

ICT ENABLED TOOLS AND RESOURCES

- Used by 100% of College faculty.
- Borrows best practices and course delivery from International institutions like MIT, Harvard, Georgia Tech, Boston University and Waseda University.
- Uses tools like Google Classroom, Moodle, Jam board, Mentimeter and Smart Board that aid in effective communication and demonstration.

CLAAP

- Started in 2009.
- Use of Google classroom is also incorporated over the years.
- Made new amendments like content organisation by addition of new sections. Encouraged teachers to integrate teaching with ICT through workshops and training programmers.

AUDIO/ VIDEO RECORDING OF LECTURES

- Introduced by the department of English.
- Used to assess the students.

FILM SCREENING

- To develop the skill of critical writing in students.

INCORPORATING INNOVATIVE PRACTICES USING WEB-BASED TEACHING TOOLS

- To counter lack of attention span in students.

CENTRE FOR TEACHING AND LEARNING (CTL)

- Goa's first college to establish CTL in 2017.
- Initiates in organizing guest lectures.
- Institution purchased G-suite and merged all the email-ids and drives with Google.

ONSET OF THE PANDEMIC

- Transition into online modes of teaching, learning, and assessment.
- As the teachers of the institute are well versed with LMS, it went relatively easier and smooth.
- Using various web tools and recording lectures through OBS enabled teachers to complete syllabus and conduct effective evaluations.
- The Faculty are also involved in contributing to the state level MOOC of DHE called as Dishtavo.
