स्त्री। किसी की मां, पत्नी, बेटी, लेकिन क्यों उसके अकेले अस्तित्व पर. नहीं पड़ता कोई प्रभाव। है समाज केलिए पराया धन, जलद से जल्दी छुटकारा पाने का सादन। तो है भोग की वस्तु किसकी नियत कब बदल जाए नहीं है यकीन। क्यू उसे शादी के उपरान, बच्चो या काम के बीच चुनना पड़ता है? जब रात को काम से घर लौटती है, पड़ती है उसपर बुरी कुदृष्टि। क्यू डर डर के है जीना पड़ता, नहीं घूम सकती रात को स्वतंत्रतपूर्वक? क्यूं जताया जाता उस पर एतराज जब वह कहे अपने मन की बात। जमाने के वजह से सावधानी रखनी पड़ती है उसे दिन रात। स्त्री के कारण होती है सृष्टि की बढ़ोतरी फिर भी प्रतिदिन क्यों होते हैं उसपर अत्याचार?

कहा जाती है वो सब्यता, संस्कृति किस दिशा में जा रहा है यह समाज? अगर हम हमारी सोच बदलेंगे, तो ही ये समाज बदलेगा। वो अपनी रक्षा करने के लिए स्वत काबिल है, है उस स्त्री की एक ही इच्छा, समाज में समान हक और आधार मिलना।

National Voters Day

National Voters Day is celebrated on 25 January every year. On National Voters Day, people across India celebrate their right to vote by celebrating democracy, exercising their civic duty, and participating in the democratic process. National Voters Day reflects the importance of voting. People should take the time to recognise that when they vote in an election, they are bringing a difference.

National Voters Day encourages voters to use their voices at the polls and make their votes count. Voting is a constitutional right. People may choose to vote for someone who could bring changes to their lives. Voting helps shape the world, community and country we live in. It is important to cast a ballot because our voice can help bring changes.

Every vote is crucial during the election, and citizens can make a difference in the country by voting. It is one of the only ways we, the people, can have power over what happens next. Many Indians are unaware of the importance of voting. The only way to influence laws and policies is through the poll, which positively impacts the lives of the people.

Voting is important because it changes the world. Candidates need to show up and vote to elect their leaders to rule the country. If no one votes, voters may never get the candidate they want, leading to many issues like inflation and a poor economy. Every vote counts, and we must remember that our vote is our voice. We need to exercise our right to vote in this day and age, sometimes more than ever. It is the only way all voices can be heard, and voting is democracy in action. If your goal is to change or improve society, voting should always be at the top of your list.

By observing the factors and incidents happening in the world, it is easy to understand that voting is more important than ever before. Voting is a constitutional right that should be utilised. It gives everyone a chance to express opinions and hold the government accountable for their actions and policies. The citizens must vote in every election.

Voting is a great way to reflect people's opinions and demand the changes they need in the country. If you vote, you will feel like you are doing something that will positively affect society. Hence, voting is a necessary action that can affect the people, society and the country.

proceedings	Government of Goa screened a movie "SADAR UDHAM" on the occasion of
1	celebrating 75 years of Indian's Independence.
	The film pays tribute to an unsung hero Sardar Udham Singh, an Indian
	revolutionary, who assassinated Michael O'Dwyer in London in 1940, to avenge the
	Jallianwala Bagh massacre of 1919. The former British colonial official was the

	This film sensitized in students the pain and struggling that the Indian freedom

	These individuals were fighting as revolutionists yet British government charged
