## REPORT

<b>Title:</b>	<b>WORKSHOP ON QUALITY INDICATORS</b>
<b>Date and year:</b>	12 <sup>th</sup> , 14 <sup>th</sup> & 15 <sup>th</sup> June 2021
<b>Venue:</b>	Conference room & Centre for Teaching Learning
<b>Resource person/s:</b>	Respective NAAC Criteria Coordinators
<b>Organizing Committee</b>	Internal Quality Assurance Cell (IQAC)
<b>No. of Participants</b>	15
<b>Objective:</b>	Improvement in the quality under respective Criteria.
<b>Summary of the proceedings</b>	<p>Every Criteria Coordinator presented their criteria data and evidences. In most of the criteria following suggestions were provided.</p> <p>I. Reshuffling/ restructuring, rectifications, additions and deletion in matters, Including the word 'Institution' everywhere, data to be rechecked, structuring data in points.</p> <p>II. Some important implication were suggested such as:</p> <ul style="list-style-type: none"> <li>- Acquiring software crash report from the authority duly signed as proof.</li> <li>- Title display boards</li> <li>- Orient students about NAAC quality indicators and the impact of their positive response.</li> <li>- Require to procure letter from Goa University for acquiring third place for best clean campus.</li> <li>- Draft college policy for the disabled.</li> </ul>

(AUTONOMOUS)  
REPORT: FACULTY DEVELOPMENT PROGRAM  
BY IQAC- PCCAS**

<b>FACULTY DEVELOPMENT PROGRAM</b>	
<b>Title:</b>	<b>RESEARCH BASED LEARNING ( RBL)</b>
<b>Date and year:</b>	9 <sup>th</sup> August 2021
<b>Venue:</b>	Auditorium
<b>Organised by</b>	Internal Quality Assurance Cell (IQAC) of Parvitibai Chowgule college.
<b>Resource person:</b>	Prof. Nandkumar Sawant Dr. Nandini Vaz Fernandes
<b>No. of Participants</b>	17
<b>Objective:</b>	learning the epistemologies and forms of discipline-based inquiry, Learn certain methods of teaching- Learning practiced and tested over a period of time.
<b>Summary of the proceedings</b>	<p>The FDP was organized by the Internal Quality Assurance Cell (IQAC) of Parvatibai Chowgule college on 09<sup>th</sup> August 2021. The workshop was organized for the faculty who are newly appointed in the last five years teaching undergraduate and Post graduate courses in Parvatibai Chowgule College, with an aim to empower them with hands on experience of research based pedagogies of teaching-learning-evaluation.</p> <p>The workshop was inaugurated by the Offg. Principal Dr. Shaila Ghanti, who spoke on the importance of this workshop. This was followed by the technical sessions and the hands on activity.</p> <p><b>Session 1: Prof. Nandkumar Sawant</b> Topic: Goals and requirements of higher education. Why teacher needs to be compatible.</p> <p>Prof. Nandkumar Sawant, spoke on the need to relook at the teaching-learning-evaluation processes at higher education. He outlined that we as teachers of higher education institutions need to set a benchmark and integrate blooms taxonomy and focus on enhancing skills and abilities of the students.</p>

## **Session II : Prof. Nandkumar Sawant**

Topic: Assignment writing

In the second session Prof. Nandkumar Sawant, gave a detailed explanation on the structure and process of assignment writing and how it can be integrated with research based inclusions as component of assignment. He cited examples in faculty of languages and social sciences, as to how research based assignments can be carried out with a well planned productive outcome which can even be published a finding. This requires a systematic process to be followed which was explained to the participants.

## **Session III : Dr. Nandini Vaz Fernandes**

Topic: Problem Based Learning

Dr. Nandini Vaz Fernandes spoke on Problem based learning as research based learning pedagogy. Problem-based learning (PBL) is a student-centered approach of T-L-E process in which students learn about a subject by working in groups to solve an open-ended or real world problem. Her session focussed on:

- What is Problem Based Learning
- Preparing for PBL based learning
  - Teachers
  - Students
- Process of PBL
- Role of students
- Role of teacher

She laid emphasis on the preparations and skills required to execute problem based learning effectively. She gave an insight into how to orient students, how to prepare for executing PBL in class, and how to frame a good PBL activity.

## **Session 4: Hands on and group sharing**

The technical sessions were followed by hands on activity on research based learning. The participants were provided with a handout describing the process to be followed and information on Blooms taxonomy.

## ONLINE INDUCTION PROGRAM SNAPS

**Functions of IIC(1)**

- To conduct various innovation and entrepreneurship related activities prescribed by Central MIC as time bound initiatives.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/seminars/interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovations.
- Network with peers and national entrepreneurship development organizations.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.

1:00:56 / 1:59:16

**swayam**

Study Web of Active Learning by Young and Aspiring Minds (SWAYAM) is the National MOOCs (Massive Open Online Courses) portal being developed by MHRD, Govt. of India.

In order to ensure best quality content is produced and delivered, 7 National Coordinators have been appointed under SWAYAM.

GADDE K NAGALAKSHMI

1:32:21 / 1:59:16

The Induction programme began with the Offg. Principal, Dr. Shaila Ghanti welcoming the first year students to the college. She gave an introduction about the college, the structure of the college and stated its recent achievements.

This was followed by the address of Shri. Harish S.S. Nadkarni where he briefed on Code of Conduct-Rights & Responsibilities of Students.

The speakers for the event were Dr. Sameena Falleiro, Ms. Suchitra Bhat, Shri. Anand Masur who explained the students about the course structure in their respective batches. Dr. Meghana Devli and Shri. D. Prabhakaran addressed about the Examination & Evaluation structure of the college. Dr. Devashish Bagchi and Dr. Sachin Moraes explained about Non-evaluative credits which was followed by respective department visits. On 3<sup>rd</sup> Sept, 2021 there were 2 batches in the morning and two in the second half. On 4<sup>th</sup> Sep, 2021 there were two batches in the morning comprising of FY BA students only, the schedule is mention above.

