Dear All,

PFA the Revised **Mentor-Mentee** List of FY students.
From the emails I have received till date, I have highlighted the students who have cancelled admissions in Red.

For the sake of convenience, I am attaching a report template that I had earlier.
Please note that this is just for reference and not a compulsion, I thought I will fwd it just as a guidance for your record purpose (if anything like this is asked in future) as the committee has not yet given any formal format etc.
So if you feel like use else it's ok.

Kind regards,
Sameena
