

LINKAGES

The **Department of Geology**, Parvatibai Chowgule college of Arts and Sciences (autonomous), Margao Goa, strongly believes that in order to engage the students whole heartedly into the subject they need to be given insights to what lies ahead of them in their future. For this reason the department has formed several linkages with reputed institutions and firms with the following objectives:

- 1) Knowledge sharing – Resource persons are invited for lectures/ talks/ workshops etc.
- 2) Industry exposure- Students are taken for visits to familiarise them to the work environment
- 3) Internships- Students are taken as interns to familiarise them to their expected job profiles.
- 4) Building interpersonal relationship within the geologist community

Following are the linkages that the department has created and the activities conducted through them:

NATIONAL INSTITUTE OF OCEANOGRAPHY, GOA
