Hon'ble Prime Minister Narendra Modi's annual interaction with students "Pariksha Pe Charcha 2021" will be held online in view of the COVID-19 pandemic. The interaction with students from classes 9 to 12 ahead of their exams will be held in March 2021. This year, on the popular demand, "Pariksha Pe Charcha 2021" will also include the parents and teachers.

Questions related to dealing with examination stress from school students of classes 9 to 12 will be invited through the "MyGov" platform and selected questions will feature in the programme. The selected participants will be participating in the programme online from their respective state and UT headquarters and will be presented with a special PPC kit (Pariksha Pe Charcha kit). Students who will get to ask questions will be selected through a competition. The last date of registration for the programme is **14 March 2021**. Refer following link for more details <https://innovateindia.mygov.in/ppc-2021/>

Hence, I request you to encourage all your faculty to share this information to their students, their amazing parents and hardworking teachers to take part in PPC2021 in large numbers. Also kindly arrange to broadcast this film widely, particularly in schools and community.
