**A brief report of the short-term training course on Entrepreneurial Opportunities in
Fermentation Food Technology**

30.06.2022 – 05.07.2022

The Department of Biotechnology and Biochemistry of Parvatibai Chowgule College of Arts and Science, Margao, Goa organised short-term training course on ‘Entrepreneurial Opportunities in Fermentation Food Technology’ sponsored by Directorate of Higher Education, Goa from 30th June to 05th July 2022 in the college premises. A total of 11 undergraduate science students participated in the training course. The objective of the workshop is to develop entrepreneurial spirit among participants for inspiring them to set up their start-up and to take up improved formulations from traditional fermented food products.

Various resource persons were invited to deliver lecture and hands on training in their expertise such art of wine making, chemistry of bread making, non-dairy probiotic product development, Food Safety Compliance, Entrepreneurial opportunities in food sector and Intellectual Property Rights.

30.06.2022

Inauguration: The workshop was inaugurated at 10 a.m. in the PCCAS campus in the presence of Offg. Principal, Dr. Shaila Ghanti, Vice-Principal, Dr. Ananya Das, DHE representative Dr. Dilecta D Costa, Mr. Sudip Faldesai, Project Officer, Goa State Innovation Council, the workshop organisers and the participants.

A talk on ‘Innovation and Entrepreneurship’

Resource person: Mr. Sudip Faldesai, Project Officer, Goa State Innovation Council

Mr. Sudip Faldesai spoke on the present scenario of entrepreneurship and encouraged the students to think beyond their normal scenario and start building on problem statement that would one day fetch business. He mentioned that Virtual Innovation Register (VIR) is an online platform where innovators and entrepreneurs can register their ideas virtually and source the required support to achieve the expected results.

The Science of Wine Making - Lecture & hands-on training

Resource person: Ms. Marissa Coelho, Visiting Faculty, V. M. Salgaocar Institute of International Hospitality Education

Making good wine is a blend of knowledge, skill, and experience. This workshop provided an introduction to the wine making process, including options for raw materials, basic fermentation theory, techniques and sanitation. Participants learnt about the various terminology used in the process of wine making and they were informed about the types of wine and how to differentiate them. There are five basic stages or steps to making wine: harvesting, crushing and pressing, fermentation, clarification, and then aging and bottling. The making of rosé wines and fortified or sparkling wines is also been discussed. The resource person also demonstrated the basic method and ingredients that are needed to get started. This workshop is perfect for individuals who want to start making their own wine or improve their current wine production.

Kombucha, Fermented beverage - Lecture & hands-on training

Resource person: Ms. Sarah Mesquita, Assistant Professor, Dept. of Biochemistry, PCCAS

The resource person highlighted the importance of Kombucha which is sugar-sweetened tea fermented by a community of organisms into a delicious sour tonic beverage. Kombucha is typically produced by a SCOBY that takes the form of a rubbery disk, which floats on the surface of the tea as it ferments. The living components of SCOBY can vary widely but generally include strains of *Saccharomyces cerevisiae* and other yeasts, as well as a number of bacteria. In small-scale, participants made kombucha in glass jars topped with fabric. Green tea leaves are steeped in hot water with sugar. When the sweetened tea has cooled, it is mixed with a bit of kombucha from a previous batch to make the liquid more acidic. A gelatinous mat of symbiotic culture of bacteria and yeast (SCOBY) is then added, and the brew is covered with a tight-weave fabric and left to ferment at room temperature for 7–30 days. The drink can be consumed plain or mixed with fruit or fruit juices and fermented for a few more days for additional effervescence. It can also be flavoured with spices and herbs. Many commercial brews are sweetened and flavoured.

02.07.2022

Chemistry of bread making– Lecture & hands-on training

Resource person: Dr. Aduja Naik, Assistant Professor, Dept. of Biochemistry, PCCAS

Dr. Aduja Naik gave hands on training to the participants in the art of making bread in a step-wise manner with explanation for every step like selection of appropriate raw materials, fermentation period, baking time etc.

04.07.2022

A visit to BITS BIRAC BioNEST incubation centre, BITS Pilani Goa Campus

Dr. Mrudula Goel, In-charge of the the BITS BIRAC BioNEST Lab explained that the incubation centre will help the start-ups in Health and Environment sector by providing them equipment, space and supporting facilities to test their ideas, prototype in the lab and take it to the market. Students were explored to the various instrumentation facilities of the incubation centre.

