## About College

Parvatibai Chowgule College of Arts and Science is a premier educational institution in the State of Goa, offering courses at the Graduate, Postgraduate and PhD levels. Accredited by NAAC with Grade 'A+' (CGPA of 3.27 on a 4-point scale 4th cycle). This is the first Autonomous college in the State of Goa and Ranked in NIRF.

The College has impressive campus with state of art infrastructure, especially artificial field turf, fitness center, multimedia center, teaching learning center & well equipped laboratories. Apart from conducive environment for teaching and learning for the student, the college believes in overall development of students through student activities, internships, outreach and exchange programmes.

The college is on the path of redefining education through innovative programmes and providing competitive edge to the students.

## About Department

The Department of Geography and Research Centre is a pioneer department in the State of Goa, that offers Graduate (B.A/BSc), Postgraduate(M.A/MSc.)Postgraduate Diploma in Geoinformatics. and Ph.D. programme in Geography. Research and consultancy is the flagship of the department. The department has Well-equipped laboratories, qualified faculty members with strong academic background. The department also has collaborations with various national and international institutions. The faculty has multiple high quality publications research projects and rich experience in technological use in Geography.

The department publishes an in-house bi-monthly newsletter 'Geographia' and undertakes various curricular and co-curricular activities through Geography club 'GLOBE (Geographers Loving Our Beautiful Environment)' and 'AGES (Association of Geography Ex-Students)'. The GLOBE organizes fieldtrips, tours, students events and works for the development of the subject, whereas AGES provides financial and logistic assistance. Various scholarships have been instituted by the alumni and faculty of the department. The students successfully being placed in Government and non-government organization in teaching, administrative, corporate sector, research field. Some of the students are pursuing higher education in foreign universities

Commitment towards the growth of the subject and expansion of geographical knowledge through teaching, research, consultancy and extension activities, has earned it, a stature of being one of the most eminent academic departments in the college.

## Theme

### Emerging Tools and Techniques in Geographical Research

Geography is a dynamic field that integrates human, physical, and GIS (Geographic Information Systems) aspects to understand and address real time issues in spatial and temporal perspective. Accordingly, the methodologies in geographical research have experienced significant transformation due to advancements in technology and analytical tools. Geographers across the world are integrating various data to map and analyze geographic relationships. These cutting-edge tools and techniques are not only enhancing the precision and efficiency of geographical research but also expanding its applications in planning, environmental conservation, disaster management, human welfare, and wellness and beyond, ultimately driving innovation and sustainable development in the field.

Therefore, this conference attempts to bring community of geographers to deliberate emerging methodologies to apply for the real time situations at local , regional and national level. it will provide an opportunity for young researchers to deliberate and interact with experts to gain better insights.

### Sub Themes

- Use of Statistical tools in geographical Research
- Application of Geospatial Technologies
- Field Techniques in Geographical research
- Technological innovations in research in 21st Century

**Abstract should be in 300 words to be attached with registration form**

**SCAN FOR REGISTRATION**

**Last Date for Registration is 05th March 2025**

### REGISTRATION FEES

Rs. 950 /- local delegates\*

Rs. 800/- students and research scholars\*

\*includes Lunch, tea and snacks & conference material
