### **9.IDPD 2020 - A Psychological Perspective**

The Psychology Forum was organized by the Department of Psychology as an online social outreach programme to commemorate 'International Day of Persons with Disabilities' on 3rd December 2020. This session aimed at creating awareness and building sensitivity towards this topic among students. On this occasion, psychologist Kelly Olive Noronha was invited to deliver a talk on the theme 'IDPD 2020- A Psychological Perspective' wherein she briefed on everyday challenges faced by persons with disabilities, especially during COVID-19 times. She emphasised on the importance of how the society should treat them as equals rather than showing sympathy. She spoke of the incorrectness of societal reactions to persons with disabilities and how children should be taught to celebrate differences right from a young age.

The students also interacted with the speaker and spoke of ways in which they can create a difference and make this world a more inclusive place.

## **5. Indian Armed Forces Day**

The Armed Forces Flag Day or the Flag Day of India was celebrated by NCC Unit on 7<sup>th</sup> December 2019 to express gratitude and appreciation to the current and veteran military personnel of India and to acknowledge those who died in service to the country. The Flag Day of India is a day dedicated towards collection of funds from people of India for the welfare of the Indian Armed Forces personnel. It has been observed annually in India on December 7<sup>th</sup> since 1949. Over the years, it has become a tradition to commemorate this day as an honour to the soldiers, airmen and sailors of India. Immediately after India achieved independence, a need arose for the government to manage the welfare of its defense personnel. On August 28, 1949 a committee set up under the defence minister decided to observe a Flag Day annually on 7<sup>th</sup> December. The idea behind observing a Flag Day was to distribute small flags to the general population and in return collect donations. Flag Day gains more significance as it considers that it is the responsibility of the civilian population of India to take care of the families and dependents of the armed forces personnel who fight for the country.

<b>Objective:</b>	To pay homage to the victims of the atomic bombing of Hiroshima and Nagasaki and to inculcate importance of “Peace and Harmony” amongst the student.
<b>Summary of the proceedings</b>	<p>“There are no victors in the war”, said Adv. Cleofato Almeida Couthino, Chief Guest on the 73<sup>rd</sup> Anniversary of Hiroshima-Nagasaki bombing observed by the Department of Geography of ParvatibaiChowgule College on 9<sup>th</sup> August 2018. He recalled the Americans prisoners of war imprisoned in Hiroshima and Nagasaki who also died during the bombing event. He also recalled the innocent Goans who worked on ship and lost their lives during the World War II. He further emphasized on the continuing threat of nuclear proliferation and nuclear testing by the world leaders so as to safeguard one’s own nation against others which will only wipe out millions of innocent lives, causing long term devastating effects to human health and environment.</p> <p>Every year on this day, the faculty and students gather for the solidarity event to pay homage to the victims of the atomic bombing of Hiroshima and Nagasaki. This year the theme was “Peace and Harmony”. An intra-collegiate poster competition was held on the theme for the students of Chowgule College. Dr.AnaghaBicholcar, Head of Geography Department formally welcomed the audience and gave a brief introduction of the day and a short documentary on Hiroshima-Nagasaki bombing was shown.</p> <p>Ms.Moana Saito (TYBSc), a student of Chowgule College from Japan who personally visited the bombing site of Nagasaki the previous year shared her views and opinions on bombings in Japan. She was deeply saddened by the heinous deed of the Americans and the continued after-effects of the bomb such as radiation poisoning amongst the survivors.</p> <p>The GLOBE (Geographers Loving Our Beautiful Earth) members made one hundred origami cranes and lanterns which is, to this day, a symbol of the innocent victims of nuclear warfare.</p> <p><i>From Hiroshima to Hope</i> created by local peace, faith and community organizations every year since 1984 in Seattle advocates for world peace and</p>

against nuclear proliferation. They hope "We can resolve international conflicts without violence, and learn the habit and technique of living in peace with all our neighbors on this earth."

A poster competition was held on the same theme for all the students of the college. Princy Mishra (SYBA) and SwellaCorreia (SYBA) bagged the first place and MadhuraNaik (FYBSc) and RukmaKhanolkar (FYBA) bagged the second place for the competition.

In the beginning Major Dr.Gunaji Sadanand Desai, Company Commander, NCC Unit of Parvatibai Chowgule College briefed the NCC Cadets about the importance and relevance of celebrating International Human Rights Day. He also introduced the chief guest. Further, he appealed the NCC Cadets that they should see that the poorest of the poor has to get opportunities to acquire the basic needs in their day-to-day life. Today's youth has to associate themselves for facilitating the process of protecting the opportunities and the rights of common citizens.

During this function Sgt. Manthan Naik, Sgt.Vidhyashree Chimmalagi, Cpl. Maria Sevina D'Souza and Cpl. Shubham S. Chodankar were appreciated for their participation in the various NCC activities. The overall programme was compared by Sgt. Manthan Naik and the vote of thanks was proposed by Sgt.Vidhyashree Chimmalagi.

