Editorial Message

It gives me an immense pleasure for me as an Editor in charge to introduce and release the First Edition of our M.Sc. – IT Departmental Newsletter "InformaTics" Volume 1 Issue 1 for the Academic year 2023 - 24. We will be releasing around 4 newsletters for the current academic year. This newsletter will serve us to reinforce and allow increased awareness, improved interaction and integration among all of us. This newsletters will be also a medium to provide proper acknowledgement and respect to all the students and faculty who work behind the scenes, overtime round the clock planning things and acquiring results.

I would like to extend my sincere thanks to our Coordinator and Assistant Professor, Mr. Gajanan Nial for nominating me as an editor in charge and handing me over the major responsibility in documenting and covering all the aspects that will happen across this PG department by faculty and students. I would also like to nominate and thank Mr. Raquib Shaikh from M.Sc. IT Part I as a Student coordinator in-charge. So, Stay tuned to keep in touch with our various events and other interesting happenings in the Department.

Coordinator's Message

MSc in Information Technology (M.Sc. IT) at Parvatibai Chowgule College of Arts and Science (Autonomous) is a unique programme in the state producing high quality postgraduates for over two decades. With changes happening at higher educational landscape and in the IT industry, the M.Sc. IT Programme is embarking on a new phase in terms of its content and delivery processes. In this regard I take this opportunity to express my gratitude to our Principal and the Management of CES for entrusting us the responsibility to conduct events independently and publish our own newsletter – InformaTics.

Congratulations to the faculty and editor Mr. Amogh Raiturkar and its team for bringing out the very first Issue of the newsletter within a short span of time. This issue and all future issues of the newsletter will serve us to showcase the activities and achievements of the Programme to the stakeholders especially our recruiters, and society at large. Let this newsletter be a source of motivation for us--the students and faculty members of M.Sc. IT to work toward excellence and take the M.Sc. IT programme to greater heights!

DEPARTMENT
ACTIVITIES

The students of MSc IT participating the workshop on 'Introduction to Express and React'.

Peer Learning Through Workshop on Introduction to Express and React

The MSc IT Programme organized a hands-on Workshop on Introduction to Express and React for the students of MSc IT part 2 on 21st and 22nd August, 2023 at the MSc IT Lab. The workshop was conducted by Mr. Joshua Pereira and Mr. Nikesh Singh, students of MSc IT Part-2. A total of 17 students from Part-2 and faculty Mr Gajanan Nial attended the workshop. The workshop successfully introduced fundamentals of Express.js and React.js and provided the participants with the skills to build full-stack web applications.

Intra-College Futsal Tournament

Miami Fusion Elites (Miami FE), a team from the CS Dept, led by captain Norman Chris Mascarenhas, student of MSc IT Part 2, won the Intra-College Futsal Tournament organized by Parvatibai Chowgule College of Arts and Science (Autonomous) on 28th August 2023. In the finals Miami FE won 4-2 against Socious Squad. Mr. Kahlil Barreto, MSc IT Part 1 student was announced Man of the Match who scored a brace and provided 2 assists. Jesus Roydon was another MSc IT part 1 student who was part of the winning team.

Report on MSc IT Committees Inauguration

The MSc IT Programme held its first Council Inaugural on 31st August, 2023 in the MSc IT Seminar Hall. The inaugural programme commenced with a welcoming address by Programme Coordinator Mr. Gajanan Nial who spoke about the significance of forming the council and the responsibilities associated with it. This was followed by Special Address by the Guest of Honour, Mr Kumaresh VC, Vice Principal of the College, who congratulated the department for being the best in the College at the Post Graduate level. This was followed by announcement of faculty in-charge and event committee members. Subsequently oath was administered to all the committee members where they solemnly pledged their commitment to uphold the values, and vision of the department and the College. After the oath ceremony the committee members received a rose as a heartfelt gesture of appreciation for their commitment and efforts. This was followed by the acceptance speech given by the Event Committee President Gaurav Dhamsekar, Vice President Mansi Naik and Treasurer Prachi Naik, students of MSc IT part 1. The event concluded with vote of thanks delivered by Mr. Mahesh Matha.
