Prof. VPC 14. Mr. Balaji Naik, System Administrator 15. Mr. Gauresh G. Boogli, Librarian Grade I 16. Mr. Vijay P. Kudnekar, LDC
S.N.	Topics	Discussion and Status
1.	Interaction on NAAC process	<ul style="list-style-type: none"> - Prof. (Dr.) Sangeeta G. Sankhalkar gave a warm welcome to the team members of the Vidya Prabodhinin College. - Brief introduction provided by the Vidya Prabodhini College team member, Mr. Saish S. Nayak Dalal. - Broad concerns of the NAAC requirements were inquired by the Vidya Prabodhini College team members: i. Going about the NAAC process in general: <ul style="list-style-type: none"> - Every criterion has a criteria coordinator and its team. Data collection is done through excel sheet with different formats as per the requirements of the criteria. These sheets are circulated to all departments to fill and submit. This is a process that started since the year 2018-19. Regular weekly meeting were organised to acquire the data from the departments and coordinators through google drive. NAAC is a team work wherein the entire college staff and faculty members will be part of it. ii. Data Collection, storage and contact point: we have a nodal person wherein the data is collected, scrutinized, compiled and circulated. All the data collected is maintained here on the google drives. <ul style="list-style-type: none"> - Various Committees could be channelled based on the criterion and the data along with the evidence could be acquired accordingly. - Departments should have clear understanding of the data to be provided to avoid unnecessary collection of data. - College magazine can be a good source of data collection. iii. Data Collection during the Covid duration: Prepare templates and circulated the same through the criteria coordinators. iv. Automation: we have our Office of Information Technology (OIT) which does the uploading of the data provided wherein the links are made use while uploading on the portal. v. Governance of the letters received at office being routed to various depts./members/committees: Such letter could be scanned and emailed to the

concern authorities, maintaining the originals at the College office.

- vi. **Overlapping of data:** Data will be overlapped in certain criterion but such data will be as per the requirement of the criterion so the additional information on that data may be considered as additional information for that pointer. Yes one of the criteria coordinator might have to do the data collection of such criterion more exhaustively.
- vii. **Alumni data:** Each department to get in contact with atleast 5 alumni and explain the importance of attending the alumni meet. This will help in solving the alumni issue.
- iii. **Add-on courses:** Maintain yearly list of such courses along with the attendance sheet of the students and sample of such certificate.
- ix. **Students Support Service-data collection mode of alumni external examinations like GATE/SET/NET etc or their progression:** Through emails or whatsapp and intimating the batch passing to keep in contact to provide these details and informing them how important it is for the college.
- x. **Student Satisfaction Survey:** System admin has to maintain the email ids of their second and third year students along with the recently passed out students. Regular communications to be maintained with these students and keep them updated on this aspect in-advance.
- xi. **NEP questions in the start of the AQAR:** Mention whatever is actually performed by the college in respect to the said questions on ABC/MDC etc.
- xii. **Memorandum of Understanding (MoU)- Internships:** Maintain documentation such as internship permission letter along with the acceptance letter; report, photographs and attendance sheets of the activities conducted under the MoU.
- iii. **Collaborations:** Maintain reports and photos of the collaborative activities.
- iv. **Library:** Different section created during NAAC i.e. Science, Arts, author-wise and Goa sections. We maintain the footfall records in hard as well as soft form. We have e-library records.
- xv. **Research:** Check for the research related policies are in place along with minutes of the meetings, check for the plagiarism report which freely available online. Publications with scopus could be acquired from the Goa University list. Atleast one activity should be conducted under the MoU.
- vi. **Green and other Audits:** Green audit has to be conduct by the external source. Administrative and Academic Audit is one of the requirements that will be helpful if conducted. Financial Audit statement will be used in different places highlight the pointers as per the requirement. Other audits if conducted will definitely be useful, make use of it.
- vii. **Distinctiveness and Best practises:** Every department of our college presents their best practises which are continuously practiced. The one which is carried out by most of the departments becomes the best practise.
- iii. **Mandatory IQAC Agenda:** To be considered based on the seven criterions.
- ix. **Scholarships:** We have scholarship committee to look into the matter but the list of scholarship students is retrieved from our accounts department due to financial aspects involved.
- xx. **Mentoring:** Students are mentored on weekly basis by their mentors, reports of mentoring are prepared and submitted. Incase of any concern matters the same is putforth before the Principal and Vice Principal.
- xi. **How Corporate is Social Responsibility (CSR) funds managed:** we have not applied for any CSRs till date.

