PARVATIBAI CHOWGULE COLLEGE OF ARTS & SCIENCE (AUTONOMOUS) - GOGOL, MARGAO-GOA

REPORT

Title:	WORKSHOP ON QUALITY INDICATORS
Date and year:	12 th , 14 th & 15 th June 2021
Venue:	Conference room & Centre for Teaching Learning
Resource person/s:	Respective NAAC Criteria Coordinators
Organizing Committee	Internal Quality Assurance Cell (IQAC)
No. of Participants	15
Objective:	Improvement in the quality under respective Criteria.
Summary of the proceedings	<p>Every Criteria Coordinator presented their criteria data and evidences. In most of the criteria following suggestions were provided.</p> <p>I. Reshuffling/ restructuring, rectifications, additions and deletion in matters, Including the word 'Institution' everywhere, data to be rechecked, structuring data in points.</p> <p>II. Some important implication were suggested such as:</p> <ul style="list-style-type: none"> - Acquiring software crash report from the authority duly signed as proof. - Title display boards - Orient students about NAAC quality indicators and the impact of their positive response. - Require to procure letter from Goa University for acquiring third place for best clean campus. - Draft college policy for the disabled.

CENTRE FOR TEACHING AND LEARNING

REPORT	
Title:	EXPERT FDP WEBINAR SERIES - VI
Date and year:	29 th April, 2021 (Thursday)
Venue:	GMEET
Resource person/s:	Dr.R.C.Sharma, Associate Professor Instructional Design & Educational Technology, Ambedkar University, New Delhi
Organising Committee	Center for Teaching Learning
No. of Participants:	28
Objective:	Perspectives of NEP 2020 : Technology in Education
Summary of the proceedings:	<p>The Session began by Welcome by Dr.SameenaFalleiro followed by the Offg.PrincipalDr.ShailaGhanti giving the introductory address. Dr.Sameena then introduced the Resource Person who then delivered his talk.</p> <p>The following are the various areas of NEP 2020 that he highlighted in his presentation:</p> <ul style="list-style-type: none">• Life Long Self Directed Learners• Knowledge Seekers• Competence; Comprehension and Cognitive Flexibility• Digital Learning & Evaluation Ecosystem• Learning Paths• Efficacy of Instruction <p>This FDP focussed on certain terminologies/annotations used in the NEP; It also focussed on Learning Paths and Competencies so that Faculty can use techniques in teaching, learning and evaluation so that we can create students who are self-directed lifelong learners.</p> <p>This was followed by a Q n A.</p> <p>The webinar ended with a Vote of Thanks given by the HOD of Computer Science Mrs.SuchitraBhat.</p>

Photographs:

The first screenshot shows a presentation slide titled "Digital learning and evaluation ecosystem" with a background image of a woman working on a laptop. The slide includes mathematical formulas like $P=2L+2W$ and $W=P-2L+2W$. The chat window on the right shows messages from Gajanan Nial and Anand Masur.

The second screenshot shows a presentation slide titled "Self-learning: the most important 21st Century skill?". The slide lists four bullet points: Drivers of self-learning, Examples of well known self-learners, Mindsets and other barriers to self-learning, and Self-learning as a vaccine against 'uselessness'. The chat window on the right shows messages from Anand Masur and Centre for Teaching and Learning.

The third screenshot shows a grid view of the meeting participants. The chat window on the right shows messages from Centre for Teaching and Learning and Ramesh Chander Sharma.

REPORT ON Hands on training on Course Outcome Attainment	
Title:	Hands on training on Course Outcome Attainment
Date and year:	08/01/2021
Venue:	M.Sc IT Seminar Room
Resource person/s:	Mr.Abhishek Gudekar
Organising Committee	Center for Teaching Learning
No. of Participants:	8
Objective:	Training on Course Outcome Attainment
Summary of the proceedings:	Center for Teaching and Learning organised a hands on session on "Course Outcome Attainment" for the faculty members. Mr.Abhishek Gudekar, Assistant Professor in the Computer Science Department was the resource person. Session was attended by 8 Faculties. Resource Person gave a hands on session on the working of excel package, which is used to measure the course outcome. He showed the data entry in the package and also explained about the Course Outcome threshold and the levels of attainment.

REPORT

Title:	Applications of Course Outcomes Plus Curriculum Designing	
Date and year:	13 th March, 2021	Timing: From: 2:30 pm To: 4:30 pm
Venue:	GIS Lab	
Resource person/s:	Prof. Nandkumar N. Sawant	
Organising Committee	Department of Geography	
No. of Participants	5	
Objective:	To align CO's & PO's with BLOOMS Taxonomy	
Summary of the proceedings	<p>Higher Education focuses on engaging students in higher thinking skills and therefore it is essential that the course objectives & outcomes are out laid that would enable students in deeper learning.</p> <p>During the workshop BLOOMS Taxonomy was introduced & hands on examples were practiced.</p> <p>In the second part of the session, faculty presented course outcome and this was placed on the hierarchy of BLOOMS (Lower Order to Higher Order). The session ended with discussion of teaching learning methods to achieve the CO's & PO's.</p>

(AUTONOMOUS)
REPORT: FACULTY DEVELOPMENT PROGRAM
BY IQAC- PCCAS**

FACULTY DEVELOPMENT PROGRAM	
Title:	RESEARCH BASED LEARNING (RBL)
Date and year:	9 th August 2021
Venue:	Auditorium
Organised by	Internal Quality Assurance Cell (IQAC) of Parvitibai Chowgule college.
Resource person:	Prof. Nandkumar Sawant Dr. Nandini Vaz Fernandes
No. of Participants	17
Objective:	learning the epistemologies and forms of discipline-based inquiry, Learn certain methods of teaching- Learning practiced and tested over a period of time.
Summary of the proceedings	<p>The FDP was organized by the Internal Quality Assurance Cell (IQAC) of Parvatibai Chowgule college on 09th August 2021. The workshop was organized for the faculty who are newly appointed in the last five years teaching undergraduate and Post graduate courses in Parvatibai Chowgule College, with an aim to empower them with hands on experience of research based pedagogies of teaching-learning-evaluation.</p> <p>The workshop was inaugurated by the Offg. Principal Dr. Shaila Ghanti, who spoke on the importance of this workshop. This was followed by the technical sessions and the hands on activity.</p> <p>Session 1: Prof. Nandkumar Sawant Topic: Goals and requirements of higher education. Why teacher needs to be compatible.</p> <p>Prof. Nandkumar Sawant, spoke on the need to relook at the teaching-learning-evaluation processes at higher education. He outlined that we as teachers of higher education institutions need to set a benchmark and integrate blooms taxonomy and focus on enhancing skills and abilities of the students.</p>

Session II : Prof. Nandkumar Sawant

Topic: Assignment writing

In the second session Prof. Nandkumar Sawant, gave a detailed explanation on the structure and process of assignment writing and how it can be integrated with research based inclusions as component of assignment. He cited examples in faculty of languages and social sciences, as to how research based assignments can be carried out with a well planned productive outcome which can even be published a finding. This requires a systematic process to be followed which was explained to the participants.

Session III : Dr. Nandini Vaz Fernandes

Topic: Problem Based Learning

Dr. Nandini Vaz Fernandes spoke on Problem based learning as research based learning pedagogy. Problem-based learning (PBL) is a student-centered approach of T-L-E process in which students learn about a subject by working in groups to solve an open-ended or real world problem. Her session focussed on:

- What is Problem Based Learning
- Preparing for PBL based learning
 - Teachers
 - Students
- Process of PBL
- Role of students
- Role of teacher

She laid emphasis on the preparations and skills required to execute problem based learning effectively. She gave an insight into how to orient students, how to prepare for executing PBL in class, and how to frame a good PBL activity.

Session 4: Hands on and group sharing

The technical sessions were followed by hands on activity on research based learning. The participants were provided with a handout describing the process to be followed and information on Blooms taxonomy.

REPORT OF RESEARCH ORIENTATION PROGRAM
FACULTY OF LIFE SCIENCES

Research Orientation program – Research Methodology and Ethics	
Title:	Research Orientation program – Research Methodology and Ethics
Date and year:	29 th September 2020
Venue:	Virtual (Google meet and Telegram)
Objective:	The Objective of the programme is to acquaint students with the process of scientific research, research ethics and understand the process of research report writing.
Organized by	Dr. Nandini Vaz Fernandes- Dean Faculty of Life Sciences Event coordinating: Ms. Prasanna Gaonkar
Resource Persons	1. Dr. Starlaine Mascarenhas, 2. Ms. Madhu Balekai, 3. Ms. Sarah Mesquita Gray 4. Ms. Amisha Shirodkar Pednekar
Target Audience/ Beneficiaries	Students of Faculty of Life Sciences (Botany, Biochemistry, Biotechnology and Zoology)
Summary of Event:	<p>A Research Orientation program was organised for TYBSc Students of Life Sciences on 29th September 2020. The Objective of the programme was to acquaint students with the process of scientific research, understand the process of research report writing and be aware of research ethics and practice it.</p> <p>The programme was conducted in virtual mode.</p> <p>Google Meet:</p> <p>Dr. Nandini Vaz Fernandes - Dean- Faculty of Life Sciences addressed the students and explained the importance of having deeper understanding of research and scientific process. She also emphasised the importance of avoiding plagiarism.</p> 

Orientation Sessions: Four sessions were conducted on Telegram Channel for the BSc Life science students. The sessions were as follows:

Session 1: Introduction to Research

Resource Person: Ms. Madhu Balekai, Asst. Prof. Department of Zoology.

This session was focussed on explaining to the characteristics of research and types of research. It was aimed to recognise and differentiate between basic and applied research, Experimental and non experimental research and understand the concept of deductive and inductive reasoning

Session 2: Phases of Research (Understanding the Scientific Method)

Resource Person: Ms. Sarah Mesquita Gray, Asst. Prof. and In-Charge-Department of Biochemistry.

This session exposed the students to the scientific phases of research which includes Phase of conception, Phase of elaboration of research plan, Empiric phase, Analytic phase and Disseminative phase.

Session 3: How to Write Your Research Project Report

Resource Person: Ms. Amisha Shirodkar Pednekar, Asst. Prof. Department of Botany.

This Session was designed to help students understand the procedure and components of research reports. Details of preliminary pages and the sequence and rationale of the chapters of the main text was explained.

Session 4: Referencing Styles and Avoiding Plagiarism.

Resource Person: Dr. Starlaine Mascarenhas, Asst. Prof. Department of Biotechnology. Referencing styles vary according to different disciplines or fields of study. This session was intended to enable students to choose and adopt appropriate referencing style and

understand how to cite references. Plagiarism is a serious academic offence and so we need to be aware of what amounts to plagiarism and the ways to avoid plagiarism in academic or research works. This session enlightened the students on the same.

Parvatibai Chowgule College Of Arts And Science (Autonomous)

REPORT OF

THE WORKSHOP ON ATTAINMENT OF COURSE OUTCOMES (COs)

The fundamental premise of the learning outcomes-based approach is that higher education qualifications such as a Bachelor's Degree programmes are awarded on the basis of demonstrated achievement of outcomes (expressed in terms of knowledge, understanding, skills, attitudes and values) and academic standards expected of graduates of a programme. Learning outcomes specify what graduates completing a particular programme of study are expected to know, understand and be able to do at the end of their programme of study.

Parvatibai Chowgule College of Arts and Science organized workshops on Outcome Based Education and adopted outcome based framework from the Academic Year 2018-19. Through intensive deliberations Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) were drafted for all the Programmes offered in our college.

Workshop on Attainment of Course Outcomes was organized by College on 13th and 14th July 2020. Dr Shaila Ghanti started the workshop on measuring the CO attainment with the brief introduction of OBE. Then through a case study took the participants on a journey of need for identifying expected outcomes, and recommending appropriate pedagogy and evaluation methods for the attainment of those outcomes. Participants were asked then to take one of the course they teach and discussed their plans and execution methods to achieve the outcomes of that course. The process of Course outcome attainment was discussed that includes mapping of all assessments to the COs.

Mr Abhishek Gudekar demonstrated the use of CO attainment software designed by him to the Course coordinators. How to enter data and the various reports generated and how to derive conclusions from the various reports generated by the software. It was further followed by discussion on issues that needs to be looked into for implementation of the new framework and valuable suggestions by the participants as well as coordinators of the workshop, namely Dr Shaila Ghanti, Mr Mahesh P Matha, Mr Abhishek Gudekar, Mr Gajanan Nial and Mr Castor Godinho.

An appropriate software for the measurement of CO attainment was designed by Asst Prof Mr Abhishek Gudekar under the supervision of Dr Shaila Ghanti, Vice Principal, to establish the mappings between COs, POs and PSOs based on performance of the learners in continuous as well as semester end evaluations.

The same software was used by the faculty members to measure the CO attainment of their courses.

In order to measure the attainment of Cos for the course following steps are to be followed

1. At the end of every semester the CO attainment is to be calculated for every course.
2. All questions of all assessments to be mapped to the Course Outcomes
3. For all the assessments CO wise marks are to be entered. The software generates student wise attainment of Cos and also the overall attainment of Cos for the specified Course.
4. Faculties have to give the action plan based on the CO attainment levels.

CO ATTAINMENT METHOD USED:

The method used for CO attainment is as follows

1. % Attainment in a given CO at student level= $(\text{Total marks scored by student in particular CO})/(\text{Total Marks to all the questions of that CO}) \times 100$.
2. % Attainment in a given CO at class level= $(\text{Total number of students reaching target using Rule 1})/(\text{Total number of registered students in the course}) \times 100$.
3. Level of attainment is derived by finding out in which bucket the overall CO attainment falls.

Level of Attainment for CO			
Level	Low	Medium	High
% CO Attainment	0 to 30%	30% to 60%	60% to 100%

OUTCOMES OF THE WORKSHOP

This workshop was conducted only to the M.Sc. IT , Biochemistry and Biotechnology Departments.

There are two outcomes of the workshop

1. Attainment of Course Outcomes for a course conducted by the Course Co-ordinators.
2. Suggestions to have a standard college Guidelines so that all faculty members can use these Guidelines to calculate their Course Outcomes

1.CO attainment for the courses

Following are the CO attainment for the courses conducted by Mr Abhishek Gudekar. Mr Gajanan

- a) Name of the Course Coordinator: Abhishek Gudekar

2. Suggestions to have standard college Guidelines

Subsequently after the workshop presentation was made to the Principal Dr Nandkumar Sawant, who also made valuable observations on the proposed system and are as below

1. Need to finalize the Institute threshold value or For smooth implementation of the system, course coordinators need to plan in advance a suitable mechanism to set threshold for attainment either based on CGPA of the students enrolled for that course or based on average attainment of last three years for a particular CO.
2. Question papers need to be mapped to COs as well as Bloom's Taxonomy
3. Options given in question papers need to be from same CO.
4. Repeat exams to be given to ensure evaluation of same CO.
5. A suitable mechanism needs to be developed for CO-PO mapping if NPTEL/Swayam courses are assigned to students as part of the course work.
6. Institute Target Attainment threshold for each CO should be decided at college level.

A Brief report on the Workshop titled “Attitude is Everything” and “Office Ethics & Etiquettes”.

Held on Friday, 16th November 2018

Introduction

As a part of imparting motivational attitude amongst the support staff of the institution, need was felt to conduct a lecture cum workshop in this direction. The resource person identified to conduct this workshop was Mr. Sushant M. Surlakar, an alumni of this institution and Proprietor of Emerging Minds Academy. Mr. Sushant has conducted more than 1000 training programmes all over India and has also anchored International Film Festival of India (IFFI) in the year 2016 and 2017 in Goa and events like International Fashion Week, Shows, Weddings, etc.

The workshop was conducted on Friday, 16th November 2018, in the Upper Auditorium, from 10.00 a.m. to 1.30 a.m. It was attended by Fifty-two staff members.

The Resource person, Mr. Sushant M. Surlakar, was briefly introduced by one of the staff members, Mr. Vasant Hede.

The workshop was divided into two sessions. The first half of the session was from 10.00 a.m. – 11.30 a.m. and focused on the topic “Attitude is Everything”. The second half of the session began from 12.00 noon to 1.30 p.m., and focused on the topic “Office Ethics & Etiquettes”.

Objective :

To provide an insight into the importance of having a positive attitude in life and office ethics and to maintain etiquettes in the college.

Synopsis of first session – “Attitude is Everything”

The session began at 10.00 a.m. This session was to make aware the benefits in having a positive outlook in whatever we do. To understand the term “What is Attitude?”, a lot of questions were posed to the staff. Keeping a positive attitude would improve one's health, boost energy, heightening inner strength, building relationships thereby increasing chances of success. It highlighted the ill effects of negative attitude, poor communication, lack of open mind. If you look at the negative side of things, your life would be more and more problematic, on the contrary even in adverse condition, if you focus on the positive side, totally neglecting the negative, you will end up having happy and wonderful moments in life. A short video was screened and as part of the workshop, activities were conducted.

Outcome

The workshop made aware the benefits of having a positive outlook towards any work that is assigned or in hand.

Synopsis of second session – “Office Ethics and Etiquettes”

The session began at 12.00 noon. This session was to bring in awareness on preserving and practicing Etiquettes in an organizational set-up to develop a better working environment. It highlighted on being considerate and respectful of everyone around you, being professional and disciplined, being competent and keep improving and being trustworthy and accountable. This session was an interactive one with fun-filled activities and screening of a short video.

Outcome

It encouraged the participants to increase the positive acts of recognition they give to others and to create a working atmosphere in which people feel accepted and recognized.

The workshop was followed by a question-answer session wherein the audience could ask queries related to the topics discussed.

Overall the workshop was very enlightening, motivational and fun-filled.

Mr. Vasant Hede gave the thanksgiving speech to the Guest Speaker and the session winded up.

23rd - The 'E-Cell'- Entrepreneurship Cell and Startup initiatives of the College was inaugurated by Principal, Dr Nandkumar Sawant, Vice Principals Shri. Harish Nadkarni, Dr. Shaila Ghanti, Faculty Dr. Kanchana and D. Prabhakaran

24th to 26th - Sports Council of our college organised 'Tiger Olympics 2T19 3.0' and All Goa Inter Collegiate Multi Sports tournament

25th - Department of Economics organized 'Revelations 2019' - an intercollegiate event

26th - Sports Council of our college assisted Tiger Marathon Club in organising Tiger Tower Run on Republic Day

28th - Department of Botany organized 'Medicinal Plants Exhibition cum Lecture series' in collaboration with Goa State Medicinal Plants Board, Goa Forest Department, Forest Complex, Aquem, Margao-Goa.

30th - Department of Chemistry organised an 'Interclass quiz for the students of Chemistry, 'Chemquiz 2019' under DBT Star College Scheme

31st - Department of History organized two guest lectures on 'Goan Heritage'

31st - Department of Konkani in association with Goa Konkani Academi, Panaji- Goa organized a One Day State Level Konkani Workshop on Creative Writing "बाल साहित्य लेखन कार्यशाळा"

FEBRUARY 2019

2nd - Department of Economics organized a 'KNOW YOUR ECONOMY' test in collaboration with Scientific Research Association for Economics and Finance (SRAEF) Chennai.

2nd - Department of Economics organized a subject talk on 'International Trade and Policy'

2nd - Department of Zoology' in association with 'Mangrove Society of India, Goa Branch' and 'Goa State Wetland Authority' organized a National Conference on 'Wetland Conservation: Approaches and Threats'

3rd to 17th - Department of Geography organized a Short-Term Course in Basics of Remote Sensing and GIS under DBT Star College Scheme

4th - Department of French organized a 'Workshop on the basic Techniques of Translation'

4th to 23rd - Department of Economics conducted a 'Certificate course in Legislative Assembly Procedures'

7th to 14th - Department of Hindi organized 'Kala Mela' wherein artistic items prepared by the students were displayed and sold.

8th - Department of Computer Science arranged visit of TYBSc Computer Science to Tiger studio

10th - Department of English organized a field trip to MOG

12th - N.S.S. unit and Women Welfare Cell of the college organised a 'Blood Donation' camp in association with Indian Red Cross Society, Salcete Branch

13th - Department of Computer Science under DBT star college scheme programme organized an 'E-services awareness programme' for members of Inner-Wheel Club of Ponda

13th - Department of Hindi organized a Guest Lecture by a Media expert on 'Bhashan Kaushalya'

16th - Department of Chemistry organized their annual state level intercollegiate event 'KYNESIS 2019' under DBT Star College Scheme

17th - Students forum of Psychology Department organized a picnic for the department at Sernabatim, Goa

19th to 23rd - Department of French organized the Francophone week

20th and 21st - Department of Geography organized special guest lecture for students of MA Geography

21st - Department of French organized a workshop on 'Diploma Certificate in French Language Proficiency- Courses and Exam Preparations'

21st - IQAC of the college organised a talk on 'Institutional Building'- Some Modes in India

22nd to 5th April - Student support Services - Writing Centre conducted a non-evaluative certificate course titled 'Poetry and Life' for the students by Prof. Robert Witmer (Sophia University, Tokyo)

22nd and 23rd - Department of Geography and Sociology jointly organized a National Interdisciplinary Conference on 'Women Empowerment and Society in India (with special reference to Goa): Prospects and Challenges' funded by ICSSR

22nd and 23rd - Department of Geology in collaboration with Geotech GIS training institute and consultancy organized a two days short term training program on GIS, hands on exercises in QGIS and Google Earth

24th - Department of French faculty attended State Level workshop: Cadre d' Or, Goa University

27th - Department of Konkani organised One day National Seminar in association with Goa Konkani Academy on the topic 'Mahabaleshwar Sailaanchem Kathanaatmak Sahitya: Swarup Ani Samiksha'

27th - Campus Recruitment Drive was organised for final year students by our college

28th - Entrepreneurship Development Cell of our College conducted 'Hackathon- Coding Competition' for the students of the department of Computer Science

28th - Department of Hindi organized an Inter-collegiate Elocution competition on 'Bhashan Pratiyogita'

28th - Post Graduate Department of Psychology organised a lecture for the PG students on the topic 'IQ testing and learning disabilities in children'

MARCH 2019

1st - Department of Biotechnology conducted a Guest lecture on 'Mushroom Cultivation and Vermi composting' for students of the Generic Elective Course

2nd - Department of Physics organised 'Goa Physics Research Meet' under DBT Star College Scheme.

2nd - Department of Economics organized a talk on 'International Trade and Policy'

2nd - Department of French conducted a workshop on 'Introduction to Translation Technique'

6th - College organised an interactive session on 'Financial Awareness' conducted by an organisation named Proficient Minds in association with National Stock Exchange

8th - Women Welfare Committee of our college celebrated 'Women's Day' having discussion on 'Sharing and Caring' and 'Challenges of working women'

8th - Grand Master Angela Abreu Naik conducted a demonstration cum hands on training session in 'Self Defence' organised by Tiger Martial Arts Club on the occasion of International Women's Day

9th - Department of Computer Science conducted One day Workshop on 'ICT in Education using Free Open Source Software (FOSS) Tools'

9th - Department of English organized a Guest Lecture under 'Talking Tree Lecture Series' on the topic "Understanding Judith Butler's

concept of Performativity and coming out of the closet in India"

9th - Brainstorming session on 'Academic Performance Improvement' was conducted by Department of Computer Science for TYBSc students

15th - Department of Economics organized In-house student Seminar on 'India and Sustainable Development Goals' for the Postgraduate and Undergraduate students of Social Sciences

15th and 16th - Workshop on 'Cloud Computing and Big Data' was conducted by Department of Computer Science under DBT Star College scheme

15th & 16th - Department of Geography organized a Workshop on 'Basics in Remote Sensing and GIS' for the students of Botany, Zoology and Physics under DBT Star College Scheme

16th - Department of Economics organised a field trip to Strawberry farm run by Bhumiika self-group at Netravali, Sanguem Taluka.

16th and 17th - Department of Sociology organised a field trip to Dabhal Village, Cotigao-Canacona with an aim of understanding the Dhangar Community.

19th - Department of Konkani organised 'Vachan Mandir' programme on Dr. Jayanti Nayak Konkani Drama: 'Kaalmaaya'

19th to 23rd - Department of French celebrated 'Francophone week' wherein French movies from different francophone countries were screened for students and faculty of our college

22nd - Department of English organized its annual 'Bonding Camp' an extra-curricular activity for its Undergraduate and Post-Graduate students at Paradise Farm, Quepem

23rd - Department of Biotechnology conducted a Guest lecture on 'Bio-3D printing technology and its applications in the field of Modern Medicine' followed by demonstration the 'One-dollar handy microscope - Foldoscope' for the students of Biotechnology and Biochemistry

24th - Department of Zoology organized a local field trip to Cotigao Wildlife Sanctuary for FYBSc students

25th - Tiger Yoga Club completed its short-term yoga asanas learning course for the year 2018-19.

25th to 29th - Dr. Beatrice Moppert, Faculty, Department of Geography, University of Reunion Island, visited our college

27th & 28th - Department of Geography organized a National Seminar Cum Conference on 'Environment and Tourism: Dimensions and Perspectives, under DBT Star College Scheme

29th & 30th - Department of Geography organized a guest lecture on the 'Hydrological model setup for Watershed/-Basin' and 'Estimation of Hydrological Components using Hydrological Model' for the students of BSc & MA Geography under DBT Star College scheme

30th - Department of Geography organized Student's Seminar on 'Career Prospects in Geography' organized for Students of Third Year Geography by Association of Geography Ex-Students (AGES) and Department of Geography & Research Center

APRIL 2019

5th - Department of Biotechnology organized a farewell party on the theme OSCAR for the TYBSc Biotechnology students

6th to 10th - Department of Zoology conducted awareness programmes on Kitchen Waste Management and Composting; Motivation for blood donation; Importance of physical activity; Awareness on Vitamin-D deficiency; Awareness on nutrition requirement of children; Waste segregation and collection; Sanitary hygiene; Awareness on renal diseases and Beach clean-up

9th - Omega is the annual year end awards ceremony was conducted by the Department of English to celebrate their students.

9th - Department of English organized

farewell function for the TYBA students

11th - Department of Physical Education organized a friendly futsal match between faculty members teams of our college and M.E.S.CollegeZuarinagar

28th - Department of Physical Education of both the colleges in collaboration with GSCOPES organised All Goa Inter Staff Futsal Tournament at 'Tiger's Ghol', Chowgule College

30th - Department of Physical Education and Sports Management in collaboration of Goa Study Circle of Physical Educationists (GSCOPES) and Consortium of College Directors of Physical Education of Goa (ACDOPEG) organised a One-day Workshop on 'Effective management of Inter Collegiate Tournament'

MAY 2019

28th - Graduation Day for the academic year 2018-19 was organized by collegewherein Adv. Afroz Shah (United Nation's Champions of the Earth Awardee 2016) was the Chief Guest on the occasion

REPORT WORKSHOP ON 'CREATING VIDEOS USING OBS'

FOR FACULTY OF LIFE SCIENCES
(Biotechnology, Biochemistry, Botany, & Zoology)

Title:	Workshop on 'Creating Videos using OBS'
Date and year:	08 th July 2020
Venue:	Zoology lab (1.30 – 3.30 pm)
Organised by:	Dr. Nandini Vaz Fernandes Dean- Faculty of Life Sciences
Resource person/s:	Mr. Aresh Naik Mr. Ashish Ashwin Dr. Uma Masur
No. of Participants	19
Objective:	To enable students to faculty members to prepare Videos for online teaching for academic year 2020-21.
Summary of the proceedings	<p>Prof. Nandkumar Sawant welcomed the life science faculty and explained the need for organizing the workshop. Dr. Nandini Vaz Fernandes explained the objective of the workshop.</p> <p>Mr. Aresh and Mr. Ashish Ashwin, explained the use of different features of OBS Software and how a lecture video can be created by Teachers using the software. The teachers were shown use of different features to integrate PPTs and videos and create a professional video which can be uploaded on CLAAP/Google classroom. All faculty members created videos under the guidance of Mr. Aresh Naik, Mr. Ashish Ashwin and Dr. Uma Masur</p>

FACULTY TRAINING WORKSHOP
ON
'MODES OF EVALUATION OR ASSESSMENT -I'

Date: 06th July 2018.

