Summary of the proceedings	<p>Shri V.R. Shirgurkar enlightened on the following:</p> <ol style="list-style-type: none">1. Liberal Arts Education which involves inter-disciplinary courses, intra-disciplinary courses, multi-disciplinary courses and trans-disciplinary courses.2. Further going in depth he explained the micro concepts in these frameworks i.e. informed disciplinary courses, synthetic interdisciplinary courses and conceptual interdisciplinary courses.3. In order to enhance/ develop the curriculum and the faculty steps have to be ensured i.e. train the faculty members in framing such syllabus.4. How NEP is planning at University and College levels by creating categories of institutions i.e. a. Multi-disciplinary Research, b. Multi-disciplinary Teaching, c. Autonomous College, d. Higher Education policy of Clusters (i.e. 7-8 colleges come together to form a cluster which is headed by a Autonomous college like a mini University).5. How our college can form its own cluster with consultation with DHE.<ul style="list-style-type: none">- Being an Autonomous College the UGC might grant the leadership to our college.- To become a mentor under the Paramash scheme i.e. mentoring the other college for NAAC accreditation.<ul style="list-style-type: none">- Focus of NAAC will be in building the curriculum and faculty development.- University has to incorporate the NEP 2020 in their statutes and ordinances thereafter only all college under its affiliation will be able to implement or do changes accordingly.- Mentoring within the cluster or outside the cluster requires UGC's approval and there are certain grants also provided for the same.- Mentor the colleges on the changing of NAAC process.- Institutional development plan -<ul style="list-style-type: none">- <u>Tips</u>: a. systematic plan along with faculty members and management.- b. Brainstorming (i.e. are we going for clusters / multidisciplinary courses? If yes for clusters. Is it within Goa/outside Goa.; what type of clusters are we looking at? etc.)

- Suggestions: a. To find out the relevance of the market demand in terms of placement to all students is relevant or myth. These findings could be useful to the government officials.
- b. While organizing workshops for FDP try involve representatives from government and industry to understand their requirements.

A vote of thanks was given by Shri H.S.S.Nadkarni.