		<p>xii. Do you maintain General Registers (GR): Yes we maintain GRs in hard and soft form.</p> <ul style="list-style-type: none"> - Brief details of the BA B.Ed was provided by the team member of Vidya Prabodhini College on the 4 years along with their syllabus. - Contact detail of the member: saish32dalal@gmail.com

REPORT ON CAMPUS ACTIVITY

(Seminar / Webinar / Expert talk / Workshop / Visit to Incubators on the themes pertaining to Innovation/Entrepreneurship/Intellectual property)

Title of the event	A Guest Lecture – “Menstrual Hygiene & Management of Menstrual Waste”
Date and time	18 th August 2023, 2:30 pm – 4:30 pm
Mode	Offline(√) /Online/Hybrid
Organising Department/ School/Directorate/ Section	Women Welfare & SC/ST Students Welfare Committee
Resource Person/s	Sr. Remy Lacerda
Participants in house	Faculty: 9, Students: 70
Faculty attended	09
Students attended	70
Total Participants	79
The objectives and description of the activity	<p>The Women Welfare and SC/ST Students Welfare Committee organized a guest lecture on ‘Menstrual Hygiene and Management of Menstrual Waste’ on 18th August 2023. Sr. Remy Lacerda, Ex-faculty of Nursing Institute, Bambolim and SJAA, State Resource Person at GIPARD was the resource person for the occasion. The lecture addressed taboos associated with menstruation, raised awareness of the importance of good menstrual hygiene and proper disposal of menstrual waste.</p> <p>Students were given several options such as use of biodegradable sanitary napkins, cloth sanitary pads, use of menstrual cup, incineration, composting, etc. to reduce the menstrual waste. The students were also advised to maintain a healthy diet and safe menstrual practices to protect themselves from infections and diseases. It was an interactive session.</p>
Benefit/Key outcome of the event in terms of learning/skills/knowledge	Outcomes: To create awareness on the importance of menstrual hygiene and to practice safe menstrual waste disposal methods.

**Sub.: DoPT, Gol Sponsored Training Programme on Research Methodology for
Policy and Administration (05th to 07th December, 2023)**

Sir / Madam,

Goa Institute of Public Administration & Rural Development (GIPARD) is the State's Apex Training Institute for training, capacity building, research and consultancy activities, in areas of Rural Development, Panchayati Raj, Public Administration, Women and Gender Studies, Disaster Management, etc.

GIPARD imparts educational training to the Elected Representatives of Local Bodies, Self Help Groups, Government and Government Aided employees, Non Government Organizations, Academicians and Students, alike. GIPARD functions as the Administrative Training Institute (State - ATI), as well as, the State Institute of Rural Development & Panchayati Raj (SIRD&PR, Goa).

2. This Institute is organizing a three days DoPT, Gol Sponsored Training Programme on Research Methodology and for policy from **05th to 07th December, 2023** at **GIPARD, Ella Farm, Old -Goa**. The training programme will be held from **9.45.a.m. to 5.15 p.m.** on all three days.

3. You are requested to kindly depute any **02 Officers / Officials** of your Department / Institute for the said training programme. Kindly confirm the same by sending in the list of participants mentioning their **Name, Designation, Contact No.** and **Email Address** to **Dr. Seema Fernandes**, Assistant Director either by post or email to gird.goa@nic.in latest by **1st December, 2023**. This training programme will be held for a group of 30 participants only on *first come first served* basis. For any further queries, please contact on mobile no. 9822167364 (Course Coordinator).

4. This Institute will provide the necessary stationery, food and refreshments to the participants. However, No TA / DA will be paid

5. Kindly note that the participants deputed for the training programme have to reach the venue by 9.30 a.m. A Training Assessment Test will be held at the end of the Training Programme & the participants will be graded accordingly. Attendance and punctuality is compulsory for all sessions, failing which they will not be entitled to the certificate which is awarded on the completion of the training programme. It will be appreciated if you insist for a training report from the participants once they join duties after the training programme.

