Subject: Revamp in implementation process of Post Matric Scholarship Scheme
for SC Students and Pre-Matric Scholarship Scheme for SC Students –
Simplifications from 2022-23-reg.

Madam/Sir,

In supersession of this Ministry's letters number dated 13.04.2022 and 05.07.2022, I am directed to inform that the procedure of submission of applications and their processing has been reviewed by the Competent Authority and with a view to speeding up & simplifying the process of disbursement of scholarships, the following changes will be made in the implementation process of Post Matric Scholarship Scheme for SC Students and Pre-Matric Scholarship Scheme for SC Students and others w.e.f 2022-23:-

- 1) In accordance with the provisions of the Aadhaar (Targeted Delivery of Financial and Other Subsidies) Act 2016, **Aadhaar number of the applicant shall be mandatorily collected and verified** before processing the applications for the Post Matric Scholarship (SC) scheme, for applicants who are 18 years or older. For applicants below the age of 18 years, in case the beneficiary does not have their own Aadhaar, it will be mandatory to give their Parent's Aadhaar Details. It shall also be mandatory for the State Govts to verify the Aadhaar number on real-time basis using eKYC protocol.
- 2) **Only Aadhaar based payments** will be allowed under the Schemes hereinafter. Therefore, it must be intimated to all applicants to ensure that they have a **bank account seeded with the Aadhaar number** mentioned in the application. In case Aadhaar is not seeded with any Bank Account, applicants will get time to seed Bank Account with their Aadhaar. If applicant

doesn't complete Aadhaar seeding in a given timeframe, his/her application should be automatically rejected. For verifying this, the State's Portal shall be integrated with the NPCI Mapper.

- 3) The **State would be responsible for data verification** on all parameters as specified by the Ministry. This includes (a) Aadhaar validation (b) check on NPCI mapper (c) deduplication, (d) unique mobile number and (e) validation of the fee/amount claimed. The State's verification will be considered final if, and only if, they run these checks and also disburse their share of scholarships.
- 4) The central share would be **disbursed on Aadhaar Based Payment System (ABPS) only**, after the State shares a Digitally signed (DSC) payment file through API to NSP in the given Format. On receiving the DSC signed payment file from the State, the Ministry will disburse the Central Share (60%); and the response received from PFMS will be shared with the States for the necessary action.
- 5) The processing of the central share will **be strictly as per the timelines** provided under the Scheme guidelines. The central share will be paid to those beneficiaries only to whom the state share is paid in the prescribed time lines.

This issues with the approval of Secretary (SJ&E).

Yours faithfully
