BEST PRACTICE - II ON 'GLOBAL EXPOSURE'

VIRTUAL INTERNATIONAL EXCHANGE PROGRAMMES:

- The Centre for Exchange Programme conducted the first virtual Google meet between students from Bromma gymnasium, Sweden and Chowgule students on 17th February, 2021 during this academic year. 6 students participated in the meet. The purpose of the meet was to provide students a platform to understand distance education and adapt to learning in COVID19. The topic was 'Covid 19 and how distance education has worked while adapting to the new situation'. The Centre is in the process of conducting more virtual interactions during the semester.
- A virtual exchange was conducted on 19th May, 2021. Thirteen students from our college interacted with students from Stockholm School of Innovative Science. Students interacted on the topic of 'Exploring activities during vacation in India and Sweden'.

WEBINARS ON INTERNATIONAL EXCHANGE PROGRAMMES:

- Three webinars on 'Overseas Education' were conducted by the college.
 1. First webinar was conducted on 16th February, 2021 where Ms. Anupama Sharma from Maharay Consultancy spoke to students on Higher Education in UK and other Countries and the job prospects after completing the course.
 2. Second webinar was conducted on 24th February, 2021. Mr. Shubhash Pol from Edwise Consultancy addressed the students on the topic 'Embrace Global Education on your Fingertips'. The speaker enlightened students about the current careers in demand and how learning in foreign universities is closely connected to industry requirements.
 3. Third Webinar on 'Overseas Education' was held on 3rd March 2021. The resource person was Mr. Priyansh Sharma, overseas education representative of 15 Universities in UK. Twenty students from Arts and Science stream attended the webinar.
