The objectives and description of the activity	Objective: 1) To introduce OBE and highlight its importance 2) To demonstrate the process of OBE implementation: Mapping and Attainment Description: The workshop commenced with an introductory session led by Dr. Sameena Falleiro on Outcome-Based Education (OBE) and its significance particularly in alignment with the National Education Policy (NEP) of 2020 and the accreditation standards set by the National Assessment and Accreditation Council (NAAC). Additionally, she shed light on the noteworthy initiatives undertaken by the Teaching Learning & Educational Technology Cell (TLETC), PCCAS in advancing OBE practices. Following the introductory session, Dr. Ashish Desai provided an overview of the guidelines essential for crafting examination papers, using a sample question paper to facilitate a better understanding of the mapping and attainment processes.

A pivotal aspect of the workshop was the live demonstration by Dr. Swati Ghadi and Ms. Dikshita Aroskar on the process of inputting data into Course Outcome (CO) Attainment sheets and its analysis. The workshop concluded with an engaging Q&A session, where participants had the opportunity to seek clarifications and share valuable feedback. Mr. Kumaresh, Vice Principal, highlighted that the implementation of the same must be done for the even semester of the academic year 2023-24 to discover the difficulties faced by the faculties.

The workshop was informative and beneficial.

The workshop equipped the faculty members with insights into

Benefit/Key outcome of the event in terms of

learning/skills/ knowledge

Feedback

The workshop equipped the faculty members with insights into effectively entering the data, its tracking and evaluating student outcomes.
