**INTRODUCTION:** The Department of Sociology, in collaboration with the Human Club organized a rally and a short film screening for the occasion of World Autism Day on the 8<sup>th</sup> of April 2022.

The rally started at 2:30 pm and the students who attended wore blue, were provided posters and their faces were painted with the yellow infinity sign, the symbol for autism, to show their solidarity for the cause. The rally was guided around the college campus as the shouted the slogan "Encourage, Motivate, Accept." The event was a resounding success, leaving students with a lesson in activism and sensitivity.

Two short films on Autism were screened in the AV room at 3:45pm after the conclusion of the rally. The films endeavoured to sensitise the students present about the nuances of autism and the struggles that people who deal with it go through, both personally as well as socially. The event was concluded with the sharing of some personal anecdotes by students as well as a vote of thanks by the department head.