Venue: G-101

Time: 3.00 – 4.10pm.

Organised by: IQAC.

No. of Participants: 42

Resource Persons:

- 1) Dr. Sachin S. Moraes.
- 2) Dr. Nandini Vaz Fernandes.

Brief writeup:

In measuring the learning outcomes of students in terms of knowledge gained and skill acquired, it is pertinent to assess their understanding and in the process help to improve their learning. These can be achieved by adopting various modes of assessment during the course of their learning. In view of the same, the IQAC of the college conducted a workshop on "Modes of Evaluation/Assessments- I" on 6th July 2018. Dr. Nandini Vaz Fernandes and Dr. Sachin S. Moraes as resource persons presented few guidelines in adopting:

1. Open Book Assessments
2. Multiple Choice Questions (MCQ)
3. Students Presentations (SSM)
4. Short Answer Questions

WORKSHOP –

"Modes of Evaluation/Assessments- I"

6th July 2018

AN IQAC INITIATIVE

Presented by

DR. SACHIN MORAES and DR. NANDINI VAZ FERNANDES

PARVATIBAI CHOWGULE COLLEGE

MARGAO GOA

EMAIL:nvf001@chowgules.ac.in

OBJECTIVE OF THE WORKSHOP

- To understand the pedagogy of assessment modes:
 - Check the understanding of the students
 - to improve student learning,
 - measuring the learning outcomes in knowledge, skills, attitudes and beliefs becomes an important factor.
- Assessment modes adopted should therefore be aimed at checking the same.
- In view of this the IQAC of the College is organizing a workshop on "**Modes of Evaluation/Assessments- I**"

Since, under autonomous structure, the freedom of how to assess lies with the course teacher, the choice of the mode of assessment would depend on the learning outcome designed for a course.

The workshop was concluded with an address by Vice Principal Shri. H. S. Nadkarni.

REPORT
ORIENTATION ON 'RESEARCH METHODOLOGY
FOR THE THIRD YEAR STUDENTS OF LIFE SCIENCE
(Biotechnology, Biochemistry, Botany, & Zoology)

Title:	Orientation on 'Research Methodology'
Date and year:	12 th July 2019
Venue:	Lower Auditorium (2.00 – 3.30 pm)
Resource person/s:	Dr. Nandini Vaz Fernandes Dr. Kanchana R
Organised by	Dr. Nandini Vaz Fernandes- Dean, Faculty of Life Science, Logistic Support by: Executive Assistant, Ms. Bhavana Sawardekar
No. of Participants	101 (92 Students and 09 teachers)
Objective:	To enable students to understand steps of Scientific Research and Method of report writing.
Summary of the proceedings	<p>Dr. Nandini Vaz Fernandes: Discussed various aspects of Research viz. Characteristics of Scientific Research, Types of research, Concepts of research and reasoning, Phases of Scientific research. She explained each concept with examples. She discussed the process which needs to be followed for choosing the research topic and the scientific manner of execution. Other important aspects discussed were importance of literature review, creating clear framework for solving the problem and importance of communicating the findings by presenting or publishing papers.</p> <p>Dr. Kanchana R: Focussed on Components of writing research report, She explained the steps of writing the Project report, its preliminary pages and the flow of text chapters. She also spoke on Referencing styles, Plagiarism and Assessment modes in Chowgule College.</p>

FACULTY TRAINING WORKSHOP
ON
'MODES OF EVALUATION OR ASSESSMENT -II'
ORGANIZED BY IQAC

Date: 20th July 2018.

Venue: Lower Auditorium

Time: 2.15 – 3.30pm.

Organised by: IQAC.

No. of Participants: 48

Resource Persons:

- 1) Dr. Sachin S. Moraes.
- 2) Dr. Nandini Vaz Fernandes.

Brief writeup:

In continuation to the earlier workshop on Modes of Evaluation or Assessment I dated 06th July 2018, the IQAC of the college conducted the second session of the workshop on "Modes of Evaluation/Assessments- II" on 20th July 2018. Dr. Nandini Vaz Fernandes and Dr. Sachin S. Moraes as resource persons presented further guidelines in adopting:

1. Assignments
2. Portfolio & Process Portfolio
3. Case Study
4. Gobbet
5. Poster / Chart
6. Concept Map

Since, under autonomous structure, the freedom of how to assess lies with the course teacher, the choice of the mode of assessment would depend on the learning outcome designed for a course.

Vice Principal Shri. H. S. Nadkarni requested to faculties to understand the level of students attending their classes, to introduce and explain the first years slowly and systematically to the evaluation and assessment pattern enabling them grasp and tackle any kinds of assessments in long run. He finally concluded workshop with a Thank you note.

REPORT OF WEBINAR- "HOW TO READ SCIENTIFIC LITERATURE"

WEBINAR - "TRAINING AND AWARENESS ON PROJECT MANAV-THE HUMAN ATLAS INITIATIVE"	
Title:	Webinar on 'MANAV- The Human Atlas Initiative Topic-"How to Read Scientific Literature"
Date and year:	21st December 2020
Resource person	Dr. Anupama Harshal W. IISER, Pune.
Organised by	Dr Nandini Vaz Fernandes, Dean-Faculty of Life Sciences
No. of Participants	100
Objective	To focus on "How to Read Scientific Literature" aimed at highlighting the importance of ethical and scientific information websites, to be used by students for streamlining quality information and validity.
Summary of the proceedings	<p>Dr. Nandini Vaz Fernandes, Dean-Faculty of Life Sciences organised a webinar on 'MANAV- The Human Atlas Initiative' of Department of Biotechnology of Ministry of Science and Technology, Govt. of India.</p> <p>The webinar was held on 21st December 2020 for students and teachers of faculty of Life Sciences. The webinar was conducted by Team MANAV-The Human Atlas Initiative of IISER, Pune.</p> <p>The webinar focussed on "How to Read Scientific Literature" aimed at highlighting the importance of ethical and scientific information websites, to be used by students for streamlining quality information and validity. Using research papers from prominent websites like PubMed, rather than Wikipedia ensures authentic information especially for young students. This webinar was followed by 2 quizzes, to test knowledge of the students on the same.</p>

REPORT OF WORKSHOP ON MAPING OF COURSE OUTCOMES AND PROGRAMME OUTCOMES	
Title:	Mapping of course outcomes.
Date and year:	30 th August 2019
Venue:	AV room of CTL
Resource person/s:	Dr. Nandkumar Sawant
Organizing Committee	IQAC
No. of Participants	23 Faculty members (representatives from all departments).
Objective:	<p><i>The workshop was conducted to train the teachers on the following :</i></p> <ul style="list-style-type: none">- Mapping the course outcomes.- Understanding the association T-L-E processes to attainment of Course outcomes
Summary of the proceedings	<p>The IQAC organized hands-on workshop on “Mapping of course outcomes” for departments on 30th August 2019.</p> <p>Dr. Nandkumar Sawant was the resource person for the same. He explained the procedure devised for mapping of the course outcomes (COs) at the department. Faculty members were given a format to map the COs. Dr. Sawant also explained how the teaching-learning processes can be mapped to the COs and how the assessment modes can be used to check for attainment of COs. He explained how Blooms taxonomy can be integrated to gauge attainment and also conducted hands-on session activity department wise.</p> <p>The Following members presented their mapping structure prepared as an outcome of this workshop. Dr. Hanumant Chopdekar, Dr. Lactina Gonsalves, Dr. Nandini Vaz Fernandes, and Ms. Swati Gadi.</p>

**REPORT OF SCIENCE LECTURE SERIES AND TRAININGS- SCIENCE SETHU
PROGRAMME**

SCIENCE LECTURE SERIES AND TRAININGS- SCIENCE SETHU PROGRAMME	
Title:	Science Sethu Programme'
Date and year:	15 th March- 6 th July 2021
Coordinator	Dr. Nandini Vaz Fernandes
Organising Committee	International Centre For Genetic Engineering and Biotechnology (ICGEB).
No. of Participants	100
Summary of the proceedings	<p>Parvatibai Chowgule College is selected by DBT, Govt. of India, under 'Science Sethu Programme' to be mentored by International Centre For Genetic Engineering and Biotechnology (ICGEB), New Dehli. This programme is coordinated by Dr. Nandini Vaz Fernandes, Dean-Faculty of Lifesciences and College Coordinator of 'DBT Star College Scheme'. Science Setu programme was launched by MST Govt. of India in 2014 as a measure to address the problem of paucity of teaching resources in higher education leading to a lack of connectivity between academic scholarship and teaching.</p> <p>Under this programme ICGEB, New Dehli organized the following events which were attended by faculty and students of science departments of Chowgule College:</p> <ol style="list-style-type: none">1) Introductory lecture 1: 'International Centre for Genetic Engineering and Biotechnology' on 15th March 2021, delivered by the Honorable Director of ICGEB, Dr. Dinakar M. Salunke.2) Session 2: "Visualising Biology" - on 22nd April, 2021 delivered by Dr. Neel Sarovar Bhavesh, Group Leader in Transcriptional Regulation Group, ICGEB.

3) Session 3: “Molecular Farming for Biofuel and Drug Using Photosynthetic Organisms” on 21st May, 2021 delivered by Dr. Shashi Kumar, Group Leader in Metabolic Engineering Group, ICgeb.

4) Session 4: “How our immune system responds to infections?” on 4th June, 2021 delivered by Dr. Dhiraj Kumar, Group Leader at Cellular Immunology Group, ICgeb.

5) Session 5: “A biologist’s view towards the utility of artificial intelligence-based approaches to combat COVID-19 pandemic” on 6th July, 2021 delivered by Dr. Arun Sharma, Senior Information Scientist at DBT Apex BTIC, ICgeb, New Delhi.

REPORT
WORKSHOP ON 'BUILD YOUR E-PORTFOLIO'
FOR THE SECOND YEAR STUDENTS OF LIFE SCIENCE
(Biotechnology, Biochemistry, Botany, & Zoology)

Title:	Workshop on 'Build your E-Portfolio'
Date and year:	24 th August 2019
Venue:	Lower Auditorium (1.30 – 3.30 pm)
Resource person/s:	Mr. Andrew Barreto
Organised by	Dr. Nandini Vaz Fernandes- Dean, Faculty of Life Science, <i>Assistance & Logistic Support by: Executive Assistant, Ms. Bhavana Sawardekar</i>
No. of Participants	75
Objective:	To enable students to submit their work as 'E-Portfolio' for 'Skill Enhancement courses' as Summative Assessment.
Summary of the proceedings	<p>Dr. Nandini Vaz Fernandes welcomed the life science students and explained the necessity for organizing the said workshop and provided a brief introduction of the resource person. She said that developing Portfolio encourages students to become active participants in understanding their own learning. A total of 75 students from Second Year BSc of Life science departments attended the workshop.</p> <p>Mr. Andrew Barreto, Resource Person explained the purpose and the importance of the E-portfolio to the students. He highlighted on the following:</p> <ol style="list-style-type: none">1. Why is it required?2. How it is useful.3. How to create it.4. What goes in it.5. Where it can be used. <p>He explained the process on creating E-Portfolio and explained that Process Portfolio needs to showcase all the evidences required to prove the learning outcomes in the given time, in addition, it integrates reflection and higher-order cognitive activities. The site recommended was https://sites.google.com. A presentation on the process was shared with the students.</p>

EMAIL:nvf001@chowgules.ac.in

ORCID – Glue for all your research services

- You can connect your ORCID account with websites including:
 - Web of Science
 - Figshare
 - ,Impactstory
 - Researcher ID etc.
- ORCID record will allow you to automatically import the same information to multiple places.

Dr. Nandini Vaz Fernandes, Parvatibai Chowgule College. 25-10-2017

How it will help you

- Over 1000 journals, (**PLOS, Nature, and Elsevier etc**) are using ORCID for manuscript submission systems.
- It can also aggregate author-level metrics for you.
- ORCID helps connects you with your professional affiliation and enables other institutions track your work.

Dr. Nandini Vaz Fernandes, Parvatibai Chowgule College. 25-10-2017

Chart of nutrition requirement according to age was given to each house.

- vi. **Sanitary Hygiene (13/04/18):** The program aimed to create awareness about the importance sanitary hygiene. A questionnaire was prepared and put forth to the women with an aim to understand the present scenario of the sanitary hygiene. The women were explained about care and hygienic practices during menstruation.
- vii. **Garbage Segregation (13/04/18):** The program aimed to create awareness about the importance garbage disposal and segregation. Methods of disposal of organic and inorganic wastes were explained.
- viii. **Importance of Immunization (14/04/18):** The community outreach activity aimed to collect information regarding the vaccines taken by children and to provide information with respect to importance of immunization. The students explained the parents the consequences of not receiving a vaccine and the long term complications associated. The checklist of the immunization chart was also provided.

III. FACULTY ACHIEVEMENT:

1) Dr. Nandini Vaz Fernandes

As Resource Person:09

- 1. 'Faculty Orientation Programme' conducted by the college for newly recruited Faculty members on 11th July 2017. She spoke on "Research Culture of Chowgule College".
- 2. 'Lecture Series' on 'Birding and Bird Conservation' on 21st July 2017.
- 3. 'Research Publication Data Management' Two workshops were held on 25th October, 2017 and 07th November, for the faculty

members of Chowgule College.

- 4. Delivered series of lectures on: Chromosomal disorders, Genetic mutations, Prenatal Diagnosis and Newborn screening of disorders, for the UG and PG students of Biotechnology Gogate college, Ratnagiri.
- 5. "Problem Based learning as Teaching methodology" for Science teachers of Gogate Joglekar on 15th September 2017. Dr. Fernandes presented her findings on 'Multiple Mode of teaching', Blooms Taxonomy and Problem based Learning.
- 6. Spoke on Role of IQAC under autonomy' to Delegation from Annasaheb Dange College of Engineering and Technology, Sangli-Maharashtra who visited our college on 19th July 2017 to understand the functioning.
- 7. As the chief guest for the workshop organized by Psychology department on 5th August 2017. Spoke on the need for preparing a good questionnaire for data collection and briefed the students on the prospective research areas for good research in social sciences.
- 8. Resource person for National Conference on "Coastal Wetlands of India" under the auspices of 'Mangrove Cell Maharashtra' and 'Mangrove Society of India' and BNHS Mumbai at RP Gogate College of Arts and Science, Ratnagiri Maharashtra on 17th and 18th March 2018.
- 9. Resource person for session on "Funding Bodies for research grants" organized for faculty of Parvatibai Chowgule college.

Faculty attended seminars/ workshops:

- 1. Dr. Nandini Vaz Fernandes along with of students of zoology attended the Carl Memorial Lecture on 20th August 2017. The guest lecture was delivered by

Dr. Nandini Vaz Fernandes, Parvatibai Chowgule College, 07-11-2017

Transferring Data from ORCID to RESEARCHERID

Link ORCID with RESEACHER- ID.

- Then add all your publication details:
 - No need of adding the publications again.
 - But use option of transferring data from ORCID.
- Today add of 3 calendar years.
- Later can add all your publications.
- You can rearrange the publications year wise automatically.

Dr. Nandini Vaz Fernandes, Parvatibai Chowgule College, 07-11-2017

Chart of nutrition requirement according to age was given to each house.

- vi. **Sanitary Hygiene (13/04/18):** The program aimed to create awareness about the importance sanitary hygiene. A questionnaire was prepared and put forth to the women with an aim to understand the present scenario of the sanitary hygiene. The women were explained about care and hygienic practices during menstruation.
- vii. **Garbage Segregation (13/04/18):** The program aimed to create awareness about the importance garbage disposal and segregation. Methods of disposal of organic and inorganic wastes were explained.
- viii. **Importance of Immunization (14/04/18):** The community outreach activity aimed to collect information regarding the vaccines taken by children and to provide information with respect to importance of immunization. The students explained the parents the consequences of not receiving a vaccine and the long term complications associated. The checklist of the immunization chart was also provided.

III. FACULTY ACHIEVEMENT:

1) Dr. Nandini Vaz Fernandes

As Resource Person:09

- 1. 'Faculty Orientation Programme' conducted by the college for newly recruited Faculty members on 11th July 2017. She spoke on "Research Culture of Chowgule College".
- 2. 'Lecture Series' on 'Birding and Bird Conservation' on 21st July 2017.
- 3. 'Research Publication Data Management' Two workshops were held on 25th October, 2017 and 07th November, for the faculty

members of Chowgule College.

- 4. Delivered series of lectures on: Chromosomal disorders, Genetic mutations, Prenatal Diagnosis and Newborn screening of disorders, for the UG and PG students of Biotechnology Gogate college, Ratnagiri.
- 5. "Problem Based learning as Teaching methodology" for Science teachers of Gogate Joglekar on 15th September 2017. Dr. Fernandes presented her findings on 'Multiple Mode of teaching', Blooms Taxonomy and Problem based Learning.
- 6. Spoke on Role of IQAC under autonomy' to Delegation from Annasaheb Dange College of Engineering and Technology, Sangli-Maharashtra who visited our college on 19th July 2017 to understand the functioning.
- 7. As the chief guest for the workshop organized by Psychology department on 5th August 2017. Spoke on the need for preparing a good questionnaire for data collection and briefed the students on the prospective research areas for good research in social sciences.
- 8. Resource person for National Conference on "Coastal Wetlands of India" under the auspices of 'Mangrove Cell Maharashtra' and 'Mangrove Society of India' and BNHS Mumbai at RP Gogate College of Arts and Science, Ratnagiri Maharashtra on 17th and 18th March 2018.
- 9. Resource person for session on "Funding Bodies for research grants" organized for faculty of Parvatibai Chowgule college.

Faculty attended seminars/ workshops:

- 1. Dr. Nandini Vaz Fernandes along with of students of zoology attended the Carl Memorial Lecture on 20th August 2017. The guest lecture was delivered by

REPORT
SEMINAR ON “SCHOLARLY COMMUNICATION”

Title:	SEMINAR ON “SCHOLARLY COMMUNICATION
Date and year:	16 th October 2018.
Venue:	Upper Auditorium, 2.00 – 4.30pm.
Resource person/s:	Dr. Murari Tapawi.
Organising Committee	IQAC & Research, Consultancy & Extension Committee.
No. of Participants	41 faculty members of Parvatibai Chowgule College
Objective:	To enable faculty to choose the right journal for publication of their findings and create awareness on predatory journals.
Summary of the proceedings	The convenor of the research committee Dr. Nandini Vaz Fernandes explained the objective of the seminar. She explained that in this era of multiple journals available at our disposal to choose from, what should be the criteria of choosing journals for publishing their valuable works and how to identify predatory journals was the motive of conducting this seminar. Dr. Ashish Desai of the research committee introduced the speaker Dr. Murari Tapaswi. Dr. Tapaswi was ex-scientist / Librarian of NIO donapaula. He very interestingly put forth the important aspects of publications i.e. criteria for recognising standard journals, what is impact factor, identifying standard journals from web of Knowledge

etc. He also enlightened the faculty members on need to popularize ones publications, need to register for ORCID, and maintaining standard styles of writing individual names and affiliated institution name etc. Vote of thanks was proposed by IQAC coordinator and Vice-Principal Shri H.S.S.Nadkarni.

HAND-ON WORKSHOP ON “CONNECT YOUR ACHIEVEMENTS AND CONTRIBUTIONS ON GLOBAL REGISTRY: ORCID & RESEARCHER ID”

Title:	Connect Your Achievements And Contributions On Global Registry: ORCID & RESEARCHER ID”
Date and year:	17 th October 2018.
Venue:	CTL Audio Visual Room
Resource person/s:	Dr. Nandini Vaz Fernandes
Organising Committee	IQAC through Research, Consultancy & Extension Committee.
No. of Participants	22 faculty members of Parvatibai Chowgule College
Objective:	<ul style="list-style-type: none">- To help faculty obtain unique digital identifier and associate it with all academic works and publications for giving global accessibility.- To enable faculty to publish research papers in journals of repute.- Connect oneself with one’s professional affiliation.
Summary of the proceedings	<p><i>Prerequisites:</i></p> <p>Faculty members were requested to organise their publication list in APA format and bring it for the workshop on their laptops. Publications can include research journal papers, articles, books, chapters, dramas or any other work created by teachers.</p>

Summary:

The teachers were informed about the importance and benefits of registering for ORCID and RESEARCHER-ID. The participants were helped to register themselves for these global registry and the method of uploading their works was demonstrated. The members uploaded their works viz. research publications/ articles/books/ conference proceedings etc on ORCID. They were also explained the procedure of transferring data from ORCID and RESEARCHER-ID and vice versa. The method of retrieving and linking their research works from global databases was also demonstrated.

RESEARCH COMMITTEE (PCCAS-RCEA) & IQAC

REPORT ON WORKSHOP ON RESEARCH DATA MANAGEMENT	
Title:	Research Data Management' for facilitating H Index calculation (Bibliometrics)
Date and year:	14 th November 2019
Venue:	Auditorium
Resource person/s:	Dr. Nandini Vaz Fernandes
Organizing Committee	Research, Consultancy and Extension Activity Committee (PCCAS-RCEA) and Internal Quality Assurance Cell (PCCAS-IQAC). Dr. Nandini Vaz Fernandes and Dr. Ashish Desai
No. of Participants	17 Faculty members.
Objective:	<i>The Hands-on workshop was conducted to facilitate faculty members to :</i> <ul style="list-style-type: none">- Connect Achievements and Contributions on Global Registry" – Register with ORCID and PUBLON.- Calculate H index of author.
Summary of the proceedings	<p>The Research Committee and IQAC organized Hands-on Workshop on "Metrics as a Measure of Scholarly Articles " Research Data Management' for facilitating H Index calculation (Bibliometrics) on 14th December, 2019 in the Auditorium.</p> <p>As a prerequisite for the workshop, participants were asked to organize their publication list in APA format and bring it for the workshop on their respective laptops. Participants were also asked to get information related to their publications viz. research journal papers, articles, books, chapters, dramas or any other work created by them.</p> <p>Dr. Nandini Vaz Fernandes, gave a introductory session on Research data management, followed by demonstration of how to upload data on ORCID and PUBLON. All members of Research committee helped the participants to register for ORCID and PUBLON.</p>

The participants calculated their H index and were also enlightened on its relevance.

The session concluded with vote of thanks proposed by Dr. Ashish Dessai, co-convenor of PCCAS-RCEA.

WHAT YOU NEED TO DO:

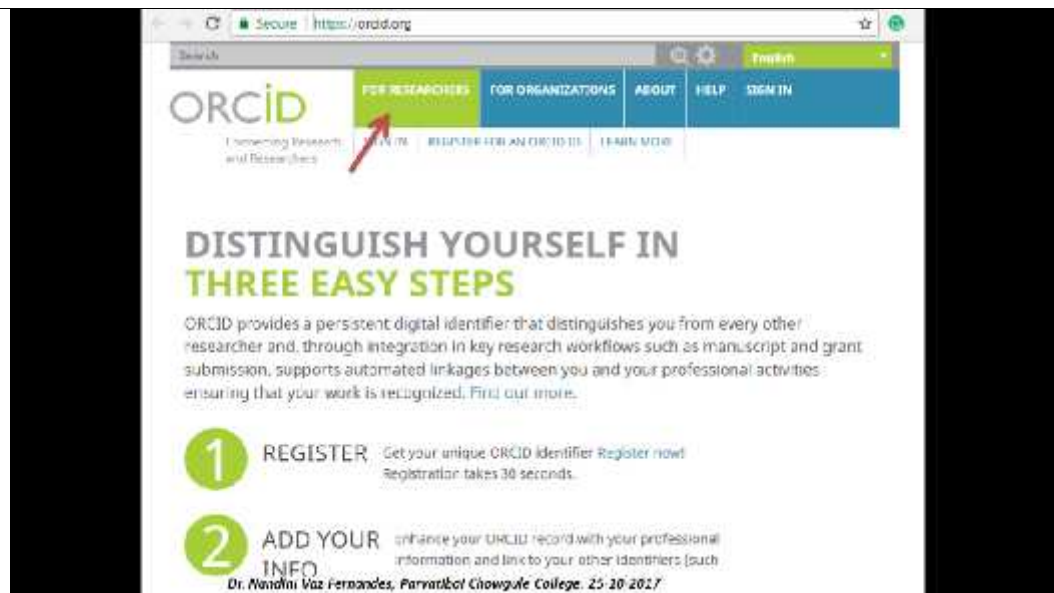

1) Register yourself with ‘ORCID’.

2) Register yourself with RESEARCHER-ID

Dr. Nandini Vaz Fernandes, Parvatibai Chowgule College. 25-10-2017

NEXT...WHAT IS ResearcherID

- **ResearcherID - Each member is assigned a unique identifier to enable researchers.**
- **ResearcherID is fully integrated with Web of Science.**
- **So, you can use your profile to make sure you are getting properly credited for your work in Web of Science.**

Report on “Lecture on Safety measures in the Chemistry laboratory”

Title:	Talk on ‘ Safety measures in the Chemistry laboratory’
Date and year:	2 nd November 2018
Venue:	Parvatibai Chowgule College of Arts and Science, Autonomous -Upper auditorium
Resource person/s:	Richie Baracho Executive II , EHS Vergo Labs Ltd Verna Goa
Organising Committee	Dr.Manjita R. Porob Mrs. Padmini C. Raiker
No. of Participants	120 (Teaching and non teaching staff of the Chemistry department, FYBSc and TYBSc students)
Objective:	The objective of this laboratory safety program was to reduce the risk that laboratory work poses to the students, laboratory staff and teachers of Chemistry department and foster a safety lab culture.
Summary of the proceedings	<p>The resource person was very much talented in his field and explained to the entire audience the need of getting trained by the laboratory safety measures. He showed clippings of few videos depicting the after effects, if lab safety is not given importance. The staff and students were given guidance on how to prevent an accident in the labs and were also given the knowledge of tackling any lab accidents. He emphasized more on the importance of the PPE (Personal protective equipment) to be worn in the chemistry labs while handling chemicals such that there is no threat to the health of the person working in the lab.</p> <p>The resource person also inspected the laboratories and gave his feedback on the correct methodology of storing chemicals, use of signboards, importance of industrial exhaust fans, dress code in the laboratories etc.</p>

He concluded his session by saying that it is better to be safe than to be sorry and hence we should not feel that we can relax as accidents have not occurred till date.

