INTRODUCTION:

An Alumni-student interaction was organized by the Department of Geology with main objective of allowing the students to explore various career opportunities in the field of geology and create awareness about the various domains. The speakers for the same were reputed personalities from Geology background who are the alumni of the college.

Dr. Pratima Kesarkar, Scientist at NIO, Dona Paula addressing the students about her journey as a scientist.

Brahmanand Sawant delivering an online lecture on Mahanadi basin sediments.

The speakers not only delivered the lectures physically, but some of them also mentored from foreign countries like UK, Dubai, Australia etc.

The sessions were very insightful and motivating. All students enjoyed the talks by various resource persons and got to know about various aspects of being in geology field.
