New Faculty

Mr.Amar Naik has joined Parvatibai chowgule collge as new faculty in department of Computer Science. When asked about his new role, these were his views " Parvatibai Chowgule College of Arts and Science (Autonomous) is one of the best and prestigious academic institutes in Goa. Also actively involved in research and encourages faculty and students to do quality research. As a research

aspirant I am glad to be part of this premier institution. premier institution.
Since the college has a broad vision for promotion of research and there is continuous striving to upgrade the faculty with the latest development of the subject and research, I will focus on research paper presentation and certification. Also I will work to strengthen consultancy and extension activities of the department by working on applications development and carrying out community outreach programmes. As a teacher, I aim to disseminate knowledge, inspire learning and give exposure to students on current trends and development in the field of Information Technology to bridge the gap between industry and academics by organizing workshops, Guest Lecture and industry visits".
