

## **Fundraiser for Gujarathi Samaj School for Differently Abled**

The Community Outreach Cell of Parvatibai Chowgule College organized a heartwarming community outreach activity aimed at supporting the Gujarathi Samaj School for Differently Abled. This event took place on October 21, from 9:30 a.m. to 1:00 p.m., with the purpose of setting up a fundraiser for the school which was co-ordinated by Dr. Sachin Moraes.

The highlight of the event was the sale of unique products handcrafted by the children from the Gujarathi Samaj School, intended for Diwali celebrations. These items, thoughtfully displayed in the college corridor, included festive decor and gift items, showcasing the children's creativity and efforts.

The event witnessed enthusiastic participation from both college staff and students, who contributed to the cause by purchasing the displayed products. This activity not only supported the financial upliftment of the differently abled children but also helped raise awareness about the significance of inclusive community engagement.

By contributing to this fundraiser, the college community reinforced its commitment to societal upliftment and inclusivity. The Community Outreach Cell expressed gratitude to everyone who participated and encouraged further initiatives to support differently abled children and similar causes.