<b>Title</b>	<b>PRERNA DIWAS</b>
<b>Date and year:</b>	27th February to 1st March 2018
<b>Organising Committee</b>	Deans of the College
<b>Objective:</b>	To enhance the capability of thinking powerful ideas and helping the society with their innovations, wherein students will develop confidence in them by presenting their posters to their juniors enabling them gauge ideas.
<b>Summary of the proceedings</b>	<p>In India 28th of February is observed as "National Science Day or the Prerna Diwas" to commemorate the discovery of the 'Raman Effect', a Nobel Prize winning discovery by Sir C.V. Raman.</p> <p>This year "Prerna Diwas" was celebrated in a very unique way in the college by sharing third year B.Sc./B.A. student's innovative project ideas with their juniors using the Poster presentation, with the objective of motivating first year and second year students to think of an innovative and novel ideas for their third year Project.</p> <p>We believe that our students have the capability of thinking powerful ideas and helping the society with their innovations. Thus the innovative way of celebrating Prerna Diwas will definitely motivate students to think of various innovative ideas and implement the same innovative idea for their third year projects that will lead to new invention or possibility of emerging as an entrepreneur.</p>

	<p>The Deans (Faculty of Science, Social Science and Languages and Literature) organized “Prerna Diwas” on three days from 27th February to 1st March 2018 between 10.00 a.m. to 12.00 p.m.</p> <p>First day [27th February 2018] was allotted to Social Science departments: All the third-year students displayed the Posters (as per the standards provided) of their third-year projects in the Quad. Streams such as Economics, History, Sociology, Philosophy, Psychology and Geography department Projects were displayed. Total 26 projects were displayed out of 28 projects. Total 121 First- and Second-year students and 28 staff members went through these project posters ideas. The third-year students also were very enthusiastically explained/presented their project ideas to students and staff members.</p> <p>Second day [28 th February 2018] was allotted to science departments: All third year B.Sc. students displayed their third-year project’s Posters (as per the standards provided). On this day the Botany, Zoology, Geography, Computer Science, Geology and Biotechnology project Posters were displayed in Tiger Quad. Whereas, Mathematics, Physics and Chemistry project Posters were displayed in Tiger Ghol. Very interesting 53 projects projects (out of 65 projects) were displayed by students. More than 190 First year and Second year students along with approximately 60 staff members attended this program.</p> <p>Third day [1st March 2018] was allotted to Languages and Literature departments: All third-year students from Languages and Literature departments displayed their Posters (as per the standards provided) in the Quad. The departments such as English, Marathi, Konkani, French, and Hindi department students displayed their third-year projects. Total 20 projects were displayed out of 21 projects. 63 First- and Second-year students attended the program.</p> <p>It was well planned event and executed in a very systematic order with the help of Deans, teachers’ students and Volunteers. The third-year project posters were put forth before their juniors (F.Y. and S.Y. students) that helped in understanding the concept of their project and the hardships that they went through while doing this project. Many junior fellows showed eagerness in knowing what were the different</p>

projects displayed and how they did these projects and various methodologies involved in getting the projects done. These presentations gave ideas for the second years how to frame a project for their third year. It also inspired some students to select a specific topic for their project and also decide whether to do the project in a group or individual. Overall, the event served what it means “PrernaDiwas” an Inspiration Day.

Feedback: There was very good feedback given by 90% students indicating the project presentations have helped them or inspired them to plan for next year. Few of the third years were grumpy because they were not attaining and no marks for this presentation.

The programme was well planned and organized by Ms. Shaila Ghanti, Ms. Mitra Borkar and Dr. Debasish Majumdar.

<b>Title:</b>	<b>Hiroshima Nagasaki Day</b>
<b>Date and year:</b>	9 <sup>th</sup> August 2016
<b>Organising Committee</b>	Department of Geography
<b>Summary of the proceedings</b>	<p>Every year, the Department observes Hiroshima Nagasaki day in remembrance of the atomic bombings on the Japanese towns of Hiroshima and Nagasaki. The idea of this programme was to pay homage to the victims and give everyone the reflection on the horrors of war and the danger of technology. This year it was observed on 6th August. The main theme of this day was “REMEMBER HIROSHIMA &amp; NAGASAKI: A COMMEMORATION FOR LIGHT AND PEACE”. Lanterns were lit to commemorate the anniversary of the bombing. This is a mark of respect just the way Japan follows to pay tribute to the victims. Also origami paper cranes were distributed which signifies the symbol of peace in Hiroshima and which relates to Sadako Sasaki, a 12-year-old girl who lost her life due to radiation caused by the bombing. The commemoration began with a welcome speech proposed by Miss Deeksha Naik, a Post Graduate student, as she emphasized on the importance of the day. One minute silence was observed to pay homage to the victims. Carrieann D’Costa, Post Graduate student along with her group sang a song “Heal the World” by Michael Jackson. This song expressed that one can change the world from what it has become and make it a better place and it signifies world peace. Miss Yogita Yadav, student of M.A Geography prepared a video on “Hiroshima: Past and Present” depicting the bombings, the present life of the people who have survived from the bombings and how Japan emerged as a powerful nation. The Principal Dr. Nandkumar Sawant highlighted the greatest acts of terrorism in human history. Mr. Prasanna Uttagi, a prominent member of All India Peace and Solidarity Foundation (AIPSO), Goa Chapter, was also present. Adrian Ferro, Assistant Professor, Department of Geography and Research Center was the Coordinator of the programme. Apurva Desai, Siddhi Gaonkar and Diksha Naik were the volunteers. Lastly, a short documentary named, “Hiroshima - after 24 hrs” was screened. The video showcased the victims sharing their experiences and the scars it left on their psyche.</p> <p>Mr. Adrian Ferro, Assistant Professor, coordinated the programme.</p>
