The objectives and description of the activity	<p>Awareness and creativity- To spread awareness about the benefits of millets and to create a domestic demand to provide nutritional food to the people.</p> <p>Botany department of Parvatibai Chowgule College of Arts & Science (Autonomous) Margao, Goa celebrated the international year of millets on the theme Millet food festival on 27th July 2023, in Quad at 1.00 pm in that millet-based food were put up by the students, where each student explained the benefits of the dish they prepared. The government of India has identified millet as a safe bet to enhance farmers income and as a reliable grain to ensure India's nutritional and food security and so this activity ensured that the students get to know about the importance and benefits of millets in a tasty and a healthy way. The participants enthusiastically took part in this activity and prepared many wonderful millet-based items. All the participants were given 10 NEC hours.</p>
