

# Steps to Install/Open/Access Google Classroom

## 1] How to access Google Classroom using Desktop

- First Sign-in Gmail using your College email address. Example: [xyz001@chowgules.ac.in](mailto:xyz001@chowgules.ac.in)
- Next tap on the Google apps option as shown below.

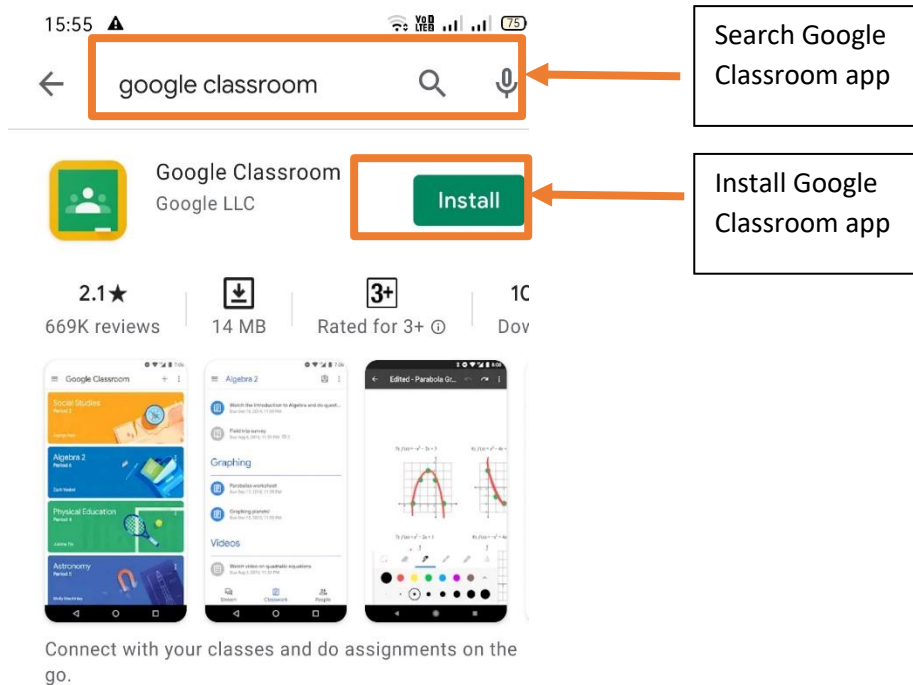

- Now scroll and choose Google classroom option and then continue as a student.

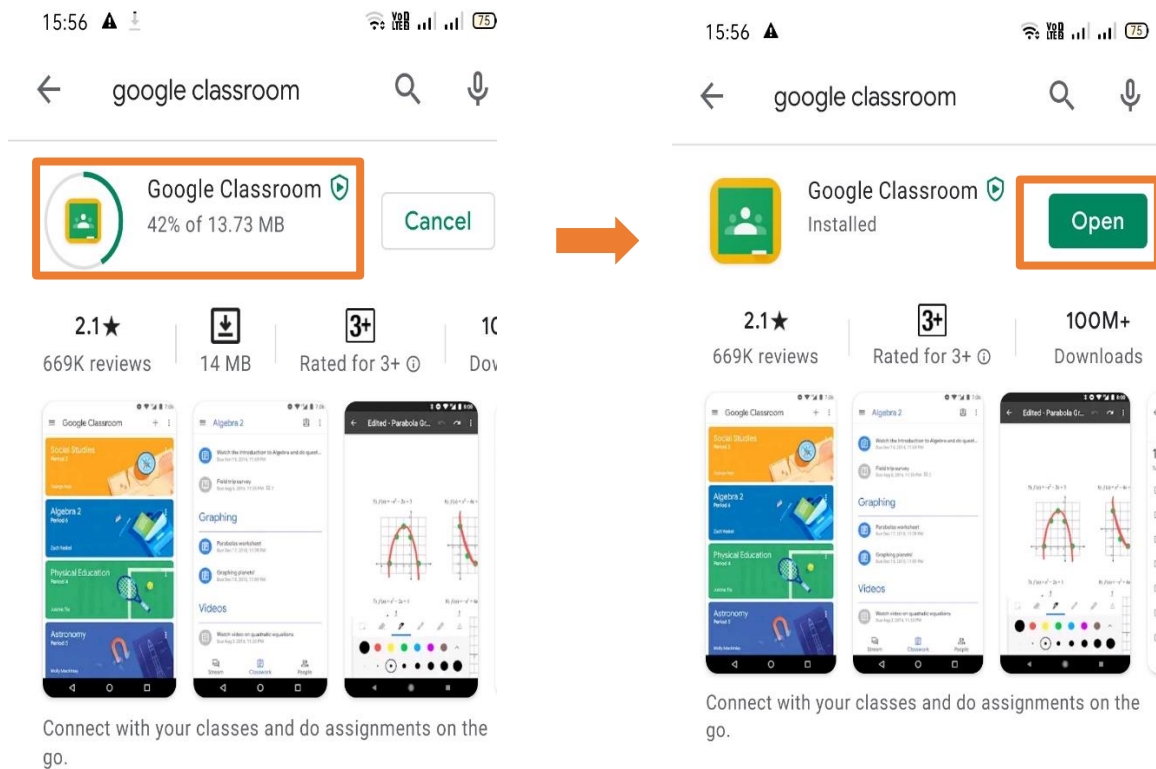

## 2] Android

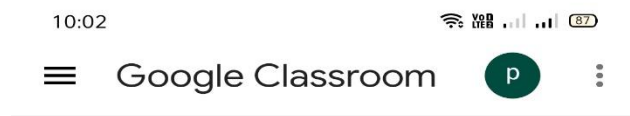

- Go to Google Play Store on your device
- In the search box find the Google Classroom app

- Install the Google Classroom app and open the app.

- Sign-in using your college email address to use Google Classroom and join Classes.
