Interview of Mr.Rohir Naik

Interview of Mr. Rohir Naik, budding entrepreneur and alumni member of Department of Computer Science

"Transformational Thinking Meets Transformational Doing!"

Says Mr.Rohir Naik, young and dynamic CEO and founder of Third Eye Technologies, Ponda-Goa. Rohir a Computer Application student of Chowgule College, Margao aspired to be a entrepreneur from initial days of his life. Coming up from a middle class family with no financial assistance; building a huge startup was not easy but his hardwork made it possible, adds Rohir.

Rohir enjoys coding, web designing and aims to deliver best quality product to his clients. The quality of his work has helped him fetch many clients in India and abroad. From the time he was studying, he intended to have his own startup and generate job opportunities for others, rather than moving out of Goa and taking up a 9 am-5 pm job in industry for himself. He began as a freelancer taking up small projects from various clients and then decided to attain his startup-dream two years

Back. Mrs. Neeta Dhopeswarkar, a faculty from Department of Computer Science, Chowgule College had conversation with Mr.Rohir Naik. Here is the excerpt from their conversation.

What made you to venture into business?

" While I was studying, I was keen in learning technologies. From then I started taking work on freelancing. Later I decided that rather than working outside Goa, away from my own people, I can start my own business in MY Goa and for Goa. "- It shows his respect, love for his state and willingness to help communities.

Can you tell me about your family background and education?

"My mother is a housewife and father is into a private service. I completed my schooling in Almeida High School,Ponda, HSSC from Shree Saraswati Higher Secondary School,Kavlem, BCA from Don Bosco College, Panjim and Post graduate diploma in computer application in Chowgule College Margao".

Share some details of your business.

"Third Eye Technologies, one of the leading IT companies in Goa, is driven by a passion to deliver end-to-end IT solutions to its clients across the globe. We are backed by a team of qualified professionals with a proven track record of delivering state-of-the-art IT solutions."

What are the salient features of your business?

"What makes us different from other software development companies is our capability to deliver tailor-made solutions that are several cuts above the ordinary. Ultimate in consultation, skills diversity and adaptability to meet client expectations are the very strengths of Third Eye Technologies. We understand that clients who seek software and mobile application development look forward to make partnership with a reliable team that offers top-notch solutions at the right time. Our software applications, hallmarked for quality and reliability, have earned us a place among the best software development companies in Goa.

As one of the leading IT companies in Goa, it is our duty to help you scale new heights. When you award a project to Third Eye Technologies, be assured that new experience for your business are being created. We help you fetch your success story in each new territory you venture out into."

How did you get a kick start in this venture?

"I did Social marketing and sometimes visited people(in local market), but to get into the international market I do social targeted marketing in specific region."

What are the key characteristics of the

Computer science department of Chowgule college?

"The staff is very nice and ever ready to help students without any trouble. They didnt get bored even if we asked the queries several times. Department had very healthy environment, good infrastructure and resource/material availability. The Syllabus of PGDCA is well framed to fulfill needs and upgraded time to time. The final year project was also helpful."

What way PGDCA course has benefited you?

"PGDCA course helped me technically in knowing fundametal topics and developing practical skills which in turn gave me confidence to take up a business challenge. Due to financial constraints I was unable to enrol for MCA course. But PGDCA has helped me in building up my careeer and I am happy to explore this further to reach to new heights."

Our best wishes are always there with you, Mr. Rohir. You are the inspiration in true spirit to other students.

Mrs. Neeta Dhopeswarkar(Assistant Professor) and Ms. Dikshita Aroskar(Assistant Professor)

Mobile App Idea Competition

With the initiative of Mrs. Shaila Ghanti, Dean of Faculty of Sciences, Department of Computer Science organized an event "Innovative Mobile App Idea Competition" which commenced on 4th Sept 2017. The event Co-ordinators were: Ms. Priya Lotlikar and Ms. Dikshita Aroskar, from the Dept. of Computer Science.

The entries were kept open for all the departments. Faculties of Dept. of Computer Science motivated the students to take part in this competition. Students were also notified of all the subtasks, rules and regulations, via emails. Total 14 entries were received. Out of which top 10 ideas were selected for the Final Round which was held on 27th Sept 2017. The top 10 teams had to present their ideas in front of the judging panel. The judges for the final round were:

1. Mr. Sudhir Shetty (CIBA)
2. Mr. D. Prabhakaran(HOD of Computer Science)
3. Mrs. Suchitra Bhat(Dept. of Computer Science)
4. Mr. Vasant Shirwaikar(Dept. of Computer Science)

Students participated actively coming up with some good app ideas which would actually help the society. They enjoyed every bit of the event. Ms. Manjiri(TyBsc.), Mr. Rahul(Fy BVoc), Mr. Tushar and other Msc. IT students actively extended their hand of support in making this event a grand success.

Mr.D.Prabakaran, Associate Professor(HOD Comp.Science Dept)

Winners of Mobile App Idea Competition

- 1) First Place :
Team name: The Blind Legend
Participant name: Mr.Ankur Kankonkar
App Idea name: Artificial Eye (AEye)
Cash prize : Rs.2000/-
- 2) Second Place :
Team name: LogistiX
Participant name: Mr.Alexander Rodrigues
App Idea name: MUBro
Cash prize : Rs.1000/-
- 3) Third Place :
Team name: Code Harbour
0.1,Participant name: Mr.Valdo Fernandes , Mr.Praveen Adithya V
App Idea: SMART AGRO
Cash prize : Rs.500/-

Mr.D.Prabakaran,
Associate Professor(HOD