6. Soliciting your co-operation in making this training programme more meaningful & effective.

Yours faithfully,

(Dr. Suresh Shanbhogue)

REPORT

Nebula 2024-An Inter-Higher Secondary Event held on 12/01/2024

DATE:	12/01/2024
TIME:	9.30am to 4.30 pm
VENUE:	Lower Auditorium and Quadrangle
NO. OF ATTENDEES:	54 students and 8 Faculty member
RESOURCE PERSON:	Dr. Mirza Javed Beg and Mr. Malcom Afonso
ORGANIZED BY:	Department of Geology- Parvatibai Chowgule College
ASSISTANCE AND LOGISTIC SUPPORT BY:	College student fund
PHOTOGRAPHY BY:	Sachit Kuttikar/Jennifer Fernando

Introduction

The Department of Geology, Parvatibai Chowgule College of Arts & Science (Autonomous), Margao, Goa in association with 'Club Nebulites-a student venture', had organized an inter higher secondary school event 'NEBULA-2024' for students of various higher secondary schools across Goa on 12 January 2024. The event aimed at spreading awareness about Geology and inspiring young minds to develop enthusiasm and interest of the subject.

Proceedings: The event was graced by the presence of key note speaker Dr. Mirza Javed Beg, Retired Scientist and Project Director (Logistics) and consultant at National Centre for Polar and Ocean Research (NCPOR)- Goa and Mr Malcom Afonso, Founder of GeoSensitive – Margao.

Prof Dr Sangeeta Sankhalkar, Principal graced the event and gave her support for the department and Club Nebulites.

Shri. Harish Nadkarni welcomed the guests, students and faculty members from various institutions and declared the event open. He briefed the guest about the department and emphasized on the emerging demand for the subject of geology in his address.

Following this President of the Club Nebulites, Ms Rochelle Mellissa Rowland Salema introduced the Club Nebulites and its objectives and presented the activities organized by the club.

The Chief guest, Dr.Mirza Javed Beg delivered the key note address, in which he presented an informative talk about his journey from Geological Survey of India to Antarctica, different milestones in Antarctica research and Installation of Bharti station in Antarctica.

The next guest speaker for the event was Mr. Malcolm Afonso, an alumnus of the department who is the founder of GeoSensitive and spoke about careers in Geographical Information Systems (GIS).

The informative guest lectures were followed by an exhibition where the students of geology displayed and spoke about a variety of rocks, minerals, gemstones and fossils.

Following the exhibition, competitions were held in the afternoon session. These included Canvas painting, Pictionary, Quiz on Kahoot app, and a game 'Fault and Joints'. The students participated whole heartedly in the competitions and enjoyed the event.

The valedictory function was held in the evening and the Prizes were distributed by Head, Department of Geology, Dr.Meghana Devli and the event coordinator Mr. Sachit Kuttikar.

Subject: Approval for organizing Nebula event on 13 January 2024

Respected Madam,

Club Nebulites of the Department of Geology seeks your kind permission to organise a student event, 'Nebula' event on 13 January 2024 from 9:30am to 5.00 p.m. This event will be open for students of our college and students of neighboring higher secondary schools of Goa. The Chief guest for the event will be Shri. Mirza Javed Beigh, Consultant (Ex.Scientist 'G' and Project Director) at NCPOR and Shri. Malcom Afonso, Alumni of this institution and founder of 'Geosensitive'.

The student co-ordinator of the event is Ms. Rochelle Rowland Salema (T.Y Bsc Geology).

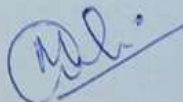

Looking forward to your kind approval.

Thanking you

Yours Sincerely,

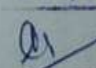

Sachit Kuttikar

Sub: Invitation for One day Student Event "NEBULA 2024" on 13th January 2024

Respected Sir/Madam,

Greetings from Parvatibai Chowgule College of Arts and Sciences (Autonomous)

The Department of Geology of our college in association with 'Club Nebulites' a student venture, is organising the annual event "**Nebula 2024**" a **one-day student event** on Saturday, 13th January 2024, 9.30 am onwards in the college campus. The event will host students from various Higher Secondary Schools across Goa. We cordially invite you for the same. You are requested to depute maximum nine students, accompanied by a member of the teaching faculty.

