# Scoring Criteria for Advitiya Netrutva

The scoring criteria for the Advitiya Netrutva initiative, is designed to recognize all-round performances by students. As such, the final scores are calculated across five sections with the following weightage for each:

- Academics : 30
- Extra-curricular: 30
- Sports: 20
- NCC : 10
- Volunteer Work: 10

The process of calculating the final score is as follows

- 1) For each section, enter the points for each criteria separately
- 2) Calculate the weighted percentage for the section using the weightage given. This will provide the Section Score (*see scoring template with examples at the end of the table*)
- 3) Add all the Section Scores to obtain an Overall Score out of 100

Only those **achievements that are from previous two years** are to be used to calculate your scores. Achievements from secondary schooling and below are not to be considered for the calculation of points.

\* Volunteer work refers to any work undertaken by the student for no remuneration/payment/fees. It is work done over and above academic and other requirements. Work done as part of internship hours or NEC hours is not considered as Volunteer work.

*Students are to use the following template for self-calculating their scores. They are to attach their self-scored templates to their applications along with self-attested photocopies of all documentary evidence.*

*Eligibility requirement: Please note that only those students who are enrolled for AY 2024-25 and DO NOT have any current backlogs in any previous examinations are eligible to apply for the Advitiya Netrutva Initiative. **Scores for all to be included for the previous two years only.***

**\* Points claimed under all criteria should be supported with documentary evidence. If photographs are submitted as evidence for participation, the banner of the event has to be visible along with the participant.**
