(Seminar / Webinar / Expert talk / Workshop / Visit to Incubators on the themes pertaining to Innovation/Entrepreneurship/Intellectual property)

Title:	CAREER TALK ON HOW TO PREPARE FOR THE JOB MARKET.
Date and year:	15 September, 2023
Venue:	Psychology Lab
Resource person/s:	Ms. Delice Mascarenhas
Organizing Committee	Department of Psychology
No. of Participants	TY Psychology Students
Objective:	To make students aware about the importance of creating LinkedIn profiles, and preparation for interview with potential employers.
Summary of the proceedings	<p>Ms. Delice is a part of the founder's office and founding member of Hivel. She is an entrepreneur and a Personal Branding Specialist. She has also given Ted talks on entrepreneurship and personal branding.</p> <p>The session was about one hour long over a google meet. The session began with her introducing herself, talking about her journey so far and about what the session would be consisting of. She enlightened us with her experience of how it felt when she started working as a human resource person after doing her graduation in psychology. The speaker encouraged the students to pursue what they are passionate about. There was an exchange of her experience of being an entrepreneur and she was extremely motivating to our students to try out new things and then decide what suits them best, by sharing how she followed her passion and reached where she has in her career.</p> <p>The session focused on resume building and the importance of an interactive, wholesome but yet elegant presentation of resumes. Ms. Delice stressed on the importance of creating a LinkedIn account. She explained the importance of using the app in the current job market. The speaker provided the student with best practices in terms of using LinkedIn.</p>

Delice was very motivating, encouraging and supportive to our students and parted her knowledge to them. The session ended with a Q and A segment where there was interaction between Ms.Delice and the students based on their queries about her job and her journey and she was very enthusiastic about being able to reach out and help people. A lot of our students were able to clarify their doubts and gain some surety about what they wish to do in the future.

She kept the audience engaged with her vivacious and vibrant personality even till the end of the session. To conclude the students greatly benefited with the session according to the received feedback.