The objective of this event is to create awareness about the growing career opportunities in the field of Geology. Through this event, we wish to familiarize the young minds with this branch of Earth Sciences and the associated career options. The event will comprise of various competitions for the visiting students, exhibition and guest lectures from various eminent personnel from Earth Sciences.

We request you to encourage your students to participate in the various competitions and make this event fruitful. Rules for the competition along with the brochure of the conference are enclosed. Prizes, trophies and certificates will be awarded to the winners and the participants.

We request you to please confirm number of participating students and contact details of the teacher in charge on email id: sbk002@chowgules.ac.in latest by 08th January 2024.

We eagerly look forward to your active participation and support.

Warm regards,

Principal

Enclosure: Brochure of the event and Rules for the competition.

ABOUT THE DEPARTMENT

Established in the year 1980, the Department has set up a standard in teaching and learning. It is the only Department in the South Goa offering the subject of GEOLOGY at the undergraduate level.

The four decade old department now looks forward to involve itself in Research and Consultancy in addition to community outreach activities through our students and network of alumni and also by organizing seminars and discussions to highlight topics/issues having geological importance of public interest.

ABOUT THE EVENT

'Nebula 2024' aims to bring together students of various higher secondary schools to participate in a fun-filled learning event. The event is an initiative to spread awareness about geology and inspire young minds to develop enthusiasm and interest of the subject.

By organizing different competitions, lectures and exhibitions for the students we intend to open new doors of knowledge and provide opportunities to explore new frontiers in their careers.

COMPETITIONS

Canvas Painting

1st place 15 points

2nd place 10 points

- 1 participant per institution
- Theme- Geological Landforms

In the canvas of rocks, a geologist's brush tells the story of Earth's timeless journey.

Rules:

- Canvas of size: 4 x 4 inches will be provided.
- Participants must bring their own stationary items.
- One hour will be allotted for painting.

Evaluation criteria: Originality, Creativity and Overall visual appeal.

Pictionary

1st place 10 points

2nd place 5 points

- 3 participants per institution

Pictionary with a rocky twist! Draw and guess your way through the fascinating world of geology!

Rules:

- One player from the team becomes the "illustrator" for a turn, while the rest of the team are "guessers."
- The illustrator must not be repeated in the next rounds.

Quiz

1st place 15 points

2nd place 10 points

- 2 participants per institution
- Quiz based on Earth Science

Rules:

- One smartphone is compulsory per team with good internet connectivity.

Faults & Joints

- 1 participant per institution

Rules will be explained during the game

- Embark on a geological journey where faults lead you into unexpected twists and turns, while joints serve as sturdy ladders. It's a rollercoaster through Earth's history, where every roll of the dice rocks your world.

Note : Participant must not be repeated in any of the competitions
Judges decision will be final

A STUDENT EVENT

12TH JANUARY 2024

9:30 A.M. onwards

Venue: Lower Auditorium

organized by

DEPARTMENT OF GEOLOGY
Parvatibai Chowgule College Arts And Science
(Autonomous)

in association with

Club Nebulites

A STUDENT VENTURE

ABOUT THE KEY NOTE SPEAKER

Dr. Mirza Javed Beg, a seasoned (Retd.) Scientist 'G' and Project Director (Logistics), presently a consultant at NCPOR as the distinguished keynote speaker for Nebula 2024.

Dr. Mirza Javed Beg has been elected Vice Chair of the Council of managers of National Antarctic Program (COMNAP).

A veteran Antarctic. He played pivotal roles in numerous Indian Scientific expeditions to Antarctica, including the construction of the Bharati Station.