Dairy and Non-Dairy Probiotics – Lecture & hands-on training

Resource person: Ms. Lisha Da Costa, Founder Ash and Li Co.

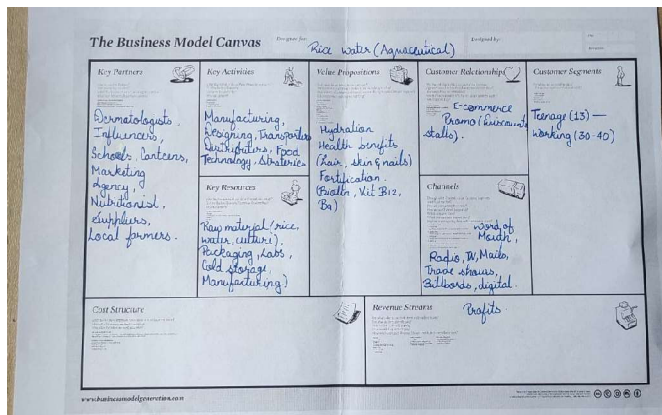

The resource person highlighted the difference between yogurt and curd, their health benefits and made the participants to understand the concept through the preparation of yoghurt and curd from dairy and non-dairy sources.

Business Model Canvas

Resource person: Ms. Lisha Da Costa, Founder Ash and Li Co and Dr. Aduja Naik, Assistant Professor, Dept. of Biochemistry, PCCAS

The resource persons explained the importance and characteristics of a good business model and conducted an activity wherein the students have come up with a business plan using a business model canvas.

05.07.2022

A talk on 'Introduction to Intellectual Property Law: The Basics of Patent Law'

Resource person: Ms. Rejitha Rajan, Assistant Professor, V.M. Salgaocar College of Law, Miramar, Goa

The resource person explained the concept of IPR in food sector, how to protect the intangible assets of the product and how to prevent competitors from copying your work, intellectual assets etc.

A talk on 'Food Safety & Regulations'

Resource person: Mr. Atul Desai and Lenin De Sa, Food safety officers, Directorate of Food and Drugs Administration, Bambolim Goa

Students learnt about the importance of food safety and the role of Food Safety and Standards Authority of India (FSSAI) in regulating manufacture, storage, distribution and sale to ensure safe food for human consumption.

Valedictory function: The participants were handed the certificates at the end of workshop by the Offg. Principal, Dr. Shaila Ghanti, and Vice-Principal, Dr. Ananya Das.

A visit to FiiRE incubation centre, Don Bosco College of Engineering, Fatorda, Goa

The workshop ended with a highly exciting visit to Forum for Innovation Incubation Research and Entrepreneurship, Fatorda, Goa. The students visited the prototyping lab where they were introduced to 3D printing technology and were given a tour of the incubation centre.

A guest lecture on the oceanic phytoplankton titled 'Breathing through the lungs of the earth' was conducted through Google meet link – meet.google.com/mqg-oevw-njy on 28th October 2021. The resource person for the guest lecture was Dr. Ravidas Krishna Naik, Project Scientist 'C' at National Centre for Polar and Ocean Research, Ministry of Earth Sciences, Govt. of India, Goa. He shared a lot of information on the various types and uses of these phytoplankton and shared experiences about his research in this field. All the life science students participated in this webinar and were thrilled with the resourceful presentation and enjoyed the fruitful interactive session.

Objective:	To learn the technique of restriction digestion of DNA and Plasmid isolation from E.coli cell
Summary of the proceedings:	<p>A workshop was conducted on 20th May, 2022 on the topic Restriction digestion of DNA and small scale preparation of plasmid from E.coli. The same was organized by Department of Botany, Parvatibai Chowgule College of Arts and Science, Autonomous, Margao. Mrs. Sushama Salgaonkar coordinated the workshop which was open to all.</p> <p>Mrs Snehal Chandekar (resource person) presented a presentation on "Restriction digestion and plasmid isolation". She highlighted the students on the requirements, composition of solutions used during the experiments, procedures and calculations needed for the experiments. She also demonstrated the experiment "Restriction digestion of DNA" and also gave hands on experience to the students for the experiment "Plasmid isolation by alkali lysis method".</p>

The workshop was a success as students interestingly participated and learnt about the topics.

