(Seminar / Webinar / Expert talk / Workshop / Visit to Incubators on the themes pertaining to Innovation/Entrepreneurship/Intellectual property)

<b>Title of the event*</b>	Decoupage workshop
<b>Date and time*</b>	07/09/2023 10.35 onwards
<b>Mode &amp; Venue*</b>	Offline, Zoology lab
<b>Organising Department/ School/Directorate/ Section*</b>	Zoology
<b>Resource person/s</b>	Ms. Shalma Mascarenhas
<b>Participants in house*</b>	Faculty: 03 Students: 29
<b>Total Participants*</b>	29
<b>The objectives and description of the activity*</b>	The primary objective of the decoupage workshop was to promote sustainable practices by demonstrating how glass waste can be upcycled and transformed into decorative and functional items through the art of decoupage. The workshop aimed to reduce waste generation by providing participants with the knowledge and skills to repurpose glass and plastic bottle waste into new products, thereby diverting glass from landfills and contributing to waste reduction efforts. The students of F.Y and S.Y participated in the workshop.
<b>Benefit/Key outcome of the event in terms of learning/skills/knowledge*</b>	The workshop helped mitigate the environmental impact of glass waste by providing a sustainable alternative to disposal, contributing to conservation efforts, also the participants expressed their creativity and individuality through the design and customization of upcycled glass objects, fostering a sense of personal satisfaction and achievement in creating unique handmade crafts.

**INTRODUCTION:**

A tree plantation drive was organized in the Department of Computer Science by the core committee of Firebits on 14th July 2023 at 12:45pm. The activity helped create a sense of sustainable future among students, in addition to making them aware of the benefits of a greener environment, not to mention the level of teamwork that it promoted. Enthusiastic participation was observed from the DCS students as they all worked together with the faculty of the department to make this drive a success. A wide variety of plants belonging to different categories, be it flowers or fruits were planted around the department premises. All in all, the drive proved to be a successful contribution towards saving our surrounding and the environment.

## NSS ACTIVITY REPORT

Parvatibai Chowgule College of Arts and Science, Autonomous

- **Title of the Activity:** Activities to celebrate Meri Maati Mera Desh (MMMD)
- **Date:** August 9-15, 2023

### Report details

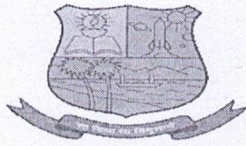

As part of culminating India@75 or Azadi ka Amrit Mahotsav, the NSS unit organized activities to celebrate it through the Meri Maati Mera Desh (MMMD) programme through our connection with its soil. The activities were as follows:

1. Planting tree saplings – Filming themselves planting a sapling and uploading the video to celebrate Meri Maati Mera Desh (MMMD)
2. Essay – Writing an essay of 700-800 words on the topic: ‘My Country, My Soil’, and uploading the Word or PDF document.
3. Helping in Panchayat Programmes – Uploading pictures helping in any of the MMMD activities in their local Panchayat
4. Pledge taking – Filming themselves taking the pledge and uploading the video to celebrate Meri Maati Mera Desh (MMMD)

Volunteers were also encouraged to upload pics and videos on the website <http://merimaatimeradesh.gov.in> as well.

## REPORT ON CAMPUS ACTIVITY

(Seminar / Webinar / Expert talk / Workshop / Visit to Incubators on the themes pertaining to Innovation/Entrepreneurship/Intellectual property)

Title of the event	Tree Planting and Pledge Taking to commemorate Azadi ka Amrit Mahotsav through Meri Maati Mera Desh 2023
Date and time	August 14, 2023 10:15 am
Mode	Offline
Organising Department /School/Directorate/ Section	Government of India, Directorate of Youth Affairs and Sports, National Service Scheme
Resource Person/s	NSS, College Unit
Participants in house	Faculty:10, Students: 64, Others:3
Faculty attended	10
Students attended	64
Total Participants	77
The objectives and description of the activity	The objective is to strengthen the bond and patriotism for our country through our connection with its soil. It is homage to the sacrifice of our jawans. On this occasion tree plantation program was held in the College campus and pledge was taken by all the participants.
Feedback	The activity was a success with both students and teachers actively getting involved in the tree plantation programme.
Benefit/Key outcome of the event in terms of learning/skills/knowledge	The activity helps the participants to rekindle the connection with the country through its soil. This not only strengthens the bond with the Nation but also helps with the global cause of fighting climate change through afforestation, a simple and basic solution. The speech and pledge were ways of promising ourselves of our duty and responsibility of aiding in the nation's progress and getting out of a regressive mindset. The activity helps us forget our differences and focus on the fact that we are human and Indian first thereby focusing on larger goals.