A career spanning from the Geological Survey of India (GSI) to the NCPOR, Dr. Beg's contributions have been recognized with prestigious accolades, including the National Mineral Award in 2004 and the NFP fellowship in 2000-01. Dr. Beg brings a wealth of expertise and experience of polar exploration to the forefront

ABOUT THE ALUMNI

Demonstrating a passion for Geology, Mr. Malcolm Afonso embarked on a dynamic professional journey. He is the Founder of GeoSensitive, a leading geospatial services provider,

his leadership emphasizes precision and innovation in GIS and Drone Remote Sensing. Concurrently contributing to community development through part-time roles at SOILTECH and the Humane Community Research Foundation. He has also served as a academician at department of Geology where he has developed innovative courses and learning methods in GIS.

PROGRAMME

Inaugural Assembly

9:30am-10:00am

Key Note address by

Dr. Mirza Javed Beg

**Ex Scientist and Consultant at-
National Centre for Polar and
Ocean Research (NCPOR)**

Club Nebulites- Induction Ceremony 2023 Report

The department of Geology conducted Induction Ceremony of the new office bearers for the academic year 2023-24 of Club Nebulites on 28th July 2023 in Lower Auditorium of Parvatibai Chowgule college. The programme was inaugurated by faculty and council members and guest speakers by lighting the traditional lamp. The day was marked with the presence of our alumni Miss. Anisha Verencar, Research Scholar, at National institute of Oceanography and Mr. Sirrom Ozorio, Senior Mudlogger at Geolog International Saudi Arabia as the guest speakers of the event

A video was showcased exhibiting different activities held by the club in year 2022-23 which was created by Miss Nimisha Borkar. With passionate words, Sir Harish Nadkarni addressed the audience, conveying a powerful message of hope, resilience, and determination.

The new office bearers of club Nebulites were inducted into council.

The President, Miss Rochelle Rowland Salema laid out the key objectives and goals that club intended to pursue for the year 2023-24.

Ms. Anisha Verencar then spoke about Fluid induced metasomatism in Neo-Tethyan sub-arc mantle: inferences from mantle peridotites from the Naga Hills Ophiolites.

The talk was followed by Sir Sirrom Ozorio sharing his experiences as a senior mudlogger Geolog International Saudi Arabia.

After the interactive talks, the ex-council members were felicitated for their contribution to the Club followed by the Felicitation of the Toppers of the class of 2022-23 Ms. Apoorva Pimprikar and Mr. Yash Bagkar. A graduation ceremony for the batch of 2022-23 was held where the newly graduated were felicitated by the faculty and guest speakers.

The Ceremony ended with the newly appointed vice president Mr. Viresh Kaskar delivering the vote of thanks.

(Seminar / Webinar / Expert talk / Workshop / Visit to Incubators on the themes
pertaining to Innovation/Entrepreneurship/Intellectual property)

TITLE:	MENTAL HEALTH WEEK 2023
Date and year:	6 th October 2023 to 13 th October 2023
Venue:	Parvatibai Chowgule College Campus
Resource person/s:	Dr. Ravindra Agrawal Mr. Aresh Naik Ms. Sanya Pereira
No. of Participants	Indefinite: Students participated while on campus.
Objective:	<ol style="list-style-type: none">1. Create awareness about mental health and its importance.2. Provide means of emotional expression3. Provide ease of locating resources of mental health services in Goa.
Summary of the proceedings	<p>Mental health week was commemorated at Parvatibai Chowgule College from 6th October to 13th October. The commemoration saw offline and online activities which involved students and faculty alike. Throughout the week, for the “Tree of Emotions” activity, the students were encouraged to add a thumb impression to express the emotion they were experiencing at the time. Through the social media platforms there was reels, memes and other awareness building activities that were held. There were posters on the mental health services available in Goa that were put up on various notice board on campus.</p> <p>On 6th October in collaboration with “The Bard by the Mandovi” by the English department, the students of the psychology department organized quizzes on mental health, Shakespeare- inspired poetry and plays to create awareness amongst the participants. On 7th October the council organized a movie discussion of scenes depicting mental health and related issues. Students were seen wearing blue in support of autism awareness on campus.</p> <p>On 9th October, there was a talk on the Mental Healthcare Act 2017, given by Mr. Aresh Naik, Asst. Prof at our college. The students engaged in the session to know more about the legal aspects of mental healthcare in India. The students wore purple to create disability awareness on campus. On World Mental Health Day, the</p>

department organized a talk by Dr. Ravindra Agrawal on “Mental Health for All” for the teaching and non-teaching staff on campus in the Upper auditorium. The council organized a Listening and Meditation activity for the students on the same day. The staff and students were encouraged to wear green to create overall mental health awareness.

