

**Parvatibai Chowgule College of Arts and Science**  
**Autonomous**

Accredited by NAAC with Grade 'A' (CGPA Score 3.41 on a 4 Point Scale in 3rd cycle)  
Best affiliated College-Goa University Silver Jubilee Year Award

---

**PROMOTING RESEARCH PROPOSAL SUBMISSION AND  
ENCOURAGING RESEARCH PROJECT WORKS  
OF  
PARVATIBAI CHOWGULE COLLEGE OF ARTS & SCIENCE  
(AUTONOMOUS)**

---

**I. PREAMBLE:**

Besides being an academic institution focusing on quality education, Parvatibai Chowgule College of Arts and Science (PCCAS), is also actively involved in research. The college has "Research, Consultancy and Extension activities" committee (RCEA), along with the Head of the institution, which looks into the planning and execution of encouraging and enhancing research amongst faculty members and students. To streamline the processes the committee has formulated policy document on "Promotion of Research".

The research policy of RCEA-PCCAS explains the processes used to promote research on campus. The policy document highlights research policies for faculty members and students and gives the framework for development and implementation of initiatives taken to promote research at Chowgule College.

**II. OBJECTIVES:**

- 1) Create conducive research environment.
- 2) Promote research culture amongst teachers and students.
- 3) To create awareness on research related ethical requirements of the college.
- 4) To enhance research paper publications and presentation.
- 5) Encourage faculty to obtain research projects/funds and consultancy works.
- 6) Promote community works, extension activities, consultancy by the departments

### III. PROMOTING RESEARCH PROPOSAL SUBMISSION AND ENCOURAGING RESEARCH PROJECT WORKS

The College has initiated protocols for encouraging research proposal submission by faculty / students on the campus. College has also developed infrastructure to encourage laboratory based research by establishing 'Central Research Lab' and specialised research laboratories viz. 'Genetic Research Lab', 'Plant tissue culture lab', 'Plant physiology lab', 'GIS Lab', 'Photogrammetry lab', 'Analytical lab' etc.

The Research Committee has also prepared a document on Funding Bodies and schemes for easy reference.

#### A) SUBMITTING RESEARCH PROPOSALS TO FUNDING BODIES

1. College encourages faculty members to apply for research funds.
2. Workshops/Sessions on 'Funding Bodies' is conducted for faculty members.
3. Document on 'Guide to funding bodies' is available on the 'Research portal' of college website. The document is prepared to help teachers identify the Funding bodies and schemes available based on their area of research.
4. Steps to be followed for Submission of proposal:
  - i. Necessary formats can be obtained by Principal investigator from the official website of relevant Funding body. Faculty members can seek help of Research Committee (PCCAS-RCEA) Convener, for any queries related to filling up of the research proposal.
  - ii. Researchers need to conform to guidelines of respective funding body whilst preparing their research proposals.
  - iii. Researcher needs to obtain Ethical Clearance (EC) from Institution ethics committee (IEC-PCCAS) for ethical clearance as per the format and procedure of IEC-PCCAS given on the website.
  - iv. Application for EC will be evaluated by IEC-PCCAS for issuing ethical clearance.
  - v. Final Proposal with EC by Institution ethics committee needs to be submitted in office for posting it to office of the funding body.
  - vi. The postage and printing cost will be borne by the institution.
  - vii. Copy of all Research proposals submitted to avail fund should be submitted by faculty member/researcher to College office and Research Committee convener for record.

### WORKFLOW OF PROCESS

## B) INFRASTRUCTURAL RESEARCH SUPPORT

### i) PROTOCOL FOR USING CENTRAL RESEARCH LABORATORY.

Central Research lab is established in August 2018, to strengthen and upgrade available Science research facilities to advanced research & training to enable the students to take up challenging research projects. This Lab is developed through RUSA Funds and further strengthened under DBT star College Scheme. Central research laboratory' harbors instruments that are essential for researchers in multiple departments of Science faculty. The CRL has lab set up and equipments for Cell culture, Microscopy works, DNA studies, Physicochemical parameter evaluations of soil and water, Microbiological testing, Geological studies involving Petrological microscope etc.

All teachers wishing to use the facilities at the Central Research Lab are requested to do so by following the protocol laid for usage of the same.

- Teachers intending to use CRL have to book the facility in advance by entering in the log book kept in the cubicle of Lab Assistant of Biological Science.
- All equipments have a separate log book of usage. Both teachers and students using specific equipment needs to enter into the log books before and after use of any equipment.
- For the ease of usage of equipment, a 'Workflow of Usage/Principle' for is available near each every instrument.
- The concerned teacher is requested to be present when students use the facility to ensure that there is no mishandling of the equipment/instrument.

- If any equipment/instrument is damaged during usage, the same needs to be noted in the log Book as well as via email to the Principal.
- Those wishing to use CRL during vacation, prior approval of the Principal are essential.

Specialised research laboratories available for research are 'Genetic Research Lab', 'Plant tissue culture lab', 'Plant physiology lab', 'GIS Lab', 'Photogrammetry lab', 'Analytical lab' etc.

### C) GUIDE TO FUNDING BODIES

LIST OF FUNDING AGENCIES FOR RESEARCH GRANTS	
FUNDING BODIES	SCHEMES
<p>1. <b>Department of Science and Technology (DST)</b>                      The Secretary,                      Department of Science and Technology,                      Govt. of India                      Technology Bhawan,                      New Mehrali Road, New Delhi. 110016                      e-mail: dstinfo@nic.in                      web: <a href="http://www.dst.gov.in/">http://www.dst.gov.in/</a>                      Fax: (+91)011-23016857, 26567373, 26962819                      Tel: (+91)011- 23012312, 23017660, 26864570,                      26862418</p>	<ul style="list-style-type: none"> <li>• Deep Continental Studies (DCS); Himalayan Glaciology (HG);</li> <li>• Indian Climate Research Programme (ICRP)</li> <li>• Instrument Development Programme (IDP)</li> <li>• International S&amp;T Cooperation (ISTC)</li> <li>• Joint Technology Projects under STAC/IS-STAC</li> <li>• Monsoon and Tropical Climate (MONTCLIM) &amp; Agrometeorology;</li> <li>• Natural Resources Data Management System (NRDMS)</li> <li>• Pharmaceuticals Research &amp; Development Support Fund (PRDSF) Programme Advisory Committee on Earth Sciences (PAC-ES)</li> <li>• Science &amp; Engineering Research Board (SERB);</li> <li>• Science &amp; Society Programmes (SSP); Seismology Programme (SP);</li> <li>• State Science &amp; Technology Programme (SSTP);</li> <li>• Technology Development Programme (Joint Technology –Technology System Programme).</li> <li>• Utilisation of Scientific Expertise of Retired Scientists</li> <li>• Opportunities for Young Scientists (FAST TRACK Scheme)</li> </ul>