On 4<sup>th</sup> Sep, 2021 online Induction program was conducted for all the first year students, four batches were made and google meet links were provided. The Schedule for the same is mentioned above.

Shri. D. Prabhakaran explained about Incubation to the students while Dr. Sachin Kakodkar, Mr. Lester Almeida and Mr. Lawrie Colaco briefed the students on Internships and placements. Ms. Sharmila Menezes explained about the Counselling services, Exchange Programme and assignment writing. Ms. G.V.K Nagalakshmi briefed students on NPTEL while Ms. Sobita Kirtani and Shri. Anand Masur addressed the students on Time Table.

### Feedback on the Induction Programme

As per the feedback received from the students,

By Alyssa Colaco, The induction programme was most efficient, very informative and it was quite encouraging and motivating which we needed because we are new and confused. All the faculty members were very interactive and patient. They explained interestingly the complex academic structure and made it partially simple. They made us feel quite secure about everything that has to be done. Taking into consideration the uncertain time the faculty was very considerate and understanding.

By Sacchi Talavikar, The program was very interesting. The teachers were very nice. They explained it very nicely. The auditorium was nice and social distancing was maintained well.

By Ms. Jaylonia, The Orientation started with a welcome & introduction speech by Ofg. Principal Dr. Shaila Ghanti. She gave us a brief introduction about the college. The college is accredited Grade "A" by NAAC. The college is also autonomous which grants it freedom to follow its own curriculum and move away from the traditional role learning method and implement more practical method of learning.

This was followed by the Vice Principal Sir. Harish Nadkarini who motivated the students with an inspiring talk about dreams and ambition and how one should strive for his goal and ambitions to be successful. Next Sir, Anand Masur wonderfully explained to us the course structure and the credit system.

Three Volunteers Ms. Joyti Pandey, Ms. Vinka Vishwambharan and Ms. Sabrin Shaikh were allotted by the English department who helped in coordinating the induction program.

The Induction program was successfully conducted with the help of the Offg. Principal Dr. Shaila Ghanti, Shri. H.S.S Nadkarini (VP), Dr. Sameena Falleiro, Ms. Suchitra Bhat, Shri. Anand Masur, Dr. Meghana Devli, Shri. D. Prabhakaran, Dr. Devashish Bagchi, Dr. Sachin Moraes, Shri. D. Prabhakaran, Dr. Sachin Kakodkar, Mr. Lester Almeida, Mr. Lawrie Colaco, Ms. Sharmila Menezes, Ms. G.V.K Nagalakshmi, Ms. Sobita Kirtani, Shri. Anand Masur, Anagha Dicholcar, Ms. Judith Barreto, Mr. Sanjaya Swain, Ms. Greta Almeida, Ms. Suveena Tamse, Ms. Reena Goes, Mr. Rajesh Naik, Mr. Uday Naik, Mr. Ishwar Kerkar, Mr. Ashfaque Haveri, Mr. Shamsundar Naik, Mr. Shekhar Gaude, Mr. Sudesh Manjrekar, Mr. Avinash kudnekar, Mr. Vinod Desai, Mr. Ranjit Mohanti, Mr. Pintu Malakar and Ms. Nina Coutinho.

<b>Organising Committee</b>	Off. Principal (PCCAS, Autonomous), Nina, Asst. Prof. Trupti Phal Desai, Asst. prof. Saroj Usgaonkar	
<b>Organized for:</b>	Inter-department Students and Faculties of Parvatibai Chowgule College of Arts & Science, Autonomous.	
<b>No. of Participants</b>	15 participants. Names of the participants as given below:	
<b>Objective:</b>	The programme was held for the new faculties of Parvatibai Chowgule College of Arts & Science, Autonomous who joined in the academic year 2021-22, to introduce new faculties about college autonomy and its course structure as well as the college as a system.	
<b>Summary of the proceedings</b>	<p>Parvatibai Chowgule College of Arts &amp; Science, Autonomous, held Induction Programme for its new faculties on 22<sup>nd</sup> October, 2021 at 2:00 pm in college’s lower auditorium. The speakers for the same are mentioned above.</p> <p>The aim of organising this event is to make institutes’ new faculties familiar with the college autonomy system, giving a brief understanding of college course structure, preparation for the academic audit and data collection, orientation on examination and evaluation for various courses held in the college, making aware of teaching &amp; learning methods and evaluation tools, discussion of professional ethics &amp; code of conduct, emphasise the role of Institute’s Innovation Cell (IIC) of the college,</p>	

explaining the process of Mentoring (mentor-mentee meet) and the discussing the role of a teacher as a mentor, importance of the Non-evaluative credits in the course structure and lastly regarding library resource utilization.

The programme started at 2:10 pm with the welcome speech of the Officiating Principal, Dr. Shaila Ghanti to all new faculties. She also explored them the autonomous status of the college as well as also presented different awards achieved by the college not just on state level but national level. Parvatibai Chowgule college is also selected as a Mentor-Mentee of IIC, MIC. Dr. Ananya Das systematically explained about course structure, Choice Based Credit System. Dr. Sachin Mores conveyed the idea and importance of academic audit and its documentation. Shri D. Prabhakaran gave an orientation on the examination and evaluation process for different courses as well as presented the Blooms taxonomy in preparing assessment for the students. Dr. Sameena Fallerio discussed various pedagogies (traditional/innovative) that can held in a classroom that can ensure students learning in a progressive mode. She also spoke on the professional ethics and code of conduct. Dr. Uma Masur presented the role of IIC cell of the college. Current the IIC cell of college running Mushroom cultivation (different types) and Herbal Products exportation in the international level. Dr. Sobita Kirtani delivered a lecture on mentoring process and stated its importance that it connects students with the teacher in a more familiar aspect where teacher/mentor becomes a medium to the students to understand college system, adjust in its environment. Mentor can ensure the holistic growth of the students by keeping their rapport. Dr. Devashish Bagchi spoke on the structure of Non-Evaluative Credits and how a mentor can ensure that students are able to complete their NEC credits. Lastly Ms. Poonam Joshi presented on the library facilities that college provide for students as well as teachers. She mentioned the site where faculties can register a book, e-journal, videos, CDs, etc. Also explained the due process of returning library content and its fees.

