

**THIRD YEAR STUDENT PROJECTS**  
**DEPARTMENT OF GEOLOGY**

<b>ACADEMIC YEAR</b>	<b>PROJECT GUIDE</b>	<b>PROJECT TITLE</b>	<b>NUMBER OF STUDENTS</b>
<b>2020-2021</b>	Dr. Meghana S Devli	Garnet-A variety of Gemstone	08
	Ms. Swati S Ghadi	Slope stability assessment of a hillock in Vagulem and Maina area, Salcete, Goa.	09
<b>2019-2020</b>	Mr. Allan Rodrigues	A study of the temporal variation of groundwater quality in Majorda and Utorda villages of South Goa	04
	Dr. Meghana S Devli	Hydrogeochemistry of the river water and the rock samples along river Khushavati, South Goa	07
	Ms. Swati S Ghadi	Quality assessment of groundwater in Quitol and Canguinum area in Quepem and Canacona taluka, Goa	06
<b>2018-2019</b>	Mr. H S S Nadkarni	Geophysical surveying and designing rainwater harvesting system for Chowgule College	05
	Mr. Allan Rodrigues	A Study of The Temporal Variation in Groundwater Quality in The Villages of Velsao and Cansaulim In South Goa	05
	Dr. Meghana S Devli	Groundwater analysis of Nessai Industrial Estate	05
	Mr. Malcolm Afonso	Study of landslide affected area in Ponda.	05
<b>2017-2018</b>	Mr. H S S Nadkarni	Quality assessment of Ground water near Sonsoddo-Gogo and Ria Bacbhatt area	04
		Comparative study and categorization of Beach sands from Colva and Mobor using SEM	05

	Mr. Allan Rodrigues	A study of the Ground water conditions and its quality in Cuncolium village of Salcete taluka south Goa	06
	Mr. Malcolm Afonso	Micro level study of landslide in Sada Vasco	05
	Ms. Meghana S Devli	Petrology and Geochemistry of Deccan Trap Basalt in NE region of Goa	05
	Ms. Magnolia Miranda	Petrography and Microstructures of Canacona Granite, South Goa	05
<b>2016-2017</b>	Mr. M.S. Katti	Study of Redbole Bed Exposed near Belgaum Karnataka	04
	Ms. Meghana S. Devli	Effects of Igneous Intrusions on the Country Rocks at Patnem, Canacona, Goa	04
	Ms. Magnolia Aurea Miranda	Geology of the Area around Tambdi Surla, Goa	04
<b>2015-2016</b>	Mr. Allan Rodrigues	A Study of The Groundwater Regime, Its Utilization and Quality In Betul Village,Salcete Taluka	04
	Mr. M.S. Katti	Study of An Intertrappean Formation in Upparatti Village in Belgaum District, Karnataka	05
	Ms. Meghana S. Devli	Petrographic and Structural Studies of The Clastic Lithounits of The Bagalkot Group at Salagundi, Karnataka	05
<b>2014-2015</b>	Mr. H.S. S. Nadkarni	Petrological Studies Of Granites At Canacona; Chandranath And Sirvoi Hills, Quepem-Goa:A Comparative Outlook	05
	Mr. Allan Rodrigues	Unconfined Aquifers and Their Vulnerability to Anthropogenic Contamination-A Case Study of Cavelossim Village in South Goa	05
	Mr. M.S. Katti	A Study of Groundwater Conditions and Its Vulnerability to Anthropogenic	05

		Contamination in Varca Village in Salcete Taluka, Goa	
<b>2013-2014</b>	Mr. H.S.S. Nadkarni	Petrological Studies of The Sedimentary Formations of Bilgi, Bagalkot District, Karnataka	05
	Mr. Allan Rodrigues	“Study of Groundwater Conditions, Its Utilization and Vulnerability to Anthropogenic Contamination in Benaulim Village of Salcete Taluka.”	05
	Mr. M.S. Katti	Study of Raised-Beach Formation of Polem, South Goa	04
<b>2012-2013</b>	Mr. H.S.S. Nadkarni	Petrology and Structural Features of The Basement Rocks of Kaladgi Supergroup at and Around Ramthal, Bagalkot District, Karnataka	04
	Mr. Allan Rodrigues	“A Study of Ground Water Conditions, Its Utilization, and Vulnerability to Contamination in Colva Village of Salcete Taluka”	05
	Mr. M.S. Katti	Techniques of Exploration and Prospecting of Iron Ore Deposits	04
	Ms. Meghana S. Devli	Petrology and Structural Aspects of The Kaladgi Supergroup at and Around Ramthal, Bagalkot District, Karnataka	04
<b>2011-2012</b>	Mr. Allan Rodrigues	“A Study of Ground Water Conditions and Its Sustainability in Betalbatim Village of Salcete Taluka”	05
	Ms. Meghana S. Devli	Study of Geology Around Marihal Village, Belgaum District, Karnataka	04
	Mr. M.S. Katti	Study of Inter-Trappean Bed Found Near Nesargi, Belgaum District, Karnataka	04
	Ms. Yogita R. Bakhale	Geomorphological Study Along the South Goa Coastal Tract	04
<b>2010-2011</b>	Mr. H.S.S. Nadkarni	Morphological Features Across the Beach and Textural Characters Of	05

		Coastal Sediments From Velsao To Mobor, South Goa	
	Mr. M.S. Katti	Study on Groundwater Sustainability and Its Pollution in Velsao Village of Mormugao Taluka	05
	Mr. Allan Rodrigues	Study on Groundwater Sustainability and Its Pollution in Cansaulim Village of Mormugao Taluka	05
	Ms. Yogita R. Bakhale	Morphological Features Across the Beach and Textural Characters of Coastal Sediments from Agonda To Polem, South Goa	05
