

How TELEGRAM can be useful to teachers for online teaching.

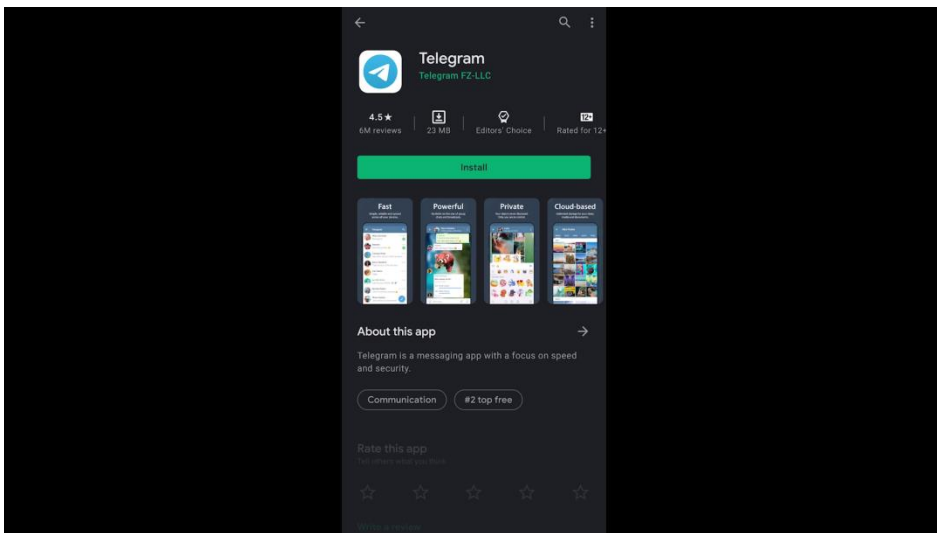

Telegram is an app which is used to communicate with different users and share information. Telegram can also be used for online teaching purpose.

- 1) Go to your device's play store(for android users) or app store(for iOS users) and search for telegram .

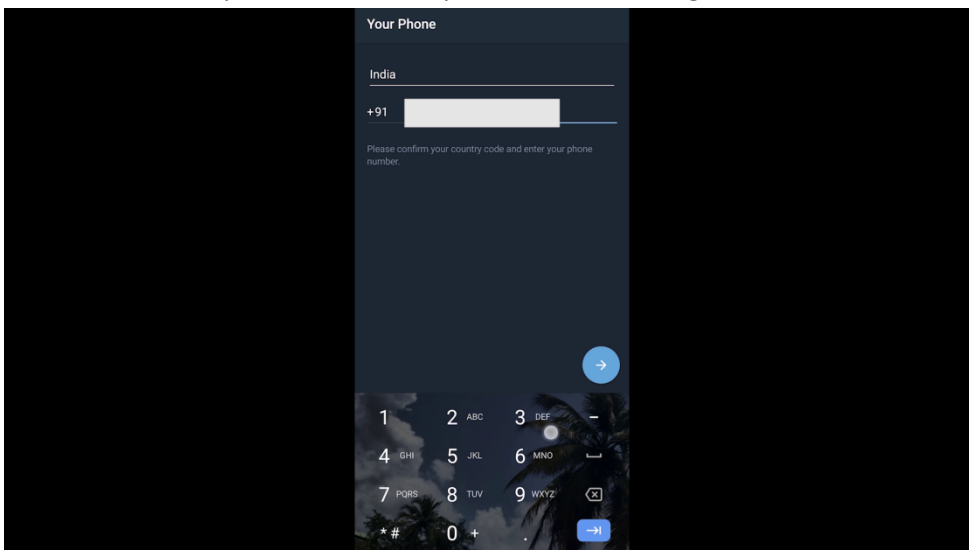

https://play.google.com/store/apps/details?id=org.telegram.messenger&hl=en_IN&gl=US