### REPORT - ON CAMPUS ACTIVITY

(Seminar / Webinar / Expert talk / Workshop / Visit to Incubators on the themes pertaining to Innovation/Entrepreneurship/Intellectual property)

<b>Title of the event*</b>	Cleanliness drive on campus
<b>Date and time*</b>	18/08/2023
<b>Mode &amp; Venue*</b>	Offline
<b>Organising Department/ School/Directorate/ Section*</b>	Zoology
<b>Participants in house*</b>	Students: 23
<b>Total Participants*</b>	23
<b>The objectives and description of the activity*</b>	The objective of the activity was to enhance the cleanliness of the Zoology laboratories and to reinforce the importance of good laboratory practices. The cleanliness drive was organized to enhance laboratory safety by maintaining a clean and clutter-free environment, to reduce the risk of accidents, spills, and contamination. The students of S.Y B.Sc were asked to clean the labs and arrange the glassware, under the supervision of laboratory attendants.
<b>Benefit/Key outcome of the event in terms of learning/skills/knowledge*</b>	The cleanliness drive resulted in a safer laboratory environment and helped in inculcating good values among students.

## REPORTING FORMAT FOR ACTIVITIES (On Campus)

### Parvatibai Chowgule College of Arts and Science (Autonomous)

Accredited by NAAC with Grade 'A+'  
Best Affiliated College-Goa University Silver Jubilee Year Award

### REPORT - ON CAMPUS ACTIVITY

(Seminar / Webinar / Expert talk / Workshop / Visit to Incubators on the themes pertaining to Innovation/Entrepreneurship/Intellectual property)

<b>Title of the event*</b>	Poster making on 'Conservation of Environment'
<b>Date and time*</b>	12/10/2023, 10.35 onwards
<b>Mode &amp; Venue*</b>	Offline
<b>Organising Department/ School/Directorate/ Section*</b>	Zoology
<b>Participants in house*</b>	Students: 29
<b>Total Participants*</b>	29
<b>The objectives and description of the activity*</b>	The objective of the activity was to increase awareness among participants and viewers about the importance of environmental conservation and the need for action to protect the planet. In response to growing environmental concerns, students from the F.Y and S.Y B.Sc programs collaborated in groups to create informative posters aimed at raising awareness about pressing environmental issues.
<b>Benefit/Key outcome of the event in terms of learning/skills/knowledge*</b>	The activity successfully raised awareness among students and the audience about various environmental issues, including climate change, pollution, and habitat destruction. Engaging in the poster-making process enabled students to develop valuable skills such as research, critical thinking, creative expression, and teamwork

(Seminar / Webinar / Expert talk / Workshop / Visit to Incubators on the themes pertaining to Innovation/Entrepreneurship/Intellectual property)

<b>Title of the event*</b>	Setting up of Aquariums
<b>Date and time*</b>	02/02/2024
<b>Mode &amp; Venue*</b>	Offline, Zoology lab
<b>Organising Department/ School/Directorate/ Section*</b>	Zoology
<b>Participants in house*</b>	Students: 22
<b>Total Participants*</b>	22
<b>The objectives and description of the activity*</b>	The objective was to teach students how to set up an aquarium, to ensure the health and well-being of fish, including proper tank placement, feed and water conditioning. Also to enable individuals to experience a connection with nature by observing aquatic life and to promote mindfulness and appreciation for the natural world. Fishes such as guppies, gold fishes, koi and locally found river fishes were kept in the aquariums.
<b>Benefit/Key outcome of the event in terms of learning/skills/knowledge*</b>	Students gained a deeper understanding on setting up of aquariums, its maintenance and fish behavior. The recent experience of witnessing our guppies produce hatchlings has been truly remarkable and rewarding.

<b>Title of the event*</b>	<b>Campus Backyard Bird Count</b>
<b>Date and time*</b>	16 <sup>th</sup> to 19 <sup>th</sup> February 2024 from 7:30-8:30 am
<b>Mode &amp; Venue*</b>	Offline -College Campus
<b>Organising Department/ School/Directorate/ Section*</b>	Department of Zoology
<b>Participants in house*</b>	Faculty: 04, Students: 30
<b>Faculty attended</b>	04
<b>Students attended</b>	30
<b>Total Participants*</b>	34
<b>The objectives and description of the activity*</b>	Students and Faculties of Department of Zoology organized bird trails in the College campus as a part of the Campus Bird Count, a sub-set of Great Backyard Bird Count Global Initiative organised by Cornell Lab of Ornithology from 16 <sup>th</sup> to 19 <sup>th</sup> February 2024. The objective of the global event is to document avian diversity across the globe, compare the diversity across years and study the impact of environmental factors on avifauna. The bird diversity is recorded and submitted in the form of bird checklist on ebird. A total of 35 bird species were observed in the Parvatibai Chowgule College campus and a total of 30 students benefitted from the trails.
<b>Benefit/Key outcome of the event in terms of learning/skills/knowledge*</b>	Learn about avian diversity, compare the diversity across years and study the impact of environmental factors on avifauna.
