The Directorate of Higher Education is organizing a three day public event, an all Goa Competition cum Exhibition of Innovative Research Projects from Higher Educational Institutions, from **February 26 to February 28, 2020** at **Adil Shah's Palace (old Secretariat), Panaji Goa.**

This Directorate intends to showcase innovative projects by final year students (of all disciplines) from Colleges in Goa, and Goa University. The event will also consist of innovative projects by Goan innovators, and will carry interactive exhibits. Furthermore, inspiring talks by eminent personalities are also being planned.

The main objectives of this event are

- (3) To inspire and motivate young researchers and create an environment that will lead to a problem-solving and research oriented culture.

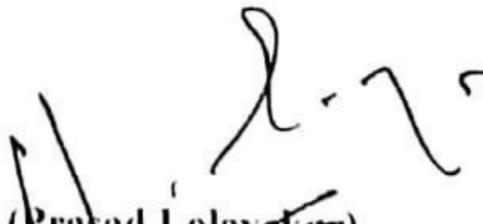

While this event is organized to showcase projects by final year students, projects from other students will also be accepted.

In order to organize this event efficiently, and make this event a grand success, we therefore kindly request you to send the names of the **top 5 projects** from your institute, by **Feb 5th, 2020**.
