Dated:30/03/2022

C I R C U L A R

The promotion of research and access to high quality education are two main pillars of the new National Education Policy (NEP 2020). Both these aspects must be integrated into the Higher Education ecosystem.

In order to achieve this, it is enjoined upon the Principals of all the Government & Government Aided Colleges under the control of the Directorate of Higher Education to establish the following two Departments/ Cells in your institute if they are not established and submit the compliance to this Directorate by 20/04/2022:

1. Research, Development and Innovation (RDI) Cell, and
2. Teaching, Learning and Educational Technology Cell.

The University Grants Commission (UGC) has already issued the guidelines vide letter dated 14/03/2022 with regards to the establishment of Research & Development Cell in all Higher Education Institutes