On 11th October there was a “Canvas of the mind” activity where students were encouraged to express themselves through art. The students wore pink to increase awareness on Women’s Mental Health. Men’s Mental Health was celebrated on 12th October. All male faculty and students were tied with a green ribbon symbolizing men’s mental health and were told of the importance of self-expression. The students wore a tie and witnessed a street play which was done in collaboration with the “Samatvam” the gender champion student group.

On 13th October there was a workshop organized on “Suicide Prevention”. The students wore yellow to support the cause of suicide prevention. The resource person for the event was Ms. Sanya Pereira from the NGO COOJ. The students learned how to respond to an individual who has expressed suicide ideation. The workshop included role plays and scenarios in which the students participated. The overall commemoration of the Mental Health Week was a success.

REPORT

Title:	YOUTH MENTAL HEALTH FESTIVAL
Date and year:	16 th December 2023
Venue:	Parvatibai Chowgule College Campus
Resource person/s:	Representatives from Sangath, COOJ, SCAN, ARZ
No. of Participants	Indefinite: Students participated while on campus. 86
Objective:	Create a space for generating ideas and discussion on Youth Mental Health Awareness on Youth Mental Health
Summary of the proceedings	<p>The Youth Mental Health Festival was held on 16th December 2023 by the department of Psychology at Parvatibai Chowgule college in collaboration with Sangath. The event aimed at creating a space for generating ideas and discussion on Youth Mental health and to spread awareness about youth mental health. The event was open to all and included participants from Higher secondary schools, colleges and the general public. The festival saw the coming together of organizations such as Sangath, COOJ, Arz, and SCAN, which involved in work related to mental health and social work in Goa.</p> <p>The event began with a welcome address by the department In charge Dr. Sobita Kirtani. This was followed by an address by the Vice Principal Shri Kumaresh V.C. and the member of executive council at Sangath, Ms. Urvita Bhatiya. The speakers stressed upon the need for interest in Youth Mental Healthy and provided a unique perspective on adolescence and mental health.</p> <p>Following the inauguration, the event began with talks by the representatives Kimberly Monteiro and Brindi Raikwar from Sangath who presented the ongoing and past projects undertaken by the organization concerning the youth. They discussed the findings and implications. Topics like resilience, substance abuse and its effects, dating violence, relationship issues, and youth mental health were discussed. The sessions were interactive and captured the interest of the participants.</p> <p>Following the talks, the participants had the opportunity to interact with the different NGOs at their respective stalls, learn about their work. There were many activities that were held on the college campus. The listening circle, headed by Sangath, was a calming experience where people share their thoughts in a judgement free environment. Expressive art session was held where the participants could use art to express themselves. A pride corner was set up to bring to light the concerns, struggles and stigma faced by the LGBTQ+ members and provided an interactive opportunity through post-it notes to extend support and acceptance to the community. Other activities included; game stalls, food stalls, accessories and candle stalls which were enjoyed by the participants of the festival.</p> <p>The day was wrapped up with a talk on the Mental Healthcare Act 2017, given by Asst. Prof Aresh Naik. The participants engaged in the session to know more about the legal aspects of mental healthcare in India. Following the talk, the prizes for the Short Film making and Photo Essay Competition were distributed with DMC college</p>

emerging winners for both the competitions. The preparation, done by volunteers from the psychology department and Sangath, paid off spectacularly in the form of the smooth flow of events and creative decorations.

To Whomsoever It May Concern

This is to certify that Ms. Smriti Pai Angle, was an intern at Sangath 23rd May 2023 to 23rd July 2023.

Sangath is a non-governmental, not-for-profit organization committed to improving health across the life span by empowering existing community resources to provide appropriate physical, psychological and social therapies.

During this period, Smriti worked on the PAHAL Project. She assisted in crafting materials for the teacher's activity program and developing various activities. Additionally, she played a key role in generating newsletters and diligently managed data entry tasks. Smriti's dedication and diverse skill set greatly contributed in the project during her internship period

We thank Smriti for her services and wish her all the best in her future endeavours.