WORKSHOP ON
“NEW LABORATORY JOURNAL RECORD FORMAT”
FOR FACULTY OF LIFE SCIENCE
(Biotechnology, Biochemistry, Botany, & Zoology)

Title:	‘EFFECTIVE JOURNAL RECORD FORMAT’
Date and year:	10 th November 2018.
Venue:	Conference hall
Resource person/s:	Dr. Nandini Vaz Fernandes Ms. Madhu Balekai
Organising Committee	Dr. Nandini Vaz Fernandes- Dean, Faculty of Life Science, Assistance & Logistic Support by: Executive Assistant, Ms. Bhavana Sawardekar
No. of Participants	18
Objective:	To help faculty members to adopt Journal format which is more effective in terms of enabling students to record their learning.
Summary of the proceedings	<p>Dr. Nandini Vaz Fernandes, Dean of life science conducted workshop for faculty members of Life sciences on “New Laboratory Journal record format” on 10th November 2018. The faculty members were explained the new format and pedagogy of conduct of practicals to make learning more effective. A sample journal in ‘Cell and Molecular Biology’ introduced in the Zoology department was shown as an example.</p> <p>The new format given has a Prelab work component and students analysis etc., and guidelines on how to record observations in a journal was given. Overall, the new journal format was intended to help students to use journal as a document for recording their learning in a more scientific manner. Ms. Madhu Balekai explained how prelab work can be given so that students could learn about the principle and concepts of experiment to be performed.</p> <p>A sample Journal prepared by the dean was emailed to all faculty as a Template.</p>

**PARVATIBAI CHOWGULE COLLEGE OF ARTS & SCIENCE
(AUTONOMOUS)
REPORT: FACULTY DEVELOPMENT PROGRAM
BY IQAC- PCCAS**

FACULTY DEVELOPMENT PROGRAM	
Title:	RESEARCH BASED LEARNING (RBL)
Date and year:	9 th August 2021
Venue:	Auditorium
Organised by	Internal Quality Assurance Cell (IQAC) of Partvitibai Chowgule college.
Resource person:	Prof. Nandkumar Sawant Dr. Nandini Vaz Fernandes
No. of Participants	17
Objective:	learning the epistemologies and forms of discipline-based inquiry, Learn certain methods of teaching- Learning practiced and tested over a period of time.
Summary of the proceedings	<p>The FDP was organized by the Internal Quality Assurance Cell (IQAC) of Partvitibai Chowgule college on 09th August 2021. The workshop was organised for the faculty who are newly appointed in the last five years teaching undergraduate and Post graduate courses in Parvatibai Chowgule College, with an aim to empower them with hands on experience of research based pedagogies of teaching-learning-evaluation.</p> <p>The workshop was inaugurated by the Offg. Principal Dr. Shaila Ghanti, who spoke on the importance of this workshop. This was followed by the technical sessions and the hands on activity.</p> <p>Session 1: Prof. Nandkumar Sawant Topic: Goals and requirements of higher education. Why teacher needs to be compatible.</p> <p>Prof. Nandkumar Sawant, spoke on the need to relook at the teching-learning-evaluation processes at higher education. He outlined that we as teachers of higher edication institutions need to set a benchmark and integrate blooms taxonomy and focus on enhancing skills and abilities of the students.</p>

Session II : Prof. Nandkumar Sawant

Topic: Assignment writing

In the second session Prof. Nandkumar Sawant, gave a detailed explanation on the structure and process of assignment writing and how it can be integrated with research based assignments as component of assignment. He sighted examples in faculty of languages and social sciences, as to how research based assignments can be carried out with a well planned productive outcome which can even be published as a finding. This requires a systematic process to be followed which was explained to the participants.

Session III : Dr. Nandini Vaz Fernandes

Topic: Problem Based Learning

Dr. Nandini Vaz Fernandes spoke on Problem based learning as research based learning pedagogy. Problem-based learning (PBL) is a student-centered approach of T-L-E process in which students learn about a subject by working in groups to solve an open-ended or real world problem. Her session focussed on:

- What is Problem Based Learning
- Preparing for PBL based learning
 - Teachers
 - Students
- Process of PBL
- Role of students
- Role of teacher

She laid emphasis on the preparations and skills required to execute problem based learning effectively. She gave an insight into how to orient students, how to prepare for executing PBL in class, and how to frame a good PBL activity.

Session 4: Hands on and group sharing

The technical sessions were followed by hands on activity on research based learning. The participants were provided with a handout describing the process to be followed and information on Blooms taxonomy.

RESEARCH COMMITTEE (PCCAS-RCEA) & IQAC

REPORT ON SEMINAR ON PLAGIARISM AND ACADEMIC WRITING	
Title:	Seminar on Plagiarism and Academic Writing Sessions: 1) Plagiarism 2) Academic Writing
Date and year:	23/04/2018
Venue:	Auditorium
Resource person/s:	Dr. Gopakumar, Librarian Goa University.
Organizing Committee	Research, Consultancy and Extension Activity Committee (PCCAS-RCEA) and Internal Quality Assurance Cell (PCCAS-IQAC).
No. of Participants	19 Faculty members.
Objective:	1) To sensitize faculty members on Avoiding plagiarism 2) Academic writing – Enhance your writing using Mendeley
Summary of the proceedings	<p>To address the need of avoiding plagiarism in academics, the Research Committee of the college organized a session on “Plagiarism and Academic writing” on 23rd April 2018.</p> <p>The resource person for the session was Dr. Gopakumar V., Librarian at Goa University.</p> <p><i>Session 1: Avoiding Plagiarism</i></p> <p>The session included a talk on the concept of plagiarism, how to avoid plagiarism and methods of detecting plagiarism in Academic writing. This session also included demonstration of softwares used to avoiding plagiarism.</p>

Dr. Gopakumar also demonstrated the use of anti- plagiarism software "URKUND" recommended by UGC for detecting plagiarism in academic submissions made by students/faculty.

Session 2: Academic Writing – Use of Mendeley

As a professional research tool Dr. Gopakumar demonstrated the use of "Mendeley" software which also helps in academic content writing of thesis or research papers, and eases reference writing and in-text citation.

He also demonstrated various features of "Mendeley" which can help the researcher to search scholarly contents from the web, arrange and format references in specific styles, and search for specific content pertaining to the planned research paper.

RESEARCH COMMITTEE (PCCAS-RCEA) & IQAC

REPORT OF SEMINAR ON "METRICS AS A MEASURE OF SCHOLARLY ARTICLES"	
Title:	"Metrics as a Measure of Scholarly Articles"
Date and year:	14 th December 2019
Venue:	Auditorium
Resource person/s:	Dr. V GOPAKUMAR
Organizing Committee	Research, Consultancy and Extension Activity Committee (PCCAS-RCEA) and Internal Quality Assurance Cell (PCCAS-IQAC). Dr. Nandini Vaz Fernandes and Dr. Ashish Desai
No. of Participants	21 Faculty members
Objective:	<i>The Seminar was conducted to: :</i> <ul style="list-style-type: none">- To facilitate faculty members to compute H Index (Bibliometrics).- Facilitate Quality publications.
Summary of the proceedings	<p>The Research Committee and IQAC organized Seminar on "Metrics as a Measure of Scholarly Articles" on 14th December, 2019 in the Auditorium. The resource person was Dr. V Gopakumar, Librarian of Goa University, who discussed the method of calculating H index.</p> <p>The inaugural session was presided by Principal, Dr. Nandkumar Sawant, who welcomed the resource person and briefed the participants on the Importance of the seminar.</p> <p>The session on bibliometrics included calculation of H index from Web of Science and Scopus and process of checking citations and method of calculating 'Institutional H Index', where he demonstrated the process of</p>

calculation of data of 'Goa University'.

He also stressed on the need for having 'Quality publications' and stated that it is mandatory for faculty members to give institutional affiliation for research publications. He demonstrated the use of 'Mendeley' for writing quality research papers with easy sourcing of reference material pertaining to area of research and finding appropriate journal for publishing ones research work.

The session concluded with vote of thanks proposed by Dr. Ashish Dessai, co-convenor of PCCAS-RCEA.

Start-Up Research Grant (Young Scientists)

Start-up grant for Young Scientists is restructured w.e.f. 1st September, 2015 into two new schemes:

1. Early Career Research Award (ECRA)
2. National Post-Doctoral Fellowship (NPDF)

No new proposals are accepted under the erstwhile YSG scheme. However, ongoing projects sanctioned and funded under the scheme will continue to avail grants as per the guidelines of SERB and complete their task and tenure.

Except for Life Sciences, for all the other subject disciplines, the Member Secretary / Convenor of Early Career Research Award and National Post-Doctoral Fellowships will also be the contact persons for Start-up grant for Young Scientists (YSG).

The contact details of Life Sciences discipline are given below:

Assistance to Professional Bodies & Seminars/Symposia

The Programme extends partial support on a selective basis, for organizing seminar / symposia / training programmes / workshops / conferences at national as well as international level. The support is provided to Research Institutes/ Universities/ Medical and Engineering Colleges and other Academic Institutions/ Professional Bodies who organize such events for the scientific community to keep them abreast of the latest developments in their specific areas. The support is generally given for encouraging participation of young scientists and research fellows in such events and publication of proceedings / abstracts for wider dissemination. The Programme also supports S&T Professional bodies.

REPORT OF SEMINAR ON INTELLECTUAL PROPERTY RIGHTS (IPR): IT'S RELEVANCE IN ACADEMICS	
Title:	Intellectual Property Rights (IPR): It's Relevance In Academics
Date and year:	14 th December 2019
Venue:	AV room of CTL
Resource person/s:	Dr. Nandini Vaz Fernandes
Organizing Committee	Research, Consultancy and Extension Activity Committee (PCCAS-RCEA) and Internal Quality Assurance Cell (PCCAS-IQAC).
No. of Participants	22 Faculty members (representatives from all departments).
Objective:	<p><i>The Seminar was conducted to create awareness on :</i></p> <ul style="list-style-type: none">- Need and importance of Intellectual Property Rights (IPR) among the faculty and students.- Initiatives by Chowgule College to promotion awareness of IPR.
Summary of the proceedings	<p>The Research Committee and IQAC organised Seminar on " IPR: It's Relevance in Academics" on 14th December, 2019 in the AV Room of Centre for Teaching learning. A group of 22 teachers were selected to represent each department. The objective of the seminar was to create awareness on need and importance of Intellectual Property Rights (IPR) and IPR promotion at Chowgule College. The session was conducted by Dr. Nandini Vaz Fernandes, who covered various aspects of IPR viz patents, trademarks, industrial designs, Geographical indications, copyrights and related matters and discussed its relevance in academics/education institution.</p> <p>Following topics were discussed during the seminar viz. what is IPR, types of IPR and relevance of IPR in academics. Synopsis of the discussion is given below:</p> <p>There are two main types of intellectual property rights (IPR).</p>

1. Copyrights and related rights

2. Industrial property

COPYRIGHT AND RELATED RIGHTS: Rights related to:

- Performing artists in their performances,
- Producers of phonograms in their recordings
- Broadcasters in their radio and television programs.
- Includes literary and artistic works such as :Novels, Poems And Plays, Films, Musical Works, Artistic Works Such As Drawings, Paintings, Photographs And Sculptures, Architectural designs.

INDUSTRIAL PROPERTY:

- Inventions (Patents) – process or product (20 yrs)
- Trademarks – symbols/signs /style of packaging.
- Industrial Designs
- Geographic Indications Of Source

ADVANTAGES OF INTELLECTUAL PROPERTY RIGHTS

- If you create a product, publish a book, or find a new drug, intellectual property rights ensure that you benefit from your work.
- These rights protect your creation or work from unfair use by others.
- Encourages individuals to distribute and share information and data instead of keeping it confidential.
- Provides legal defence and offers the creators the incentive of their work.

IPRs IN ACADEMICS: Faculty or personnel, students, and staff of the academic institution.

1) Copyright – by Journal for Research publication.

2) Scholarly and academic work:

3) Patent Rights

4) Learning Resources

The session also included discussion on revenue sharing, infringement of IPR, and IPR Policy of Chowgule College. College has formulated IPR policy to facilitate filing of applications for patents and other IPR, to enable faculty or personnel, students, and staff of the academic institution to get due credit for their works through IPRs and to recommend financial assistance for filing IPR, by the faculty and students of the Institute as per the norms of the institution.

The session concluded with vote of thanks proposed by Dr. Ashish Dessai, co-convenor of PCCAS-RCEA.

WORKSHOP ON 'PROBLEM BASED LEARNING' AS
EFFECTIVE TEACHING LEARNING TOOL
FOR FACULTY OF LIFE SCIENCES
(Biotechnology, Biochemistry, Botany, & Zoology)

Title:	Workshop on 'Problem Based Learning' as Effective Teaching Learning Tool
Date and year:	20 th December 2018
Venue:	AV Room of CTL
Resource person/s:	Dr. Nandini Vaz Fernandes
Organising Committee	Dr. Nandini Vaz Fernandes Dean, Faculty of Life Science, <i>Assistance & Logistic Support by: Executive Assistant, Ms. Bhavana Sawardekar</i>
No. of Participants	15
Objective:	To empower teachers with innovative teaching-learning pedagogies
Summary of the proceedings	The Dean of life science, Dr. Nandini Vaz Fernandes conducted workshop for faculty members of Life sciences on "Problem based learning as teaching-learning-evaluation tool" on 20th December 2018. Problem-based learning (PBL) is a student-centered pedagogy in which students learn about a subject through the experience of solving an open-ended problem found in trigger material. The PBL process does not focus on problem solving with a defined solution, but it allows for the development of other desirable skills and attributes. This includes knowledge acquisition, enhanced group collaboration and communication. The faculty members were explained the steps and pedagogy of problem Based learning (PBL). Handout on the process and execution of PBL was given to all participants.

REPORT OF WORKSHOP

Title:	“Academic Writing and Integrity”
Date and year:	Tuesday 07th January 2020.
Venue:	Conference Room
Resource person/s:	1) Dr. Nandini Vaz Fernandes 2) Ms. Anila.K.P.
Organising Committee	Writing Centre and IQAC
No. of Participants	12
Objective:	The main objective of the workshop was to make the new teachers aware of the significance of practicing ethical values in academic writing and also, to brief up on assignment writing with its various essential components and rubrics.
Summary of the proceedings	<p>Academic Writing and Integrity aims at bringing moral code of academia. It involves using in an ethical, honest and responsible manner. Integrity embodies the fundamental core values of honesty, trust and responsibility which is an essential quality to develop among the teachers and spread it among the students.</p> <p>The workshop began at 2.30 pm in the Conference room by Dr. Nandini Vaz Fernandes. The workshop began with the introduction of each faculty. The workshop was divided into two sessions. The first session was conducted by Dr.NandiniVaz Fernandes. She spoke on the importance of Academic writing with special reference to Assignment writing. The various components of Assignment were discussed briefly and also the rubrics of mark distribution was shown. Further, the format of the Assignment followed by college was discussed and displayed. Also, she spoke on the plagiarism policy and its seriousness in Academic Writing. This session ended by 3.30 pm.</p> <p>The second session began at 3.30 pm by Ms. Anila K.P. She spoke on the Academic Integrity with special reference to plagiarism and Referencing. Here the teachers were briefly introduced to Plagiarism and how one can avoid it. She also highlighted the importance of referencing/citation of the resources and gave a demonstration on how to do citation by two methods in APA style. The following session concluded at 4.30 pm.</p> <p>The workshop on “Academic Writing and Integrity” was quite effective It took full consideration of the faculties need and develop their understanding on Assignment Writing and its various components. It also helped the faculties to know more about plagiarism, its dangers and how one can avoid it by incorporating various techniques. Faculties were familiarised with the APA style of referencing/bibliography and also, the Plagiarism policy.</p>

FACULTY TRAINING WORKSHOP
ON
'INTRODUCTION TO FLIPPED CLASSROOM'

Date: 09th January 2019.

Venue: AV Room/ Centre for Teaching Learning

Time: 2.00 – 5.00 pm.

Organised by: Dean, Faculty of Life Science, Dr. Nandini Vaz Fernandes

Logistic Support by: Ms. Bhavana Sawardekar

No. of Participants: 18

Resource Persons:

- 1) Mr. Andrew Barreto, Assistant Professor in English.
- 2) Ms. Madhavi Motankar, Assistant Professor in Biotechnology.

Brief writeup:

This train the trainer workshop enlightened the faculty members to evolve in their teaching methodologies by adopting new innovative ways of teaching students by using an interactive and with more involvement of the students in understanding the concepts introduced to them by adopting various modes of methodologies.

They are as follows:

1. Round Robbin
2. Gallery walk
3. Team Pair Solo / Think Pair show(TPS)
4. In-flip
5. Reciprocal
6. Three step Interview
7. One Stray Method

Two main hands on activities were taken up wherein teachers were asked to practically experience the above sessions.

Dr. Nandini Vaz Fernandes, Dean, Faculty of Life Sciences concluded the workshop with a Thank you note.

REPORT OF RESEARCH PRESENTATION COMPETITION'

Title:	Science Megafest – ‘Research Presentation Competition’
Date and year:	25th February 2020 (DBT Interdisciplinary activity)
Venue:	Faculty of Life Science: Auditorium 1 Faculty of Natural Science: Auditorium 2 Faculty of Social sciences: D Block Faculty of languages: AV room
Organised by:	DBT Interdisciplinary Activity by Dr. Nandkumar Sawant Dr. Nandini Vaz Fernandes
Coordinated by	Deans
Judges:	Faculty of Life Science: J1-Prof. G N Nayak J2-Dr. Arnab Banerjee Faculty of Physical and Earth Science: J3-Dr. Satish Kelusakar J4-Dr. Mithal Fal Desai Faculty of Social sciences: J5-Dr. E.M.Travassos J6-Dr. Arvind Haldankar Faculty of languages: J7-Dr. Glenis Mendonca J8-Prof. Vaishnavi Raiker

No. of Participants	Students: 220 Faculty and Staff: 21
Objective:	The objective of the competition was to acquaint students to the process of Preparing PPT of their Research findings and understanding the manner of presentation for conferences
Summary of the proceedings	<p>Day 2: 25th February 2020 - 'Research Presentation Competition'</p> <p>Research presentation competition was organized for TYBA/ TYBSc students of Chowgule College, as part of Science megafest. The objective of the competition was to acquaint students to the process of Preparing PPT of their Research findings and understanding the manner of presentation for conferences. The event was coordinated by the Deans. Criteria of evaluation were 'Scientific approach' in conducting and representing research. A total of 220 students and 21 faculty members and nonteaching staff attended the event. 47 presentations were made by TYBA/TYBSc students.</p> <p>The judges appreciated the initiative of the college to conduct this event. Appreciation for DBT Star College Scheme by Judges is summarized below:</p> <ol style="list-style-type: none"> 1) "At the graduate students' level, students are exposed to scientific approach which is appreciable" remarked Prof. G N Nayak, Goa University, who was invited as a judge for faculty of Life Sciences. 2) "The college is doing commendable work under DBT Star College Scheme in inculcating basic & applied research among BSc. Students. The works they have presented are of scientific values". - Dr. Arnab Banerjee 3) "Students responded well for this presentation activity based on their project work" - Dr. Satish Kelusakar. 4) "Presentation is a positive approach to contribute to the growth and development of the students. Students will definitely benefit by such activity" - Dr. Mithal Fal Desai, Judge for Physical & Earth Sciences.

- 5) "A very good initiative. Such competition for students should be continued as its timely and much needed to encourage students", commented by Dr. Travassos, Judge for Social Sciences.
- 6) "It was praise worthy and admirable to see TY students reach the level of M.Phil scholars making their pre-synopsis in 10 mins", Dr. Glenis Mendonca, Judge for Languages & Literature.

REPORT OF SESSION ON ARTIFICIAL INTELLIGENCE

Title:	Science Megafest – Artificial Intelligence
Date and year:	24 th February 2020
Venue:	1) Auditorium 2) AV Room
Organized by:	Interdisciplinary DBT activity organised by 1) Dr. Nandkumar Sawant 2) Dr. Nandini Vaz Fernandes
Resource person/s:	1) Mr. Gajanan Nial 2) Mr. Mahesh Matha Venue Coordinators: Mr. Andrew Barreto Mr. Abishek Gude
No. of Participants	164 students (Students of Arts and Science)
Objective:	The objective of the programme was to create awareness on Artificial Intelligence and understanding it in context of its integration in our lives now, and in future.
Summary of the proceedings	<p>Interdisciplinary event ‘Science Megafest’ was organized by the Chairman and Overall College Coordinator of DBT Star College Scheme, from 24th to 26th February 2020.</p> <p>This interdisciplinary three day fest was planned with specific objectives of promoting Science amongst the student community. Day 1: 24th February 2020 – Session on ‘Artificial Intelligence’</p>

This event was organized for all students of Parvatibai Chowgule College. The objective of the programme was to create awareness on Artificial Intelligence and understanding it in context of its integration in our lives now, and in future. The event started with introductory talk on 'Artificial Intelligence' by Mr. Mahesh Matha and Mr. Gajanan Nial. The event was hosted by Mr. Andrew Barreto and Mr. Abhishek Gudekar at the auditorium/AV room of CTL. The talk was followed by screening of movie depicting aspects of Artificial intelligence in entertainment/commercial sector, just to highlight that what seemed to be science fiction then, has become reality today and AI may play further greater role in future. The event was attended by 164 students and teachers

INTERDISCIPLINARY ACTIVITY – DBT STAR COLLEGE SCHEME

REPORT OF SESSION ON ARTIFICIAL INTELLIGENCE

Title:	Science Megafest – Artificial Intelligence
Date and year:	24 th February 2020
Venue:	1) Auditorium 2) AV Room
Organized by:	Interdisciplinary DBT activity organised by 1) Dr. Nandkumar Sawant 2) Dr. Nandini Vaz Fernandes
Resource person/s:	1) Mr. Gajanan Nial 2) Mr. Mahesh Matha Venue Coordinators: Mr. Andrew Barreto Mr. Abishek Gude
No. of Participants	164 students (Students of Arts and Science)
Objective:	The objective of the programme was to create awareness on Artificial Intelligence and understanding it in context of its integration in our lives now, and in future.
Summary of the proceedings	<p>Interdisciplinary event ‘Science Megafest’ was organized by the Chairman and Overall College Coordinator of DBT Star College Scheme, from 24th to 26th February 2020.</p> <p>This interdisciplinary three day fest was planned with specific objectives of promoting Science amongst the student community. Day 1: 24th February 2020 – Session on ‘Artificial Intelligence’</p>

This event was organized for all students of Parvatibai Chowgule College. The objective of the programme was to create awareness on Artificial Intelligence and understanding it in context of its integration in our lives now, and in future. The event started with introductory talk on 'Artificial Intelligence' by Mr. Mahesh Matha and Mr. Gajanan Nial. The event was hosted by Mr. Andrew Barreto and Mr. Abhishek Gudekar at the auditorium/AV room of CTL. The talk was followed by screening of movie depicting aspects of Artificial intelligence in entertainment/commercial sector, just to highlight that what seemed to be science fiction then, has become reality today and AI may play further greater role in future. The event was attended by 164 students and teachers

RESEARCH BASED PEDAGOGICAL TOOLS**

Title:	WORKSHOP ON RESEARCH BASED PEDAGOGICAL TOOLS
Date and year:	5 TH – 7 TH March 2020
Venue:	1) Auditorium 2) AV Room 3) CTL
Resource person/s:	Dr. Apurva Bharve Dr. Asim Auti Ms. Shanti Pise Ms. Prachi P.
Organised by	DBT Interdisciplinary activity by 1) Dr. Nandkumar Sawant 2) Dr. Nandini Vaz Fernandes
Committee members:	Shri. H S S Nadkarni, Lactina Gonsalves, Yatin Dessai, Andrew Barreto, Sachin Moraes, Sangeeta More, Anushka Fernandes, Prasanna Naik Gaonkar, Madhu Balekai, Padmini Panjekar, Suveena Tamse, Deepak Bhandari, Shekar Gaude, Avinash, Sanjay Swain, Vinod.
No. of Participants	61
Objective:	To train teachers to promote learners to think beyond the textbooks and do some research to understand the concept in more concrete way. It was focused on empowering teachers with Research based pedagogical tools to teach content / subject matter with a more scientific approach of teaching-learning.

Summary of the proceedings	<p>Workshop on 'Research Based Pedagogical Tools': Regional workshop was organized at Parvatibai Chowgule College from 5th to 7th March, 2020. The workshop was co-organised with the MHRD-supported Centre of Excellence in Science and Mathematics Education (COESME) of Indian Institute of Science and Education Research (IISER) Pune and Parvatibai Chowgule College under DBT Star College Scheme.</p> <p>The chief guest of the workshop was Prof. Venkatesh Kamat, Dean-Goa Business School of Goa University. The Resource persons were from COESME, IISER and conducted hands on training on research based pedagogical tool as effective teaching learning method, to 61 participants from various colleges in Goa, Maharashtra and Karnataka. The three day long programme trained teachers to develop Research based pedagogical tools (RBPTS) which can be used effectively in teaching- learning processes. It aimed at introducing research as a pedagogical tool to build an environment for the learner which promotes inquiry based learning. The Basic idea of this workshop was to train teachers to promote learners to think beyond the textbooks and do some research to understand the concept in more concrete way.</p>

REPORT

Title:	Workshop on 'Mapping & Course Outcome Attainments'		
Faculty:	Science	Arts	
Date:	20th November 2020	21 st November 2020	
Timing: From: -To:	03.00 - 04.30 p.m.	12.00 - 1.55 p.m.	
No. of Participants	27 (Faculty: 26 and Admin. Staff: 01)	32 (Faculty: 31 and Admin. Staff: 01)	Total participants: 58
Venue:	Lower Auditorium		
Resource person/s:	Dr. Shaila Ghanti, Dr. Nandini Vaz and Mr. Abhishek Gudekar		
Organizing Committee:	The College through The Deans (Faculty of Physical and Earth Sciences, Life Sciences, Social Sciences, Languages and Literature)		
Objective:	To focus on attaining the Course Outcomes by mapping the courses to the Programme Learning Outcomes (PLOs) and Course Learning Outcomes (CLOs).		
Summary of the proceedings	<p>The College through Deans organized this workshop for the Heads and teachers teaching courses in First years. The workshop was divided into two days for science faculty and Arts faculty due to the SOPs laid down by Government and college for maintaining social distancing for COVID -19. The workshop was divided into three sessions i.e. Introduction/purpose for Course Outcome Attainment, Mapping of Courses and assessments to PLOs and CLOs and mechanism for CO attainments that could be implemented for all the First year courses.</p> <p><u>Introduction or Purpose for CO Attainment:</u></p> <p>First Speaker: Dr. Shaila Ghanti explained the purpose of this workshop. She spoke on why we need to map and attain course outcomes to our courses. Why every faculty members has to map their questions to their COs. How every course will be having its norms of setting targets / benchmarking, to analysis what is suited to acquire the attainment for once course/s. How we need to lay parameters students individual achievements and the whole class as an achievement. She focused on its requirement or need of an hour and a brainstorming question to analysis and come up with individual suggestions and experiences in arriving at a standardized common mechanism in certain matters. She further mentioned it will not be a final structure as when we try out this process most of the teachers will realise where they might need to modify / improvise their teaching and / evaluation methodologies.</p> <p><u>Mapping of Courses and Assessment Modes to Course Outcomes:</u></p> <p>Second Speaker: Dr. Nandini Vaz Fernandes explained the importance of the LOCF document prepared by every dept. and to understand the meaning of preparing the same by knowing the guidelines laid down by UGC and how it is connected with mapping and attainment of courses, how it will serve as a guidelines for teacher for teaching their course/s. She explained the depth of the minutely structured mechanism of mapping the course/s with the PLOs and CLOs followed in by their department, which covers direct and indirect methodologies of mappings. An explanation on direct mapping refers to question and answer pattern given in terms of examinations (Continuous Assessments (CA) and Semester End Examination (SEE)) wherein indirect mapping refers to students participation / involvement in developing skills</p>		

through extracurricular i.e. departmental or college activities, sports, NSS, NCC etc. She asked the faculty members to re-look into the syllabus if connected to all PLOs and CLOs, analysis if the portion / courses are linked with PLOs and CLOs, by doing this the teachers may have to rethink on changing their way of teaching / evaluating the students based on their PLOs and CLOs.