Asst. Prof. Trupti Phal Desai & Asst. Prof. Saroj Usgaonkar encored the Induction. The programme ended with the vote of thanks speech given by Saroj Usgaonkar.

<b>Title:</b>	<b>WORKSHOP ON OUTCOME BASED EDUCATION</b>
<b>Date and year:</b>	17 <sup>th</sup> December 2021
<b>Venue:</b>	Conference room
<b>Resource person/s:</b>	Dr. Shaila Ghanti on 'Introduction on OBE' Dr. Sameena Falleiro on 'Bloom's Taxonomy' Mr. Abhishek Gudekar on 'Course Outcome Attainment'
<b>Organizing Committee</b>	Internal Quality Assurance Cell (IQAC) in collaboration with Centre for Teaching Learning (CTL)
<b>No. of Participants</b>	12
<b>Objective:</b>	Enlighten and Orient the newly appointed faculty members the significance and methodologies of the Outcome Based Education in the present education structure.
<b>Summary of the proceedings</b>	<p>The workshop was started in the following schedule:</p> <p>Session 1: Dr. Shaila Ghanti with introducing the concept of Outcome based education (OBE), that is a thinking process what a teacher has to do to see that how they will develop their students with the objectives framed for the courses are actually implemented by the students once they reach in the industry. Two activities were undertaken i.e.</p> <ol style="list-style-type: none"> <li>1: Preparation for conducting a course by the teacher before class and</li> <li>2. Develop skill in the student as per the demand for a specific job</li> </ol> <p>Focus points were:</p> <ol style="list-style-type: none"> <li>1. Time Management</li> <li>2. Develop course/curriculum as per the demand of the market requirement.</li> <li>3. Research involved.</li> <li>4. Enhancing ability to adopt different techniques to deliberate and generate skills amongst the students by implementing different strategies.</li> <li>5. Assessing their knowledge / skills acquired through proper assessment mode of methods.</li> </ol> <p>Important aspect for teachers under OBE is defining, delivering and achieving through</p> <ol style="list-style-type: none"> <li>1. Course outcomes: Something that Industries / corporates require from their employees, hence curriculum has to framed accordingly.</li> <li>2. Programme Outcomes: What students should accomplish with certain skills.</li> <li>3. Programme Specific Outcomes: Very specific skills required by the programme.</li> </ol> <p>OBE Design:</p> <div style="text-align: center;"> <pre> graph TD     Vision --- Mission     Vision --- PEOP[Programme Education Outcome]     Mission --- PEOP     PEOP --- PO[Programme Outcome]     PO --- CO1[CO1]     PO --- CO2[CO2]     PO --- CO3[CO3]     GA[Graduate Attribute] --&gt; PO     </pre> </div> <p>Session 2: Dr. Sameena Falleiro explained the concept and importance of Blooms Taxonomy as how a teacher has to prepare their teaching methodology to reach the creation/innovation part of developing in students through their assessments.</p>

**Pointers:**

1. Cognitive: mental skill ( Knowledge)
  2. Affective: Growth in feeling (Attitude)
  3. Psychomotor: Manual / Physical Skills (Skills)
- Blooms Taxonomy is generating/ transforming students ability stage wise from lower level to higher level i.e. lower order to higher order.

Session 3: Mr. Abhishek Gudekar explained how to attain the Course outcomes. Every question framed for assessing should be related to the COs laid down and should be mapped appropriately. These structured COs should be quantified and provided appropriate marks which have to be incorporated in the software prepared to help derive the outcomes acquired by the individual student and also particular section of students in the class.

**Key points:**

1. Analysis the level of skills of Beginner level, Medium level and Lower level.
2. This is a continuous process of evolution i.e. creation, analysis, recreation as per the experience for improvement.

### REPORT

<b>Title:</b>	<b>WORKSHOP ON OBE MAPPING</b>
<b>Date and year:</b>	7 <sup>TH</sup> January 2022 (Friday)
<b>Venue:</b>	Online <a href="https://meet.google.com/ccs-aiay-bjb?authuser=0&amp;pli=1">https://meet.google.com/ccs-aiay-bjb?authuser=0&amp;pli=1</a>
<b>Resource person/s:</b>	Mr. Abhishek Gudekar Assistant Professor Department of Computer Science Parvatibai Chowgule College of Arts & Science (Autonomous)
<b>Organizing Committee</b>	Dr. Sameena Falleiro Associate Professor Department of Computer Science & Coordinator, Center for Teaching Learning
<b>No. of Participants:</b>	TOTAL:10 (Males: 04 Females: 06)
<b>Objective:</b>	'Outcome Based Education Mapping'
<b>Summary of the proceedings:</b>	<p>This is in continuation to the previous workshop held on 07.12.2021, the IQAC in collaboration with CTL, organized a Workshop on 'Outcome Based Education Mapping' on Wednesday, 07<sup>th</sup> January 2022 at 2.00 p.m., online through Google meet.</p> <p>Mr. Abhishek Gudekar, Assistant professor, Department of Computer Science, Parvatibai Chowgule College of Arts and Science (Autonomous) worked as resource person. Dr. Sameena Falleiro, Coordinated the event.</p> <p>Workshop was attended by</p> <ol style="list-style-type: none"> <li>1. Abhishek Gudekar</li> <li>2. Ashish Desai</li> <li>3. Centre for Teaching and Learning</li> <li>4. Danielle Monteiro</li> <li>5. Dr. Sanjay Gaikwad</li> <li>6. Padmini Panjekar</li> <li>7. Shermin Akbar Shaikh</li> <li>8. Swati Ghadi</li> <li>9. Vaidehi Vassudev Naik</li> <li>10. Vanessa Colaco</li> </ol>
	<ol style="list-style-type: none"> <li>1. In the beginning of the workshop coordinator Dr. Sameena Falleiro, welcomed all, thanked all for joining Webinar and stated that this workshop is a continuation of the OB Mapping workshop, which you all as a core team. She also welcomed resource person Mr. Abhishek of the session.</li> <li>2. Workshop aimed to             <ol style="list-style-type: none"> <li>a. display and share Mr. Abhishek's ideas as to he took input from the workshop of 7th December 2021, at the refined Excel sheet and the technique of doing OBE mapping, presented to all participants.</li> <li>b. And sharing participant's valuable inputs, clarifications, comments, so that Excel based framework for OB mapping can be updated.</li> </ol> </li> <li>3. Mr. Abhishek Gudekar stated that this is the second workshop on the OB mapping, based on some inputs from you all in the first workshop.</li> </ol>

