## II. Background of the College with Vision, Mission and Objectives

Goa was liberated from Portuguese rule of 450 years in December 1961. Access to Higher Education was not available to the youths of Goa at that time. It was in June 1962, Smt. Parvatibai Chowgule Cultural Foundation's College of Arts & Science was started by Chowgule Education Society (C.E.S.). Initially, the college was offering Undergraduate Programmes, B.A. in English, Marathi, Hindi, French, Portuguese, Economics, History, Philosophy and Geography and B.Sc. in Chemistry, Physics, Mathematics and Botany.

Now as on today, college is offering programmes at Undergraduate and Postgraduate levels and Ph.D. Parvatibai Chowgule College is accredited by NAAC with Grade 'A' (CGPA of 3.41 on a 4-point scale on the 3rd cycle) in the year 2014. Adjudged by Goa University as the Best Affiliated College at the time of its Silver Jubilee celebrations in the year 2009, it was also conferred with the Best Educational Institute award by Business Goa in 2014.

Having been conferred the autonomous status by University Grants Commission in June 2014, this college is the first autonomous college in the State of Goa. Our recent achievements include, the college being placed in Rank band '101-150' in National Institutional Ranking Framework (NIRF) conducted by the Ministry of Education (MoE), Government of India in the year 2018, subsequently placed in the Rank Band of 151-200 in the years 2019 and 2021. The college was selected under DBT Star Scheme of Government of India and honoured with the 'Best Internship Partner award' by Goa Rugby Union at the Goa Rugby Awards 2018.

Our College is categorized as 'Band A' institution (Rank between 06-25) in category of 'Institutes and Colleges (Government and Government Aided)' in Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2020 announced by Ministry of Human Resource Development (MHRD) Government of India, in 2020. We have also been rated at '4.5 Star' for undertaking various activities prescribed by Innovation Cell, Ministry of Education, Government of India to promote innovation and start-ups in campus during the IIC Calendar Year, 2019-20.

Since its inception, the College has always been at the forefront in educational innovation. In 1986, the College pioneered computer science education in Goa by starting a Postgraduate Diploma in Computer Applications. In 2004, the College initiated Postgraduate programmes in Information Technology (M.Sc.) and Geography (M.A.). In subsequent years, on the basis of prevalent societal needs, courses in Biotechnology (B.Sc.) and Psychology (B.A.) were introduced at Undergraduate level, and Postgraduate Diplomas in Geoinformatics (P.G.D.G.I.S.) and Human Genetics & Pathological Techniques (P.G.D.H.G.P.T.) were started. The College now offers courses leading to Postgraduate diploma in Clinical Genetics & Medical Lab Techniques (P.G.D.C.G.M.L.T.), M.A. in Applied Economics, Hindi, Child Psychology and Child Development and English. We also offer M.Sc. in Analytical Chemistry, and Geoinformatics (G.I.S.). The College also offers Ph.D. programmes in Hindi and Geography. The college introduced Bachelor of Vocational

courses (B.Voc.) in Software Development in 2017-18 and Multimedia and Digital Filmmaking, 3D Media and Virtual Reality-VFX, in 2018-19. Today, the College has twenty-seven undergraduate and eight post-graduate departments, offering a wide variety of programmes and courses, some of which are unique in Goa.

### Recent Developments

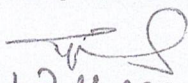

The Chowgule Education Society (C.E.S.) has initiated massive infrastructural development at the College. As a result of this, state-of-the-art infrastructure is available for curricular, co-curricular and extra-curricular activities. The infrastructure added over the last ten years includes: science laboratory block, multimedia-equipped auditoriums, classrooms, conference room, campus-wide Wi-Fi network, additional computer labs, web-based virtual infrastructure for teaching-learning (C-LAAP/Google Classrooms, C-mail, Online Library), computerized library, well equipped staff rooms, FIFA accredited football ground with field turf, multipurpose ground, gymnasium and fitness centre, sports medicine and physiotherapy centre, open-air seating arrangements, new canteen, well maintained rest-rooms, spacious well-laid four-wheeler and two-wheeler parking space and new administrative offices. The entire campus and the administrative buildings have been refurbished. Many of the science departments have research laboratories to carry out extensive and specialized research.

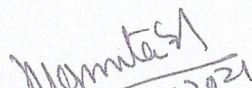

This institution also renders various services that seek to provide motivation for students to excel. These support services include the Office of Information Technology, Estate Office, Student Support Services, Tiger's Sports School and Centralized Printing Facilities.

Two prominent student guidance facilities available at the College are: Staff Advisory Programme (mentoring) and Student Support Services. Mentoring of students is an integral part of our educational system, providing guidance and encouragement. Mentors play a key role in this college as they nurture students and help them remain connected and engaged, thus strengthening their performance. Student Support Services of our College has various arms such as the Writing Centre, Career & Personal Counseling Centre (CPCC), Business English Certificate (BEC) Training, Statistical Analysis Support Service (SASS), and Centre for Portuguese Language & Culture (CPLC).

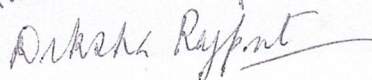

The college has established a Centre for Teaching and Learning in 2017-18 which aims to educate faculty on how to go about integrating ICT in Higher Education effectively by conducting workshops, seminars and provide them with hands-on experience/training, innovate, implement and share different ICT tools in teaching. The college also has a Translation Centre which is first of its kind in Goa to promote the growth of indigenous literature and knowledge, induce the students to the field of translation and assignment of translation work.

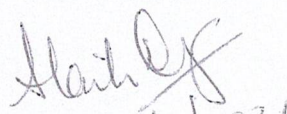

The College has Memorandum of Understanding and collaborations with many foreign and Indian educational institutes. The College has an ongoing international student-teacher exchange programme with institutions of higher learning in Sweden, Japan and Portugal.