Six Decades of Excellence & Contribution to Higher Education (CC@60 culminating event)

College celebrated Six Decades of Excellence & Contribution to Higher Education that coincided with the **Founder's Day** on 25th August, 2023.

Prof. Suman Kundu, Director, BITS Pilani KK Birla, Goa Campus, Guest of Honour delivered the keynote address complimenting the College for its futuristic vision. In his inspirational address to the large gathering of students, teachers, staff, alumni and retired employees, he mentioned that Chowgule College has already achieved autonomy which NEP 2020 aims and some of the topmost Colleges of India till date aspire for it. He urged everyone to continue achieving higher goals. On a poetic note, he drew reference to Rabindranath Tagore quoting from his poem "Ekla Cholo Re" meaning 'Walk the path alone, till others follow suit'.

Mr. Aditya Chowgule, Vice-President, Chowgule Education Society congratulated teachers, staff, students and alumni and called upon everyone to "Embrace the past, empower the present and envision a future where aspirations become reality".

A major highlight of the evening was an invigorating conversation with Mr. Lalit Saraswat, past Chairman CII and renowned youth mentor, Shri. Milind Sardesai, alumni and corporate leader who deliberated on the youth's role in a VUCA World.

Endowments Prizes were given to the students. The evening was studded with student renditions of Indian pearls such as Bharatnatyam, Kunbi, cross state dance performances, a unique multi-lingual debate on the relevance of Vasudhaiva Kutumbakam in the 21st Century. It ended with a melodious Jugalbandi recital.

Prof.(Dr.) Sangeeta Sankhalkar, Principal of the College invoked blessings for continued excellence and urged upon each teacher, staff, students and alumni to continue contributing to growth of the institution to newer heights. Mr. Kumaresh V C, Vice-Principal presented the vote of thanks.

Sitting Left to Right: Shri. Milind Sardessai, Alumni and Corporate Leader; Prof.(Dr.) Sangeeta Sankhalkar, Principal; Mr. Aditya Chowgule, Vice-President, Chowgule Education Society; Prof. Suman Kundu, Director, BITS Pilani KK Birla, Goa Campus; Mr. Lalit Saraswat, Past Chairman CII and Renowned Youth Mentor

To:

Dear Sir/Madam,

We hope this email finds you in good health and high spirits!!

We are excited to invite you to an insightful and interactive online awareness session on **'India's start-up initiatives, policies and funding opportunities'** focusing on India's thriving startup ecosystem, its dynamic policies, and the myriad funding opportunities available for both faculty and students.

Event Details:

Date: 31st August 2023

Time: 10:00 - 11:00 AM

Platform: Google Meet

As our educational institution plays a crucial role in nurturing the entrepreneurial spirit, this session aims to equip faculty and students with a comprehensive understanding of India's startup landscape. The session will cover Government Policies, Initiatives and Funding Opportunities available for fostering a conducive environment for startups to flourish. We believe that equipping our faculty and students with knowledge about startups, policies, and funding avenues will not only empower them to explore entrepreneurial ventures but also contribute to India's innovation-driven economy.

To register, please click on the following link: <https://forms.gle/8nBu8KWMfKHdTr5k6>

Participation is free of charge, and we encourage you to extend this invitation to your colleagues and students who may find this session beneficial.

We look forward to your presence and participation.

For any queries or assistance, please feel free to contact us.

Best Regards

Team

Report

- The Department of Biotechnology organized a visit to the research institute at BITS Pilani, K K Birla Goa Campus, on 27th February, 2024. A total of 30 TYBSc students accompanied by faculty members Dr. Starlaine Mascarenhas, In-charge & Assistant Professor and Dr. Shaiesh Morajkar, Assistant Professor, Department of Biotechnology visited the research institute. The purpose of the visit was to acquaint the students with potential Masters programmes being offered at the institute and inculcate a research aptitude in the young minds by exposure to the various research labs at the institute and brief interaction with the research scholars/scientists at the institute.

This was followed by a visit to the Central sophisticated instrumentation facility (CSIF) housed at BITS Goa campus to get the students acquainted with the high end instrumentation available and opportunities for usage of the same for their potential research.