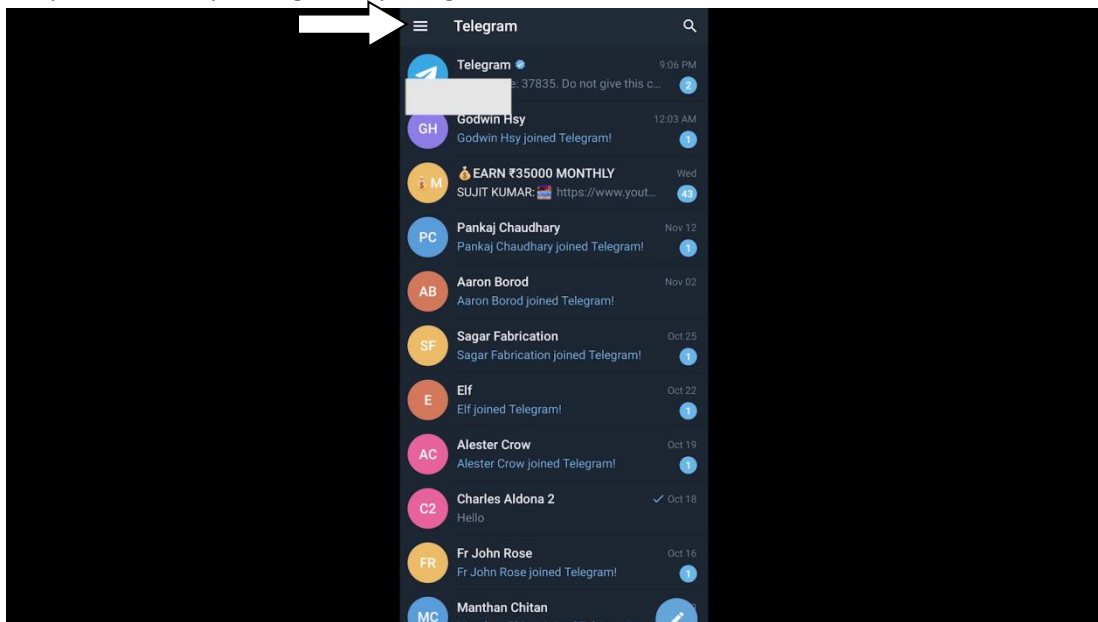

- 2) Download and install the telegram app which is totally free.

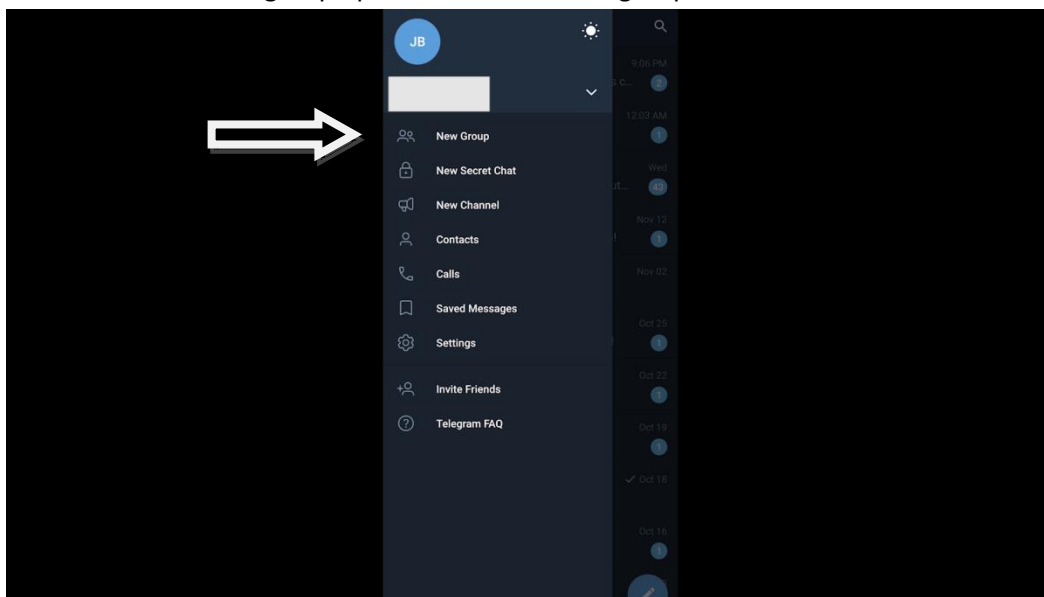

- 3) Enter the necessary details to create your account on telegram.

