

OLD AGE HOME VISIT

Students from the Department of Sociology visited an old age home in Navelim on 29th August from 4.30 to 5.30pm. The visit was conducted by the Human D.O.S.T.O club and was held under the supervision of the H.O.D Sr. Sachin Moraes. There were around 35 inmates of the old age home that were visited by 20 of our Department students along with the faculty members of the Department Ms. Siana D'Mello, Ms. Mamta Kavlekar and Ms. Elicia Aguiar, Dr. Sachin Moraes who actively participated and contributed to the visit.

The programme began with Dr. Sachin Moraes addressing everyone present and introducing our department to the inmates. All of the students greeted them and actively interacted, successful in bringing a smile to their faces. This was followed by applying nail paint to some of the women and further an entertainment activity wherein the students sang and danced along with the inmates. Sr. Sachin and Miss Sherryn Faria (FYBA), each sang a Goan Konkani song for the inmates which was enjoyed by them. Some of the inmates too, came forward and sang a song or two. A few items like noodles and porridge were contributed by the Department. One resident shared her words of wisdom and even gave a piece of advice to the students along with a vote of thanks on behalf of all the inmates. On a whole, the enthusiasm shown by the students helped making the visit a success.