Mechanism to attain Course Outcomes:

Third Speaker: Mr. Abhishek Gudekar explained and demonstrated the excel sheet mechanism prepared by him to acquire the CO Attainment wherein by entering the marks only in one sheet everything else is taken care automatically including arriving at the levels in other excel sheets. He showed the mechanism wherein how all the COs are mapped to the questions in the question paper/s. E.g. CA1 in Computer Science question paper: question no. 1 covers CO1 similarly question no. 2 cover CO2 and 3 and so on. Further he also mentioned passing marks and threshold laid may not be the same. This mechanism developed is presently only for direct modes of assessments i.e. examination pattern of curriculum.

Discussion / the interactive Session of the participating teachers:

Teachers discussed on matters that came to their minds like

1. Why we should start this process of CO attainment when UGC has still not come-up on it and once they come up with their mechanism we will have to re-do everything again in that method.

UGC has come-up now in adopting POs and COs whereas we have already started much in advance which has made our work easier similarly we coming up on a strategy on our own will make our mechanism in attaining course outcomes which will ease up for us only. And UGC may adopt our mechanism if found suitable. Presently there is no defined mechanism for disciplines like us.

2. Engineering Colleges can come up with a defined mechanism but how can such a mechanism be suitable to disciplines like ours and specially the Arts section?

We have to come up with a mechanism that will suit our disciplines but to arrive at such a mechanism we need to start with some mechanism where we will also improvise and come up with a proper mechanism that will suit our type of discipline / colleges.

3. Can we as a college go step by step slowly in doing this process in such a scenario when NAAC preparation is also there and the phase of pandemics which has laid to online teaching?

Yes we as college have already started this process for the last two year in steps, now is the time we take next step mapping and on a trial basis apply only to FY courses.

4. Can we come up with a mechanism which is simpler?

Yes we can, but for this all have to contribute their inputs in arriving at this mechanism and provide their strategy in a transparent and clarity manner, where there is no doubt.

5. Whether the Course attainment will be reflecting in the marks sheets of the students?

Presently No, as it has to be worked for three years and then we also have to come-up with a standardized pattern/structure to implement the same in the mark sheets of the student.

6. How are we going to improve / analysis students are going to attain these skills only after completion of their third year?

We need to work on a certain pattern / structure to arrive at a conclusion whether this structure/strategy/pattern will be useful for our disciplines in acquiring Course attainments. One can give their input / feedbacks to the students at their

levels in the mean while so they can improve or achieve skills.

Suggestion: To keep a hand on workshop wherein the faculty members come with their laptops, CA1 question papers and marks scored by their students and enter the same during the workshop with proper guidance.

Logistics support was provided by Ms. Bhavana M. Sawardekar. Photography was done by Tiger Studio.

Revised Email- Workshop on LOCF

Inbox

Dr.Nandakumar Sawant <principal@chowgules.ac.in> Thu, Jul 23, 2020,
1:42 PM

to HOD, Nandini, DEBASISH, Shaila, Nandakumar

To,
Heads of All Departments

Kindly ignore the earlier email.

A Workshop on LOCF will be conducted on 24.07.2020 from 2.30 pm to 4.00 pm for all the departments. From 2.30 pm to 3.00 pm there will be a session on google meet and thereafter hands on preparation of the document, faculty wise from 3.00 pm to 4.00 pm at the venues mentioned below

The link for the google meet is <https://meet.google.com/ger-xbvz-ijs> and for hands on the location are as follows:

- 1.Life Sciences-Zoology Lab.
- 2.Natural Sciences-Physics Lab.
- 3.Languages-Photogrammetry Lab
4. Social Sciences-Biotechnology Lab.

You are requested to prepare the listed document as per the order given below and bring along for the workshop:

Flow of information for preparation of LOBE document is as follows:

- 1.Introduction (about the Programme)- a paragraph 4-5 lines.
- 2.Objective/ Aim of BA/BSc Programme- (Mission statement of the department).
- 3.Overview of Department- about faculty, infrastructure, activities, progression highlights.
- 4.Graduate Attributes: what your students will acquire.
- 5.Qualification descriptors: course objectives.
- 6.Programme Learning Outcome (PLOs)
- 7.Course Structure: Template
- 8.Course Description: Brief description of each course.
- 9.Course Learning Objectives (CLOs):

10. Teaching-Learning-Evaluation Pedagogies: list all methods used in the department.
11. Activities of the Department.
12. Course Syllabus.
13. Learning Outcome Matrix : Templates attached in the guideline document.

Attached herewith is the guideline document for your reference. Also, refer the LOCF document of your programme on the UGC website.

You can bring any DFC member or even a secretary for your assistance.

Please bring along your own laptop.

Prof. Nandakumar Sawant
Principal

Workshop on LOCF

Dr. Nandakumar Sawant <principal@chowgules.ac.in>

Thu, Jul 23, 2020,

to HOD, Nandini, DEBASISH, Shaila, Nandakumar

To,
Heads of All Departments

A workshop on LOCF will be conducted on 24.07.2020 at 2.30 pm faculty wise. The Venue will be intimated by the respective Deans accordingly.

You are required to prepare the following material and come for the workshop.

Flow of information for preparation of LOBE document is as follows:

1. Introduction (about the Programme)- a paragraph 4-5 lines.
2. Objective/Aim of BA/BSc Programme- (Mission statement of the department).
3. Overview of Department- about faculty, infrastructure, activities, progression highlights.
4. Graduate Attributes: what your students will acquire.
5. Qualification descriptors: course objectives.
6. Programme Learning Outcome (PLOs)
7. Course Structure: Template
8. Course Description: Brief description of each course.
9. Course Learning Objectives (CLOs):
10. Teaching-Learning-Evaluation Pedagogies: list all methods used in the department.

11. Activities of the Department.
12. Course Syllabus.
13. Learning Outcome Matrix : CLO/PLO only for first year.

Attached herewith is the document for your reference (model copy).Also, UGC website for your discipline specific LOCF.

Note:Two more documents will be sent to you in a short while.

REPORT

Title:	Workshop on 'Finalizing Course Outcome Attainments to be implemented for all courses'		
Date and Timing:	31 st October 2020	From: 12.00 p.m.	To: 1.55 p.m.
Venue:	Lower Auditorium		
Resource person/s:	Dr. Shaila Ghanti, Mr. Abhishek Gudekar, Rupali Tamuly and Sobita Kirtani		
Organizing Committee:	The College and The Deans (Faculty of Physical and Earth Sciences, Life Sciences, Social Sciences, Languages and Literature)		
No. of Participants	27 (Faculty: 26 and Support Staff: 01)		
Objective:	To focus on attaining the Course Outcomes by taking inputs from the faculty and formulating a strategy to do the mapping of courses.		
Summary of the proceedings	<p>The College through Deans organized this workshop in order to finalize the CO attainments that could be implemented for all the courses.</p> <p>First Speaker: Dr. Shaila Ghanti gave a warm welcome and explained the purpose of this workshop. She further did a small presentation as how as a teacher we carry out our work in form of small activities i.e. Pre-planning of a class lecture etc.</p> <p>Second Speaker: Mr. Abhishek Gudekar explained the strategy and the methodologies used by him in mapping the courses to their Course Outcomes in a very systematic and structured way. He also explained the benefits and the observation of improving his course evaluation to acquire the course outcomes.</p> <p>Third Speakers: Ms. Rupali Tamuly explained how the teaching learning of the courses were conducted to acquire course outcomes.</p> <p>Fourth Speaker: Ms. Sobita Kirtani also spoke on the similar lines about the teaching learning methodologies.</p> <p>All the above sessions with the speakers were very healthy interactive sessions where in most of the faculty members kept forth their difficulties while attaining COs and held up with the mapping of the course with their COs.</p> <p>All the faculty members suggested that all teachers teaching in First years should compulsorily map their courses to the COs whereas all other teachers should compulsorily work on atleast one course of one year to map their course to the COs.</p> <p>Comparing was done by Dr. Sachin Moraes. Logistics support was provided by Ms. Bhavana M. Sawardekar. Photography was done by Presly Fernandes, Tiger Studio.</p>

P. , Dr. Rupali Tamuli, Mr. Rovon Vaz, Ms. Sailee Gaunkar, Ms. Alka Gawas, Ms. Aiswarya Babu, Dr. Sachin Moraes, Dr. Sobita Kirtani, Ms. Hashma Mujawar, Ms. Divyarani Revankar, Ms. Amisha Shirodkar, Ms. Bhavya Bhat, Ms. Meghna Devli, Ms. Jenny Silveira, Ms. Anushka Fernandes, Ms. Mashvi Motankar, Mr. Gajanan Nial, Ms. Mayuri Naik, Ms. Aduja Naik, Dr. Sameena Faleiro, Ms. Sarah Mesquita, Ms. Valanka Dias, Dr. Sonia Fernandes, Ms. Sarita Naik Tari, Mr. Ramu Pagi, Mr. Kashinath Dhumaskar, Ms. Diksha Khorjuvenkar, Mr.

Anand Masur, Ms. Ashweta Fondekar, Mr. Ashwini Ashish, Mr. Castor Godinho, Dr. Starlaine Mascarenhas, Ms. Lactina Gonsalves, Ms. Roopa Belurkar, Ms. Sangeeta Sankhalkar, Ms. Sangeeta Subhash, Ms. Shefali Ainkar, Ms. Supriya Khorjuvenkar

Summary of the Feedback

Two feedback forms were shared and the summary of both are shared below.

As taken on 12.08.2020 (4 respondents): Considering the subject matter covered in these sessions, 50% said subject matter was somewhat relevant, 25% said that it was very relevant, 25% said the subject matter was extremely relevant. In relation to overall rating of the speakers, 50% rated the speakers as very good and 50% rated the speakers as excellent. Most staff members attended most sessions and enjoyed most sessions. The most enjoyable sessions were, laughter sessions and ones with music. In response to what was most helpful/useful, the respondents said that they found that the breathing exercises, the various topics discussed, tips to keep mind refreshed, relief of stress. All this led to good, peaceful and relaxed beginning of the day and, helped to work better. The respondents suggested that they experienced changes such as, they became calmer and composed, more aware of themselves.

As taken on 27.07.2020 (21 respondents): Considering the subject matter covered in these sessions, 52.4% said that subject matter was very relevant, 28.6% said extremely relevant, 14.3% said somewhat relevant, and 4.8% said that the subject matter was not so relevant. In relation to overall rating of the speakers, 71.4% said the speakers were excellent, 28.6% said that they were very good. In response to what was most helpful/useful, the respondents said that they found the overall meditation sessions, breathing exercises (pranayama), the session on attitude, thereflection on various aspects, all the sessions with music, sessions on laughter very useful and helpful. All the respondents suggested that these kind of sessions should be held more often and regularly.

REPORT

**INTERACTIVE SESSIONS
ON
"RESEARCH METHODOLOGIES AND ITS IMPLICATIONS"**

Internal Quality Assurance Cell had organized two Interactive sessions on **"Research Methodologies and its Implications"** on 20th January 2016 in Block 'G' room no 204 i.e. for

1. M.A. Students (Economics & Geography) at 10.30 a.m. and
2. Social Science faculties at 02.30 p.m.

The resource person was Dr. Anurag Priyadarshree, Ph.D., University of Manchester.

Dr. E.M. Travassos gave brief introduction of Dr. Anurag Priyadarshree at both the sessions.

Dr. Anurag Priyadarshree highlighted some of the issues that are rarely taken up in discussions pertaining to research methodology. He touched upon issues like ontology, epistemology, critical realism, structure v/s agency, mode of inferences, research design, quantitative v/s qualitative focus etc. He insisted that social sciences should emphasize more on qualitative research and quantitative research may be a supportive factor.

It was a very healthy, interdisciplinary, interactive session involving the participation of faculties of science and social science. The resource person compared the framework of exact and non exact sciences.

Ms. Martina Liza Aguiar proposed the vote-of-thanks at the first session (for M.A. students) and Mr. Sachin S. Moraes at the second session (for faculty).

The first session ended at 12.40 p.m. and the second session ended at 04.55 p.m.

Total Count of attendees for the session was 58 (i.e. Faculty -18, Staff – 01 and Students – 39)

The overall activity was initiated, co-ordinated and organized by Dr. Nandkumar N. Sawant, Dr. E. M. Travassos and Ms. Bhavana M. Sawardekar on behalf of IQAC Cell.

Report prepared by Ms. Bhavana M. Sawardekar

REPORT OF THE IQAC WORKSHOP – OCTOBER 2016

IQAC TWO DAY WORKSHOP	Date: 13 th and 14 th October 2016 Time: 09:30 a.m- 4:30 p.m. (Day 1) & 09:30 a.m - 01:30 p.m. (Day 2) Venue: Conference Room, Parvatibai Chowgule College of Arts and Science (Autonomous), Margao - Goa
Conducted at: Parvatibai Chowgule College of Arts and Science (Autonomous), Margao - Goa	
Co-ordinator of the Workshop: Dr. Sameena Falleiro , Associate Professor, Department of Computer Science, Parvatibai Chowgule College of Arts and Science (Autonomous), Margao – Goa.	
Resource Person: Ms. Ritu Uppal , Head of Centre of Educational Technology at Mumbai Educational Trust (MET), Mumbai, India. (Visiting faculty at S.N.D.T. Women's University for masters in Educational Technology Course.)	
<u>DAY 1- Introduction to MOOCs</u>	
Attendees/Participants: Faculty Members from Parvatibai Chowgule College of Arts and Science (Autonomous), Margao, Goa and Faculty from other colleges.	
Total Number of Participants: 18 Chowgule College (14) Other Colleges (4) [1- MES College, Zuarinagar; 2- Govt. College, Sanquelim, 1-Govt. College, Quepem]	
Report of the Workshop – The title for the workshop was ' All about MOOC's: Design, Development and Delivery '. The details of the workshop are presented in this report below:	
09:40 a.m.	Dr. Sameena Falleiro ,co-ordinator of the workshop extended a warm welcome to the guest and participants and gave a brief insight to the workshop. She then invited The Principal Dr. N. Sawant to welcome the gathering.
09:45 a.m.	The Principal, Dr. N. Sawant addressed the gathering and gave his views about the importance of adapting to new methods and trends in Higher Education. He also stressed on the fact that it is important for teachers to learn new methods in order to stay in sync with the fast developing technology. He said that the teacher community should collectively be able to use such methods to improve the current trends in the whole teaching learning process. Dr. N. Sawant spoke about the aim of the workshop and welcomed the gathering as

	well as the resource person, Ms. Ritu Uppal .
09:50 a.m.	<p>Dr. Sameena Falleiro invited Mrs. Vanessa Barros Colaço, Assistant. Professor, Department of History, Parvatibai Chowgule College of Arts and Science (Autonomous), Margao – Goa to welcome Ms. Ritu Uppal with flowers.</p> <p>Dr. Sameena Falleiro then gave a detailed introduction of Ms. Ritu Uppal to the gathering.</p> <p>The formal introduction session ended and the workshop began.</p>
10:00 to 10:20 a.m	<p>Ms. Ritu Uppal spoke about her mission to serve society through her passion for teaching. She shared her experiences and spoke about herself. To get into the spirit of the workshop, she suggested we have a fun filled ice breaking session.</p> <p>The ice breaking helped the participants to get to know each other well and lighten up the session while also getting everyone involved in the workshop.</p>
10:20 to 11:20 a.m	<p>Ms. Ritu Uppal began the workshop by her session on MOOCs – Massive Open Online Courses.</p> <p>She organized various activities with the aim of motivating the participants to learn in an innovative manner.</p> <p><u>Activity 1:</u> group activity on “<i>Learning the various types of MOOCs & implementation of selected types in our respective college/subject</i>”.</p> <ul style="list-style-type: none"> ✚ Participants were divided into groups of three. ✚ Each group was given a common handout. ✚ Participants researched & discussed on the types of MOOCs. ✚ Each group presented their reasons for selecting the type of MOOC that they could apply to their subject/college.
11:20 to 11:30 a.m	Tea break– Day 1
11:30 to 01:30 p.m	<p><u>Activity 2:</u> group activity on “<i>Platforms that provide online courses/MOOCs</i>”</p> <ul style="list-style-type: none"> ✚ The groups were given websites to research on. ✚ Websites namely www.edx.org/www.coursera.org & www.open2study.com were cited by Ms. Ritu Uppal. ✚ Each group thoroughly investigated the sites and studied the courses. ✚ Each group stated which website they would choose to register for a course while also stating reasons for the same. <p>Each group came up with innovative points that led to a constructive discussion on MOOCs</p> <p>Ms.Ritu Uppal then went on to explain the concept of mind maps and concept maps and how they help in enhanced learning.</p> <p><u>Activity 3:</u> group activity “<i>To research on MOOCs pertaining to Arts, Science or Engineering and to list as many courses found in a particular area of interest</i>”.</p> <ul style="list-style-type: none"> ✚ Given the web address www.class-central.com the groups were expected to perform the given task.

	<ul style="list-style-type: none"> ✎ Groups efficiently came up with exhaustive lists of courses in topics such as architecture, geography, literature, experimental as well as skill based courses. ✎ Discussion on this session enlightened the participants while making everyone aware of the abundance of courses available online.
01:30 p.m	Break for lunch – Day 1
02:15 p.m 04:00 p.m	<p>After lunch the second half of the session of Day 1 began. The groups were reshuffled for perform the next set of activities.</p> <p><u>Activity 4: “Exploring the world of MOOCs”</u></p> <ul style="list-style-type: none"> ✎ The groups got into details of the different MOOCs offered by different Universities. ✎ Details such as University offering a particular MOOC, if paid/unpaid, the platform/LMS (learning management systems) offering the MOOC, steps for registration, introduction to course, objectives, file formats, content, activities, assessments etc. were thoroughly investigated. ✎ At the end of the activity each group shared the information and presented their views on the same. <p>This led to a lot of information on development of a MOOCs while also enabling everyone to understand the basic concept of creating MOOCs.</p>
04:00 to 04:30p.m	<p>Summary of the sessions of Day 1</p> <p>Ms. Ritu Uppal suggested that the summary could be done through mind maps.</p> <p>Participants very beautifully summarized what they understood during the sessions of Day 1 using mind maps.</p> <p><u>Outcome of session of Day 1:</u> to introduce the concept and importance of MOOCs, to understand the various types of MOOCs and their applicability, to introduce the various types of platforms that provide MOOCs.</p>
	<u>DAY 2– Preparation of a MOOC</u>
09:30 to 11:20 a.m	<p>Recalling points from the sessions of Day 1</p> <p>Ms. Ritu Uppal began with explaining “<i>How to create a MOOC</i>”.</p> <p>She highlighted points such as the levels in creating a MOOC.</p> <p>The guidelines given were as listed below:</p> <ul style="list-style-type: none"> ✎ <i>Pre-registration level</i> – mainly includes information such as address, introduction, welcome note, content, format, time frame, university, whether paid/unpaid, honor code. ✎ <i>Registration level</i> – mainly concerns construction of the registration form. ✎ <i>Post registration level</i> – includes the topic of the MOOC, objectives of the course, course outline, course content (videos, pdf, url etc.), collaborative activities and assessments. <p>Given the above information each participant was allotted time to start on the task of creating a MOOC.</p>

	<p>Each participant chose a topic and listed the topic chosen.</p> <p>Each one then began to prepare the content for the chosen topic.</p> <p>Given this activity, it was important to understand the level and quality that needed to be delivered to the public in form of the MOOC.</p> <p>After the content for the course was created, participants began on construction of collaborative activities this was followed by a detailed discussion of the different types of collaborative activities that could be asked for a MOOC. Participants came up with very innovative ways of initiating discussions / activities.</p>
11:20 to 11:30 a.m	Tea break – Day 2
11:30 a.m to 01:15 p.m	<p>The session resumed with learning how to upload videos and files on www.youtube.com(assuming this was the platform to float a MOOC)</p> <p>This was followed by a session on “<i>How to use Moodle</i>” under which topics such as uploading pdf files, creating assignments, forums etc were discussed. Dr. Sameena Falleiro, practically demonstrated how the various activities available in Moodle can be effectively integrated into the MOOCs and how Moodle can be a good platform to run MOOCs. This enabled everyone to understand the basics of the Moodle, which is the main platform for launching a MOOC. All participants put forth their queries and had a discussion on ‘The usage of Moodle’.</p> <p>Any other query was addressed during this session by Ms Ritu Uppal and Dr. Sameena Falleiro.</p> <p>The final session of the workshop ended with summary of Day 2 and filling of the feedback forms that were provided to each participant.</p> <p><u>Outcome of session of Day 2:</u> to understand how to prepare a MOOC and the ground work involved in construction of a MOOC.</p>
01:15 to 01:30 p.m	<p>The Principal, Dr. N. Sawant and The Vice Principal, Mr. H. S. S. Nadkarni were invited for the valedictory session.</p> <p>The participants were asked to provide feedback about the two day workshop.</p> <p>Feedback on the workshop was provided by:</p> <p>☞ Mrs. Vanessa Barros Colaço, Assistant. Professor, Department of History, Parvatibai Chowgule College of Arts and Science (Autonomous), Margao, Goa</p> <p>☞ Ms. Asmita Naik Gaonkar, Assistant Professor, Department of Chemistry, Government College of Arts, Science & Commerce, Sanquelim, Goa</p> <p>They gave their valuable feedback on the workshop and heartily thanked Ms. Ritu Uppal, the resource person of the workshop for being a good facilitator at the workshop.</p> <p>Principal expressed his gratitude towards Ms. Ritu Uppal for her time and effort in conducting the two day workshop and said that this would surely bring out a positive change in our respective colleges / workplaces very soon.</p>

	<p>Vice Principal, ShriH. Nadkarni delivered the vote of thanks and he acknowledged all those who helped to make this workshop a success.</p> <p>Dr. Sameena Falleiro concluded the session and thanked the resource person, Ms. RituUppal and the participants for the success of the workshop.</p> <p>This was followed by a lovely group photograph with The Principal, Vice Principal, Workshop Co-ordinator, Resource person and all the participants of the workshop.</p>

PARVATIBAI CHOWGULE COLLEGE OF ARTS AND SCIENCE (AUTONOMOUS)

POSITIVE CHOWGULES

2016-17

Positive Chowgules is a recent initiative to bring together all the departments of the college with the sole intention of sharing what they consider their best practises of the year. This is organized at the end of every semester. Departments present and share their best practices in terms of academics, evaluations, teaching methodologies, extra-curricular activities, and motivational strategies. This encourages collaborations between departments once they identify areas they need to work on.

Some of the stand-out practices followed by the departments are:

- Evolved teaching methodologies which involve blended learning, student-centred learning, cooperative learning strategies, flipped classroom methods, experiential Learning
- Evolved assessments - interactive quizzes, use of Audio and Audio-visual submissions, posters, role-play, plays, debates, discussions, term-papers, project based assessments etc
- Encouraging students to try their hand at research through the conduct of Seminars, Conferences and workshops, as well as sending students out to present at various Seminars, Workshops and Conferences.
- National level seminars, conferences and workshops organized which tie -in with syllabus content to give students insights into current thoughts and research in their areas of study
- Extra-curricular events, tie-ups, based on the students' major-minor programme choices for better grounding in their subject areas.
- Consultancy services as a means of teaching, training and study - Many departments are offering consultancy services as a means of training their students.
- Internships within departments - along with consultancy services another area of training is the internship credits. A few departments have taken interns within the departments especially those interested in the teaching field.
- Extensive of ICT within classroom from using cell-phones/laptops to complement classroom teaching to the recording of practical demonstrations to assignment submissions as well as SEE assessments through Learning Management Softwares - Google Classroom/Moodle (CLAAP)

Report

POSITIVE CHOWGULES

(An initiative to share best practice/ innovation of the department.)

Date: 27th April 2017

Time: 09.30 a.m. to 02.00 p.m.