- a. He has tried to incorporate those feedbacks in my Excel file. Regarding outcome based education, it is essential to calculate the course outcomes, which we can measure from two parts, one direct assessment and one is indirect assessment.
- b. The direct assessment comes from the theory and practical that is incorporated in the Excel based framework.
- c. He demonstrated the Excel framework with three modification i.e. Change in the question paper. (No optional question) all questions to be made compulsory. He deliberated on the question paper shared By Mr.Ashish Dessai, Assistant Professor, and Dept. of Physics. He shown changes and the way Co & PO can be mapped.
4. Second phase Mr. Abhishek demonstrated mapping CO and PO in Excel based framework at different levels. Also given instructions to enter the details of course and marks in respective CO PO.
5. He also discussed on reframing the question paper and CO PO mapping for practical and non-practical courses, possible issues related to CO PO mapping and entering marks in the framework specifically the attainment of CO PO. Shown several examples to elaborate on the issues and interpretation of the result. Also explained the way to analyze result with respect to attainment of CO in the ranges of threshold's
6. In the discussion it was proposed by Dr. Sanjay Gaikwad, Assistant Professor, and Dept. of Geography, to relook in to statement of CO OP to incorporate the way of mapping the attainments different levels.
7. Dr. Sameenaasked about rationalization of the template and also asked about when and how to start entering data in the template from teacher's perspectives.
8. Mr. Abhishek replied saying that from the first CA we need to start entering marks but before that we need to prepare question paper keeping in mind the COP PO and level of attainments and demonstrated the procedure after CA one.
9. Also had discussion on communication of the mode and way of evaluation to the student.
10. Also had discussion on target level and target description and Dr. Sanjay suggested to add last level as..Need Improvement. Sameena and Sanjay suggested to synchronize with criteria considered while admitting student in college and the passing percentage / minimum level of attainment.
11. How to differentiate between Skill attainment and marks attainment by student? Is the any relation between marks and skill student?
12. Mr. Abhishek replied that it is has to marked in terms of course outcome. That need to be linked with syllabus, framing of CA SE question paper and allotment of marks.
13. Discussion happen on the In action plan part of template where Mr. Abhishek connected it to the SWAYAM Course to frame action plan.
14. It was thought that this trained faculties will try this template at personal level just as trial / pilot attempt and then just see if it works for the ongoing semester. So the problem faced can be considered for improvement in the Excel based template.
15. Ms. Swati Ghadi and Dr. Ashish appreciated efforts taken by Mr. Abhishek and said that we will address issues related question paper patterns and the options given in it. There is no problem of trying irrespective of result.
16. Dr. Sameena linked this workshop with the NEP & IQAC target the outcome based education and recent SSRS to NAAC tells this the outcome based education, therefore lets experiment first before passing this to entire college. We will learn and see where to stop, what are the possible difficulties etc. as experiment. Ten we can document all the things.
17. Dr. Sameena asked Mr. Abhishek to share the template and thanked him for the efforts taken for the frame work.
18. Dr. Ashish suggest a pretest of conceptual test before the course state and repeat the test at the end of the course and measure the outcomes. This will relieve burden ad get some robust outcome. The test cover entire syllabus to estimate achievements. It needs more deliberation on this. Dr. Sameena supported and said that she will see the possibility of such things from other experts form the same fields.
19. Finally in conclusion Dr. Sameena thanked everyone for making the workshop successful.

## CENTRE FOR TEACHING AND LEARNING

REPORT ON	
<b>Title:</b>	<b>WORKSHOP ON FRAMING &amp; ATTAINMENT OF OUTCOMES</b>
<b>Date and year:</b>	19 <sup>TH</sup> JANUARY, 2022 (WEDNESDAY)
<b>Venue:</b>	ONLINE(Google Meet)
<b>Resource person/s:</b>	Dr.Lalitha Balakrishnan, Member General Council NAAC, Member Syndicate University of Madras.
<b>Organizing Committee</b>	Center for Teaching Learning & IQAC
<b>No. of Participants:</b>	01 (Resource Person) 41 (Chowgule College Faculty) TOTAL: 42 Males: 13, Females: 28
<b>Objective:</b>	Workshop on Framing & Attainment of Outcomes
<b>Summary of the proceedings:</b>	<p>The Workshop on “Framing and Attainment of Outcomes” was organised by IQAC and CTL.The Workshop started at 2:00 pm with Dr Sameena Falleiro briefing the participants about the objectives of having this workshop. Dr. Shaila Ghanti (Officiating Principal) introduced the resource person. The resource person Dr. Lalitha Balakrishnan took over and explained the agenda with the participants.</p> <p>Dr. Lalitha Balakrishnan explained about the quality loop that starts at the framing of course outcomes and ends at the attainment of outcomes.</p> <p>In her presentation she spoke about setting attainment targets,attainment of COs, Relating COs to the Assessment pointers, Strength of CO-PO Mapping and Overall CO-PO Attainment.</p> <p>She briefly explained about the examination system of the institution. She demonstrated the working of excel file which was created to measure the attainment of CO Attainment. She</p>

informed that in her institution 50 % weightage is for internal assessments and 50 % for Semester end examination. Internal Assessments marks are divided into 20:20:10 form. She informed that few exercises are given before the first Internal Assessment to judge the attainment target. The target is decided by the course Teacher. CO-PO mapping is also done by the course teacher. If a particular CO is highly related to a particular PO then 3 is assigned in the matrix. If CO is moderately related to PO then 2 is assigned and if CO is remotely related then value 1 is assigned. Based on the marks scored by the students in various assessments and the mapping of CO-PO , CO and PO attainment is calculated.