INTRODUCTION:

On December 2, 2021, the Department of French at Parvatibai Chowgule College of Arts & Science organized an Induction Programme to welcome the First-Year French students. The program started at 2:00 p.m. in the French classroom, C203. The Head of the French Department, Mrs. Carol Barreto Miranda addressed the crowd with a welcome speech. Then we had a short yet interesting presentation about the objectives carried out in the French BA Undergraduate course covered by Ms. Gerianne George in the AV Room. The presentation gave us a gist of the French course, the aim, that is the ability to speak and read French effortlessly, the various modes of Continuous Assessments, the course structure, and the various activities carried out throughout the year.

This was followed by a mixer game where the first-year students introduced themselves and got to know about the other students as well. The game was an ice breaker so that everyone could learn about the different personas present that day and make new friends. After that, we had a mini-French buffet with beverages, savory as well as desserts. The buffet was inclusive of mouth-watering French-themed snacks contributed by both students as well as teachers - Chocolate croissants, cookies, éclairs, and a lemon gâteau along with some refreshing orange juice (Jus d'orange). For the finale, a musical spectacle was performed by the Second- and Third-year students. The Musical spectacle included two songs- 'Chevalier de la Table Ronde' and 'Les Champs Elysées'. Everyone joined in and sang and danced. Altogether, the event was pretty amazing, everyone had fun, and we look forward to planning more!!

INTRODUCTION: The French Club in collaboration with The History Forum organized a curated excursion to Ancestral Goa, Loutoulim on the occasion of 60 years of Goa's Liberation.

On 15 December 2021, the French Club: The Beret Bunch in collaboration with The History Forum organized an excursion to Ancestral Goa, Loutoulim, famously known as 'Big Foot'. This 'Open Air Museum' is the only technology-based museum in Goa. It is a self-travel museum that provides you with an automated guided tour where you acquire information from electronic speakers and from the details displayed on the exhibits. It gives you a glimpse of the authentic rural Goan lifestyle on a platter. Once you enter the main gate you find a Palanquin also called 'Paalka' adorning the wall of the entrance and a beautiful antique fan hangs on your head made from red silk cloth. Moving forward, the whole place overshadows the greenery of shrubs and trees that soothes your eyes. Assorted miniature houses, fishermen, Goan artisans, basket weavers, bangle sellers, and many other small setups of compulsive views were also displayed.

Later we entered the cave of Bigfoot where the mythological story was displayed through paintings on the wall. Besides the Eco-friendly aspects of the setup, another core glared characteristic of the museum is the largest, biggest, fastest Red Laterite Sculpture of Sant Mira Bai carved in on one stone that too in a record time of 30 days. In the area, there are a variety of local and exotic birds, a Spice yard, Bird display, Cane water station, Spring (Boca Da Vaca), Rubber plantation, etc. There was also a special demonstration for the students to weave Coconut palm leaves. Overall, the experience was very educational and informative while at the same time an enjoyable experience.

INTRODUCTION:

On 17 December 2021, the fabulous French Club: The Beret Bunch organized a display of the fusion of Goan and French cuisine called "Let's Go Gourmet", on the occasion of 60 years of Goa's Liberation. It was a remarkable moment for India as we were finally free from Portuguese rule. Here at Parvatibai Chowgule College of Arts & Science, Goa Liberation Day is commemorated by conducting multifarious events and activities by various departments. The event began at 12 noon on the college premises. Mrs. Carol Barreto Miranda, the Asst. Professor and Department In-Charge of French at Chowgule College had previously briefed us up about the event and the arrangements so that the event could sail smoothly.

We, the students of the French Department were paired in groups to present a fusion of Goan and French cuisines. All the groups made great efforts to set up a presentable and delectable platter of various dishes. The dishes included the most famous French Baguette paired with the all-time favorite Pao, Cheese paired with Paneer, Coconut-made Macaroons along with Bolinhas, Crêpes along with Alle-Belle, Sulloleo and Filoz and Baguettes with Paneer fillings in one and Goan Sausages in the other. The mouth-watering and appetizing dishes fascinated and allured a great crowd. The French Department received lovely feedback from staff as well as students. We had a lovely time socializing with one another and intensifying our love for Goa and its traditional ways. Moreover, it was a great platform to develop one's communication and organizational skills.