DEPARTMENT	TOPICS ON BEST PRACTICES
1. Computer Science	1. FOSS Club – Consultancy Services 2. Online Certification Courses
2. Biotechnology	1. Extension Activity 2. Laboratory skills
3. Botany	Basic foundations amongst students for skill development in the field of plant sciences
4. Chemistry	To develop scientific attitudes and values in students
5. Economics	Portfolio Assessment Method(8 Stages): TY projects
6. Marathi	1. Goan Marathi Literature Study and Research Centre 2. Employment Based Certificate Courses.
7. English	1. Teaching Learning 2. Educational Tours
8. French	
9. Geography	1. Internship 2. Placement 3. Extension Services 4. Student Research paper presentation 5. Student and Faculty Exchange Programme 6. Research Consultancy and Extension Activities
10. Hindi	1. Creative Writing 2. PG course in Hindi
11. Mathematics	1. Students are asked to purchase books 2. Arrange lectures at BITS and Goa University 3. Guide for answering National Level exams
12. Physics	1. Innovations and best practices in teaching – learning. 2. Educational Outreach Programme
13. Psychology	1. Social Responsibility 2. Enhancing Skills among faculty
14. Sports	1. Club System 2. Sustainability
15. Writing Center	1. Academic Writing
16. Zoology	1. Classroom Teaching 2. Lab Practicals

REPORT

<p align="center">IQAC SEMINAR ON</p> <p align="center">‘STRATEGIES FOR CHANGE IN THE NEW TEACHING – LEARNING ENVIRONMENT’</p>	<p>Date: 7th April 2016</p> <p>Time: 09:30 a.m To: 01:00 p.m.</p> <p>Venue: Lower Auditorium</p>
<p>Conducted by: Parvatibai Chowgule College of Arts and Science (Autonomous), Margao - Goa</p>	
<p>Co-ordinator of the Seminar: Dr. Sameena Falleiro</p>	
<p>Resource persons:</p> <ol style="list-style-type: none"> Dr. (Fr.) Roy Pereira, S.J, Director Neuroscience research laboratory, Department of Chemistry and neuroscience, St. Xavier's College, Mumbai – India. Mr. Marazban Kotwal, Department of Chemistry, St. Xavier's College, Mumbai - India 	
<p>Attendees: 61 Teachers of Parvatibai Chowgule College of Arts and Science (Autonomous), Margao – Goa and Faculty from other colleges</p>	
<p>Report of the seminar –</p> <p>The title for the seminar was ‘Strategies For Change In The New Teaching – Learning Environment’. The seminar was conducted in 2 sessions the first session was delivered by Dr. (Fr.) Roy Pereira and the second session was delivered by Mr. Marazban Kotwal. The details of both the sessions are presented in this report.</p>	
<p>09:45 a.m.</p>	<p>Dr. Sameena Falleiro extended a warm welcome to the gathering and gave a brief insight to the seminar.</p>
<p>09:50 a.m.</p>	<p>The Principal, Dr. N. Sawant formally addressed the gathering and gave his views about the importance of new teaching learning methods. He also stressed on the fact that it is important for teachers to learn new methods in order to stay in sync with the changing generation of students. He said that the teacher community should collectively be able to use such methods to improve the current trends in the whole teaching learning process.</p>
<p>09:55 a.m.</p>	<p>Dr. Nandini Vaz Fernandes introduced both the resource persons for the seminar.</p>
<p>10:00 to 11:30 a.m.</p>	<p>The first session was delivered by Dr. (Fr.) Roy Pereira</p> <p>Topic for the session : Edu‘care’tion – All round development of teacher and student</p>

	<p>Details of the session covered points as follows:</p> <ul style="list-style-type: none"> — The session began with a refreshing meditation for a whole 5 minutes. — The importance on adapting to the changing paradigm was discussed — Facts about the nervous system and the connection of brain and advancements in neuroscience were very informatively delivered to the audience. — Advancements in neurosciences from the 90's were presented. — What is meant by neuroscience? — Concept of brain plasticity — Activity: focus on remembering – color exercise was done, the moral of the exercise was that you remember what you focus on or what you tell your brain to remember. Basically the mechanism of attention helps to focus on what you really need to focus on. — Realization of the fact that repeated activity causes changes in the brain. This is mainly achieved by increase in neuronal connections. Non- activity or constant thinking also causes changes in the brain. Therefore thinking can help bring a change. Thinking about what you want and feeding the same into your brain can bring about the change. — Not only chemicals but behavioral patterns also influence changes in the brain. Example: addictive internet usage can restructure the brain. — Using the left hand can influence the right hand side of the brain and vice versa. Hence using both hands to perform tasks increases neuronal activity and is good for the brain and overall health of a person because it keeps the brain active and healthy. — Benefits of meditation were explained and different brain wave frequencies namely the beta, alpha, theta and delta were spoken of. — Importance of visualizing what you want and giving reminders to the brain about what you want is important in order to mind map your vision. — Need to stay positive – being positive all the time and thinking about the positives rather than negatives can make the impossible – possible and the unable – able. It is important to always see the positives that you will achieve and focus on it. To keep telling yourself you will get the positive will help achieve the positive. — New things learned should be applied in your day to day life. It is not sufficient to only read about new things without applying it to wherever possible. — Appealing to a higher power always helps. Align what you want with the higher power and believe that you have achieved what you want to achieve, this helps you to attain your goals. — Activity: meditating upon the changes you want to bring in your life. Focusing on one important thing that needs to change in your life. As the audience contemplated upon the thought Fr. sang a meaningful song.
11:30 to 11:45 a.m	Tea Break
11:45 to 01: 30 p.m	The second session was delivered by Mr. Marazban Kotwal

Topic for the session : Educational tools used today with emphasis on **Flip education and POGIL**

Details of the session covered points as follows:

- Explained the concept of education and the traditional concept of ‘sage on stage’. In this concept the teacher is a knowledge filled person full of content knowledge and serves to disseminate information to student. Here it is more teacher centric and only results in passive learning and generating empty thinkers. There is now focus on the shift in paradigm.
- Need to shift to newer methods such as ‘guide on the side’. This will focus on developing good communicators, critical thinkers and effective oral written and various other skills
- What is effective teaching? – The concept, importance and outcomes of effective teaching were explained in detail.
- The importance of using innovative teaching approaches explained.
- Developing new culture of teachers to newer methods of learning should be done.
- Concept of ACTIVE LEARNING explained in detail. This covered points such as problem based learning, learning by doing, enquiry based learning and cooperative learning etc.
- Newer methods of teaching increases knowledge retention – mainly achieved by adopting active learning methods.
- Student involvement – key to active learning. This makes the student to involve themselves in reading, writing, discussions, problem solving, critical thinking and analyses. More the level of involvement is increased, more is their learning process.
- Flip classroom concept – detailed explanation of concept, approach, importance, mechanics, tools and applications for flip classroom was delivered.
- Using POGIL – Process Oriented Guided Inquiry Learning to enhance teaching learning process.
- Main advantages of POGIL – group learning strategies can be used to empower learners to grow in the course as individuals, provides deeper, more efficient and quicker learning, develops critical thinking and skills for problem solving, enhanced team cooperativity and also enhances creative abilities. Also enables students to acquire skills required at a workplace.
- Implementation and feasibility of using POGIL.
- Concept of POGIL in detail.
- Inquiry learning as a part of POGIL and method of teaching.
- 2 Video’s to understand the concept on inquiry based learning process.
- Learning cycle activity as a part of POGIL and its implementation.
- Understanding student teacher roles in a POGIL classroom.
- Facilitation of POGIL -- questions addressed and the different levels of POGIL.
- Concluding points on POGIL
- Understanding various information processing models and advice to use innovative methods for efficient teaching learning process.

	<ul style="list-style-type: none"> – Using google apps in teaching – importance and the available apps – App. 1 – ‘google classroom’ – easier to use and can be stored in google drive; methods to create and use your own classroom; provides means and methods to exchange information, notes etc. – App. 2 – ‘google forms’ – creating forms and surveys and sharing the same to get the required information; part of google drive; information delivered electronically; immediate analysis is possible by additionally installing an add-on called ‘flubaroo’. Many advantages – quicker, faster, saves time and anonymous results for surveys ensures relevance of the results obtained.
01:30 p.m	Dr. Sameena Falleiro concluded the sessions and thanked the resource persons and the attendees for making the seminar a success. This was followed by a group photograph with the resource persons and the attendees of the seminar.

REPORT OF SOCIAL SCIENCE STUDENTS' INTERDISCIPLINARY SEMINAR ON THE TOPIC

“CHANGES IN GOA OVER THE LAST 20 YEARS – A SOCIAL SCIENCE PERSPECTIVE”

Faculty of Social Sciences organized an Interdisciplinary Seminar on the topic **“Changes in Goa over the Last 20 Years – A Social Science Perspective”** involving students of social sciences (undergraduate and postgraduate departments) from our college and other colleges in Goa on Tuesday, 30th August 2016 at 10.00 a.m. in the Upper Auditorium.

The other three colleges that participated were:

1. M.E.S. College of Arts and Commerce, Zuarinagar.
2. Government College of Arts, Science and Commerce, Quepem.
3. Government College of Arts, Science and Commerce, Sanquelim.

Dr. E.M.Travassos, Dean, Faculty of Social Sciences welcomed all the social sciences faculty, staff and students along with the three judges – I. Dr. Debashish Majumdar II. Dr. Sachin S. Moraes III. Ms. Vanessa Colaco for the 3rd Interdisciplinary Students Seminar on the topic “Changes in Goa over the Last 20 Years – A Social Science Perspective” organized by the entire Social Sciences department. The comparer Ms. Farheen Sha introduced all the three judges and mentioned the criteria's on the basis that the students will be given points for their paper presentation along with the strict instructions to abide by the timings for each group.

The following were the rules:

1. Participating students should be from social science subjects i.e. Economics, Geography, History, Philosophy, Psychology, Sociology and Political Science.
2. College other than Chowgule College can submit upto two entry papers and upto four students.
3. Maximum two students in a group.
4. Each group or an individual participant will get total 10 minutes i.e. 6 minutes - paper presentation and 4 minutes - Question and Answering session.
 - A single warning bell will be given 2 minutes prior to each session (i.e. 4th minute and the 8th minute – a single bell) and a double ring once the time is out (i.e. at the 10th minute).

The following were the criteria on which the judging was done:

- i. Structure (introduction, findings, discussion & conclusion) of the presentation.
- ii. Academic rigour (extent of analysis) of the topic.

- iii. Delivery and communication style of the presentation and coordination between presenters.
- iv. Manner of participation in Question and Answer session.
- v. Overall impression about the audience's response to the presentation.

The following students of the social science departments of our and other colleges participated in the paper presentation:

Grp	Name of the Students	Title of the Paper Presentation	Year	Department	College name
1.	Shruti Naik	Changes In Goa Over The Last 20 Years – A Social Science Perspective	T.Y.B.A	Political Science & Economics	Government College of Arts, Science & Commerce, Sanquelim
	Sonali Naik				
2.	Hitesh Dessai	Changes In Goa Over The Last 20 Years – A Social Science Perspective	T.Y.B.A.	Geography	Sanquelim
	Manisha Gawas			History	
3.	Roma Prabhudessai	Influence of stress and peer pressure on substance abuse in adolescents	S.Y.B.A	Psychology	Parvatibai Chowgule College of Arts and Science, Margao
	Jumana Khan				
4.	Mariah Dias	Violent Music influences aggressive thoughts and distorts sleep in adolescents and adults.			
5.	Chanmeet Chadha	Changes in Infrastructure in Goa – Economic Analysis	S.Y.B.A	Economics -UG	P.C.C, Margao
	Furtado Charles Elton Da Gloria				
6.	Kanekar Vaibhavi Anand	Changes in Goa & Industrial Sector.			
7.	Shreya Jain	Goa, Fish and Beyond: Trends in Employment	T.Y.B.A		
8.	Lizzie Braganza	Trends in Education in Goa: A Micro Level Study of Varca.			
9.	Do Rosario Eleanor Melanie	Changes in Goa – A Socio – Economic Perspective	M.A. Part-I	Economics - PG	P.C.C, Margao
	Mendonsa Farah Felizinha				
10.	Achielia Fernandes	Environmental Movements in Goa: A Historical Review	T.Y.B.A.	History	P.C.C, Margao
	Sylvester Fernandes				
11.	Jeanette Barbosa Noronha	The night life in Goa: The rippling effect of one major change	S.Y.B.A	Sociology	P.C.C, Margao
12.	Benita Fernandes	Goa in last two decades-Lost, Found and Revived.	F.Y.B.A.	Economics & Political science	Govt. College, Quepem– coordinator: K. Sangeeta Contact-9960020817
	Gaunkar Durvesh Ramesh				
13.	Devan Parab	Immigration in Goa-A treat or A threat.	T.Y.B.A	Economics & Political science	
	Narcinha Shet Verenkar		S.Y.B.A		
	Devan Parab				

14.	Divya Garg Gayathri Vishwas	Changes in the education of goa in last 20 years: A Social Perspective	S.Y.B.A	Political science	M.E.S. Zuarinagar	College
-----	--------------------------------	---	---------	-------------------	----------------------	---------

The results were immediately declared by the judges. The three winners in an order are as follows:

	<u>Winner Names</u>	<u>Points scored</u>	<u>Timings taken</u>
I.	Jeanette Barbosa Noronha, S.Y.B.A, Sociology	- 91 points	07.56 mins
II.	Braganza Lizze, T.Y.B.A., Economics	- 90 points	11.59 mins
III.	Shreya Jain, T.Y.B.A., Economics	- 86 points	07.39 mins

Finally a vote of thanks was delivered by Mr. Shama Keny to the organizers which included the Dean, his support staff, faculties of the social sciences for training their students to present papers, participating students and students in the audience for keeping the seminar active with their questions and listening to their fellow students presenting papers and the most important the three Judges for keeping patience.

Remarks by the Judges on judging sheet are as follows:

Judge II: Overall great job.

Judge III: Overall a good attempt.

Suggestions by the Judges on judging sheet are as follows:

Judge II: Could be better with training.

Judge III: The students should strictly adhere to the timings. Students could be more systematic and draw the connection between the main topic and their presentation.

Following student volunteers from S.Y.B.A., Psychology department were supervised and guided by Ms. Bhavana Sawardekar:

1. Jennifa Fernandes and Adamantina Silveria – Registration (collecting proforma & entry fees Rs. 100/- from external participants)
2. Swezel Leitas and Sherly Fernandes - Time Keeping
3. Samiksha Suraiya and Eshani Bakhle – Canteen (Frooti, bourbon biscuits & lunch for external participants only)
4. Ankita Rege – Certificate writing and Photography
5. Farheen Sha – Compeering
6. Shama Keny – Vote of Thanks

Prizes were Pens (@ Rs. 110/- per pen) from the tiger Co-op and certificates printed by Tiger studio (@ Rs. 18/- per copy).

**Students presenting at the Interdisciplinary Social Sciences Students Seminar on
"CHANGES IN GOA OVER THE LAST 20 YEARS – A SOCIAL SCIENCE PERSPECTIVE"
on 30th August 2016 at 09.30 a.m. in the upper auditorium.**

HEALTH CAMP ON “HEALTH TIPS TO PREVENT GASTRO INTESTINAL AND LIVER DISEASE”

by Dr. Jose Filipe Alvares - Consultant Department of Gastroenterology, Victor Hospital

At Chowgule College New Academic Block on 31st January 2018 at 03.30 p.m.

Parvatibai Chowgule College in association with Victor Hospital Margao had organised a health talk on 31st January 2018 from 3.30 pm to 4.30 pm in Block G-002 on the topic “Health tips to prevent Gastrointestinal and Liver disease” by Dr. Jose Filipe Alvares Consultant Department of Gastroenterology.

Dr. Jose Alvares in his unique style stressing on important points gave a wonderful presentation and gave us valuable inputs and tips on preventing various diseases related to food pipe, stomach, intestine, pancreas and liver.

The session was attended by 47 people who comprised of teaching staff, non teaching staff and students.

He presented various examples of the patients who come to see him every day and cautioned everyone on our food habits.

He said that all the diseases related to the various organs related to our digestive track could be easily avoided if one pays attention to his/her hygiene and food choices. He made us focus on the point that these diseases were not related to age or gender and hence we have to maintain certain discipline when we consume food. Having **excess** of red meats, aerated drinks, cheese and dairy products, pickles and other salty processed products like meats are the main reasons people face various problems and may prove fatal if not treated in time.

He requested all the present teachers, students and support staff members to get themselves examined by a good doctor if they find anything unusual and show some symptoms like excessive weight loss, itchiness, vomiting etc.

He also stressed on making healthy food choices and have sufficient amount of fresh fruits and vegetables (but thoroughly washed) and water in our daily diet. He concluded by saying that daily exercise and stress free ways of living with conscious food choices can easily prevent diseases related to digestive track unless they are hereditary.

Internal Quality Assurance Cell (IQAC) of the College

Report of the session on “Plagiarism in Academic writing”

To address the need of avoiding plagiarism in academics, the Research Committee of the college organized a session on “Plagiarism in Academic writing” on 23rd April 2018. The resource person for the session was Dr. Gopakumar V., University Librarian, Goa University. The session included a talk on the concept of plagiarism, how to avoid plagiarism and methods of detecting plagiarism in Academic writing. The session also included demonstration of softwares used in avoiding plagiarism. Dr. Gopakumar demonstrated the use of anti-plagiarism software ‘URKUND’ recommended by UGC for detecting plagiarism in academic submissions made by students/faculty. As a tool to avoid plagiarism, he demonstrated the use of ‘Mendeley’ software which helps avoid plagiarism and also helps in academic content writing of thesis or research papers. He also demonstrated various features of ‘Mendeley’ which can help the researcher to search scholarly contents from the web, arrange and format references in specific styles, and search for specific content pertaining to the planned research paper. The session was attended by nineteen faculty members of the college.

INTERACTIVE SESSION ON

'INTRODUCTION OF THE SOCIAL SCIENCE DEPARTMENTS AND FACULTIES'

As a part of the Memorandum of Understanding (MOU) of our college with University of Porto., Prof. Paula Guerra from the Department of Sociology has visited our College on 30th January 2018 and will be till 12th February 2018.

An interaction session on '**Introducing the Social Science Departments and their Faculties**' was conducted on Wednesday, 31st January 2018 at 03.30 p.m. in the conference room.

This interactive session was attended by the following faculties of Social Sciences:

Dr. Nandkumar N. Sawant
Dr. E.M.Travassos
Dr. Debasish Majumdar
Dr. Sachin Moraes
Ms. Samantha Coutinho
Ms. Bhavana Sawardekar
Ms. Evelyn Fernandes
Ms. Sayali Gaonkar
Mr. Julius Mendes
Ms. Ambhika Dias
Ms. Vembly Colaco

Prof. Paula Guerra interacting with the faculties of Social Sciences

The interaction between Prof. Paula Guerra and the above members was very informal and pleasant. Everyone gave a brief introduction about themselves and their course/s being taught in their subject.

Prof. Paula Guerra mentioned her keen interest and focus on socio-cultural studies.

Faculty Exchange Programme Schedule was mentioned i.e.

On 31st January 2018: Welcome Function (in morning) and Interactive session on 'introducing the social science departments and their faculties' (03.30 – 04.30 p.m.)

On 01st, 2nd, 5th and 6th February 2018: Workshop on "Introduction to Qualitative Research Methods" (03.00 – 05.00 p.m.)

On 01st – 07th February 2018: Lectures in sociology subject.

On 8th February 2018: A special lecture where faculties from other colleges will also attend.

Finally Dr. Sachin Moraes gave vote of thanks and the session was brought to an end at 04.30 p.m.

REPORT ON PRERNA DIWAS

In India 28th of February is observed as “National Science Day or the Prerna Diwas” to commemorate the discovery of the ‘Raman Effect’, a Nobel Prize winning discovery by Sir C.V. Raman.

This year “Prerna Diwas” was celebrated in a very unique way in the college by sharing third year B.Sc./B.A. student’s innovative project ideas with their juniors using the Poster presentation, with the objective of motivating first year and second year students to think of an innovative and novel ideas for their third year Project.

We believe that our students have the capability of thinking powerful ideas and helping the society with their innovations. Thus the innovative way of celebrating Prerna Diwas will definitely motivate students to think of various innovative ideas and implement the same innovative idea for their third year projects that will lead to new invention or possibility of emerging as an entrepreneur.

The Deans (Faculty of Science, Social Science and Languages and Literature) organized “Prerna Diwas” on three days from 27th February to 1st March 2018 between 10.00 a.m. to 12.00 p.m.

First day [27th February 2018] was allotted to Social Science departments: All the third year students displayed the Posters (as per the standards provided) of their third year projects in the Quad. Streams such as Economics, History, Sociology, Philosophy, Psychology and Geography department Projects were displayed. Total 26 projects were displayed out of 28 projects. Total 121 First and Second year students and 28 staff members went through these project posters ideas. The third year students also were very enthusiastically explained/presented their project ideas to students and staff members.

Second day [28 th February 2018] was allotted to Science departments: All third year B.Sc. students displayed their third year project’s Posters (as per the standards provided). On this day the Botany, Zoology, Geography, Computer Science, Geology and Biotechnology project Posters were displayed in Tiger Quad. Whereas, Mathematics, Physics and Chemistry project Posters were displayed in Tiger Ghol. Very interesting 53 projects projects (out of 65 projects) were displayed by students. More than 190 First year and Second year students along with approximately 60 staff members attended this program.

Third day [1st March 2018] was allotted to Languages and Literature departments: All third year students from Languages and Literature departments displayed their Posters (as per the standards provided) in the Quad. The departments such as English, Marathi, Konkani, French, and Hindi department students displayed their third year projects. Total 20 projects were displayed out of 21 projects. 63 First and Second year students attended the program.

It was well planned event and executed in a very systematic order with the help of Deans, teachers students and Volunteers. The third year project posters were put forth before their juniors (F.Y. and S.Y. students) that helped in understanding the concept of their project and the hardships that they went through while doing this project. Many junior fellows showed eagerness in knowing what were the

different projects displayed and how they did these projects and various methodologies involved in getting the projects done. These presentations gave ideas for the second years how to frame a project for their third year. It also inspired some students to select a specific topic for their project and also decide whether to do the project in a group or individual. Overall the event served what it means “Prerna Diwas” an Inspiration day.

Feedback: There was very good feedback given by 90% students indicating the project presentations have helped them or inspired them to plan for next year. Few of the third years were grumpy because they were not attaining and no marks for this presentation.

The programme was well planned and organized by Ms. Shaila Ghanti, Ms. Mitra Borkar and Dr. Debasish Majumdar .

Planning, coordination and logistic support was provided by Ms. Bhavana Sawardekar with the support of volunteers. On the third day of Prerna Diwas there was a group picture of all volunteers and the event was concluded.

Suggestions

Sr. No.	Name & Dept.	Suggestions	Signatures
1	Jarana Psychology	I found stress coping was quiet nicely explained.	
2	Alicia Geography	Should have a mic and spoken to make announcements.	
3	Eilrich Candoso (Geography)	Prizes should be awarded as a means of encouragement.	
4	Swara Naik Nadya Henriques (Economics)	The projects need to be explained to get a better understanding.	
5	Saking Shah Rhea Rebels Muskan Sayed (Economics)	Nicely explained by charmeet & Sanruddhi	
6	Rebecca Diniz (Psychology)	All well explained. I liked the economics departments' research the most.	
7	Nathan (Geography)	All the projects look beautiful. They were well explained.	
	Malaiha (Geography)	Well explained. Informative charts.	

9	Klara (research scholar)	Thank you for all the interesting projects and presentations! It would have been interesting to hear more regarding some of the findings.	
10	Chrysanne	Most of them did a good job in displaying the results and explaining but most were lazy to explain and did it for the sake of it.	
11	Leann +	Very creative ideas! A lot of hard work could be seen via the charts!	Jameson
12	Anetiza Manisha	Refreshments should be provided for the volunteers The projects should have been more detailed. Overall very good work.	
13	Swirel		
14	Raymond	There is no connection whatsoever between the students and their work. Good topics nonetheless, however, they all could have done better. The results could have been more interesting had the students invested themselves more.

— Languages & literature day

Sr. No.		Name & Dept.	Suggestions	Signatures
		Siddhi Shirodkar Hindi/Marathi	It was Nice and we learnt a lot.	
1		Nehe Bandekar English/Marathi	Good presentations. Wonderful efforts by students and teachers	
2		Riya Ramoji Hindi	It was a good experience. We got to know many things and learnt a lot.	
3		Dikshita Nark Hindi	Good Presentation and we got lots of knowledge	
4		Manthan Nark Geography.	This exhibition is conducted with great research & study. Nice job; good going.	
5		Shubham S. Chadankar Physics/Maths	It was a good experience I have learned a lot.	
6		Vaishnavi Prabhu Zoology	Was a good experience and to know that so many aspects have been thought about by the students and so well presented	
7		Ajit Kumar Moriga Chemistry.	It was good but can be better!	
8				

9	Manjunath Maitikayon T.Y.BSc. Chem.	Need improvement in the explanation	
10	Zamir Arzari T.Y.BSc Chem	Volunteers were impressive!	<u>Arzari</u>
11	Rania Sayed T.Y.BSc. Chem.	Good job	<u>Rania</u>
12	Kiran	Good one	<u>Kiran</u>
13	Minakshi Hindi	It was good experience we learnt a lot

FEEDBACK — Science Day.

Sr. No.	Name & Dept.	Suggestions	Signatures
	Abhinav Desai	I have seen people with big written files. Nobody bothers to read those writings. The work should be like short and understandable. Wesley's group from Ty mathematics made an excellent proj.	
1	Maths. Sy	Overall great work. Teachers could have seen more illustrative with less written material.	
2	Magnolia Alhade Geology	Very informative - good research being carried out with good future prospects.	Rhancham Dr. Silva
3	Dr. Kanchana Rishi Dalibe Biotechnology	Excellent, Kudos to all of our students for a fantastic display and expression of the hard work put in for the completion of the project	
4	H.S.S. Neskam	Excellent work carried out by students; explained well; informative -- keep up the good work.	
5	Meghana S Jodi	Very good work by students.	
6	Shreela Ghosh	Students are doing good work. very informative	
7	Neeta Chopra	Good work done by students	
8	Divyavani Revankar		

	Name	Feedback	Sign
18	Rafael Costa Lakshna Mendes Snoska Mendes Raisa Rodrigues Sutthadee	Really a good opportunity to interact with our seniors and the projects done also inspire us as to what things can be done in our field of study.	Sign Sunder S. Jay
1) 19	Dimaaz Shukh Lyle Fortado	It was creative for the eyes & the soul.	Sign L. Fortado.
2) 20	Elroy D'Conha Rita Sawant Shalini Kopkar	The projects displayed were quite informative and beneficial for the society	Sign S. Jay.
3) 21	Judice Dias Chandani Shirwadkar.	As FY's we almost got an idea how to go about with the project.	Sign Shirwadkar
4) 22	Shubham Sairaj	The concept of Smart home is very Good.	Sign Sairaj
5) 23	Prachi Sabha Prapti	It was a good opportunity to learn about new things	Sign Prachi Sabha Prapti
6) 24	Anubhav Silva	Very Informative !!	Sign Silva
7) 25	Susella Gdes Shafay Shochh	Knowledgeable !!	Sign Susella
8) 26			

9)	Meera Jais.	Overall it was a pretty good experience.	<u>Meera</u>
10)	Morwen Dourado	It was a good session with all the exhibitors.	<u>Morwen</u>
11)	Mauden C. De Souza	It was very good. The smart home was very well explained and also well done.	<u>Mauden</u>
12)	Vanessa Duarte	It was Good. But the zoology projects are the best	<u>Vanessa</u>
13)	Leander Barreto	Very informative, should be done regularly	<u>Leander</u>
14)	Shenlyn Fernandes	Informative and innovative	<u>Shenlyn</u>
15)	Vianey Carvalho	Very Informative, Excellent	<u>Vianey</u>
16)	Chryssanne Dias	Very creative, innovative, lot of hard work put up by student, explanations were excellent.	<u>Chryssanne</u>
17)	Imagha Bircholar	Very innovative endeavour! Congrats. Keep it up!!	<u>Imagha</u>

18)	Name	Feedback	Signi
19)	Suchela Bhat	Very nice idea to exhibit all projects. All projects were nice & creative	Did
20)	Meghana Shinde	Excellent work put up by students; informative; well explained ... - Keep up the good work	
21)	H.S.S. Nalakarani	Marvelous, our students are tigers in real - they have been expressive and confident and I am really happy to be associated with their work.	Meen

REPORT ON FACULTY ORIENTATION PROGRAMME ON “ENTREPRENEURSHIP”

Dean, Faculty of Science organized a half day Faculty Orientation Programme on “Entrepreneurship” on Thursday, 15th February 2018 from 09.00 a.m. to 02.00 p.m. in teaching learning centre. The resource person was Mr. B.S. Rivonkar, Ex-Director of Centre for Entrepreneurship Development of Karnataka (CEDOK) & IIT, Suratkal.

An brief introduction of the resource person was given by Ms. Shaila Ghanti in the start of the session. Thereafter Mr. B.S. Rivonkar started with an ice breaker session wherein five group were made each one had to tell something about oneself that would include SWOC and later on each group come forward and one group member introduces other group member.

There were some nice motivational real incidences were informed they are as following:

1. **Shoe Laundry:** Young person after college wanted to start his own business. Parents didn't support. After a while he was thrown out of house. He had only Rs. 7000/-. Rented a space of Rs. 2000/-. Few days just walked in one direction thinking. One day observed a pile of shoes outside the hospital. Approached the admin personnel that he has opened his own Shoe Laundry. Admin personnel agreed to given 100 pair of shoes to see his work. Next day it was delivered and checked of his services. He signed his first agreement. Thereafter hired one person to work under him and also went another hospital for similar services. Now he has his own business spread all over and even aboard.
2. **Chapatti maker:** The girl observed her mother taking effort to prepare chapattis every day. In her college project invents a chapatti maker. She patented her invention. Initially whatever no. of product was developed were sold in no time. Thereafter she came up with a company.
3. **Pan Parag:** A family man earned his leaving by selling his desi pan by travelling from one location to other. He usually had an half hour lunch break before a hotel and always observed that other panwala selling his product would be crowned with people. From there he came up with an idea of pan mix and he used to invent various favours and that's how he invented Pan Parag.
4. **Mouth/tooth washer instrument** in only 10 seconds to clean ones teeth.

Similarly many more examples were mentioned. He further informed that about communication is a very vital term and one needs to understand what is said / told and what is understood by the other person. An real example informed was on a well to do family daughter suffered from a rare disease were in she lost sight of one eye and if not removed immediately would lose her other eye sight too. A best doctor was hired from aboard to operate. The doctor operates and leaves back. On attending consciousness by the girl, she realises complete blindness as she is being operated with wrong eye sight. The fault took place by a nurse writing the report wherein instead of writing Left eye i.e. the Term 'L' it was written as 'R' i.e. right eye. There was a complete lack of communication and mistake as well.