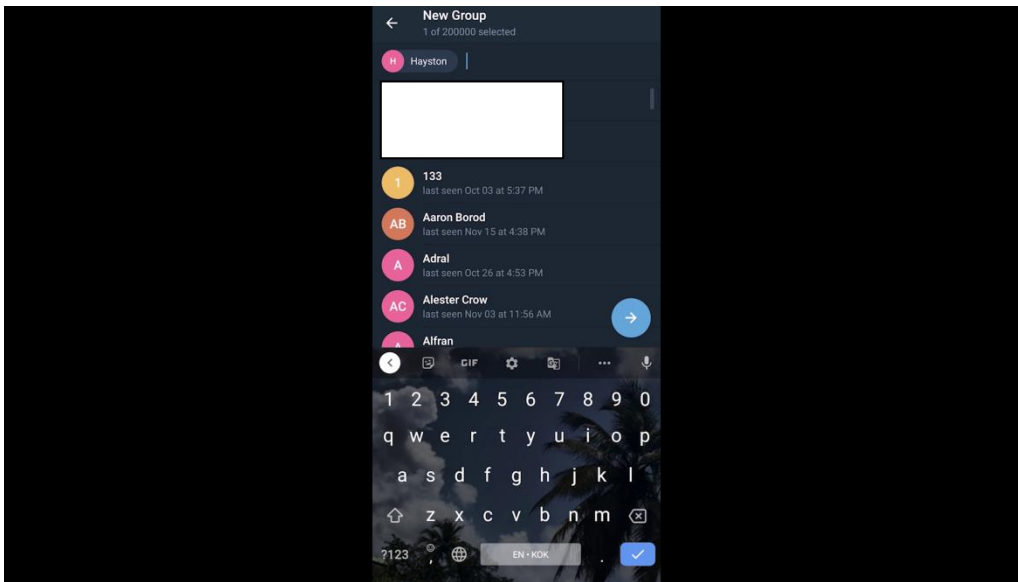

- 4) After setting up your account click on the burger button(3 bars) on the top left corner of the app to open a list of options given by telegram.

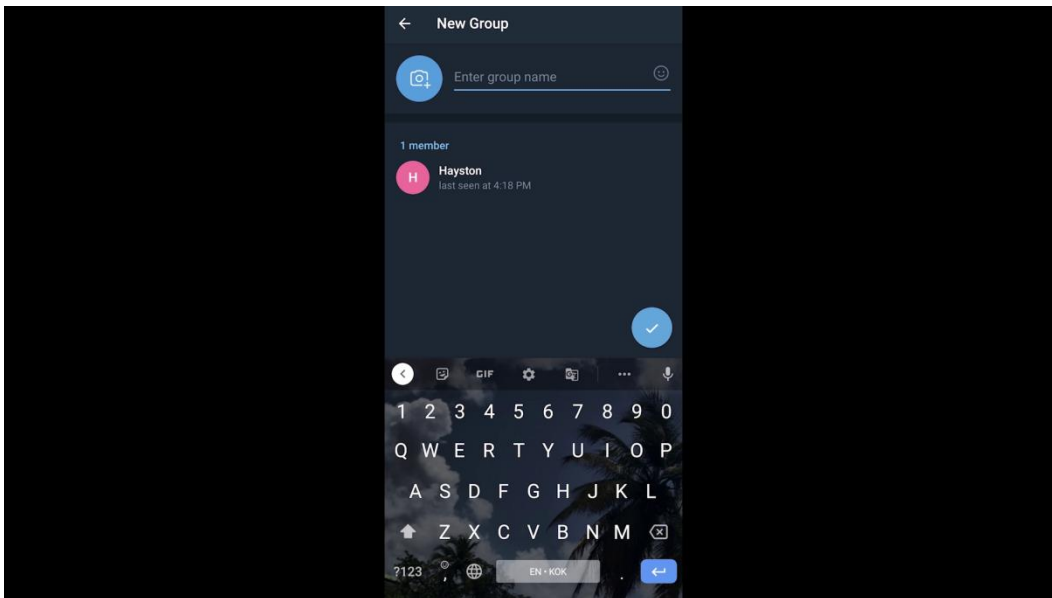

- 5) Now click on the new group option to create a new group.

