

Community Outreach Programmes at Our Lady of Snows High School-Raia

1. Vedic Maths:

The Community Outreach Cell, in collaboration with the Department of Mathematics at Parvatibai Chowgule College, organized a successful Vedic Maths Workshop on February 6th, 2024, at Our Lady of Snows High School-Raia. Dr. Chitra Mekoth and Ms. Danielle Monteiro introduced the session, which was predominantly conducted by students led by Mr. Anish Konkar. The hands-on session showcased various Vedic Maths techniques, engaging around 80 students from classes 6 to 9. Participants actively solved mathematical problems, fostering a collaborative learning environment. The workshop received positive feedback from both students and teachers, who appreciated its engaging and informative nature. This outreach programme not only spread awareness about traditional mathematical techniques but also strengthened community ties between the college and the school. Gratitude is extended to all faculty members and students involved for their valuable contributions to the success of the event.

2. Mental Health:

The Mental Health Awareness Session, organized by the Community Outreach Cell in collaboration with the Department of Psychology at Parvatibai Chowgule College, took place on February 6th, 2024, at Our Lady of Snows High School-Raia. Led by Dr. Sobita Kirtani and Mr. Aresh Naik, dedicated faculty members, the session engaged 100 students and two teachers. Two students from the department also actively contributed to the interactive discussion. The session covered various aspects of mental health, fostering a supportive environment and emphasizing the importance of recognizing signs of mental health issues. The inclusive atmosphere created by the faculty and student involvement received positive feedback from participants. This initiative highlights the college's commitment to addressing societal issues and promoting well-being. Gratitude was extended to all organizers and participants for their valuable contributions to the success of the programme.

3. Cyber Security:

The Cyber Security and Fraud Awareness Session, held on February 6th, 2024, at Our Lady of Snows High School-Raia, was organized by the Community Outreach Cell in collaboration with the Department of Computer Science, ParvatibaiChowgule College. Led by Mr. Mitendra Alve, the session engaged approximately 100 students and teachers. Mr. Alve covered essential topics including online safety measures, secure browsing practices, and the identification of prevalent frauds in the contemporary Indian context. The session fostered active participation and received positive feedback from attendees, highlighting the importance of staying informed and vigilant in the digital age. This collaboration effectively addressed the need for cyber security education in the community, emphasizing the college's commitment to raising awareness. Gratitude is extended to Mr. Mitendra Alve for his informative session and to the students and teachers of Our Lady of Snows High School-Raia for their enthusiastic participation.
