How To Record and Edit Videos by Yourself.

To record your screen, you will need to Download Bandicam Screen Recording App from Google. <u>https://www.bandicam.com/</u>

- 1) Next install the Bandicam screen recording app on your desktop
- 2) Open Up the App and Click on the record Button to start recording your screen.

3) Click on the Stop button, to complete your recording.

4) Your recorded videos will then get saved automatically to your Documents under the folder BANDICAM.

Next to edit the Videos I used Adobe Premiere Pro 2020

https://www.adobe.com/in/products/premiere.html

1) Open up the Adobe Premiere Pro 2020 App.

2) Click on new project and name your project as per your specifications, Then click Okay.
