

DELAY OF RESULTS FOR ACADEMIC YEAR 2020-21

The prevailing pandemic situation in the state had prompted the Government of Goa to shut down educational institutions. As a direct consequence of the same, the terms of the academic year 2020-21 was extended; and in turn the conduct of the Odd and Even semesters got delayed. The examinations for the Odd (I/III/V semesters) were conducted between 18/01/2021 and 05/02/2021, while those for Even semesters (II/IV/VI) were held between 09/07/2021 and 09/08/2021.

As the last even semester end examinations have concluded on 09/08/2021, the processing of results and facilitation of other related matters have not been completed and as such the results could not be declared as on 30/08/2021 for the purpose of NAAC upload.
