REPORT ON CAMPUS ACTIVITY

(Title of the event	Workshop on Blooms Taxonomy
Date and time	4th August 2023, 3.15pm to 4.15pm
Mode	Offline
Organising Department/ School/Directorate/ Section	Teaching Learning and Educational Technology Cell (TLETC)- Parvatibai Chowgule College of Arts and Science
Resource Person	Dr. Sameena Falleiro, Associate Professor
Participants in house	Faculty: 23
Total Participants	23
The objectives and description of the activity	To train Faculty on Bloom's Taxonomy
Feedback	<p>The workshop conducted was very useful and helped broaden the faculty's understanding on how to frame questions for different levels of cognition, based on the educational learning objectives/outcomes expected.</p> <p>This will indeed help the faculty to frame questions that engage students not only in Lower Order Thinking but also in Higher Order Thinking.</p>
Benefit/Key outcome of the event in terms of learning/skills/knowledge	The faculty understood how to go about framing questions targeting the various levels of cognition. The practice activity conducted at the end of the session, helped the faculty in applying their learning and through the discussion that followed, learn from each other.

REPORT ON CAMPUS ACTIVITY

(Title of the event)	OBE Mapping and Attainment
Date and time	26 th August, 2023 (Saturday); 10.00am to 2.30pm
Mode	Offline mode (AV Room of CTL)
Organising Department/School/Directorate/Section	Teaching Learning and Educational Technology Cell (TLETC)- Parvatibai Chowgule College of Arts and Science
Resource Person	Mr.Abhishekh Gudekar, Asst.Prof in IT & Computer Applications, GMFC, Dharbandora,GOA
Participants in house	Select Faculty from TLETC and others
Total Participants	10 (in-house participants)
The objectives and description of the activity	<ol style="list-style-type: none">1. Prepare COs and POs.2. Obtain basic understanding of OBE mapping and attainment.3. Apply the OBE methods to various courses that the Faculty teaches. <p>The CTL-TLETC convenor, Dr.Sameena introduced the guest speaker of the day, Mr.Abhishek Gudekar and presented a small token of appreciation to him. Mr.Abhishek stressed upon the importance of designing appropriate course outcomes (CO's) in line with the syllabus for ease of mapping of the assessments for effective course outcome attainment. He emphasized on setting a minimum of 4 to 6 CO' s per course .In order for the students to successfully attain the CO's ,the</p>

	<p>resource person stressed upon customizing the assessments methodology to ensure maximum and effective learning by the students. He also highlighted the importance of setting a threshold for class wise and course based direct attainment for analysis of the attainment level and necessary implementation of active strategies to improve learning. He also stated the importance given to indirect attainment which is assessed via feedback that forms 20% of the weightage of the course attainment score and the remaining 80% is assessed from direct attainment via course wise assessment methods. He then demonstrated the prototype for the course attainment mapping and did a trial run with all the participants. The session concluded with a vote of thanks by Dr.Sonia Fernandes e Da Costa.</p>
Attach copy of the Flyer event (if any)	Nil
Feedback	The session was fruitful and gave as an insight into the alignment of OBE with the NEP2020
Benefit/Key outcome of the event in terms of learning/skills/knowledge	The insights provided by Mr.Abhishek helped us to consider reorienting our assessments and teaching learning pedagogies in line with objectives of outcome based education and NEP 2020.

TLETC-Teaching Learning & Educational Technology Cell REPORT - ON CAMPUS ACTIVITY

Title of the event	Talk on “Constructivism in Teaching-Learning Process”
Date and time	16 th Feb 2024 2.15-3.15 p.m.
Mode	Offline
Organising Department/ School/Directorate/ Section	CTL-TLETC-Teaching Learning & Educational Technology Cell Event Co-ordinator: Ms. Filomena Pereira
Resource Person	Dr. Asawari Ashtekar
Participants in house	14
Total Participants	14
The objectives and description of the activity	<p>Objectives:</p> <ol style="list-style-type: none">1. To discuss the various shades of constructivist approach in teaching-learning process2. To explain andragogy with constructivist approach for effective classroom discourse3. To elaborate various methods of assessment for comprehensive evaluation <p>Description:</p> <p>The session commenced with Dr. Sameena Falleiro's engaging introduction, underscoring the dynamic nature of learning in the digital age, where students actively construct knowledge. She emphasized the pivotal role of educators in fostering this process.</p> <p>Ms. Filomena Pereira, Event Co-ordinator then formally introduced Dr. Asawari Ashtekar as the resource person, setting the stage for an insightful discussion. Dr. Ashtekar proceeded to elucidate the concept of Constructivism in teaching, delving into pedagogy, andragogy, and heutagogy. She artfully explained the 5E model of teaching and enriched</p>

	<p>the discourse with compelling examples of constructivist methodologies.</p> <p>The session culminated in a lively exchange among faculty members, facilitated by Dr. Falleiro, fostering deeper understanding and collaboration. Dr. Falleiro then graciously extended a vote of thanks, acknowledging the invaluable contributions of resource person and all participants.</p>
<p>Attach copy of the Flyer event (if any)</p>	 <p>The flyer is for an interactive session titled "Constructivism in Teaching-Learning Process" by Dr. Asawari Ashtekar. It is organized by the Teaching Learning and Educational Technology Cell (TLETC) at Parvatibai Chowgule College of Arts and Science (Autonomous). The session is part of the Ghazali Series and is scheduled for 16th Feb 2024, from 2.15 p.m. to 3.15 p.m. in a Flipped Classroom. The flyer also lists the organizers: Dr. Sameena Falleiro (TLETC Co-ordinator), Prof. Dr. Sangeeta Sankhalkar (Principal), and Ms. Filomena Pereira (Event Co-ordinator).</p>
<p>Feedback</p>	<p>It was good session.</p>
<p>Benefit/Key outcome of the event in terms of learning/skills/knowledge</p>	<p>To adopt constructivism in teaching learning process by using various methods. Allow the students to explore the content and do not expose the content. Adopt Heutagogy strategy in the modern time where information is available easily.</p>
