INTRODUCTION:

The Department of Geology, Parvatibai Chowgule College of Arts & Science (Autonomous), Margao, Goa, in association with 'Club Nebulites -a student venture', had organized an intercollegiate event '**NEBULA 2023**' for students of higher secondary schools and colleges on 01st March 2023. The event aimed at spreading awareness about geology and inspiring young minds to develop enthusiasm and interest of the subject.

Proceedings: The event was graced by the presence of Dr. Sunil V, Scientist D & Scientist-In-Charge – Deep Sea Survey and Exploration from National Centre for Polar and Ocean Research (NCPOR), Ministry of Earth Sciences, Govt. of India, who was invited as the Chief guest.

Shri. Harish Nadkarni welcomed the guests, students and faculty members from various institutions and declared the event open. He briefed the guest about the department and emphasized on the emerging demand for the subject of geology in his address.

Following this the President of the Club Nebulites , Ms Apoorva Pimplikar introduced the Club Nebulites and its objectives and presented the activities organized by the club.

The Chief guest, Dr. Sunil V delivered the key note address, in which he presented an informative talk on deep sea minerals deposits and discussed the various technological advances that have been made for exploring these deposits. He explained the strategic importance of these mineralisations and concluded by commenting on its mining prospects in near future.

The next guest speaker for the event was Mr. Akash Mokal, an alumnus of the department who currently works as drill and blast engineer at Panoramic resources in Australia. He shared his experience working in underground mines and briefed the students regarding the various processes deployed in mining operations. He also guided the students about the careers in geology and in the mining industry.

The informative guest lectures were followed by an exhibition where the students of geology displayed and spoke about a variety of rocks, minerals, gemstones and fossils.

Following the exhibition, competitions were held in the afternoon session. These included digital poster presentation, pebble painting and photography.

A quiz was held for the college students on Kahoot app, and a game 'Mining the minerals' was held for the higher secondary students. The students participated whole heartedly in the competitions and enjoyed the event.
