CIRCULAR

Post Matric Scholarship scheme is a Centrally Sponsored Scheme and it is implemented through State Governments and UT administrations. The Scheme provides financial assistance to the Scheduled Caste students studying at post matriculation or post-secondary stage to enable them to complete their education. These scholarships are available for studies in India only and are awarded by the government of the State/Union Territory to which the applicant actually belongs i.e. where he/she is permanently settled.

It has been observed that there is a drastic decline in submission of applications under the said scheme.

Therefore, it is emphasized upon the Registrar, Goa University and Principals of all the Government and Aided Colleges:

- (i) To publicize/advertise this scheme in their institutions in the way of introducing it in prospectus, publishing on notice board.
- (ii) Nodal officers to extend required help to the students in filling up of forms.

This issues with the approval of the Director of Higher Education.