The participants then had a discussion with the resource person on the implementation of the outcome attainment exercise at the institute level.

<b>Title:</b>	<b>WORKSHOP ON BLOGGING AS A KNOWLEDGE SHARING TOOL</b>
<b>Date and year:</b>	1 <sup>st</sup> April, 2022 (Friday)
<b>Venue:</b>	Flipped Classroom
<b>Resource person/s:</b>	Mr. Malcolm Afonso, Assistant Professor, Department of Geology
<b>Organizing Committee</b>	Internal Quality Assurance Cell (IQAC) and Center for Teaching Learning (CTL)
<b>No. of Participants:</b>	16 (11-female, 05-male)
<b>Objective:</b>	To acquaint and encourage the faculties to use blogging as a knowledge sharing tool.
<b>Summary of the proceedings:</b>	<p>The IQAC in collaboration with the Centre for Teaching Learning organized a Workshop on “Blogging as a Knowledge Sharing Tool” on Friday, 01st April 2022 in the Flipped Classroom from 02:00 to 03:30 p.m. The resource person for the workshop was Mr. Malcolm Afonso, Assistant Professor, Department of Geology.</p> <p>On behalf of the Centre for Teaching Learning and IQAC, Dr. Sameena Falleiro welcomed the resource person, Mr. Malcolm Afonso. The workshop consisted of three parts; an introduction to blogging, examples of how blogging can be used as a knowledge sharing tool and lastly, a hands-on exercise to create a dummy blog. Mr. Malcolm shared his experience on how blogging can be used for subject-specific topics as well as a platform to connect with like-minded people. The workshop also included a hands-on exercise to create a dummy blog on bloggers.com that focused on customization, layout, theme and other essential elements of a blog. The vote of thanks was proposed by Ms. Filomena Pereira.</p>

## INTERNAL QUALITY ASSURANCE CELL

### REPORT

<b>Title:</b>	<b>WORKSHOP ON STRATEGIC PLAN</b>
<b>Date and year:</b>	12 <sup>TH</sup> April 2022
<b>Venue:</b>	Conference room
<b>Organizing Committee</b>	Internal Quality Assurance Cell (IQAC)
<b>No. of Participants:</b>	11 (Faculty -10, Staff-1)
<b>Objective:</b>	To brainstorm on preparation of the strategic plan for next five years.
<b>Summary of the proceedings:</b>	<p>Following are the members that presented the SWOC of the College based on the NAAC peer team report:</p> <ol style="list-style-type: none"><li>1. Strengths by H.S.S.Nadkarni and Sameena Falleiro</li><li>2. Weaknesses by Ananya Das and Sanjay Gaikwad</li><li>3. Opportunities by Nandkumar N. Sawant and Sachin Moraes</li><li>4. Challenges by V.C.Kumaresh and Meghana Devli</li></ol> <p>Strengths: Supportive management, CBSC with combinations of academics, curriculum and extra curriculum, Well developed infrastructure, Strong base for research and innovation in research, Green Campus, Foreign Exchange programmes with credit transfers scheme, Compulsory internship, Use of ICT enable TL resources, Effective multiple modes of Teaching Learning and Evaluations, Examination Reforms, Curriculum flexibility.</p> <p>Weaknesses:</p> <ul style="list-style-type: none"><li>- Less no. of - research publications and awards, Quality research publications in Scopus/H-index, Ph.d / high qualified faculty members, PG programme, International and National Seminars/ Conferences,</li><li>- Lack of - Marketing in Self financed Courses, Professional and vocational programmes, Short term courses /certificate courses / diploma, Alumni connect, Hostel Facility, Strong room for examination</li><li>- Limited - participation in unnat Bharat Abhiyan, Swacch Bharat, SWAYAM, Collaboration in research field, Consultancy projects ( Government / Industry/NGO), National and International visibility, Geographical expansion without augmentation of infrastructure and HR, Digital learning resources</li><li>- Insufficient resources from state and maintenance of infrastructure</li><li>- Dependence on state funds</li></ul> <p>Opportunities:</p> <ul style="list-style-type: none"><li>- Higher Level of Aspiration: In 2027-A++, acquiring FIST fund, star DBT College scheme, branding of college, sense of pride.</li><li>- To improve the quality of curriculum by monitoring the same through academic audit conducted by external members specially from industry background.</li><li>- To introduce new programmes that have employability</li></ul>

- Enrollment and diversity
- To establish more research centres specially in chemistry and computer science.
- To increase the count of faculty with - PH.D, scopus /H index research publications, to take up consultancy
- Organize more FDPs for teaching and support staff.
- Improve infrastructure by purchasing software for CO/POs, making infrastructure commercial for acquiring funds, refurbishing the classroom to contemporary needs,
- Improving financial conditions by adopting self sufficient model, acquiring funds from alumni,CSR

**Challenges:**

- To increase the students intake under PG programmes.
- To have more SCOPUS / H-index research publications.
- To trace and stay connected to alumni.
- To trace students progression
- To make maximum usage of library

All are asked to prepare plan of action and submit the same.

## REPORT

<b>Title:</b>	<b>WEBINAR ON REFLECTIVE TEACHING</b>
<b>Date and year:</b>	29 <sup>th</sup> April, 2022
<b>Venue:</b>	Online (Gmeet)
<b>Resource person/s:</b>	Robert Clements
<b>Organizing Committee</b>	Internal Quality Assurance Cell and Center for Teaching Learning
<b>No. of Participants:</b>	24
<b>Objective:</b>	To introduce faculty to the concept of Reflective Teaching To facilitate a more engaged and interactive classroom by helping teachers become active instructors who listen and contemplate on their teaching methodology
<b>Summary of the proceedings:</b>	<p>With the intention of inculcating more introspective teaching, the Internal Quality Assurance Cell (IQAC) in collaboration with Centre for Teaching and Learning of Parvatibai Chowgule College of Arts and Science (Autonomous) organized a webinar on 'Reflective Teaching' under Co-ordinator Ms. Sameena Fernandes eFalleiro.</p> <p>The guest speaker for the lecture which was held on 29 April 2022 at 2:30pm was Mr. Robert Clements, a renowned newspaper Columnist and respected motivational speaker who has a readership of over six million people.</p> <p>Mr. Clements spoke about the need for teachers to be actively engaged in the classroom instead of being passive knowledge givers. He highlighted the importance of knowing the audience, i.e. the students and making keen observations of body language and tone. He elucidated as to how teaching is a conversation and not a one-way street. Mr. Clements spoke on how teachers need to inspire as well as make students aspire for higher duties in life, love and career.</p> <p>The key focus of Mr. Clements talk was on the acronym R.E.F.L.E.C.T.I.V.E. which deals with the impact of teaching, being engaged teachers, feeling for the students, listening with our eyes, empowering people and building trust through expressing vulnerabilities and having open conversations.</p> <p>After an engaging question-answer round with Prof. Sawant (Geography department), the session was brought to a close by Asst. Prof. Shubhankar Shah (English department) with a vote of thanks. The lecture was widely attended by the faculty and outside audience.</p>

