Dear Sir,

I have gone through the marks of the said student and have communicated to her with regards to the same. I would like to inform you the marks of the student remains the same and there are no errors in the marks. The student had a confusion (which wasn't discussed prior to me) and hence this situation arose.

The marks remain the same.

Thank-you.

Subject: Request to Rectify Marksheet Discrepancy of semester II

Dear Sir/Madam,

I hope this letter finds you in good health and high spirits. I am writing to bring to your attention an issue regarding my recently declared marks for the Philosophy of Human Rights paper, which I believe contains an error. I would greatly appreciate your assistance in rectifying this matter.

Upon receiving my marksheet, I noticed that my final score in the paper has been recorded as 83/100, whereas I have evidence to support a score of 86/100. The discrepancy arises from the evaluation of the Continuous Assessments (CAs) as per the guidelines provided by the instructor and communicated to me.

To provide clarity on the matter, I would like to present the individual scores I obtained for each CA:

CA1: 16/20

CA2: 28/30

CA3: 14/20

CA4: 25/30

CA5: 17/20

marks not included on the  
Total 83  
d. prabha

It was clearly communicated to me by my instructor that only the two CAs with the highest scores, among CA1, CA3, and CA5, would be considered. CA1, CA2, CA4, and CA5 should have been used to calculate my final score.

I have attached all the necessary documentation, including copies of my marked CAs and correspondence with my instructor, which confirms the aforementioned

TO Examination  
may clarify

submit the  
CA marks  
with proof

arrangement. I kindly request you to review these documents and take the necessary steps to rectify my marksheet accordingly, reflecting my actual score of 86/100.

I understand that the examination process involves various stages and potential human errors. Therefore, I am hopeful that this matter can be resolved promptly. I would appreciate any assistance or guidance you can provide to address this issue. Should you require any further information or clarification, please do not hesitate to contact me at the provided email address or phone number.

Thank you for your attention to this matter, and I look forward to a positive resolution. I have full confidence in your commitment to upholding fairness and accuracy in the examination process.

Yours sincerely,

Subject: Error in Semester II Marksheet, AY 2022-23

Respected Madam

I would appreciate your kind attention to the matter. I am Kayon Rodrigues currently in SYBA, a single major in economics student. There has been a mistake in my marksheet as marks of my GEC course titled 'Philosophy of Human Rights' has been miscalculated. Instead of 4 CAs only 3 CAs marks are considered. The course instructor was Miss Sangeeta More. I brought the said discrepancy to the notice of Ms. More and she did reply to me saying she will look into it before the results were declared. I did not do any follow up assuming that Ms. More will correct the discrepancy. After I received my marksheet, I was marked AB for the said course. I would also like to state on record that Ms. More did not share the consolidated CA marksheet with us

before submission to the examination committee as per the procedure.

I have attached all proof of the Whatsapp conversation, google classroom upload for the said course to provide evidence for my case.

I feel injustice has been done to me and I request you to take up my case.

Yours faithfully  
Kayon Rodrigues

To: examinations committee <examinations@chowgules.ac.in>

Dear Sir,

I would like to bring to your kind information that the submission of CA 3 of Miss Kayon Rodrigues has not been received by me either in Google classroom nor through Email. The student had Contacted me with regards to this matter on 10th of July after which I had reverified and rechecked the GC for her CA submission.

Miss Rodrigues CA was not there in the GC infact her name was missing from Google classroom and herce her it is not showing in the evidence that the student has provided stating that her name is not there in the CA missing list.

The same was discussed with miss Rodrigues when had a Telephonic conversation with her. The incharge of the Department miss Saroj Usgaonkar was also being informed about the same.

Hence I have been unable to help the student in this matter as her CA was not received by me which is clearly being discussed with her in the chats which the student has provided.

I would be greatfull if you could guide me in this matter and let me know how will I be able to help the student in this matter if her CA has not reached to me.

Regards,

Sangeeta More.

Subject: Request for Verification of Marks on Marksheet of Semester IV

Respected Principal,

I, Ms. Diya Padiyar, bearing Roll No. 2201030, am a student of the TYBA English Department currently pursuing Semester V as a single major student of English.

Received  
19.8.24  
*[Signature]*

The marks of Ms Diya Padiyar were 89, which was mistakenly written as 39. It has been rectified. The marks allocated are 89.  
*[Signature]*  
19/07/24

There is a mistake in my marks on the marksheet of Semester VI, SYBA English. The marksheet shows my marks for the course "Literature of the Indian Diaspora" as 39/100, thereby indicating an F grade. Hence, I have received a FAIL remark on the marksheet. As per my knowledge, it should be 89/100 and not 39/100. I kindly request you to verify the same and provide me with an updated marksheet.

Thank you for considering my request. I eagerly await your response.

Yours sincerely,

  
Diya Padiyar