A session on self rating was exercised by answering a questionnaire and scoring done through answering this questionnaire.

Another session was on idea generating conducted for all faculties where they were asked to generate any innovative ideas for starting their business.

Later on how the ideas could be generated was informed by analysising and observing the day to day activities.

Basic questions were inquired on the ideas mentioned that is can you make it?, can you sell it? is there a market for it? what costing is required etc.

Students need to know the following was informed i.e. technical feasibility, demand feasibility financial feasibility.

Faculties need to motivate, generate /take ideas, guide the students and if it works and is innovative patent it through CIBA.

He also mentioned that whatever mentioned is motivational but there are many difficulties faced as well, lot of homework to be done, self determination and commitment to do something is required.

Finally a vote of thanks was given by Aresh Naik.

Following faculties attended the orientation programme:

Yatin Dessai, Ashish Desai, Lactina Gonsalves, Amisha Shirodker, Soccorrinha DCosta, Malcolm Afonso, Danielle Monteiro, Shaila Ghanti, V. Prabhakaran, Judith Dias Barreto, Neeta Dhopeswar, Sanjay Gaikwad, Samantha Coutinho, Aresh Naik, Sachin Moraes, Bhavana Sawardekar, Sharmila Menezes, Kailas D. Gokhale, Sarah Mesquita and Monica Patil.

Administration logistics were provided by Bhavana Sawardekar and Photography was done by a student Nareema Usma.

Feedbacks by faculties are as follows:

1. Was the programme useful?
Very useful - 11 useful – 7
2. How was the programme duration?
Most found it short or trailer
3. How was the programme content?
All found it Appropriate
4. How was the deliverance?
Most found it very good.
5. Do you think it will be useful for you students?
All found it useful.
6. Do you want further training on the same?
All said yes
7. Will you be in a position to motivate your students to take up entrepreneurship?
All said yes
8. Suggestions by attendees:
 - i. Detailed workshop on the process of entrepreneurship
 - ii. Want to know how to motivate Arts and Social Science student?
 - iii. More motivational real stories along with difficulties counted in its ways and more depth to be mentioned.
 - iv. Organize sessions for students along with success stories, videos and examples from local region could be effective.
 - v. Similar orientation / workshop for students by same resource person.
 - vi. Resource person to interact with the students.
 - vii. Need more follow up programmes to address other issues that may come up for entrepreneurs.
 - viii. Workshop can be schedules and informed atleast two days inadvance so that alternate arrangements can be made.

ix. Could be conducted during non class hours.

REPORT ON POSITIVE CHOWGULES, 2017-18

The College had organized a programme known as “Positive Chowgule” for all the college faculties on Thursday, 03rd May 2018 at 09.00 a.m. in the lower auditorium.

Dr. Nandkumar N. Sawant, Principal of the college welcomed all faculties and enlightened the concept of the programme ‘Positive Chowgules’ of sharing the best or innovative practice/s carried out by each department and how the other department could be motivated to implement or try to enhance the same practice in their own department. Total Fifteen departments participated in this programme with their positivity about their department or best practices of their departments and around 60 faculties attended. Each department was given 10 minutes to put forward their best practices and a 15 minutes tea break was given from 11.00 a.m. to 11.15 a.m. After each presentation the upcoming faculty of the other department was the moderator of the previous presentation and a question and answer session was conducted to understand the practice better or to resolve the doubts that required more clarifications as to how the department excelled in their practice/s. This question and answer session was a very healthy and enriching session for all the attendees as it brought a great insight and knowledge about the innovative practice/s shared.

The following are the best practices revealed by the departments:

DEPARTMENT	TOPICS ON BEST PRACTICES
TEACHING LEARNING	
1. Botany	1. 'Plant of the Week': Concept is to understand the subject at the initial stage by the First year students by doing their study on different plant/s in detail and displaying their understanding in form of presentation along with the live example. This programme is spread for a week long wherein the other year batches also get an excess to these plant information.
2. Chemistry and Mathematics	2. Process Oriented Guided Inquiry Learning (POGIL): Students need to know the learning objective concepts and prerequisites. This methodology is used to get students learn the subject on their own and with the help of their peer group members from within the group and the other groups in class enabling them to go further; from only book information to a processed information that is known and understood by their peer student fellows and vice versa.
3. English	3. Evaluation Reform: Instead of semester end examination, examine students with different ways like term exam, skill based, portfolio based, demonstrated based for teaching evaluations wherein they are involved in self learning through research, group discussion, thinking higher orderly, comparing or doing analysis differently, acquiring skills or generating skills etc. Change in evaluation helps in teaching methodology as well.
4. Hindi	4. Role Play: Making students learn the language and subject by acting or being in a role; allows them to express and improve well in the language. Every student gets involved

	actively in demonstrating the act with understanding the concept well.
5. Konkani	<p>5. Devnagari Typing course: This course is of 10 hours and a very unique in itself, as it involves technology use in the home language apart from the regular traditional methodologies.</p> <p>6. Workshop on ‘Shudha Lekhan’: This is a 6 hours course, enabling students to know the language and literature more intensively and improving their reading and writing skills, their creative and interest to do more research in the language.</p> <p>Their upcoming plan to start short term course on ‘Basic Konkani learning’ of 30 hours.</p>
6. Geology	<p>7. Digital platforms and Flipped Classroom Techniques: Digital platforms helps students to acquire certain knowledge about the subject that enables the students to apply this knowledge in the flipped classroom methodology, wherein students are trained to be in groups, continuous similar rigorous activities further strengthens students to individually develop confidence in carrying the same act on his own (<u>Team pair Solo</u>), <u>three step interview</u> methodology is wherein student learns to understand the subject by speaking, listening, managing and noting the concept of the topic from three different angels of the participants and thirdly <u>Round Robin</u> methodology is wherein a group of students are given opportunity to present their opinions and share the knowledge or their understanding, this helps them encourage to speak up in the larger group.</p>
7. Marathi	<p>8. Project on Gomantakiya Marathi Literature: Students being engaged in supporting and assisting a literature person in developing and restoring the knowledge in a form of a book publication. This encourages the students to use their book knowledge into reality. It’s an exposure in terms of internship with a motivation of stipend being paid for implementing their knowledge practically.</p>
8. Physics	<p>9. Interdisciplinary Workshop: Students are exposure to other related subjects that are interdisciplinary and giving an wider prospects of understanding the subject from different angles and having more broader ways of applying their knowledge with different techniques.</p>
9. Sociology	<p>10. Connecting the Book – View with the field through experiential learning: Students get opportunity to apply their classroom or book knowledge in practice by actually observing and approaching the affected areas by implementing their knowledge through awareness camps, providing solutions or knowing the concept by actually visiting such socially affected areas or places.</p>
COMMUNITY OUTREACH PROGRAMME	
10. Computer Science	<p>1. Summer camps and Software for Autistic Children: Understanding the sensitivity of the autistic children and the problems faced by the parents of such special children, an summer camp is organized wherein one child is supervised and trained by one tutor to</p>

	make such children aware of their basic and regular necessities. It's a very challenging task for the tutor to teach and handle such child/ren. Understanding this problem, an software was developed with basics for the autistic children.
EMPOWERMENT	
11. Biotechnology	1. Startups: Students are encouraged to come-up with their ideas based on the subject and feasibility of the department to support and bring such idea to an implementation in a form of an startup. The department has been successful with one startup on LAN foods and next is process of formalities i.e. O'Fresco.
12. Computer Science	2. TechWeek: Students are given exposure to different technologies of areas in a week by having interaction with the resource persons from industries. Students attend the various days of the weeks depending on their levels of interests. This encourages students to specialize in the areas of their interest and take up their projects based in the similar areas.
13. Geography	3. Interdisciplinary Internship Opportunities: Students get various opportunities through collaboration with organization leading to an interdisciplinary internship in different fields of areas e.g. GPARD.
14. Psychology	4. Continuous Assessment: Innovative ways of assessment has encouraged students and the faculties in the different to adopt different ways of teaching learning and evaluation.
15. Zoology	5. T.Y. project presentation and evaluations: Students go through a systematic process in submitting their T.Y. project enabling them to be confident enough to give a quality project. Similarly the evaluation process is well defined and structured this year enabling to cover all the areas of marking system by the internal as well as external examiner which enables transparency of marks given to a student.

The programme was concluded by Dr. Nandkumar N. Sawant with a warm vote of thanks at 01.00 p.m.

Logistics support provided by Ms. Bhavana Sawardekar.

Welcome speech by Dr. Nandkumar Sawant at the programme 'Positive Chowgules'

Report on Presentation on 'Trips or Tours attended by Students'

Dean, Faculty of Languages and Literature organized a Presentation on 'Trips or Tours attended by Students' during the year on Tuesday, 27th February 2018 at 03.30 p.m. in Upper Auditorium.

Three department students presented the historical, cultural and educational trip and touring around their respective place visits mentioned below:

1. Alyssa Martins, S.Y.B.A. English department student her tour to Pondicherry.
2. Palash Agni, S.Y.B.A. Konkani department student his tour to Mangalore.
3. Eden Lobo and Kinjal Vernekar, T.Y.B.A. French department students their tour to Pondicherry.

Finally a vote of thanks by Dr. Hanumant Chopdekar and the session was concluded at 04.30 p.m.

REPORT ON WORKSHOP ON ‘TRANSLATION SKILLS’ AND INAUGURATION OF THE TRANSLATION CENTRE

Dean, Faculty of Languages and Literature organized a Workshop on “Translation Skills” for the Languages and Literature departments of our college on Saturday, 22nd July 2017 from 10.30 a.m. onwards which went upto 04.30 p.m. in Upper Auditorium. Resource person was Dr. Kiran Budkuley.

The programme started with a welcome speech by Ms. Mitra Borkar followed by an address note by the Dr. Nandkumar N. Sawant, Principal of our college, who expressed his plans and initiation to establish such an activity.

Mr. Andrew Barreto briefly introduced Dr. Kiran Budkuley, Ex-head of Department of English and Ex-Dean, Faculty of Languages and Literature for Goa University.

Dr. Kiran Budkuley thereafter outlined brief roadmap for establishing a Translation Centre and activities that could be taken up in the initial stages of setting up this centre.

‘Chowgules Translation Centre’ was inaugurated in Block ‘C’ room no. 301 at the hands of Dr. Kiran Budkuley.

Thereafter a hand on session was conducted wherein basic tips and methods of understanding a language and its expressions were mentioned with various examples.

After Lunch hours an Analytic Session was conducted she spoke about the different skills required in the process of translation and guided the students on a poem translated by them in different tarset languages.

In the end of the session some students gave their feedback about the session and their views on the workshop.

On behalf of all faculties Dr. Hanumant Chopdekar also expressed his views about the workshop and appreciating Dr. Kiran Budkuley to connect so well with the students.

Finally Vote of thanks was given by Dr. Sonia Fernandes.

Compering was done by Mr. Pradeep Jatal.

Logistic and administrative support by Ms. Bhavana M. Sawardekar

Volunteers for the Activity were Mr. Roshito Cotta, Ms. Krishen Cotta, Ms. Eden Lobo, Ms. Kinjal Vernekar.

FACULTY TRAINING WORKSHOP
ON
'MODES OF EVALUATION OR ASSESSMENT -I'

Date: 06th July 2018.

Venue: G-101

Time: 3.00 – 4.10pm.

Organised by: IQAC.

No. of Participants: 42

Resource Persons:

- 1) Dr. Sachin S. Moraes.
- 2) Dr. Nandini Vaz Fernandes.

Brief writeup:

In measuring the learning outcomes of students in terms of knowledge gained and skill acquired, it is pertinent to assess their understanding and in the process help to improve their learning. These can be achieved by adopting various modes of assessment during the course of their learning. In view of the same, the IQAC of the college conducted a workshop on "Modes of Evaluation/Assessments- I" on 6th July 2018. Dr. Nandini Vaz Fernandes and Dr. Sachin S. Moraes as resource persons presented few guidelines in adopting:

1. Open Book Assessments
2. Multiple Choice Questions (MCQ)
3. Students Presentations (SSM)
4. Short Answer Questions

Since, under autonomous structure, the freedom of how to assess lies with the course teacher, the choice of the mode of assessment would depend on the learning outcome designed for a course.

The workshop was concluded with an address by Vice Principal Shri. H. S. Nadkarni.

Shri. H. S. Nadkarni

IQAC co-ordinator

Workshop on "Modes of Evaluation/Assessments- I"

FACULTY TRAINING WORKSHOP
ON
'MODES OF EVALUATION OR ASSESSMENT -II'
ORGANIZED BY IQAC

Date: 20th July 2018.

Venue: Lower Auditorium

Time: 2.15 – 3.30pm.

Organised by: IQAC.

No. of Participants: 48

Resource Persons:

- 1) Dr. Sachin S. Moraes.
- 2) Dr. Nandini Vaz Fernandes.

Brief writeup:

In continuation to the earlier workshop on Modes of Evaluation or Assessment I dated 06th July 2018, the IQAC of the college conducted the second session of the workshop on "Modes of Evaluation/Assessments- II" on 20th July 2018. Dr. Nandini Vaz Fernandes and Dr. Sachin S. Moraes as resource persons presented further guidelines in adopting:

1. Assignments
2. Portfolio & Process Portfolio
3. Case Study
4. Gobbet
5. Poster / Chart
6. Concept Map

Since, under autonomous structure, the freedom of how to assess lies with the course teacher, the choice of the mode of assessment would depend on the learning outcome designed for a course.

Vice Principal Shri. H. S. Nadkarni apprised the faculties to gauge the level understanding of the students and to introduce and explain systematically the evaluation and assessment pattern in a way that would enable them to grasp and tackle any kinds of assessments in long run. The workshop concluded with a Thank you note.

Shri. H. S. Nadkarni

**REPORT ON THE INTERACTIVE SESSION ON
'POSSIBILITIES OF HAVING EXCHANGE PROGRAMMES FOR STUDENTS'**

The College through the Deans of Arts section organized an interactive session on 'Possibilities of having Exchange Programmes for Students' on Friday, 24th August 2018 from 11.20 a.m. to 12.00 p.m. in Conference room. This interactive session was between our college Heads from Arts section (i.e. Social Sciences and the Languages and Literature) and Mr. Remi Banue Belon, University of Reunion, Reunior.

Following were the attendees at the session:

1. Remi Banue Belon
2. Mitra Borkar
3. Carol Barreto Miranda
4. Debashish Majumdar
5. Sarita S. Naik Tari
6. Sachin Moraes
7. Mahalaxmi Badiguir
8. Rahul P.S.
9. Bhavana Sawardekar

A brief introduction of the formation of their island Reunior was given by Mr. Remi Banue Belon i.e. it's an island formed from volcano which is a sleeping volcano, there are other volcanoes that are dormant and two volcanoes are active volcanoes and when it erupts it's like a festival to visit the location to see the same but under strict supervision by the authorities.

Deans and Heads were more interested in the academic and research point of exchange programme with the University of Reunion wherein our students could go to their University for education grasp academic knowledge in their respective subject/s and their credits could be transferred to our college.

Interested Areas mentioned were as follows:

- i. Minor Research Projects for the Third year students
- ii. Economics and Law
- iii. Study of Colonism
- iv. French Languages and Literature
- OR
- v. Any Short term courses

It was informed that knowledge of French language is prerequisite for the acquiring education from the University of Reunion as all classes are conducted in French.

Mr. Rahul P.S. briefed Heads of Arts on having an Academic Exchange Programme with the University of Reunion wherein a proper structuring has to be done of the academics that would be of use to our college as well theirs. He further enlightened by mentioning that there might not be a specific course in particularly assigned to cater our needs alone but our students, going for further studies in University of Reunion will have to attend interdisciplinary courses offered by that institution to accomplish our need of requirement of syllabus/course.

An exchange programme may be possible for 10 days through and fro between both institutions.

REPORT

HAND-ON WORKSHOP ON “CONNECT YOUR ACHIEVEMENTS AND CONTRIBUTIONS ON GLOBAL REGISTRY: ORCID & RESEARCHER ID”

Date: 17th October 2018.

Venue: CTL Audio Visual Room

Time: 2.00 – 3.20pm.

Title of hands on workshop: “Connect your achievements and contributions on Global Registry: ORCID & RESEARCHER ID”.

Organised by: IQAC through Research, Consultancy & Extension Committee.

No. of Participants: 21 faculty members of Parvatibai Chowgule College

1 Administrative Staff of Parvatibai Chowgule College

Resource Person: Dr. Nandini Vaz Fernandes.

Objective:

- To help faculty obtain unique digital identifier and associate it with all academic works and publications for giving global accessibility.
- To enable faculty to publish research papers in journals of repute.
- Connect oneself with one's professional affiliation.

Prerequisites:

Faculty members were requested to organise their publication list in APA format and bring it for the workshop on their laptops. Publications can include research journal papers, articles, books, chapters, dramas or any other work created by teachers.

Summary:

The teachers were informed about the importance and benefits of registering for ORCID and RESEARCHER-ID. The participants were helped to register themselves for these global registry and the method of uploading their works was demonstrated. The members uploaded their works viz. research publications/ articles/books/ conference proceedings etc on ORCID. They were also explained the procedure of transferring data from ORCID and RESEAERCHER-ID and vice versa. The method of retrieving and linking their research works from global databases was also demonstrated.

Logistic support: Ms. Bhavana Sawardekar. Photography by Tiger Studio.

SEMINAR ON “SCHOLARLY COMMUNICATION”

Date: 16th October 2018.

Venue: Upper Auditorium

Time: 2.00 – 4.30pm.

Organised by: IQAC through Research, Consultancy & Extension Committee.

No. of Participants: 40 faculty members of Parvatibai Chowgule College

1 Administrative Staff of Parvatibai Chowgule College

Resource Persons: Dr. Murari Tapawi.

Objective: To enable faculty to choose the right journal for publication of their findings and create awareness on predatory journals.

Summary:

The convenor of the research committee Dr. Nandini Vaz Fernandes explained the objective of the seminar. She explained that in this era of multiple journals available at our disposal to choose from, what should be the criteria of choosing journals for publishing their valuable works and how to identify predatory journals was the motive of conducting this seminar. Dr. Ashish Desai of the research committee introduced the speaker Dr. Murari Tapaswi. Dr. Tapaswi was ex-scientist / Librarian of NIO donapaula. He very interestingly put forth the important aspects of publications i.e. criteria for recognising standard journals, what is impact factor, identifying standard journals from web of Knowledge etc. He also enlightened the faculty members on need to popularize ones publications, need to register for ORCID, and maintaining standard styles of writing individual names and affiliated institution name etc. Vote of thanks was proposed by IQAC coordinator and Vice-Principal Shri H.S.S.Nadkarni.

Logistic support: Ms. Bhavana Sawardekar. Photography by Tiger Studio.

WORKSHOP ON OUTCOME BASED EDUCATION

In continuation to the earlier workshop on 'Outcome based Education' held on 8th September 2018, the second workshop on the same topic was organized on Thursday, 25th October 2018 from 9.30 a.m. to 5.00 p.m. and Friday, 26th October 2018 from 1.30 p.m. to 4.00 p.m. in the Upper Auditorium. The Resource person will be Dr. Umakant Kulkarni, Professor at SDM Engineering College, Dharwad. This workshop was attended by total 69 faculties.

Dr. Umakant Kulkarni enlightened all faculties the strategy of attaining the Programme Outcomes (PO) and Course Outcome (CO) by highlighting certain major aspects and giving tips like / on -

- Following the MBA model partially.
- Explain, practice, write, map, design tools, measure, develop action plans for improvements,
- Plan, analysis and imply.
- ways of systematic documentation by individual, departmental and institutional.
- Levels of rigors i.e. Substantially (high -1), Moderate (medium – 2) and Sligth (low-3)
- PO is general to all whereas Programme Specific Outcomes (PSO) is specific to particular department/s.
- Lifelong learning, Project management & finance, Communication, Individual and team work, Ethics, Environment and Sustainability (products that are used in all people), the society, modern tool usage, conduct investigations of complex problems, Design /development of solutions, problem analysis, subject knowledge.
- Attainment of outcomes and action plan etc.

Dr. Nandkumar N. Sawant and Mr. Aresh Naik gave thanks giving note at the end of the workshop.

Logistics and administration support was provided by Ms. Bhavana Sawardekar, Photography by tiger Studio and refreshments and lunch by the canteen.

Feedback responses are as follows:

All most all the faculties find the workshop relevant /very relevant except two faculties.

All most all find PO and Co useful and some found the resources person very knowledgeable and well organized. Whereas if samples in-form of examples were given it would be more effective by one faculty and making this happen in practice in our college would be a request for conducting another workshop for the same by one faculty.

Another faculty mentioned of requiring more time and hands on activity in this regards.

REPORT

WORKSHOP ON OUTCOME BASED EDUCATION

Workshop on Outcome Based Education” was organized by Dr Shaila Ghanti, Vice Principal of the College for the faculties of Arts and Science on Saturday, 08th September 2018 from 10.30 a.m. to 03.30 p.m. A total of thirty five faculties from the Arts and Science departments attended the workshop. The workshop started with Dr. Shaila Ghanti welcoming the resource person and all faculty members who attended the workshop. She also introduced the Resource Person Dr. Umakant Kulkarni, Professor, Department of Computer Science, SDM College of Engineering and Technology Dharwad (an autonomous college under VTU, Belgavi and Recognized under AICTE). He has 27 years of teaching experience and is presently the NBA coordinator in his college.

Dr. Umakant Kulkarni started saying that the Gurukul system followed in ancient India is actually Outcome based education. Outcome based education (OBE) mainly focuses on measuring the performance of student learning outcomes. Outcomes mainly includes the skills, knowledge and attitudes. OBE broadly consists of one, what you want your students to be able to do at the end of the program; two, assessing the students whether they are able to do what they are expected to do; three, orienting teaching and other academic processes to facilitate students to do what they are expected to do.

Education imparted to students should be in such a way that they can actually practice it. He emphasized that various teaching methodologies should be used which will make student practice more to acquire the skills.

OBE involves defining vision, mission, Program Education Objectives (PEOs), Graduate attributes, Program Outcomes (POs) and Course Outcomes (COs). POs describe what students should know and be able to do at the end of the programme. He insisted on how to write course outcomes. Course outcomes should be expressed in terms of measurable and/or observable behaviours. The course outcomes should indicate what the student should be able to do at the end of the course. Hence the course outcomes should start with “At the end of the course students should be able to do” followed by this the actual course outcomes CO1:, CO2:, CO3:, CO4: etc.

Based on the course outcomes, the teaching-learning has to be conducted and further based on teaching-learning, the question papers for examination has to be set/framed. An action plan has to be structured for the student, faculty and the department.

Discussed and demonstrated to write the course outcomes of a course in French as well as in Computer Science Programme in detail.

Smt Neeta Dhopeswarkar gave vote of thanks for the morning session and Dr. Anagha Bicholcar gave vote of thanks on behalf of the college at the end of afternoon session. Logistics support was provided by Ms. Bhavana Sawardekar. The refreshments (Tea & Biscuits) were from canteen.

Following are the feedbacks of the participating faculties:

1. What was the overall assessment of the event?
 - Majority of the attendees have given 4 out of 5 for the overall assessment.
2. Which topics or aspects of the workshop did you find most interesting or useful?:
 - Practical framing & programme outcome
3. Did the workshop achieve the objectives? Yes / No If No, why? :
 - Maximum attendees have said that the workshop achieved the objectives.
4. Knowledge and information gained from participants at this event?
 - Majority of the attendees have said Yes it met their expectations and definitely they have gained the knowledge and information at this event.
5. The instructor in attending a follow-up, more advanced workshop on this same subject:
 - Yes
6. I would be interested in attending a follow-up, more advanced workshop on this same subject:
 - Yes

Report of the session on “Plagiarism in Academic writing”

To address the need of avoiding plagiarism in academics, the Research Committee of the college organized a session on “Plagiarism in Academic writing” on 23rd April 2018. The resource person for the session was Dr. Gopakumar V., University Librarian, Goa University. The session included a talk on the concept of plagiarism, how to avoid plagiarism and methods of detecting plagiarism in Academic writing. The session also included demonstration of softwares used in avoiding plagiarism. Dr. Gopakumar demonstrated the use of anti-plagiarism software ‘URKUND’ recommended by UGC for detecting plagiarism in academic submissions made by students/faculty. As a tool to avoid plagiarism, he demonstrated the use of ‘Mendeley’ software which helps avoid plagiarism and also helps in academic content writing of thesis or research papers. He also demonstrated various features of ‘Mendeley’ which can help the researcher to search scholarly contents from the web, arrange and format references in specific styles, and search for specific content pertaining to the planned research paper. The session was attended by nineteen faculty members of the college.

‘E-SERVICES AWARENESS PROGRAMME’

Activity:	E-Services Awareness Programme	
Sponsored by:	DBT-Star College scheme	
Organized by:	Department of Computer Science	
Organized for:	Support Staff	
Timing:	02.00 p.m.	
Venue:	Computer Science Laboratory, Department of Computer Science	
Date:	18 th January, 2019	23 rd January, 2019
Attendees:	10	07
Resource Person:	Mr. Vasant S. S. Shirwaikar, Jr. Programmer, Department of Computer Science	

Objectives:

This is a digital world and many day to day tasks can be simplified with the use of the technology. There are various e-services provided by Government organizations as well as Non-Government organizations. Department of Computer Science has taken an initiative to organize e-services awareness Programme under DBT star college Scheme. This awareness programme is open to all staff members. (Teaching / Non-Teaching).

Details about the Programme :

The program began on 18th January 2019, with an introductory note by Mrs. Suchitra R. Bhat, HOD and Department DBT star College scheme coordinator at 2.00 PM.

Following e-services were demonstrated to participants.

1. Different bill payments(Water, electricity).
2. Online Bank Transactions.
3. Payment of house tax.
4. Aadhar data updation
5. e-filing of income tax returns.
6. Digital Lockers.
7. Functioning of goaonline.gov.in website.
8. Online Railway reservations etc.

Participants took an active part in the discussion by asking many queries.
At the end , certificates were issued to the participants.

Introductory talk by Ms. SuchitraBhat

**NATIONAL SEMINAR ON “BEST PRACTICES IN INSTITUTIONS OF
HIGHER EDUCATION”, HELD ON 20th DECEMBER 2018 AT
PARVATIBAI CHOWGULE COLLEGE OF ARTS AND SCIENCE.**

INTRODUCTION

A National Seminar on “Best Practices in the Institutions of Higher Education” was conducted by the Parvatibai Chowgule College of Arts and Science, at its campus, on 20 December 2018.

Various colleges from Goa as well as outside Goa participated in the Seminar.

Dr Nandkumar Sawant, Principal, extended a warm welcome to all the participants and requested them to share the best practices that are being followed by them.

OBJECTIVE

The objective of the Seminar was to give presentations, discuss and share the best practices by each college.

SYNOPSIS

The Seminar began with the Gogate Jogalekar College, Ratnagiri, Maharashtra. Dr. S.C. Thakur Desai, IQAC co-ordinator and Dr. A.Y. Pitre presented and spoke of their best practice that was “Theatre for development” wherein they included cultural activities like street plays, dramas, etc. They also shared their criteria wise best practice for NAAC evaluation.

The second college was Sophia Girls College, Ajmer, Rajasthan. The Principal, Dr. Sister Pearl, shared her best practice in their college. They focused on “environmental sustainability”. They have created a green aesthetic campus and generate their own electricity with the help of solar panels installed by them recently. They also, have Plant me “drive to encourage planting more trees and also, have their own bio-gas plant, add-on courses in Vermiculture and Bonsai and rain water harvesting.