INTRODUCTION:

On March 13, 2022, the French Club: The Beret Bunch organised a heritage walk through Margao City to acquaint ourselves with the rich history of the city. Mrs. Carol Barreto Miranda, the Asst. Professor and Department In-Charge of French at Chowgule College, spared no effort in finding the most qualified person to lead the walk, Mr. Lynn Barreto Miranda. Mr. Barreto Miranda is a skilled web designer and creator of the web page My Margao. What kind of tour would it be of Margao if we didn't learn how its name arose? Our guide explained that Margao got its name either from the Portuguese word for "marvelous village"- *Maravile* or after the demon Maru who used to live on the hill- *Mharugav*. We began our tour at the Cidas Almas chapel near Holy Spirit Church, in the old market, which we learnt was built in memory of the 23 people killed in 1890 in a political massacre. The ruins of the building opposite used to be a display showroom for decorative ceramic tiles from across the world.

We moved on to a quaint bungalow that was Margao's first RCC structure and this steel was used to build the Borim bridge. We visited a number of immemorial buildings- The Civil and Criminal Court, the Largo de Republica garden, the Shree Ram temple and adjoining Damodar saal, the Instituto do Abade Faria, the residence of Adeodato Barreto- a major Goan poet and writer. The Park of Poets in Portugal has an installation honouring him. The front door of Monte de Silva's house was adorned with an alluring frog shaped knocker; which were used before the invention of the bell. The same lane also occupies the ancestral home of the Portuguese Prime Minister, António Costa. Mr. Barreto Miranda led our group to many more cultural sites till we concluded our walk at Margao Municipality building, where he showed us the GTS marker for Margao. The walk was the perfect blend of educational and fun and Mr. Barreto Miranda was amazing at catching us up on the rich culture and heritage of Margao.

INTRODUCTION:

On April 29, 2022, two students, Alria Lourenco & Risa Cabral from the French Club: The Beret Bunch organised a French Quiz: Connaissez-vous La France?. A total of 4 teams showed enthusiasm to participate as pairs. The quiz was divided into 3 rounds. Round One was based on the basic history of France. Round Two was all about the geography and important landmarks. While Round Three tested the participants on a mixture of topics: Culture, Fashion, Music, etc.

The winners of the activity were declared to be Jewel Fernandes and Olivia Fernandes. Lizelle Azavedo and Nayden D'Silva bagged the second place. Overall, the activity was a great success with all the participants leaving with a smile on their face and gaining immense knowledge about France.

Title:	WORKSHOP ON 'MAKING SENSE OF MY E-PORTFOLIO'
Date and year:	29 th -30 th November, 2021
Venue:	D-102-AV Room
Resource person/s:	Mr. Andrew Barreto, Assistant Professor, Department of English
Organizing Committee	Center for Teaching Learning in collaboration with English Department
No. of Participants:	20
Objective:	To give hands-on training to the students who are using ePortfolios in their courses.
Summary of the proceedings:	A hands on training was provided to the students who are using e-portfolio in their courses and they can really make use of this platform to showcase their matter.

Photographs:

The poster features logos for the Department of English, Parvatibai Chowgule College of Arts and Science (Autonomous), and the Centre for Teaching and Learning (CTL). The main title is 'Making Sense of My ePortfolio' in large, bold letters. Below the title, it specifies the location 'D102 - AV ROOM' and the dates 'DAY 1 MONDAY, 29 NOVEMBER 2021 10.30 - 11.30 am - SY ENGLISH MAJOR' and 'DAY 2 TUESDAY, 30 NOVEMBER 2021 10.30 - 11.30 am - SY ENGLISH MAJOR'. It includes the text 'ALL STUDENTS WELCOME TO JOIN. SUBJECT TO AVAILABILITY OF SEATS.' and 'a skill-building workshop'. At the bottom, it says 'Department of English with the Centre for Teaching and Learning' and 'With Asst. Prof. Andrew Barreto' next to a circular portrait of the professor. The background is a vibrant blue with abstract patterns and two white line-art profiles of heads containing gears and lightbulbs.