**REPORT**

<b>Title:</b>	<b>FDP on OBE: Assignment and Attainment of Course and POs</b>																						
<b>Date and year:</b>	27 <sup>th</sup> June 2022																						
<b>Venue:</b>	Lower Auditorium																						
<b>Resource person/s:</b>	Dr. Niyam Joseph Savio Marchon, Professor, Teaching , Learning and Educational Technology State Higher Education Council, Directorate of Higher Education (Govt. of Goa), Porvorim																						
<b>Organizing Committee</b>	Internal Quality Assurance Cell (IQAC) in collaboration with Teaching Learning and Educational Technology Cell (TLETC)																						
<b>No. of Participants</b>	64 (Teachers-63; Staff – 01)																						
<b>Objective:</b>	Enlighten and Orient the faculty members the significance and techniques of the Outcome Based Education for attainment of COs and POs.																						
<b>Summary of the proceedings</b>	<p>Brief introduction given by Dr. Shaila Ghanti, Officiating Principal; which was followed by a warm welcome by Dr. Sameena Falleiro, Director of TLETC. Dr. Niyam Marchon, Professor, DHE, Goa started the sessions with two interesting questions with a display on the screen i.e. Who are these people? And who is the most intelligent displayed on the screen? The outcome of the question was- it's the perception of each one being intelligent in their own ways at their area of speciality/ies and as a teacher the focus should also be on the other levels of brilliance. He explained the Gardner's Theory of multiple of Intelligent i.e. use the people properly at the right time as per their intelligence like the following:</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th>Categories</th> <th>Type of Smartness</th> <th>Categories</th> <th>Type of Smartness</th> </tr> </thead> <tbody> <tr> <td>Kinesthetic</td> <td>Body Smart</td> <td>Naturalistic</td> <td>Nature Smart</td> </tr> <tr> <td>Interpersonal</td> <td>People Smart</td> <td>Intrapersonal</td> <td>Self Smart</td> </tr> <tr> <td>Linguistic</td> <td>Word Smart</td> <td>Visual</td> <td>Picture Smart</td> </tr> <tr> <td>Mathematical</td> <td>Logic Smart</td> <td>Musical</td> <td>Music Smart</td> </tr> </tbody> </table> <p>Each person/ student will have their own type of smartness if their skills are used appropriately or trained or nurtured properly they can be master in their line. One of the reference site was <a href="https://www.idrlabs.com/multiple-intelligences/test.php">https://www.idrlabs.com/multiple-intelligences/test.php</a> . He further briefed by focusing from the point of NIRF ranking, NAAC and NEP. A glance towards the Outcome structure for the starters was to know the following:</p> <div style="display: flex; align-items: center;"> <div style="flex: 1;">  </div> <div style="flex: 2;"> <p>Under OBE the following should be generated i.e. PO – PSO - CO</p> <p>Suggestions -</p> <ol style="list-style-type: none"> <li>i. Minimum 7 POs</li> <li>ii. Include the concept of 'society' and even the 'Project Management' under POs would be fruitful e.g. Ethics and Society.</li> <li>iii. Use unique identification codes under every Course for e.g. For Chemistry the code may be CHC105.5 – the figure '5' represents the PO.5.</li> <li>iv. Minimum POs (i.e. the count of 4 POs) will be better.</li> </ol> </div> </div>			Categories	Type of Smartness	Categories	Type of Smartness	Kinesthetic	Body Smart	Naturalistic	Nature Smart	Interpersonal	People Smart	Intrapersonal	Self Smart	Linguistic	Word Smart	Visual	Picture Smart	Mathematical	Logic Smart	Musical	Music Smart
Categories	Type of Smartness	Categories	Type of Smartness																				
Kinesthetic	Body Smart	Naturalistic	Nature Smart																				
Interpersonal	People Smart	Intrapersonal	Self Smart																				
Linguistic	Word Smart	Visual	Picture Smart																				
Mathematical	Logic Smart	Musical	Music Smart																				

Recollecting of key words under Blooms Taxonomy for Assessment was undertaken i.e. 6. Creating, 5. Evaluating, 4. Analyzing, 3. Applying, 2. Understanding and 1. Remembering i.e. from 1 to 6 lower to higher order thinking.

He explained how all the POs should be brought the same level i.e. if the POs are falling short in attainment under the academics add extracurricular to fulfil gap in the attainment because all the skills may not be attained only through academics only but also through other activities as well.

He also enlightened about the assessment ratio is 40: 60 than always consider 10% of the questions based on feedbacks to drive from the best output. The question paper should have the CO code mentioned to students so the students understand the level of the teacher assessing the question given to the student/s (it is to look from the students perspective)

The Teaching Learning and Educational Technology Cell (TLETC) was inaugurated at the hands of Dr. Niyam Joseph Savio Marchon, Professor, Directorate of Higher Education (Govt. of Goa), Porvorim

Finally the Vote of Thanks was given by Dr. Sachin Moraes, Dean, Faculty of Arts. Thereafter a group geotagged photograph was taken by Ms. Bhavana Sawardekar.

