Respected Sir/Madam

My name is Manisha Gomes, I'm the student of Parvathibai Chowgule college in the batch of 2018-2021, [AU180035] single-major student in Geography(BA).

Due to my negligence, I got a backlog in EVS (environmental studies). Thereafter I applied myself for a repeat examination in the EVS paper and attended each of the classes without missing. Moreover I attended all the CA's and the Semester end examination for the following paper. Even after attending all of it my marks aren't submitted in the examination cell to fill in my marksheet. Just because of that one thing my passing certificate is on hold. Furtherance, I also confronted the teacher engaged (Sangeeta More) for the EVS paper about all my marks, she assured me that I have cleared my semester end examination and I have scored enough marks in the CA to pass in the following paper. Lastly for evidence I will post my CA marks which was out of 40.

The Semester end examination was conducted of 60 marks

I hereby declare all my information is true and correct, I assume that my query will be resolve as soon as possible and I'm looking forward to hear from you soon

Thank you

Yours Faithful

(Manisha Gomes)

The CA marks for Manisha Goes and rectified have been entered, as she was marked absent before.

Subject: Request for Issue of new marksheet

Respected Madam,

With due regard, I am Raizel Fernandes, a student of TYBA, double major in English and Psychology, Roll number AU200018. I am writing to you to request for the issue of a new marksheet for semester IV.

At the beginning of semester IV, I requested to change my SEC course from 'Creative Writing II' and 'Writing for the Media II' to 'Accounting for Non-Accountants'. I was granted my request and thus began attending the respective course. However, upon collecting my marksheet for semester IV, I have discovered that my previous SEC course i.e. 'Creative Writing II' and 'Writing for the Media II' have not been omitted from my list of subjects. This has resulted in an Absent grade on my marksheet for the respective courses. Hence my marksheet states that I have to reappear for the respective courses. Thus, I humbly request you to issue a new marksheet for semester IV in consideration of what I have stated above.

I would much appreciate it if you would consider my request and kindly issue the marksheet at the earliest!

Yours faithfully

Subject: Requesting permission to retake CA1 of GEC Chemistry

Respected Madam,

I am Aaron Dsouza, FYBSC Zoology (2202241), I am writing this letter requesting you to grant me permission to retake my CA 1 exam for the GEC Basics of Chemistry for semester 1.

I was unable to give the exam as I was in Bangalore for the first two months of semester 1 and joined the college late due to personal reasons, when I had joined, I had intimated my course teacher, Amanda madam about the absence and CA missed, however I was not told about the need to retake the CA or its alternative to it by the course teacher.

When she called me to sign on the marks after the completion of CA3, I had asked about the missed CA-1, however I got no response or action decided on it. Therefore I was marked absent for the CA-1 and subsequently in the marks card, since there was no document on the modes of assessment used for the course of evaluation method, I was unaware of what needs to be done and therefore I enquired with the teacher and got no response.

Received
 31/2/23
 Aaron

I, therefore request you to permit me to answer the missed CA-1 due to late admission so that my academic grades do not get affected.

I humbly request you to intervene and resolve my issue.

Thanking you

To Vice Principle,

Subject : Correction in the statement of marks.

Sir,

This is to inform you that a mistake appears to have cropped in respect of the total marks obtained by me for the subject 'Academic Writing' in the first semester of FYBA 2022-23.

Asst. Prof. Chelsea Maria Fernandes who is teaching the said subject has informed me that I have scored 37 marks out of 50. On the contrary, the marks stated in the marksheet are 23.

Therefore I request you to kindly look into the matter and rectify the above mistake.

Thank you

Subject: Request for issue of new marksheet.

Respected Madam

I am a third year double major student majoring in Economics & Psychology studying in your esteemed college. I am writing to you request for the issue of a new marksheet for semester 3.

Upon receiving my marksheet for the third semester, it was brought to my notice that the marksheet indicates that I must reappear for a course called Biological Basis of Behaviour, which I have not enrolled for, resulting in an absent grade for that particular course. Thus, I kindly request you to look into this matter and take the necessary steps to correct the error.

I would appreciate it if a new marksheet for the third semester could be issued with the correct information, at ~~your~~ the earliest

Thank you for your attention to this matter

Sincerely