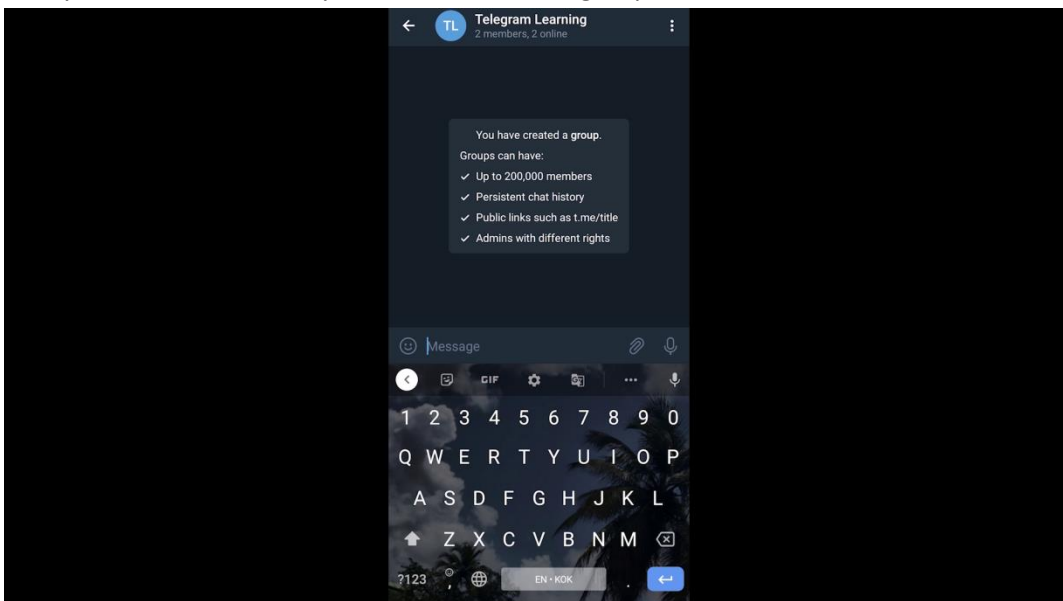

- 6) Type the names of the your students that you want to add to the group and click on the arrow button on the bottom right after your done.

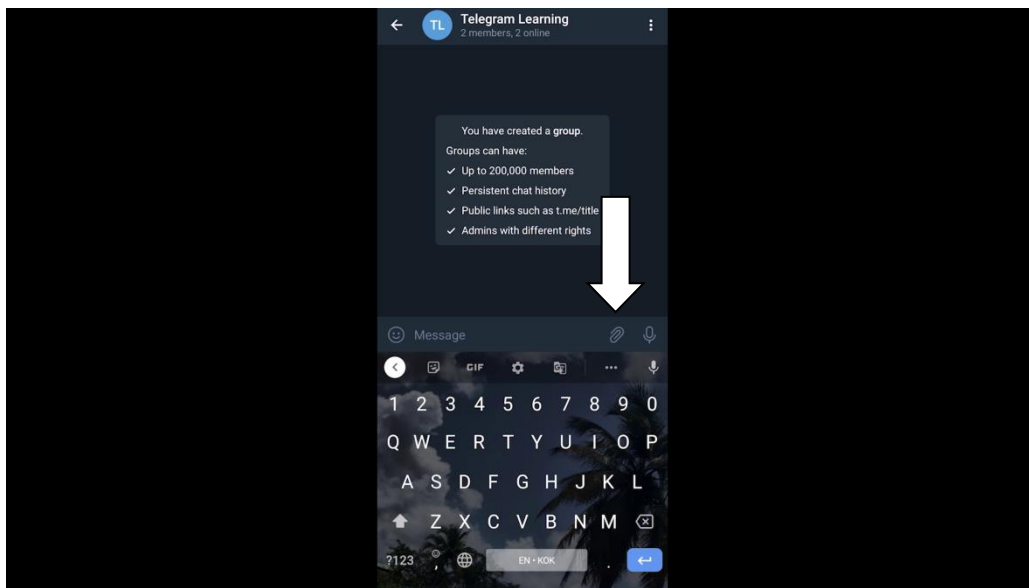

- 7) Now give a name to your group and add a display picture if you want and then click on the tick-mark button on the bottom right to create your group.