## REPORT

<b>Title:</b>	<b>Talk Series I: NEP 2020</b>
<b>Date and year:</b>	28 <sup>th</sup> June 2022
<b>Venue:</b>	G-meet link: <a href="https://meet.google.com/dww-cfsc-iih">meet.google.com/dww-cfsc-iih</a>
<b>Resource person/s:</b>	Shri V. R. Shirgurkar, Former Principal of Parvatibai Chowgule College of Arts and Science.
<b>Organizing Committee</b>	Internal Quality Assurance Cell
<b>No. of Participants</b>	32
<b>Objective:</b>	To understand the National Education Policy 2020 i.e. by understanding the different type of interdisciplinary from which education could be learnt and enhanced.
<b>Summary of the proceedings</b>	<p>Shri V.R. Shirgurkar enlightened on the following:</p> <ol style="list-style-type: none"><li>1. Liberal Arts Education which involves inter-disciplinary courses, intra-disciplinary courses, multi-disciplinary courses and trans-disciplinary courses.</li><li>2. Further going in depth he explained the micro concepts in these frameworks i.e. informed disciplinary courses, synthetic interdisciplinary courses and conceptual interdisciplinary courses.</li><li>3. In order to enhance/ develop the curriculum and the faculty steps have to be ensured i.e. train the faculty members in framing such syllabus.</li><li>4. How NEP is planning at University and College levels by creating categories of institutions i.e. a. Multi-disciplinary Research, b. Multi-disciplinary Teaching, c. Autonomous College, d. Higher Education policy of Clusters (i.e. 7-8 colleges come together to form a cluster which is headed by a Autonomous college like a mini University).</li><li>5. How our college can form its own cluster with consultation with DHE.<ul style="list-style-type: none"><li>- Being an Autonomous College the UGC might grant the leadership to our college.</li><li>- To become a mentor under the Paramash scheme i.e. mentoring the other college for NAAC accreditation.<ul style="list-style-type: none"><li>- Focus of NAAC will be in building the curriculum and faculty development.</li><li>- University has to incorporate the NEP 2020 in their statutes and ordinances thereafter only all college under its affiliation will be able to implement or do changes accordingly.</li><li>- Mentoring within the cluster or outside the cluster requires UGC's approval and there are certain grants also provided for the same.</li><li>- Mentor the colleges on the changing of NAAC process.</li></ul></li><li>- Institutional development plan -<ul style="list-style-type: none"><li>- <u>Tips:</u> a. systematic plan along with faculty members and management.</li><li>- b. Brainstorming (i.e. are we going for clusters / multidisciplinary courses? If yes for clusters. Is it within Goa/outside Goa.; what type of clusters are we looking at? etc.)</li></ul></li></ul></li></ol>

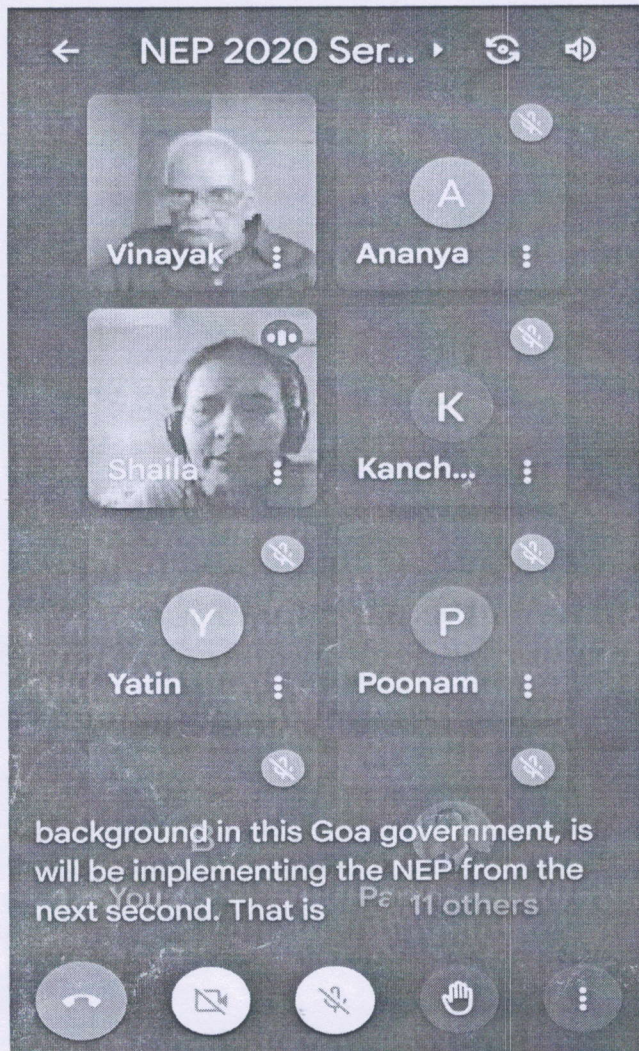

- Suggestions: a. To find out the relevance of the market demand in terms of placement to all students is relevant or myth. These findings could be useful to the government officials.
- b. While organizing workshops for FDP try involve representatives from government and industry to understand their requirements.

A vote of thanks was given by Shri H.S.S.Nadkarni.