The next presentation was made by Mr. Andrew Barreto from Parvatibai Chowgule College. His presentation was on “teaching-learning and evaluation”. The best practices followed in teaching-learning and evaluation in Chowgule College are POGIL, PBL, CLS, constructive learning, inquiry and research-based learning. He also highlighted the other best practices followed in the college like the student-teacher support, the student support services with writing centre and various other departments in it to cater to the needs of the students, having Academic writing and Research writing courses, CCAPS, CTL, encourage learning from google class room, ICT lab.

After each presentation, the attendees were given time to discuss and ask their queries.

After a short tea break, the Seminar was continued by Dr. Monica Kannan from Sophia College, Ajmer, Rajasthan. She discussed on the other notable best practices followed in their college. She spoke on research promotion, local linkages and their place in International Peer Reviewed Journal. The college also encourage their young students to the world of entrepreneurship. The college students have their own online store (start-up OASIS) for selling their hand made products.

The next presentation was made by Dr. Meenakshi Bawa, IQAC co-ordinator and Mr. Dattaprasad Shirgurkar which highlighted their best practice, "Go Green Initiative". They also have vermi-composting unit, roof top rain water harvesting, dry waste management and tree plantation drive among their best practices.

The next presentation was made by Shikshanmaharshi Dr. Bapuji Salunkhe Vidyalaya, Miraj, Sangli, Maharashtra. He spoke on "Green College Clean College", and "Plastic Free Campus" which were the best practices following by them.

The next presentation was by Dr. Elizabeth Henriques with Ms. Vinita V Kandolkar from the Govt College, Borda. Provision for internship programmes for the students is their best practice in the college.

The next presentation was made by Dr. Arvind M Haldarkar from Shree Mallikarjun College of Arts and Commerce, Canacona. He spoke of "Civic sensed Movement with two Clubs in it as their best practice. They also have a community wellness programme with an NGO named "Sangat".

The next presentation was given by Dr. D. Y. Jamadar from Baba Nayak Mahavidyalaya, Sangli, Maharashtra spoke of providing safety measures for the students by the college and how they have a tie up with 108 service. This is the best practice being following in their college.

To conclude, Dr. Nandkumar Sawant, Principal of Parvatibai Chowgule College, spoke on the "Global outlook of the college" and how teaching-learning method has been revised by the college to cater to the needs of the global students. He also spoke of the foreign faculty on campus and the students exchange programmes, the MoUs the college has recently signed with the Universities, National and International.

Lastly the dais was kept open for the attendees to share their experiences.

OUTCOME

The participants and attendees appreciated the Seminar which could share knowledge and generate awareness among them. Further, such practices which were not followed by the Institutions till now could be implemented for betterment. During the Seminar, Dr. Nandkumar Sawant, Principal, Parvatibai Chowgule College, suggested that urban-rural exchange programmes could be initiated.

Overall the Seminar was very enlightening and motivational.

Logistics Support was provided by Ms. Bhavana Sawardekar along with student volunteers. Photography by tiger studio and Refreshments and lunch ordered from College Canteen. Report prepared by Ms. Anila K.P.

WORKSHOP ON DISASTER MANAGEMENT'

Title of the Workshop: 'Disaster Management'

Organized by: Department of Botany

Funded by: DBT-Star College scheme

Date: 6th December 2018

Venue: Upper Auditorium

Participants: Non- Teaching staff of our college

Number of Participants: 40

Objectives:

1. To introduce participants to the various techniques of disaster management.
2. To impart hands-on training with use of Carbon dioxide & Dry chemical powder extinguisher and Practical firefighting on Fire pit.
3. To build the competencies of disaster relief workers and volunteers in improving the preparedness and response time in all levels before and after disasters.

Resource Persons:

Shri. Sanjaya Swain, Convenor, Disaster Management Cell, Parvatibai Chowgule College of Arts and Science

Proceedings of the workshop:

The workshop began at 09.30 am on 6th December 2018. Ms. Amisha Pednekar, Botany Department coordinator for DBT introduced the resource person.

The workshop started with theory lectures delivered by Shri. Sanjaya Swain.

Post theory lectures, the team proceeded for the hands on training on use of Carbon dioxide & Dry chemical powder extinguisher and Practical firefighting on Fire pit.

Ms. Amisha Pednekar introducing Shri. Sanjaya Swain

Shri. Sanjaya Swain delivering theory lectures

Shri. Sanjaya Swain explaining about firefighting. Fire pit for demonstration.

Hands on training in fire fighting

Hands on training in fire fighting using high pressure water hose.

Resource Person: Sanjay Scoring

UNDERSIGNED SUPPORT STAFF ATTENDED THE WORKSHOP ON
'DISASTER MANAGEMENT' ON 6TH DECEMBER 2018 FROM 10:00 AM TO
1.00 PM. IN THE UPPER AUDITORIUM.

WORKSHOP ON 'PROBLEM BASED LEARNING' AS EFFECTIVE TEACHING LEARNING TOOL

FOR FACULTY OF LIFE SCIENCES (Biotechnology, Biochemistry, Botany, & Zoology)

Title:	Workshop on 'Problem Based Learning' as Effective Teaching Learning Tool		
Date and year:	20 th December 2018	Time:	03.00 p.m.
Venue:	AV Room of CTL		
Resource person/s:	Dr. Nandini Vaz Fernandes		
Organising Committee	Dr. Nandini Vaz Fernandes- Dean, Faculty of Life Science, Assistance & Logistic Support by: Executive Assistant, Ms. Bhavana Sawardekar		
No. of Participants	15		
Objective:	To empower teachers with innovative teaching-learning pedagogies		
Summary of the proceedings	The Dean of life science, Dr. Nandini Vaz Fernandes conducted workshop for faculty members of Life sciences on "Problem based learning as teaching-learning-evaluation tool" on 20th December 2018. Problem-based learning (PBL) is a student-centered pedagogy in which students learn about a subject through the experience of solving an open-ended problem found in trigger material. The PBL process does not focus on problem solving with a defined solution, but it allows for the development of other desirable skills and attributes. This includes knowledge acquisition, enhanced group collaboration and communication. The faculty members were explained the steps and pedagogy of problem Based learning (PBL). Handout on the process and execution of PBL was given to all participants.

REPORT OF 'Intellectual Property Rights: Its Relevance in Academics'

Title:	Talk on "Intellectual Property Rights: Its Relevance in Academics"
Date and year:	16/01/2020
Venue:	D-302
Resource person/s:	Dr. Lactina R Gonsalves
Organising Committee	Research, Consultancy and Extension Activity Committee (RCEA)
No. of Participants	55 (S.Y.BSc Students)
Objective:	To create awareness on the Need and Importance of Intellectual Property rights among faculty and students and its relevance in academics.
Summary of the proceedings	The Talk on "Intellectual Property Rights: Its Relevance in Academics" was conducted for S.Y.BSc students of Chemistry so as to bring an awareness on the need and importance of intellectual property rights in today's society irrespective of their educational background. The talk focused on explaining what is IPR, types of IPR, its benefits and how it is relevant to chemistry and academics. The students were also informed about how the College promotes IPR through its policy.

Resource person/s:	Dr. Nandini Vaz Fernandes
Organizing Committee	Research, Consultancy and Extension Activity Committee (PCCAS-RCEA) and Internal Quality Assurance Cell (PCCAS-IQAC).
No. of Participants	22 Faculty members (representatives from all departments).
Objective:	<p><i>The Seminar was conducted to create awareness on :</i></p> <ul style="list-style-type: none">- Need and importance of Intellectual Property Rights (IPR) among the faculty and students.- Initiatives by Chowgule College to promotion awareness of IPR.
Summary of the proceedings	<p>The Research Committee and IQAC organised Seminar on " IPR: It's Relevance in Academics" on 14th December, 2019 in the AV Room of Centre for Teaching learning. A group of 22 teachers were selected to represent each department. The objective of the seminar was to create awareness on need and importance of Intellectual Property Rights (IPR) and IPR promotion at Chowgule College. The session was conducted by Dr. Nandini Vaz Fernandes, who covered various aspects of IPR viz patents, trademarks, industrial designs, Geographical indications, copyrights and related matters and discussed its relevance in academics/education institution.</p> <p>Following topics were discussed during the seminar viz. what is IPR, types of IPR and relevance of IPR in academics. Synopsis of the discussion is given below:</p>

There are two main types of intellectual property rights (IPR).

1. Copyrights and related rights
2. Industrial property

COPYRIGHT AND RELATED RIGHTS: Rights related to:

- Performing artists in their performances,
- Producers of phonograms in their recordings
- Broadcasters in their radio and television programs.
- Includes literary and artistic works such as :Novels, Poems And Plays, Films, Musical Works, Artistic Works Such As Drawings, Paintings, Photographs And Sculptures, Architectural designs.

INDUSTRIAL PROPERTY:

- Inventions (Patents) – process or product (20 yrs)
- Trademarks – symbols/signs /style of packaging.
- Industrial Designs
- Geographic Indications Of Source

ADVANTAGES OF INTELLECTUAL PROPERTY RIGHTS

- If you create a product, publish a book, or find a new drug, intellectual property rights ensure that you benefit from your work.
- These rights protect your creation or work from unfair use by others.
- Encourages individuals to distribute and share information and data instead of keeping it confidential.
- Provides legal defence and offers the creators the incentive of their work.

IPRs IN ACADEMICS: Faculty or personnel, students, and staff of the academic institution.

- 1) Copyright – by Journal for Research publication.
- 2) Scholarly and academic work:
- 3) Patent Rights
- 4) Learning Resources

The session also included discussion on revenue sharing, infringement of IPR, and IPR Policy of Chowgule College. College has formulated IPR policy to facilitate filing of applications for patents and other IPR, to enable faculty or personnel, students, and staff of the academic institution to get due credit for their works through IPRs and to recommend financial assistance for filing IPR, by

the faculty and students of the Institute as per the norms of the institution.
The session concluded with vote of thanks proposed by Dr. Ashish Dessai, co-convenor of PCCAS-RCEA.

REPORT – SEMINAR ON "METRICS AS A MEASURE OF SCHOLARLY ARTICLES"	
Title:	"Metrics as a Measure of Scholarly Articles"
Date and year:	14 th December 2019
Time:	10.00-11.00 a.m.
Venue:	Auditorium
Resource person/s:	Dr. V GOPAKUMAR
Organizing Committee	Research, Consultancy and Extension Activity Committee (PCCAS-RCEA) and Internal Quality Assurance Cell (PCCAS-IQAC).
No. of Participants	21 Faculty members
Objective:	<p><i>The Seminar was conducted to: :</i></p> <ul style="list-style-type: none"> - To facilitate faculty members to compute H Index (Bibliometrics). - Facilitate Quality publications.
Summary of the proceedings	<p>The Research Committee and IQAC organized Seminar on "Metrics as a Measure of Scholarly Articles" on 14th December, 2019 in the Auditorium. The resource person was Dr. V Gopakumar, Librarian of Goa University, who discussed the method of calculating H index.</p> <p>The inaugural session was presided by Principal, Dr. Nandkumar Sawant, who welcomed the resource person and briefed the participants on the Importance of the seminar.</p> <p>The session on bibliometrics included calculation of H index from Web of Science and Scopus and process of checking citations and method of calculating 'Institutional H Index', where he demonstrated the process of calculation of data of 'Goa University'.</p> <p>He also stressed on the need for having 'Quality publications' and stated that it is mandatory for faculty members to give institutional affiliation for research publications. He demonstrated the use of 'Mendeley' for writing quality research papers with easy sourcing of reference material pertaining to area of research and finding appropriate journal for publishing ones research work.</p> <p>The session concluded with vote of thanks proposed by Dr. Ashish Dessai, co-convenor of PCCAS-RCEA.</p>

Revised Email- Workshop on LOCF

Inbox

Dr.Nandakumar Sawant <principal@chowgules.ac.in> Thu, Jul 23, 2020,
1:42 PM

to HOD, Nandini, DEBASISH, Shaila, Nandakumar

To,
Heads of All Departments

Kindly ignore the earlier email.

A Workshop on LOCF will be conducted on 24.07.2020 from 2.30 pm to 4.00 pm for all the departments. From 2.30 pm to 3.00 pm there will be a session on google meet and thereafter hands on preparation of the document, faculty wise from 3.00 pm to 4.00 pm at the venues mentioned below

The link for the google meet is <https://meet.google.com/ger-xbvz-ijs> and for hands on the location are as follows:

- 1.Life Sciences-Zoology Lab.
- 2.Natural Sciences-Physics Lab.
- 3.Languages-Photogrammetry Lab
4. Social Sciences-Biotechnology Lab.

You are requested to prepare the listed document as per the order given below and bring along for the workshop:

Flow of information for preparation of LOBE document is as follows:

- 1.Introduction (about the Programme)- a paragraph 4-5 lines.
- 2.Objective/ Aim of BA/BSc Programme- (Mission statement of the department).
- 3.Overview of Department- about faculty, infrastructure, activities, progression highlights.
- 4.Graduate Attributes: what your students will acquire.
- 5.Qualification descriptors: course objectives.
- 6.Programme Learning Outcome (PLOs)
- 7.Course Structure: Template
- 8.Course Description: Brief description of each course.
- 9.Course Learning Objectives (CLOs):

10. Teaching-Learning-Evaluation Pedagogies: list all methods used in the department.
11. Activities of the Department.
12. Course Syllabus.
13. Learning Outcome Matrix : Templates attached in the guideline document.

Attached herewith is the guideline document for your reference. Also, refer the LOCF document of your programme on the UGC website.

You can bring any DFC member or even a secretary for your assistance.

Please bring along your own laptop.

Prof. Nandakumar Sawant
Principal

to HOD, Nandini, DEBASISH, Shaila, Nandakumar

To,
Heads of All Departments

A workshop on LOCF will be conducted on 24.07.2020 at 2.30 pm faculty wise. The Venue will be intimated by the respective Deans accordingly.

You are required to prepare the following material and come for the workshop.

Flow of information for preparation of LOBE document is as follows:

1. Introduction (about the Programme)- a paragraph 4-5 lines.
2. Objective/Aim of BA/BSc Programme- (Mission statement of the department).
3. Overview of Department- about faculty, infrastructure, activities, progression highlights.
4. Graduate Attributes: what your students will acquire.
5. Qualification descriptors: course objectives.
6. Programme Learning Outcome (PLOs)
7. Course Structure: Template
8. Course Description: Brief description of each course.
9. Course Learning Objectives (CLOs):
10. Teaching-Learning-Evaluation Pedagogies: list all methods used in the department.

11. Activities of the Department.
12. Course Syllabus.
13. Learning Outcome Matrix : CLO/PLO only for first year.

Attached herewith is the document for your reference (model copy).Also, UGC website for your discipline specific LOCF.

Note:Two more documents will be sent to you in a short while.

REPORT OF WORKSHOP

Title:	“Academic Writing and Integrity”
Date and year:	Tuesday 07th January 2020.
Venue:	Conference Room
Resource person/s:	Dr. NandiniVazFernandes and Ms. Anila.K.P.
Organising Committee	Teaching Learning Centre and IQAC
No. of Participants	12
Objective:	The main objective of the workshop was to make the new teachers aware of the significance of practicing ethical values in academic writing and also, to brief up on assignment writing with its various essential components and rubrics.
Summary of the proceedings	<p>Academic Writing and Integrity aims at bringing moral code of academia. It involves using in an ethical, honest and responsible manner. Integrity embodies the fundamental core values of honesty, trust and responsibility which is an essential quality to develop among the teachers and spread it among the students.</p> <p>The workshop began at 2.30 pm in the Conference room by Dr. NandiniVazFernandes. The workshop began with the introduction of each faculty. The workshop was divided into two sessions. The first session was conducted by Dr.NandindiVazFernandes. She spoke on the importance of Academic writing with special reference to Assignment writing. The various components of Assignment were discussed briefly and also the rubrics of mark distribution was shown. Further, the format of the Assignment followed by college was discussed and displayed. Also, she spoke on the plagiarism policy and its seriousness in Academic Writing. This session ended by 3.30 pm.</p> <p>The second session began at 3.30 pm by Ms. Anila K.P. She spoke on the Academic Integrity with special reference to plagiarism and Referencing. Here the teachers were briefly introduced to Plagiarism and how one can avoid it. She also highlighted the importance of referencing/citation of the resources and gave a demonstration on how to do citation by two methods in APA style. The following session concluded at 4.30 pm.</p> <p>The workshop on “Academic Writing and Integrity” was quite effective It took full consideration of the faculties need and develop their understanding on Assignment Writing and its various components. It also helped the faculties to know more about plagiarism, its dangers and how one can avoid it by incorporating various techniques. Faculties were familiarised with the APA style of referencing/bibliography and also, the Plagiarism policy</p>

REPORT ON RESEARCH PRESENTATION COMPETITION

A PART OF SCIENCE MEGAFEST

On Tuesday, 25th February 2020

Organised by: Deans, Faculty of Physical and Earth Sciences, Life Sciences,
Social Sciences, Languages and Literature

Presentation Competition sponsored by: DBT Star College Scheme

Logistic Support by: Executive Assistant to Deans with the assistance of 16 Volunteers.

Total No. of E-Presentations were: 47 Total No. of attendees in Students: 220 Staff: 21

Venue	Time	Faculty	Presentations Presented	Faculty-wise Attendees		Judges
				Students	Staff	
Lower Auditorium	11.00-06.15	Life Sciences:	13	90	-	J1-Prof. G N Nayak
						J2-Dr. Arnab Banerjee
Upper Auditorium	10.00-02.45	Physical & Earth Sciences:	25	109	15	J3-Dr. Satish Kelusakar
						J4-Dr. Mithal Fal Desai
Block-D classroom 301	10.00–01.30	Social Science:	8	59	-	J5-Dr. E.M.Travassos
						J6-Dr. Arvind Haldankar
AV Room	10.00-01.10	Languages & Literature :	10	52	06	J7-Dr. Glenis Mendonca
						J8-Prof. Vaishnavi Raiker
Total			47	220	21	8

Feedbacks from Judges:

- J1:** 1.Happy to be part of this research Presentations it was very encouraging.
2.At the graduate students level approach appreciable scientific approach.
3.Few suggestions were made for improvement in presentation.
4.Wish all the students good luck.
- J2:** The college is doing recommendable work in inculcating basic & applied research among BSc. Students. The work they have presented are of scientific values. They however need to improve in some basic things such as uniformity of citing references, writing scientific names, analyzing data statistically and proper graphical representation of their data.
- J3:** Students responded well for this presentation activity based on their project work. Some of the work done is really appreciable. Some community related work is also done, can be continued further in collaboration with NGO's.
- J4:** Presentation is a positive approach to contribute to the growth and development of the students. Students will definitely benefit by such activity. All the best.
- J5:** A very good initiative. Programmes such as this Research Presentation competition for students should be continued as timely and much needed as they encourage students to do research.
Overall the eight groups that made the presentations made a good effort to compile and analyse data and come out with research findings. It has also an opportunity for the students to learn from others and improve their methods of doing research study. Overall the programme that ran from 20.00 am. To 01.30 p.m. was a good learning exercise for students.
- J6:** A total of 8 teams participated in the research paper presentation competition. All the groups have put in a good effort to prepare and present their studies in line with the requirement of research. I appreciate the efforts put in by the research guides in assisting the young scholars.
- J7:** The power point presentation on research topics taken up by Third year students of varied language department through this competition was commendable. The scholars / students presented very well. It was praise worthy and admirable to see TY students reach the level of M.Phil scholars making their pre-synopsis in 10 mins. Kudos to the DBT star college scheme and to the institution, its Principal and Deans particularly to Dr. Hanumant Chopdekar and his team. Keep smiling!!!
- J8:** Chowgule Mahavidhyalayat Bhurgyacho Prkalp Sadrikaran khub Barya Padhatin sadar zhalo. Hatutlyan Bhurgyak swatache vichar mandpak bari hav melata. Ashech taren burgyak sand melachi ani phudarak bare sanshodan zavche.

Parvatibai Chowgule College of Arts and Science

Autonomous

Accredited by NAAC with Grade A⁺ (CGPA Score 3.41 on a 4 Point Scale 3rd cycle)

Best affiliated College-Goa University Silver Jubilee Year Award

REPORT ON PRERNA DIWAS

Organised Poster presentations by: Deans, Faculty of Physical and Earth Sciences, Life Sciences, Social Sciences, Languages and Literature

Poster Competition sponsored by: DBT Star College Scheme

Logistic Support by: Executive Assistant to Deans with the assistance of 23 NSS & 4 other Volunteers.

Total No. of Posters Presented were: 97

Total No. of attendees in Students: 931 Faculty members: 87 Staff: 03

Overall review: Very Good

Brief Note: An event wherein Third year students presented their projects in form of poster presentation. This is an opportunity for them to display their work and gain experience to present before the audience and answer their random questions put forth to them on their selected topic as well as to know the motivation that lead them to work on that topic. Furthermore it's also a opportunity for the First and Second year students to explore and know about the struggles, efforts and achievements that their seniors have gone through in doing their projects and these experiences provide an idea to the juniors to improvise their time of preparing projects and posters during their tenure in third year.

Day, Date	Venue	Time	Details			Feedbacks			
			Details	Posters presented	Day-wise Attendees	O/s	V.Gd	Gd	Moderate
Thursday, 27 th February 2020	Quad	09.00-01.00	- For T.Y. Students: Social Science: Languages & Literature :	23 22= 45	85 59				
		10.00-01.00	- For the Faculty members: Staff:		38 1	4	14	3	-
		10.30-11.30	- For F.Y. Students: - For S.Y. Students:						
		11.30-12.30	Social Science: Languages & Literature:		158 67	5	48	12	2
Friday, 28 th February 2020	Quad	09.00-02.00	- For T.Y. Students: Life Sciences: Physical & Earth Sciences:	20 32= 52	84 127				
		10.00-02.00	- For the Faculty members: Staff: Guest:		49 2 1	3	9	1	-
		10.30-11.30	- For F.Y. Students & - For S.Y. Students:						
		11.30-12.30	Life Sciences: Physical & Earth Sciences:		196 155	60	54	20	3
Suggestions:	Total			97	1022	72	125	36	5
Dates	Staff			Students					
27.02.2020	1. Need more confident, clear in their statement; need more space for providing suggestion. 2. Require a formal inaugural function. 3. All to maintain same format. 4. Students to be provided with resting facility (chairs) 5. Need to take lot of efforts to present their projects lucidly.			1. Require to be in more order. 2. Could be more better. 3. Font size should be bigger. 4. Require guide to take to the charts / posters.					
28.02.2020	-			1. Should explain in more proper order. 2. Need to speak louder. 3. Require proper ventilation.

**PARVATIBAI CHOWGULE COLLEGE OF ARTS & SCIENCE
(AUTONOMOUS) - GOGOL, MARGAO-GOA**

RESEARCH COMMITTEE (PCCAS-RCEA) & IQAC

REPORT ON WORKSHOP ON RESEARCH DATA MANAGEMENT	
Title:	Research Data Management' for facilitating H Index calculation (Bibliometrics)
Date and year:	14 th November 2019
Venue:	Auditorium
Resource person/s:	Dr. Nandini Vaz Fernandes
Organizing Committee	Research, Consultancy and Extension Activity Committee (PCCAS-RCEA) and Internal Quality Assurance Cell (PCCAS-IQAC).
No. of Participants	17 Faculty members.
Objective:	<i>The Hands-on workshop was conducted to facilitate faculty members to :</i> <ul style="list-style-type: none">- Connect Achievements and Contributions on Global Registry” – Register with ORCID and PUBLON.- Calculate H index of author.
Summary of the proceedings	<p>The Research Committee and IQAC organized Hands-on Workshop on "Metrics as a Measure of Scholarly Articles " Research Data Management' for facilitating H Index calculation (Bibliometrics) on 14th December, 2019 in the Auditorium.</p> <p>As a prerequisite for the workshop, participants were asked to organize their publication list in APA format and bring it for the workshop on their respective laptops. Participants were also asked to get information related to their publications viz. research journal papers, articles, books, chapters, dramas or any other work created by them.</p> <p>Dr. Nandini Vaz Fernandes, gave a introductory session on Research data management, followed by demonstration of how to upload data on ORCID and PUBLON. All members of Research committee helped the participants to register for ORCID and PUBLON.</p> <p>The participants calculated their H index and were also enlightened on its relevance. The session concluded with vote of thanks proposed by Dr. Ashish Dessai, co-convenor of PCCAS-RCEA.</p>

REPORT
WORKSHOP ON 'BUILD YOUR E-PORTFOLIO'
FOR THE SECOND YEAR STUDENTS OF LIFE SCIENCE
(Biotechnology, Biochemistry, Botany, & Zoology)

Title:	Workshop on 'Build your E-Portfolio'
Date and year:	24 th August 2019
Venue:	Lower Auditorium (1.30 – 3.30 pm)
Resource person/s:	Mr. Andrew Barreto
Organising Committee	Dr. Nandini Vaz Fernandes- Dean, Faculty of Life Science, Assistance & Logistic Support by: Ms. Bhavana Sawardekar, Executive Assistant
No. of Participants	75
Objective:	To enable students to submit their work as 'E-Portfolio' for 'Skill Enhancement courses' as Summative Assessment.
Summary of the proceedings	<p>Dr. Nandini Vaz Fernandes welcomed the life science students and explained the necessity for organizing the said workshop and provided a brief introduction of the resource person. She said that developing Portfolio encourages students to become active participants in understanding their own learning. A total of 75 students from Second Year BSc of Life science departments attended the workshop.</p> <p>Mr. Andrew Barreto, Resource Person explained the purpose and the importance of the E-portfolio to the students. He highlighted on the following:</p> <ol style="list-style-type: none">1. Why is it required?2. How it is useful.3. How to create it.4. What goes in it.5. Where it can be used. <p>He explained the process on creating E-Portfolio and explained that Process Portfolio needs to showcase all the evidences required to prove the learning outcomes in the given time, in addition, it integrates reflection and higher-order cognitive activities. The site recommended was https://sites.google.com. A presentation on the process was shared with the students.</p>

Report

Workshop on “Power Point Presentation”.

Held on Saturday 21st December, 2019.

Introduction:

PowerPoint presentation is an amazing tool for any teacher to use because it helps those who fall under the three types of learning styles: auditory, visual, and kinaesthetic. PowerPoint presentations enable teachers to increase the quality of written materials and visuals they present to the students in the class. The workshop highlighted on “What makes a Good Power Point Presentation?” The resource person was Dr.Nandkumar Sawant, Principal ParvatibaiChowgule College. The pre-requisite of the workshop was each faculty had to get their laptop and have a power point presentation.

The workshop was conducted on Saturday 21st December 2019, in the Conference room from 10:30 a.m. to 1.00p.m. The workshop was attended by 16 new staff members.

Objective: The main objective of the workshop was to make the new teachers aware of how to make a good power point presentation.

Synopsis of the Workshop:

The workshop began at 10.30 am in the Conference room by Dr.Nandkumar Sawant, Principal. The workshop began with the introduction of each faculty. The agenda of the workshop was discussed by the principal. The faculties were asked to volunteer to present their power point presentation. Four faculties presented their power point presentations during the workshop. After observing each presentation, the faculties were asked to note down what they observed in the presentation.

After the presentations by faculties, the Principal, also made his presentation. In his presentation, he discussed what makes a good presentation. He also highlighted, the components such as agenda, introduction, discussion, summary and a bibliography, etc., that an effective presentation must have. Further, he also made discussions on the format being used for presentations in the college.