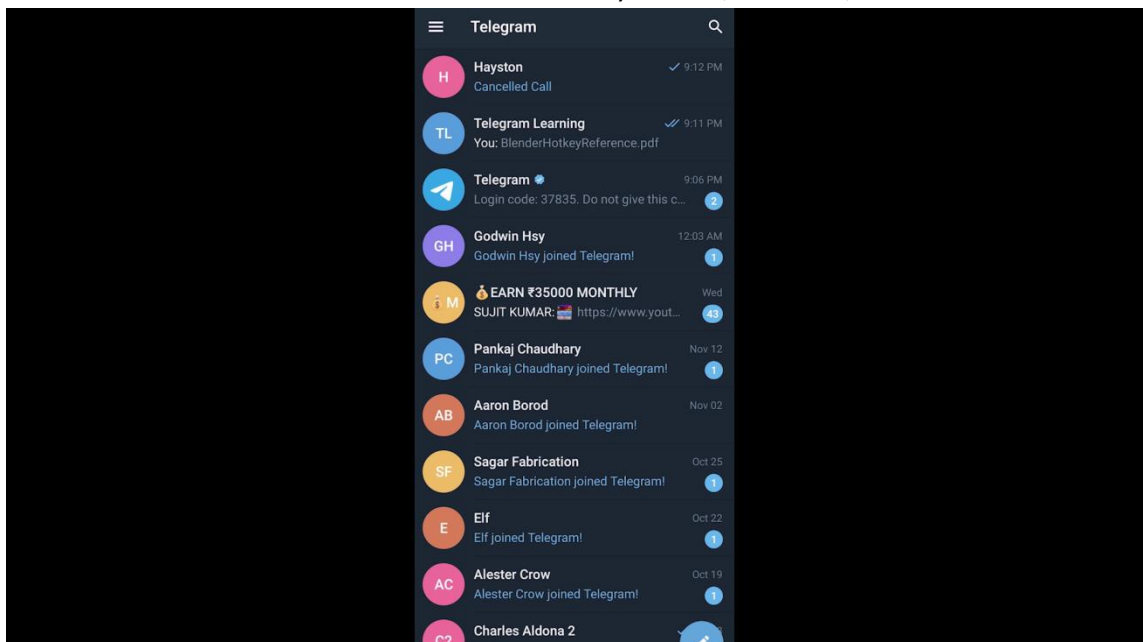

- 8) Now you can interact with your students on this group.