## REPORT

<b>Title:</b>	<b>WORKSHOP ON “ONLINE AUTOMATED DATA PROCESSING”</b>
<b>Date:</b>	18 <sup>TH</sup> September, 2021
<b>Timing: From: -To:</b>	12.00pm to 1.00pm
<b>Venue:</b>	Auditorium – Lower
<b>No. of Participants</b>	10
<b>Organized for</b>	Support Staff (Administrative and Accountants)
<b>Resource person/s:</b>	Abhiram Das, OIT, PCCAS
<b>Organizing Committee:</b>	College
<b>Objective:</b>	To enable the staff to be efficient and effective in their work and to enhance their work effectively and also improvise the software in taking their inputs.
<b>Summary of the proceedings</b>	<p>The “Online automated data processing” workshop started with Mr. Abhiram Das welcoming the non-teaching staff and the offg. Principal, Dr. Shaila Ghanti briefing the staff regarding the importance of the online data processing. It was followed by Mr. Abhiram explaining the interface with admin rights which will be enabled for the non-teaching staff, from where the admission cancellation of the students can be updated along with the student bank details. Many reports of the students can be downloaded like admission count program-wise.</p> <p>Mr. Abhiram also explained in detailed the rights enabled for account team especially regarding the refund after a student cancel his/her admission. The queries raised by the accounts and admin team were addressed by Mr. Abhiram .Many suggestions were given by the team and Mr. Abhiram noted the same which will be implemented.</p> <p>The Offg. Principal, Dr. Shaila Ghanti advised the team to have separate meetings after the end of the workshop with Mr. Abhiram with any modifications in the format that they like to suggest which has to be done to make it more efficient.</p> <p>The workshop ended with Mr. Abhiram thanking the attendees for their participation and suggestions and informed the team to contact him regarding any queries.</p> <p>The feedback from the team is as below:</p> <ol style="list-style-type: none"><li>1) Ms.Greta Almeida, Admin dept. – Mr.Abhiram, from OIT, explained in detail, how to procure student’s data online, for various requirements by the office. The software program needs certain modifications which have been noted by Mr. Abhiram.</li><li>2) Ms. Bhavana M. S, Admin dept. – Require more time for the workshop, need more inputs to be considered for the development of ERP. Overall presentation of workshop was good.</li><li>3) Ms. Suveena Tamse, Admin dept. - Mr. Abhiram explained very well about the online data retrieval of students. It’s better to have one more session of training after the suggested things are done.</li><li>4) Ms.Reena Fernandes, Admin dept. -In-depth session is required once the suggested modifications are done.</li><li>5) Ms. Epifania Quadros, Admin dept. – The workshop was good. The resource person explained nicely. Wanted to know about the points mentioned in workshop</li></ol>

	<p>like concatenate, VLookup as it could not be completed due to lack of time.</p> <p>6) Ms. Kalpana Borkar, Admin dept. - Duration of workshop was less. Looking forward to concatenate, VLookup which was not completed in the workshop.</p> <p>7) Mr. Mahadev Sawant, Accounts dept. - Good Initiative, can be done on regular basis by giving staff some advance notice so that they are prepared for such workshops with the list of queries.</p> <p>8) Ms. Keziah Pereira, Accounts dept. –Mr. Abhiram was a great presenter and delivered it clearly. Looking forward with suggested modification as required.</p> <p>9) Ms. Anagha Parkar, Accounts dept. – Good explanation .we have given him suggestions related to accounts.</p> <p>10) Mr. Viraj Naik, Accounts dept. – great presentation with good solution against presented queries. Looking forward with suggested solution as required.</p>

## REPORT

<b>Title:</b>	<b>ORIENTATION PROGRAMME FOR 'FILLING OF API FORMS'</b>
<b>Date and year:</b>	23 <sup>rd</sup> February 2022
<b>Time: (From-to)</b>	10.00 – 11.45 a.m.
<b>Venue:</b>	Block 'C' ground floor classroom
<b>Resource person/s:</b>	Dr. Sachin Moraes
<b>Organized by</b>	Dean, Faculty of Arts
<b>Organized for:</b>	Arts Faculty members
<b>No. of Attendees:</b>	11 (Teachers: 10, Administration: 01)
<b>Objective:</b>	To orient the faculty members the modified API form by how to calculate their hours of work in different categories of the form.
<b>Summary of the proceedings</b>	<p>A warm welcome was given by the Dean, Faculty of Arts i.e. Dr. Sachin Moraes. It was informed how the new API form was different from the old form. Present API form demands to be calculated in terms of hours involved in the task. A detail briefing was given with certain guidance such as:</p> <ol style="list-style-type: none"><li>1. Analysis exact hours involved in following:<ul style="list-style-type: none"><li>- per course weekly and academically / projects per semester.</li><li>- Hours involved in creating e-contents.</li><li>- Under CA, SEE</li><li>- Organizing / Attending Activities/ seminars/conferences/workshops etc.</li><li>- Outreach programmes/ extension activities</li></ul></li><li>2. To provide proper justification for hours by maintaining evidential proofs for the same such attendance sheets/photos/reports etc.</li></ol> <p>Suggestion:</p> <ol style="list-style-type: none"><li>i. To formulate structured frame of fixed hours for distribution within the Arts faculty members, enabling standardised calculation of hours.</li><li>ii. IQAC members reviewing API should follow the same parameters.</li></ol>

Overall review: Outstanding

**Brief Note:** An event wherein Third year students presented their projects in form of Poster/ chart paper/ Power point presentations. This is an opportunity for the Third years to display their work and gain experience to present before the audience and answer their random questions put forth to them on their selected topic as well as to know the motivation that lead them to work on that topic. Furthermore it's also a opportunity for the First and Second year students to explore and know about the struggles, efforts and achievements that their seniors have gone through is doing their projects and these experiences provide an idea to the juniors to improvise at their time of preparing projects and posters during their tenure in third year. This process also help the junior students build up contacts with their seniors which can be useful in taking their guidance in future.

<b>Dates</b>		<b>Staff</b>					<b>Students</b>				
<b>03.05.2022</b>		1. Logistics can be improvement -Fans needed. 2. Need for laptop charging plugs 3. Better place could be Seboted. 4. Exhibition could be much open to public /Govt. Officials as some of the studies done by the students are excellent.					1. Due to Heat and crowd it was hot hence required fans 2. Ventilation required / change in venue. 3. Rush to ask questions personally. 4. Require NEC hours				
<b>04.05.2022</b>		1. The presentation can be better designed. 2. Some projects were exceptional. Many were not prepared scope for improvement.					1. Crowded, hot/heat required more fans. 2. Require plugin points for laptops. 3. Had to provide water bottles fo				

3. Some projects can be studied further and patented.
4. It's a good occasion to showcase the preliminary research done by the students.
5. Well researched projects which can be used to educate general public and social impact.
6. Students need to know the importance of the projects undertaken from the career prospects.

4. Improvement is needed in presentation and fluent speaking.
5. Due to crowd unable to hear the presentation clearly.