Followed by the presentation made by the Principal, there was a hands-on training for all the faculties wherein they were made into teams. The faculties had to incorporate their suggestions and ideas in their presentation.

Outcome:

The workshop on power point presentation was quite effective and made the best use of the relationship between the presenter and the audience. It took full consideration of the audience's needs in order to capture their interest, develop their understanding, inspire their confidence and achieve the presenter's objectives.

REPORT

WORKSHOP ON ATTAINMENT OF COURSE OUTCOMES

Date:	21st June 2019	22 nd June 2019
Time:	09.30-11.00 - Faculty of Languages and Literature 11.00-12.30 - Faculty of Social Sciences 01.30-03.00 - Faculty of Physical and Earth Science 03.00-04.30 - Faculty of Life Sciences	09.30 – 01.30
Venue:	AV Room / Teaching Learning Center	Upper Auditorium
No. of Attendees:	60	68
Resource Person:	Prof. Umakant P. Kulkarni, Department of Computer Science, SDM College of Engineering and Technology Dharwad.	
Organized by:	IQAC under the leadership of Dr. Nandkumar N. Sawant and Dr. Shaila Ghanti	
Assistance and Logistic Support by:	Ms. Bhavana M. Sawardekar	
Photography by:	Tiger Studio	

Brief Note:

A 2 day workshop on ‘Attainment of Course Outcomes’ was conducted for all the faculty in order to revise the course outcomes as suggested by the Governing body.

On 21.06.2019, each discipline separately was explained the rational and significance of course outcomes for the fruitful accomplishment of the course objectives. One representative from each department was asked to present the course outcomes that were already framed for the given course. Only one course and its outcomes were deliberated, debated and the discussion resulted in modification and deeper understanding of the outcomes. Dr. Umakant Kulkarni looked and constructively criticized the written aspect of the outcome courses.

Pointers for drafting Courses Outcome are:

- To reflect what students will ‘do’ and ‘know’ at the end of the course. This will depend on the focus of the course.

Dr. Umakant Kulkarni, resource person offering suggestions to faculty Mr. Andrew Barreto at the Workshop on ‘Attainment of Course Outcomes’

Faculty presenting the Course Outcomes of the department at the Workshop on ‘Attainment of Course Outcomes’

- To use the action verbs at the beginning of the line.
- To be concise i.e. outcomes need to be narrowed down without losing its completeness.
- To be measurable and commensurate with the course evaluations.

On 22.06.2019, the workshop focused on 'Attainment of Course Outcomes'. Two sessions were conducted i.e. **i. Attainment of COs:**

All activities should be assessed or taken feedback.

Every question should comply with the marks and COs. Some outcomes might be met in the CA, some in the SEE or both. Determine a benchmark for every CO of a given course. This benchmark refers to minimum marks a student ought to score to say that the outcome has been attained. For

Prof. Umakant Kulkarni speaking to all the faculty members at the Workshop on 'Attainment of Course Outcomes'

COs at lower levels benchmark ought to be high, for COs at higher levels, benchmark can be low. However, benchmark should not be lower than 60%. To say that a CO has been attained, students need to score certain marks (according to the benchmark set) in the exam (all exams put together).

e.g. A particular CO is measured through 2 questions in two different CAs having the marks weightage as 10 + 8 marks = 18 marks. If 65% is the benchmark for that CO, it means that a student has to score 11.5 to attain the CO.

Maintaining a record of this in a tabular form will help us indicate how many students attained the CO. Those who fail to attain the benchmark need to be identified by the course teacher and an intervention needs to be carried out. Re-examination (in case of CA) or reflection of the CO in the SEE will indicate improvement and as such attainment of the CO.

Intervention can be done within a semester. After every CA, this can be done so that effect of corrective actions can be measured in SEE. Intervention can be done at the end of a semester for instance, by having a bridge course before the student enrolls for the course at a higher level. Intervention can be of different types and at different levels:

1. Pedagogical intervention that involves change in teaching methods
2. Curriculum level that involves changes in the syllabus
3. Support system that involves provision of laboratory, field visits etc.
4. Administrative level that involves changes in policy decisions.

ii. Mapping of Course Outcomes to Program Outcomes

All courses contribute to Program Outcomes (POs + PSOs); So begin with mapping COs to Pos. According to NBA, all COS contribute to POs at a certain level:

1. Level 3 – Substantial (industry relevance)

2. Level 2 – Moderate (in between)
3. Level 1 – Introductory (basic introduction to concepts)

Substantial in a BA degree program could mean ready for further education and not industry ready as students cannot seek jobs in the field with only bachelor's degree. Attainment of percentage for each PO is calculated as $\frac{3(x)+2(y)+1(z)}{3+2+1}$. Another option is to identify weightage of each CO to the PO then an average of this helps understand the contribution of the course to the PO.

Finally the vote of thanks was given by Dr. Sameena Faliero.

Action Plan:

1. All the course outcomes for the departments need to be revised based on the suggestions given by the resource person within 2 weeks.
2. The Course outcomes of a particular course which was discussed during the workshop needs to be modified and should be send to Prof. Umakant Kulkarni.

Feedback: Most of the faculty had a very good and good opinion of the workshop.

Suggestion/remark: Second workshop had many Repetition from the first and good for professional colleges.

4

REPORT OF WORKSHOP

Title:	“Plagiarism and Assignment Writing”
Date and year:	Thursday 23 rd January 2020
Venue:	Student Support Service Classroom
Resource person/s:	Ms. Anila.K.P.
Organising Committee	Writing Centre
No. of Participants	31
Objective:	The main objective of the workshop was to make the students aware of the significance of practicing ethical values in academic writing by avoiding plagiarism and also, to brief up on assignment writing with its various essential components.
Summary of the proceedings	<p>The development of information and communication technology plays a considerable role for students in writing their thesis. The positive side, it will help the students to find countless number of academic sources ranging from journal articles to complete their written work/research paper. On the other hand, the negative impact would be giving a chance for the students to commit plagiarism easier.</p> <p>This Workshop thus, aims to meet the present needs of the students ie: making aware of the moral code of academia that involves using an ethical and honest way of submitting their work which is an essential quality to develop among the students and they were also made aware of the plagiarism detection software used for detecting plagiarised writing.</p> <p>The workshop was divided into two batches, 12 students participated from SYBSc in the first batch and 19 students of FYBSc participated in the second batch respectively. The workshop for the first batch commenced at 10.30 am and winded up by 11:30am, similarly the second batch commenced at 12.30pm and concluded by 1:30 pmin the student support service room by Ms. Anila.K.P.Both the sessions began with discussing the importance of Assignment writing followed by discussion on the various components of Assignment. Thereafter, the students were briefly introduced to Plagiarism and how one can avoid it. Further the importance of referencing/citation of the resources was discussed and a demonstration on how to do citation was shown to the students.</p> <p>The workshop on “Plagiarism and Assignment Writing” was quite effective as the students were enlightened on the two important topics. It focused on the need of the student and develop their understanding on Assignment Writing and its various components. The students were thus made aware about plagiarism, its dangers and how one can avoid it by incorporating various techniques. Students were familiarised with the APA style of referencing/bibliography and also, the Plagiarism policy.</p>

A Brief report on the Workshop titled “Power Point Presentation”.

Held on Saturday 21st December, 2019.

Introduction:

PowerPoint presentation is an amazing tool for any teacher to use because it helps those who fall under the three types of learning styles: auditory, visual, and kinaesthetic. PowerPoint presentations enable teachers to increase the quality of written materials and visuals they present to the students in the class. The workshop highlighted on “What makes a Good Power Point Presentation?” The resource person was Dr. Nandkumar Sawant, Principal Parvatibai Chowgule College. The pre-requisite of the workshop was each faculty had to get their laptop and have a power point presentation.

The workshop was conducted on Saturday 21st December 2019, in the Conference room from 10:30 a.m. to 1.00 p.m. The workshop was attended by 16 new staff members.

Objective: The main objective of the workshop was to make the new teachers aware of how to make a good power point presentation.

Synopsis of the Workshop:

The workshop began at 10.30 am in the Conference room by Dr. Nandkumar Sawant, Principal. The workshop began with the introduction of each faculty. The agenda of the workshop was discussed by the principal. The faculties were asked to volunteer to present their power point presentation. Four faculties presented their power point presentations during the workshop. After observing each presentation, the faculties were asked to note down what they observed in the presentation.

After the presentations by faculties, the Principal, also made his presentation. In his presentation, he discussed what makes a good presentation. He also highlighted, the components such as agenda, introduction, discussion, summary and a bibliography, etc., that an effective presentation must have. Further, he also made discussions on the format being used for presentations in the college.

Followed by the presentation made by the Principal, there was a hands-on training for all the faculties wherein they were made into teams. The faculties had to incorporate their suggestions and ideas in their presentation.

Outcome:

The workshop on power point presentation was quite effective and made the best use of the relationship between the presenter and the audience. It took full consideration of the audience's needs in order to capture their interest, develop their understanding, inspire their confidence and achieve the presenter's objectives.

REPORT

WORKSHOP ON ATTAINMENT OF COURSE OUTCOMES

Date:	21st June 2019	22 nd June 2019
Time:	09.30-11.00 - Faculty of Languages and Literature 11.00-12.30 - Faculty of Social Sciences 01.30-03.00 - Faculty of Physical and Earth Science 03.00-04.30 - Faculty of Life Sciences	09.30 – 01.30
Venue:	AV Room / Teaching Learning Center	Upper Auditorium
No. of Attendees:	60	68
Resource Person:	Prof. Umakant P. Kulkarni, Department of Computer Science, SDM College of Engineering and Technology Dharwad.	
Organized by:	IQAC under the leadership of Dr. Nandkumar N. Sawant and Dr. Shaila Ghanti	
Assistance and Logistic Support by:	Ms. Bhavana M. Sawardekar	
Photography by:	Tiger Studio	

Brief Note:

A 2 day workshop on ‘Attainment of Course Outcomes’ was conducted for all the faculty in order to revise the course outcomes as suggested by the Governing body.

On 21.06.2019, each discipline separately was explained the rational and significance of course outcomes for the fruitful accomplishment of the course objectives. One representative from each department was asked to present the course outcomes that were already framed for the given course. Only one course and its outcomes were deliberated, debated and the discussion resulted in modification and deeper understanding of the outcomes. Dr. Umakant Kulkarni looked and constructively criticized the written aspect of the outcome courses.

Pointers for drafting Courses Outcome are:

- To reflect what students will ‘do’ and ‘know’ at the end of the course. This will depend on the focus of the course.

Dr. Umakant Kulkarni, resource person offering suggestions to faculty Mr. Andrew Barreto at the Workshop on ‘Attainment of Course Outcomes’

Faculty presenting the Course Outcomes of the department at the Workshop on ‘Attainment of Course Outcomes’

- To use the action verbs at the beginning of the line.
- To be concise i.e. outcomes need to be narrowed down without losing its completeness.
- To be measurable and commensurate with the course evaluations.

On 22.06.2019, the workshop focused on 'Attainment of Course Outcomes'. Two sessions were conducted i.e. **i. Attainment of COs:**

All activities should be assessed or taken feedback.

Every question should comply with the marks and COs. Some outcomes might be met in the CA, some in the SEE or both. Determine a benchmark for every CO of a given course. This benchmark refers to minimum marks a student ought to score to say that the outcome has been attained. For

Prof. Umakant Kulkarni speaking to all the faculty members at the Workshop on 'Attainment of Course Outcomes'

COs at lower levels benchmark ought to be high, for COs at higher levels, benchmark can be low. However, benchmark should not be lower than 60%. To say that a CO has been attained, students need to score certain marks (according to the benchmark set) in the exam (all exams put together).

e.g. A particular CO is measured through 2 questions in two different CAs having the marks weightage as 10 + 8 marks = 18 marks. If 65% is the benchmark for that CO, it means that a student has to score 11.5 to attain the CO.

Maintaining a record of this in a tabular form will help us indicate how many students attained the CO. Those who fail to attain the benchmark need to be identified by the course teacher and an intervention needs to be carried out. Re-examination (in case of CA) or reflection of the CO in the SEE will indicate improvement and as such attainment of the CO.

Intervention can be done within a semester. After every CA, this can be done so that effect of corrective actions can be measured in SEE. Intervention can be done at the end of a semester for instance, by having a bridge course before the student enrolls for the course at a higher level. Intervention can be of different types and at different levels:

1. Pedagogical intervention that involves change in teaching methods
2. Curriculum level that involves changes in the syllabus
3. Support system that involves provision of laboratory, field visits etc.
4. Administrative level that involves changes in policy decisions.

ii. Mapping of Course Outcomes to Program Outcomes

All courses contribute to Program Outcomes (POs + PSOs); So begin with mapping COs to Pos. According to NBA, all COS contribute to POs at a certain level:

1. Level 3 – Substantial (industry relevance)

2. Level 2 – Moderate (in between)
3. Level 1 – Introductory (basic introduction to concepts)

Substantial in a BA degree program could mean ready for further education and not industry ready as students cannot seek jobs in the field with only bachelor's degree. Attainment of percentage for each PO is calculated as $3(x)+2(y)+1(z)/3+2+1$. Another option is to identify weightage of each CO to the PO then an average of this helps understand the contribution of the course to the PO.

Finally the vote of thanks was given by Dr. Sameena Faliero.

Action Plan:

1. All the course outcomes for the departments need to be revised based on the suggestions given by the resource person within 2 weeks.
2. The Course outcomes of a particular course which was discussed during the workshop needs to be modified and should be send to Prof. Umakant Kulkarni.

Feedback: Most of the faculty had a very good and good opinion of the workshop.

Suggestion/remark: Second workshop had many Repetition from the first and good for professional colleges.

REPORT

Title:	Workshop on 'Mapping & Course Outcome Attainments'		
Faculty:	Science	Arts	
Date:	20th November 2020	21 st November 2020	
Timing: From: -To:	03.00 - 04.30 p.m.	12.00 - 1.55 p.m.	
No. of Participants	27 (Faculty: 26 and Admin. Staff: 01)	32 (Faculty: 31 and Admin. Staff: 01)	Total participants: 58
Venue:	Lower Auditorium		
Resource person/s:	Dr. Shaila Ghanti, Dr. Nandini Vaz and Mr. Abhishek Gudekar		
Organizing Committee:	The College through The Deans (Faculty of Physical and Earth Sciences, Life Sciences, Social Sciences, Languages and Literature)		
Objective:	To focus on attaining the Course Outcomes by mapping the courses to the Programme Learning Outcomes (PLOs) and Course Learning Outcomes (CLOs).		
Summary of the proceedings	<p>The College through Deans organized this workshop for the Heads and teachers teaching courses in First years. The workshop was divided into two days for science faculty and Arts faculty due to the SOPs laid down by Government and college for maintaining social distancing for COVID -19. The workshop was divided into three sessions i.e. Introduction/purpose for Course Outcome Attainment, Mapping of Courses and assessments to PLOs and CLOs and mechanism for CO attainments that could be implemented for all the First year courses.</p> <p><u>Introduction or Purpose for CO Attainment:</u></p> <p>First Speaker: Dr. Shaila Ghanti explained the purpose of this workshop. She spoke on why we need to map and attain course outcomes to our courses. Why every faculty members has to map their questions to their COs. How every course will be having its norms of setting targets / benchmarking, to analysis what is suited to acquire the attainment for once course/s. How we need to lay parameters students individual achievements and the whole class as an achievement. She focused on its requirement or need of an hour and a brainstorming question to analysis and come up with individual suggestions and experiences in arriving at a standardized common mechanism in certain matters. She further mentioned it will not be a final structure as when we try out this process most of the teachers will realise where they might need to modify / improvise their teaching and / evaluation methodologies.</p> <p><u>Mapping of Courses and Assessment Modes to Course Outcomes:</u></p> <p>Second Speaker: Dr. Nandini Vaz Fernandes explained the importance of the LOCF document prepared by every dept. and to understand the meaning of preparing the same by knowing the guidelines laid down by UGC and how it is connected with mapping and attainment of courses, how it will serve as a guidelines for teacher for teaching their course/s. She explained the depth of the minutely structured mechanism of mapping the course/s with the PLOs and CLOs followed in by their department, which covers direct and indirect methodologies of mappings. An explanation on direct mapping refers to question and answer pattern given in terms of examinations (Continuous Assessments (CA) and Semester End Examination (SEE)) wherein indirect mapping refers to students participation / involvement in developing skills</p>		

through extracurricular i.e. departmental or college activities, sports, NSS, NCC etc. She asked the faculty members to re-look into the syllabus if connected to all PLOs and CLOs, analysis if the portion / courses are linked with PLOs and CLOs, by doing this the teachers may have to rethink on changing their way of teaching / evaluating the students based on their PLOs and CLOs.

Mechanism to attain Course Outcomes:

Third Speaker: Mr. Abhishek Gudekar explained and demonstrated the excel sheet mechanism prepared by him to acquire the CO Attainment wherein by entering the marks only in one sheet everything else is taken care automatically including arriving at the levels in other excel sheets. He showed the mechanism wherein how all the COs are mapped to the questions in the question paper/s. E.g. CA1 in Computer Science question paper: question no. 1 covers CO1 similarly question no. 2 cover CO2 and 3 and so on. Further he also mentioned passing marks and threshold laid may not be the same. This mechanism developed is presently only for direct modes of assessments i.e. examination pattern of curriculum.

Discussion / the interactive Session of the participating teachers:

Teachers discussed on matters that came to their minds like

1. Why we should start this process of CO attainment when UGC has still not come-up on it and once they come up with their mechanism we will have to re-do everything again in that method.

UGC has come-up now in adopting POs and COs whereas we have already started much in advance which has made our work easier similarly we coming up on a strategy on our own will make our mechanism in attaining course outcomes which will ease up for us only. And UGC may adopt our mechanism if found suitable. Presently there is no defined mechanism for disciplines like us.

2. Engineering Colleges can come up with a defined mechanism but how can such a mechanism be suitable to disciplines like ours and specially the Arts section?

We have to come up with a mechanism that will suit our disciplines but to arrive at such a mechanism we need to start with some mechanism where we will also improvise and come up with a proper mechanism that will suit our type of discipline / colleges.

3. Can we as a college go step by step slowly in doing this process in such a scenario when NAAC preparation is also there and the phase of pandemics which has laid to online teaching?

Yes we as college have already started this process for the last two year in steps, now is the time we take next step mapping and on a trial basis apply only to FY courses.

4. Can we come up with a mechanism which is simpler?

Yes we can, but for this all have to contribute their inputs in arriving at this mechanism and provide their strategy in a transparent and clarity manner, where there is no doubt.

5. Whether the Course attainment will be reflecting in the marks sheets of the students?

Presently No, as it has to be worked for three years and then we also have to come-up with a standardized pattern/structure to implement the same in the mark sheets of the student.

6. How are we going to improve / analysis students are going to attain these skills only after completion of their third year?

We need to work on a certain pattern / structure to arrive at a conclusion whether this structure/strategy/pattern will be useful for our disciplines in acquiring Course attainments. One can give their input / feedbacks to the students at their

levels in the mean while so they can improve or achieve skills.

Suggestion: To keep a hand on workshop wherein the faculty members come with their laptops, CA1 question papers and marks scored by their students and enter the same during the workshop with proper guidance.

Logistics support was provided by Ms. Bhavana M. Sawardekar. Photography was done by Tiger Studio.

Title:	Workshop on 'Finalizing Course Outcome Attainments to be implemented for all courses'		
Date and Timing:	31 st October 2020	From: 12.00 p.m.	To: 1.55 p.m.
Venue:	Lower Auditorium		
Resource person/s:	Dr. Shaila Ghanti, Mr. Abhishek Gudekar, Rupali Tamuly and Sobita Kirtani		
Organizing Committee:	The College and The Deans (Faculty of Physical and Earth Sciences, Life Sciences, Social Sciences, Languages and Literature)		
No. of Participants	27 (Faculty: 26 and Support Staff: 01)		
Objective:	To focus on attaining the Course Outcomes by taking inputs from the faculty and formulating a strategy to do the mapping of courses.		
Summary of the proceedings	<p>The College through Deans organized this workshop in order to finalize the CO attainments that could be implemented for all the courses.</p> <p>First Speaker: Dr. Shaila Ghanti gave a warm welcome and explained the purpose of this workshop. She further did a small presentation as how as a teacher we carry out our work in form of small activities i.e. Pre-planning of a class lecture etc.</p> <p>Second Speaker: Mr. Abhishek Gudekar explained the strategy and the methodologies used by him in mapping the courses to their Course Outcomes in a very systematic and structured way. He also explained the benefits and the observation of improving his course evaluation to acquire the course outcomes.</p> <p>Third Speakers: Ms. Rupali Tamuly explained how the teaching learning of the courses were conducted to acquire course outcomes.</p> <p>Fourth Speaker: Ms. Sobita Kirtani also spoke on the similar lines about the teaching learning methodologies.</p> <p>All the above sessions with the speakers were very healthy interactive sessions where in most of the faculty members kept forth their difficulties while attaining COs and held up with the mapping of the course with their COs.</p> <p>All the faculty members suggested that all teachers teaching in First years should compulsorily map their courses to the COs whereas all other teachers should compulsorily work on atleast one course of one year to map their course to the COs.</p> <p>Comparing was done by Dr. Sachin Moraes. Logistics support was provided by Ms. Bhavana M. Sawardekar. Photography was done by Presly Fernandes, Tiger Studio.</p>

REPORT
WORKSHOP ON CHUNKING

Organised by: Centre for Teaching Learning

Resource Person: Dr.(Ms).Sameena Falleiro

Dated: 6th August, 2020

Timing: 11:00 am - 12.30pm

Venue: Flipped Classroom of CTL

Number of Faculty attended: 05

Centre for Teaching Learning of Parvatibai Chowgule College of Arts and Science, Autonomous organised a One Day workshop on “Chunking” for Faculty Members of the College.

The main objectives of the Workshop were to introduce the concept of “Chunking” to the Faculty. This technique helps in organising and breaking down a video lecture into several related parts of information. In doing this the students find it easier to assimilate the information that the Faculty shares through videos.

Following were the topics that were covered:

Principle of Chunking: Breaking the content into smaller, meaningful units.

How to chunk content if you are creating your own video?

- Identify naturally occurring “pause” points.
- Pause points occur when:
 - An example can be given for the topic
 - Topic goes into greater details
 - There is a branching to a slightly different topic
 - There is a need for clarification via question
 - Do a demo; solve a problem; give an activity
- Above mentioned are “conceptual” pause points.
- Create a new video after each pause point.
- For **time-based** chunking: decide suitable time duration for the video such that the learner stays engaged. The video should not be too long.

How to chunk existing videos?

- If you find suitable videos that have been already created but are too “long”
 - Use video editing software to cut videos into shorter ones.
 - Tools – TubeChop, Youtube Trimmer, YTCropper

The Resource person explained the concept of chunking and shared the importance and various methods in which chunking can be done. The participants were later told to break into groups of their subject and work on a topic. Following which they had to present their chunked data.

The workshop ended at 12.30pm.

REPORT

Title:	WORKSHOP ON QUALITY INDICATORS
Date and year:	12 th , 14 th & 15 th June 2021
Venue:	Conference room & Centre for Teaching Learning
Resource person/s:	Respective NAAC Criteria Coordinators
Organizing Committee	Internal Quality Assurance Cell (IQAC)
No. of Participants	15
Objective:	Improvement in the quality under respective Criteria.
Summary of the proceedings	<p>Every Criteria Coordinator presented their criteria data and evidences. In most of the criteria following suggestions were provided.</p> <p>I. Reshuffling/ restructuring, rectifications, additions and deletion in matters, Including the word 'Institution' everywhere, data to be rechecked, structuring data in points.</p> <p>II. Some important implication were suggested such as:</p> <ul style="list-style-type: none"> - Acquiring software crash report from the authority duly signed as proof. - Title display boards - Orient students about NAAC quality indicators and the impact of their positive response. - Require to procure letter from Goa University for acquiring third place for best clean campus. - Draft college policy for the disabled.

Title:	Hands on training on Course Outcome Attainment
Date and year:	08/01/2021
Venue:	M.Sc IT Seminar Room
Resource person/s:	Mr.Abhishek Gudekar
Organising Committee	Center for Teaching Learning
No. of Participants:	8
Objective:	Training on Course Outcome Attainment
Summary of the proceedings:	Center for Teaching and Learning organised a hands on session on "Course Outcome Attainment" for the faculty members. Mr.Abhishek Gudekar, Assistant Professor in the Computer Science Department was the resource person. Session was attended by 8 Faculties. Resource Person gave a hands on session on the working of excel package, which is used to measure the course outcome. He showed the data entry in the package and also explained about the Course Outcome threshold and the levels of attainment.

REPORT: FACULTY DEVELOPMENT PROGRAM
BY IQAC- PCCAS**

FACULTY DEVELOPMENT PROGRAM	
Title:	RESEARCH BASED LEARNING (RBL)
Date and year:	9 th August 2021
Venue:	Auditorium
Organised by	Internal Quality Assurance Cell (IQAC) of Parvitibai Chowgule college.
Resource person:	Prof. Nandkumar Sawant Dr. Nandini Vaz Fernandes
No. of Participants	17
Objective:	learning the epistemologies and forms of discipline-based inquiry, Learn certain methods of teaching- Learning practiced and tested over a period of time.
Summary of the proceedings	<p>The FDP was organized by the Internal Quality Assurance Cell (IQAC) of Parvatibai Chowgule college on 09th August 2021. The workshop was organized for the faculty who are newly appointed in the last five years teaching undergraduate and Post graduate courses in Parvatibai Chowgule College, with an aim to empower them with hands on experience of research based pedagogies of teaching-learning-evaluation.</p> <p>The workshop was inaugurated by the Offg. Principal Dr. Shaila Ghanti, who spoke on the importance of this workshop. This was followed by the technical sessions and the hands on activity.</p> <p>Session 1: Prof. Nandkumar Sawant Topic: Goals and requirements of higher education. Why teacher needs to be compatible.</p> <p>Prof. Nandkumar Sawant, spoke on the need to relook at the teaching-learning-evaluation processes at higher education. He outlined that we as teachers of higher education institutions need to set a benchmark and integrate blooms taxonomy and focus on enhancing skills and abilities of the students.</p>

Session II : Prof. Nandkumar Sawant

Topic: Assignment writing

In the second session Prof. Nandkumar Sawant, gave a detailed explanation on the structure and process of assignment writing and how it can be integrated with research based inclusions as component of assignment. He cited examples in faculty of languages and social sciences, as to how research based assignments can be carried out with a well planned productive outcome which can even be published a finding. This requires a systematic process to be followed which was explained to the participants.

Session III : Dr. Nandini Vaz Fernandes

Topic: Problem Based Learning

Dr. Nandini Vaz Fernandes spoke on Problem based learning as research based learning pedagogy. Problem-based learning (PBL) is a student-centered approach of T-L-E process in which students learn about a subject by working in groups to solve an open-ended or real world problem. Her session focussed on:

- What is Problem Based Learning
- Preparing for PBL based learning
 - Teachers
 - Students
- Process of PBL
- Role of students
- Role of teacher

She laid emphasis on the preparations and skills required to execute problem based learning effectively. She gave an insight into how to orient students, how to prepare for executing PBL in class, and how to frame a good PBL activity.

Session 4: Hands on and group sharing

The technical sessions were followed by hands on activity on research based learning. The participants were provided with a handout describing the process to be followed and information on Blooms taxonomy.