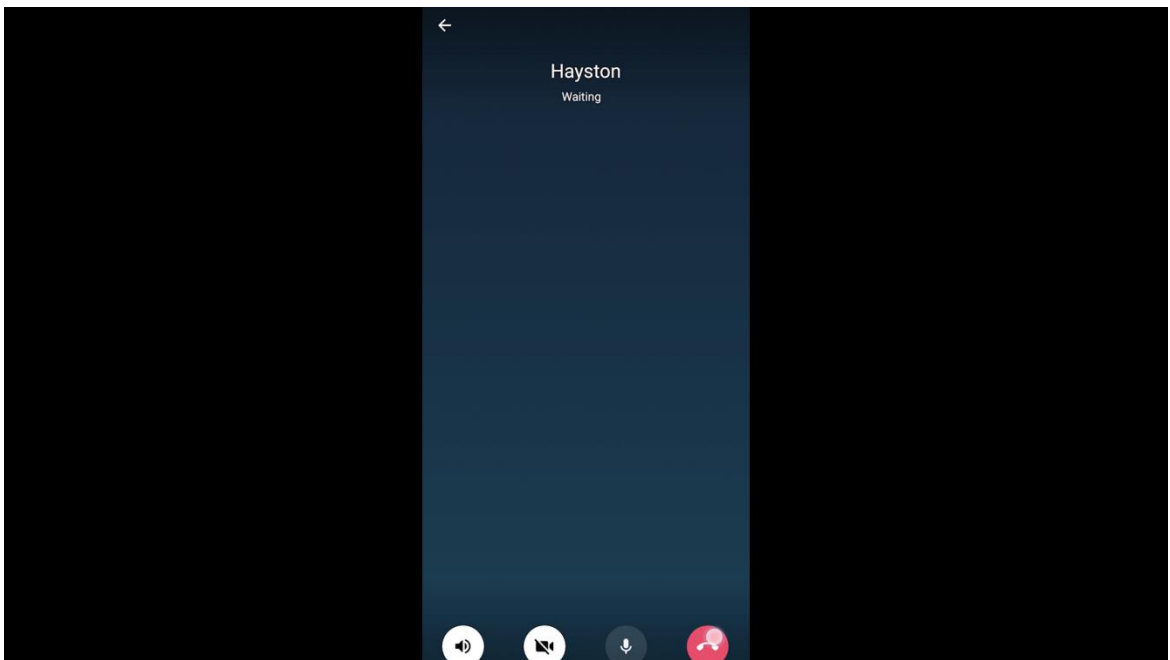

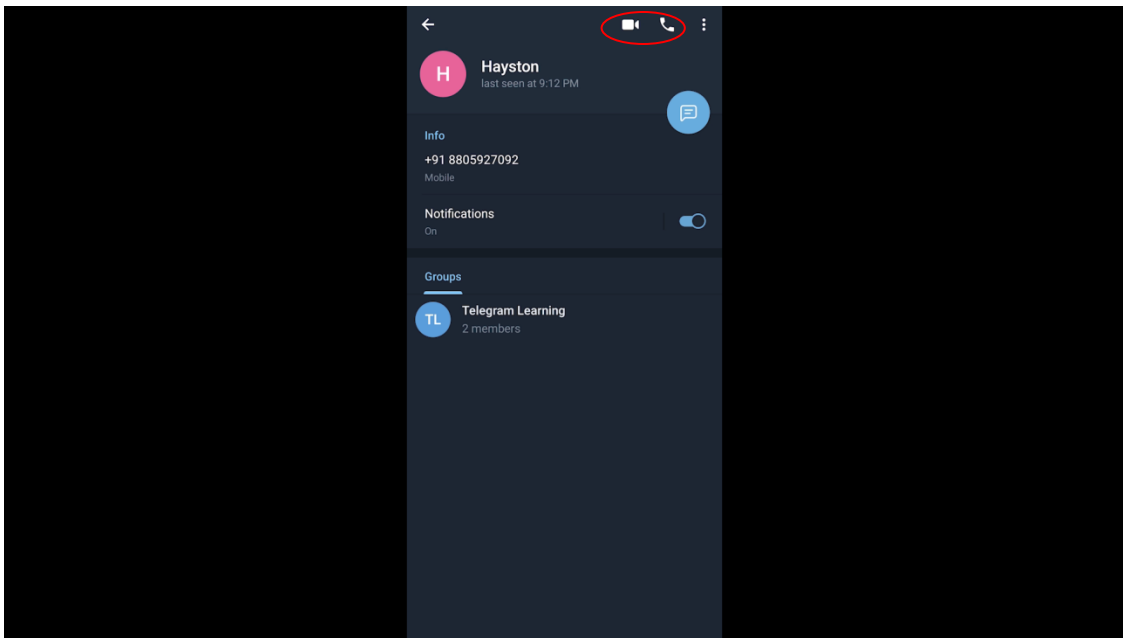

- 9) To add any video/pictures or any documents click on the attachments button and select the file that you want to share with your students.

