongst themselves:
 - General Secretary
 - Chairperson
 - Student-Advisor (to be elected from only the MA/MSc/PG student members)

The details of this initiative (application criteria, last date to apply, evaluation criteria etc.) will be announced shortly on the college website.