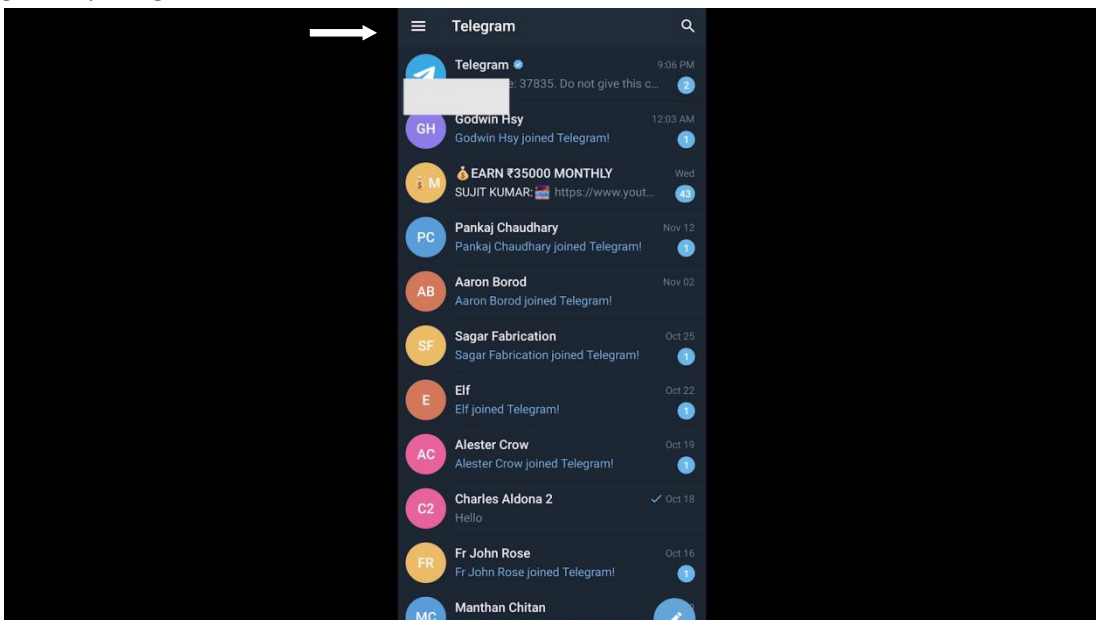

- 10) Click the students chat to interact with them directly via text, voice call, videocall.

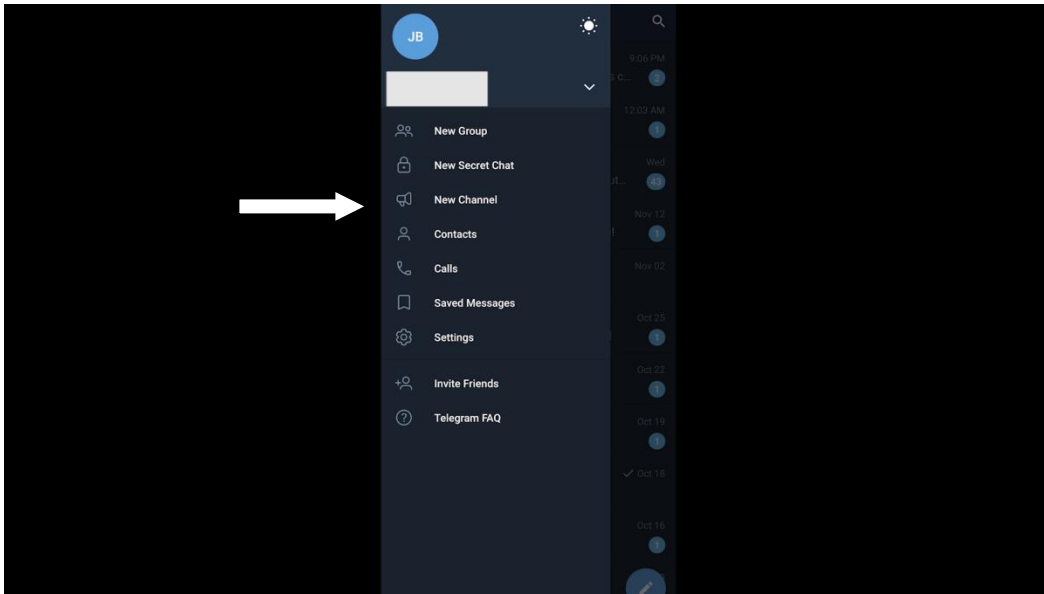

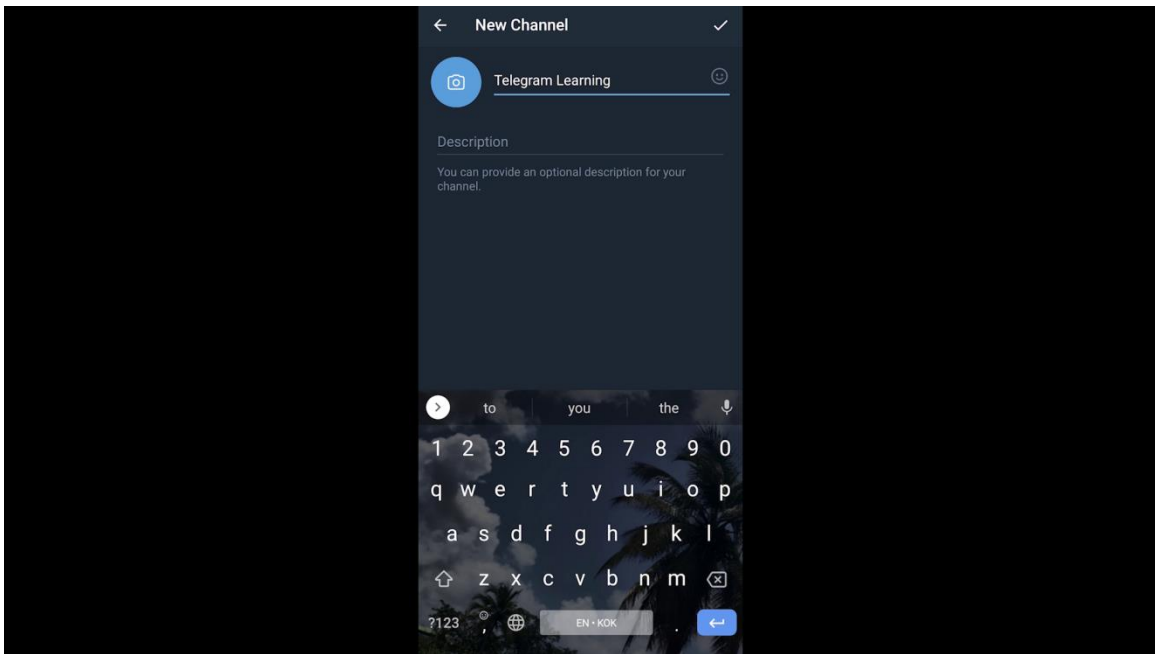

11) Click on the burger button(3 bars) on the top left corner of the app to open a list of options given by telegram.

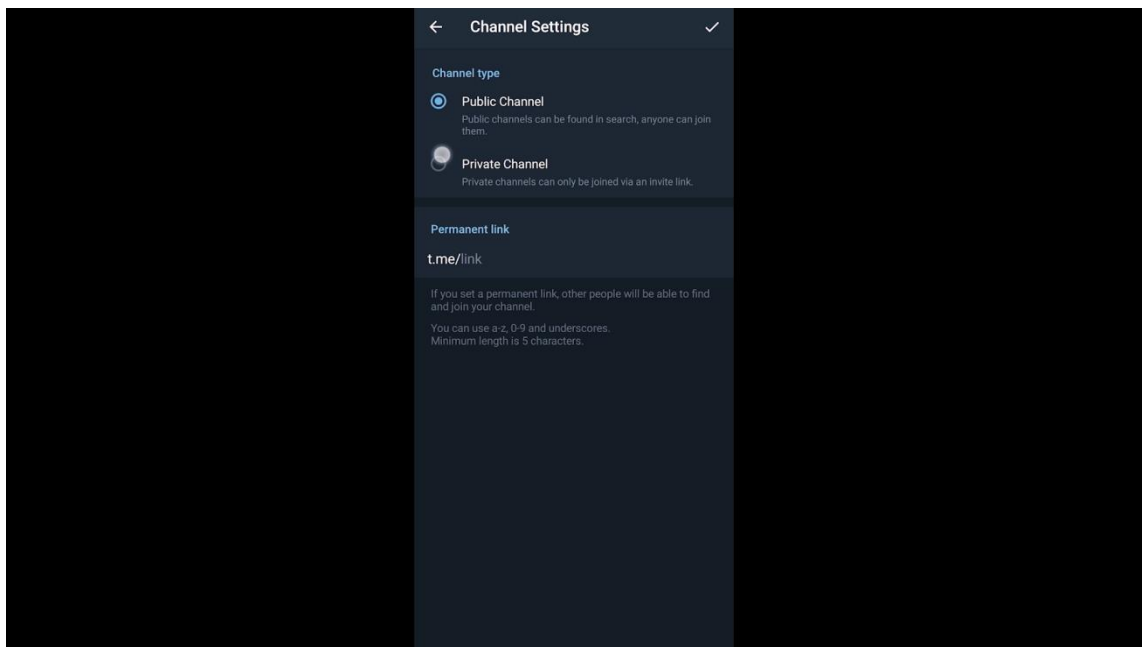

12) Now tap on the new channel option to create a new channel.

13) Now give a name to your channel and add a display picture if you want and then click on the tick-mark button

14) Choose whether you want your channel to be private or public and click on the tick-mark button to create the channel.

15) You can either add your students via the link created by the Telegram channel or add your students manually to the Channel.

16) You can add videos/ pictures or documents the same way you sent via the group(The procedure to upload files to the channel is the same as sending to the group).

THANK YOU!!
